Fietsryers dood in tref-en-trap

Jacques van Niekerk

Frikkie Pieters

Rustenburg – Op Dinsdag 4 September om ongeveer 17:00, is Jacques van Niekerk en Frikkie Pieters oorlede nadat albei noodlottig deur 'n motor getref is.

Beide fietsryers was op die N4 besig om te oefen vir 'n fietswedren toe hul deur die motor van hul fietse af gery is. Die bestuurder van die voertuig het van die toneel af gevlug.

Kaptein Aaffje Botma van die Potchefstroom polisie dienste het bevestig dat die oorledenes naby die Elandsdrift omgewing langs die pad gevind is, en dat 'n silwer

Volkswagen Polo 'n paar meter van die ongelukstoneel af gevind is.

Die voertuig is vroeër die dag in Brits as gesteel aangemeld maar die polisie kan op die stadium nie met sekerheid bevestig dat die voertuig wel betrokke was by die tref en trap nie. 'n Saak van strafbare manslag is geopen en die saak word tans ondersoek.

Van Niekerk en Pieters was albei werksaam by die ATKV Buffelspoort. Ons betuig ons innige meegevoel aan Van Niekerk en Pieters se gesinne, vriende en kollegas.

Emergency and rescue services on scene.

Disaster of epic proportions averted at local fast food restaurant

Rustenburg – The timely arrival of the Rustenburg Fire Brigade to extinguish a fire at a local fast food outlet in the CBD on Wednesday 5 September, averted - what could have been - a disaster of major proportions.

Taking a closer look at the smouldering rubbish/ storage room, the potential powder keg became

aparent. Five gas cylinders stood in the centre of a smoke-filled room crammed with shreds of discarded boxes, papers, leftover food, staff backpacks and bicycles.

The emergency services personnel were taken aback by the disregard for the legally prescribed methods for storage and handling

of gas cylinders.

Upon request, the staff of the fast food restaurant refrained from commenting about the cause or circumstances of the incident.

At the time of going to print the Rustenburg Fire Brigade had not yet prepared an official statement.
