Rustenburg – Have you ever walked into a McDonald's restaurant to grab a breakfast and the first thing you ordered was one of their burger meal options? Stop right there! McDonald's now also has a breakfast menu with an array of options that will suit any appetite and budget. As you know, breakfast is the most important meal of the day. This is why... Breakfast provides the body and brain with fuel after an overnight fast. That's where its name originates, breaking the fast! Without breakfast you are literally running on empty. This will reduce your performance for the rest of the day.
