

HOSPICE NEEDS YOUR HELP

Rustenburg – With the winter season knocking on our door, Hospice Rustenburg is calling on the community to support its drive to alleviate the plight of orphans and terminally ill people. The Hospice shops urgently need furniture including any household or office furniture, outdoor or indoor furniture, clothing and shoes for children, ladies and men, linen, toys, books and electrical appliances. The organisation also pleads for any donation of household appliances, ornaments, tableware, craft

goods, Tupperware, ceramic ware, pots and utensils. Goods collected are used to support worthy causes and Hospice depends on the community's generosity and goodwill to donate these items. Donations can be dropped off at the Rustenburg Hospice shops at Wildevy Centre or at 4 Boshoff street, Rustenburg. Alternatively contact Reinette on 014-592 6802. Donations can also be collected from your home or office.

SPONSOR A KENNEL

Rustenburg – The Rustenburg Society for the Prevention of Cruelty to Animals (SPCA) needs your help, or as little as R200 per month to sponsor a kennel of your choice. Your support would provide the dog or cat with food, a warm blanket and a toy. It would also afford them essential treatments against ticks, fleas, worms etcetera. You can make a real difference

in an animal's life for less than a night out, and if the animal in your kennel is adopted, your sponsorship will continue for the next animal. To show their appreciation, Rustenburg SPCA will issue a certificate with your name or your company name on the kennel. The plaque will read "I'm sponsored by..." **For more info, contact Monique on 084-506 4249 or email kswart2@telkomsa.net.**

SPCA offers unique business opportunity

Rustenburg – The Rustenburg Society for the Prevention of Cruelty to Animals (SPCA) is looking for an area or plot of land that can be used as a dog park. Dog parks, such as these, have been opened with great success in cities such as Johannesburg, Cape Town and cities abroad. Opening a dog park next to your dog friendly restaurant or business premises will all but guarantee a continued stream of patrons and open your business to a brand-new stream of constant clients. Whether this is for dog lovers or simply people who prefer a safe outdoor area in which to enjoy the day. A safe, dog friendly outdoor facility has the potential of being the next social spot in Rustenburg for you and your four-legged friends. **For more information, contact Monique on 084-506 4249 or email kswart2@telkomsa.net.**

Zondereinde is an established platinum group metal (PGM) mine in the Limpopo province which produces some 300,000 PGM ounces annually. The Zondereinde mine is the home of pioneering technology and innovation both in the underground workings and at its world-class metallurgical infrastructure.
