RACING FOR CHARITY

Rustenburg – It's Ovals this weekend on Saturday 28 July, and this time drivers will race for a good cause.

The entire event is a fundraiser for the MōreSter Child and Youth Care Centre. Racing categories are: stockrods, 1660's 2.1 litres, hotrods, flexi's, midgets, a mini-kiddies race and quads.

A major attraction is the rock climbing team with monster trucks to entertain young and old.

Please open your hearts and donate clothes, blankets, food, baby products or anything else. This

would decrease gate entrance by half.

There will be a variety of food stalls – bring your coolerbags and the entire family!

Gates open at 14h00, kids racing start off at 15h00 and the main attraction events start at 17h00. Adults' entrance is R60 pp (R30 if you donate items), children R30 and kids under six years are free.

For more information on the donations, contact Charissa Kruger on 082-460 4375, or if you'd like more info on the races, contact Christo on 082-972 7093 or Henri on 083-452 9979.
