

NWU student sterf

Potchefstroom – Die Noordwes-Universiteit (NWU) gemeenskap is diep geraak na die jammerlike verdrinking van een van hul studente op Sondagmiddag, 15 April, teen 15h00 op die Potchefstroomkampus. Die 34-jarige student was by die universiteit se swembad saam met 'n vriend. Die voorval was nie deel van enige formele studente- of universiteitsaktiwiteit nie. Volgens die vriend was hulle besig om te ontspan toe die ongeluk plaasgevind het. Die vriend het vertel dat die oorledene by die diepkant van die swembad ingespring het. Hy het kort hierna besef dat iets verkeerd is en het alarm gemaak toe die student nie uit die water gekom het nie. Die universiteit het verneem dat 'n medestudent in die water gespring

het en hom uitgehaal het. Paramedici is na die toneel ontbied en het KPR toegepas. Hy is in 'n kritieke toestand in die hospitaal opgeneem waar hy later die aand oorlede is. Almal wat tydens die ongeluk daar was het traumaberading ontvang deur opgeleide universiteitspersoneel wat verantwoordelik is vir ondersteuning tydens sielkundige, trauma- en emosioneel verwante noodgevalle. Dieselfde ondersteuning is ook aan die onmiddellike familie van die oorledene gegee. Hulle het die kampus besoek. Die polisie is tans besig met 'n geregtelike doodsondersoek. Die familie en vriende van die oorledene is in ons gedagtes gedurende die moeilike tyd.

SHOCKING CASE OF POPPIE POSTPONED

Brits – Pre-sentencing proceedings in the murder case of the then 3-year old Poppie van der Merwe shocked the country> The case has recently been postponed in the North Gauteng High Court to 24 May. The postponement of the case follows the rejection of the pre-sentencing report handed in court on Wednesday by the defense of Louisa Koekemoer, the biological mother of Poppie. The compiler of the report who wished to remain anonymous declined to present it to Judge Bam. Judge Bam ruled that another report be compiled and handed to Koekemoer's defense prior to the commencement of pre-sentencing at the next court date. Murder accused Kobus Koekemoer, stepfather to Poppie and her biological mother Louisa Koekemoer, were arrested in connection with the girl's tragic death in Brits last year. Poppie died on the way to a hospital in the area as a result of her injuries. The murder of Poppie is one of the most shocking cases involving the abuse and killing of children in South Africa.
