

DJ WAYNE TO BE LAID TO REST

Rustenburg – The untimely passing of well-known music disc jockey (DJ) Wayne Robért aka DJ Wayne, on Saturday 9 June, left his family and many of his followers grieving over his sudden departure. DJ Wayne rubbed shoulders and shared stages with well-known artists such as DJ Fresh before his passing. DJ Wayne's funeral will be held at NG Begrsig, at 194 Bethlem Drive, 11am on Saturday, 16 June. Below are the fond memories shared among others, by his mom, dad, brother, sister, his two sons, and his fiancé. "Pappa was altyd 'n grasjas hy was my held, hy was altyd

vriendelik en het my altyd gehelp waar hy kan. Ek is baie lief vir my pappa en gaan hom baie mis." Van Gordon "My dearest Wayne, my fiancé, my soulmate and best friend. What we once enjoyed and deeply loved, all the moments and memories, will never be lost, for it has made me who I am today. The kisses, the playful tickles and teases, your super cute dimples, your bubbly laugh and your funny penguin walk when you woke up. I am deeply going to miss you and everything about you. You will remain deeply in my heart until we meet again. Love you to heaven and back." Christen

SA vs Engeland

Op Ellispark word geskiedenis gemaak met Siya Kolisi die eerste swart speler wat as kaptein vir die Springbokke op die veld draf. Kolisi se eerste toets as *cappie* was baie suksesvol met die Bokke wat van 24-3 agter terugkom het om met 'n riller 42-39 te wen. Rassie het 'n paar oorsese trekvoëls nadergetrek wat uiters suksesvol was. Die speler van die wedstryd, klein generaal Faf de Klerk, het meesterlik op skrummie vertoon ou groene! Hierdie blonde buksie het geen bang haar tussen sy blonde lokke nie. Hy het met slim, vinnige spel die ritme aan die Bokke gegee. Sy puik oordeel het ook gesorg vir sy eerste toets drie... en die mannetjie het soos 'n staffie onder die bleekbene ingeseil en platgetrek. Die nuwe vleuelpaar, S'busiso Nkosi (2) en Aphiwe Dyantyi (1), het albei in hul eerste toets agter die doellyn gaan kuier. Veral Nkosi het beïndruk met sy kraglopies en goeie verdediging. Handrè Pollard het ook goed vertoon op losskakel en sy balverspreiding was puik. Willie le Roux het vir die eerste keer sedert 2015 die Boktrui aangetrek en was die knaap lus vir *ruggas!*

Hy was die x-faktor wat skitterend van agter in die lyn gekom het en deurgaans gevaarlik op die aanval was. Voorlans het die ou jong RG Snyman op slot soos 'n Trojaan te kere gegaan en kon ook maklik as die speler van die wedstryd aangewys word. Hy was iets ysliks en het met verwoede stormlope die Engelse op die agtervoet gehad.

Duane Vermeulen het ook sy terugkeer tot die Bokspan en die yster het nie teleurgestel nie. Hy was dodelik op die dekverdediging en het telkemale onder die hoë balle ingeseil en die druk van die agterste driehoek afgehaal. Siya en Jean-Luc du Plessis het goed met Vermeulen gekombineer. Welgedaan Rassie, die eerste een is in die sakkie, twee om te gaan. Soos jy met Schalk Brits verras, kan jy maar net sowel vir André Esterhuizen op 12 in die span bring. Nag ou groene... en sterkte Eddie!

Ander nuus... Die Blitsbokke wen vir tweede agtereenvolgende jaar die Wêreldbeker vir Sewes. Welgedaan Blitse, julle is ysters!

ADHERE TO ALCOHOL LAWS OR CLOSE SHOP

North West – The North West Department of Economic and Enterprise Development is implementing a massive programme aimed at creating awareness and enforcing liquor laws in the villages, townships and small dorpie areas.

The programme came following the report by the World Health Organization (WHO) which found that South Africa is rated the highest in terms of alcohol and abuse especially among young people.

"The main cause is peer pressure, boredom and ignorance of alcohol harms. We are concerned about the rate in which our young people are abusing alcohol, hence we have developed a joint liquor programme together with the relevant stakeholders to introduce the harmful effects of alcohol abuse which includes social responsibility programme, roadshows, educational school lectures and compliance inspections," Onnica Sithole, chief director of Business Regulation, said.

"These kinds of interventions will be able to minimise alcohol consumption and change their drinking behaviour."

She said the department in partnership with South African Police Service (SAPS) and local liquor traders has recently brought hope and smile to the vulnerable families through a social responsibility programme.

The week-long programme was concluded with a compliance inspection where a total number of 29 liquor outlets in the North-West province were visited. Approximately ten outlets were found to be in contravention of the Liquor Act 29, of 1989 as amended with offenses ranging from managing liquor outlet without proper documentation, selling liquor beyond trading hours, several bottle stores were selling liquor on Sundays. One tavern and two bottle stores were closed for selling takeaways and operating on Sunday respectively.

BOJANALA PLATINUM DISTRICT MUNICIPALITY ENVIRONMENTAL MANAGEMENT FRAMEWORK PROJECT

NOTICE OF PUBLIC CONSULTATION PROCESS AND INVITATION TO PARTICIPATE

The North-West Department of Rural, Environmental and Agricultural Development has appointed the North-West University, Centre for Environmental Management to develop an Environmental Management Framework (EMF) for the Bojanala Platinum District Municipality. This will be done in terms of the provisions in the National Environmental Management Act 107 of 1998 (NEMA) and the 2010 NEMA EMF Regulations. An EMF is a compilation of the biophysical and socio-cultural systems of a geographically defined area. The purpose of an EMF is to inform project level authorisation and decision making, as well as strategic spatial planning.

To ensure that the EMF is supported by all stakeholders, the project must be informed and supported by an extensive consultative and public participation process.

You are hereby invited to participate in the final round of public meetings, at an appropriate time and venue, as indicated below. The purpose of the meetings is to discuss the draft Environmental Management Framework, in order to allow public to provide comments and inputs in this regard.
