

Help ons geskiedenis bewaar!

The late president Paul Kruger

Rustenburg – Kedar Heritage Lodge se museum bevat een van die grootste versamelings van Suid Afrikaanse oorlog memorabilia ter wêreld. Kedar lodge val onder die privaat groep Recreation Africa Group Of Companies.

Dit is welbekend dat die Kruger huise wat op die Kedar perseel geleë is, uitstekende versamelings van oudhede in puik kondisie gehou word. Dit is nie net 'n veilige hawe vir van ons kosbaarste geskiedkundige items nie, maar dien ook as groot trekpleister vir plaaslike inwoners, vakansiegangers en oorsese toerisme.

Kedar is tans besig om 'n huis aan die rol van vroue en swart mense in die Anglo Boereoorlog toe te wy en is op soek na enige materiaal wat hiermee of enigins met die oorlog verband hou. Die materiaal kan in die vorm van geskrewe inligting (oorvertellings),

briewe, foto's of enige ander items wees. Alhoewel dit met liefde as skenkings ontvang sal word, kan briewe of foto's ook slegs beskikbaar gestel word vir duplisering. Die toestand daarvan hoef nie van die hoogste gehalte te wees nie. Kedar se plaaslike medewerker is die fotograaf, foto joernalis en digitale restoreerder Charl du Plessis. Charl kan gekontak word met inligting aangaande enige bydrae wat u kan lewer deur 'n epos te stuur aan snap2art@gmail.com. Indien u enige item beskikbaar kan stel en u kan 'n foto (selfs selfoon foto) daarvan saamstuur, sal dit van groot hulp wees in die identifikasie proses deur die geskiedkundiges wat aan die projek werk. Kom ons gaan haal bietjie daai ou skoenbokse met oupa- en oumagrootjie se foto's uit die solder, voor die vismotte stukkie van ons ryk geskiedenis vernietig!

National Engineering Solutions Company seeks qualified Millwright for Rustenburg plant.

Duties include:

- General hands on artisanal plant maintenance work, as expected in a small foundry, pattern and machine shop
- Mechanical and electrical maintenance of cranes, conveyor drives and belts, fans, pumps and other foundry equipment
- Minor assessments and repairs to machine tools
- Maintain and assessment of the functionality of standby equipment and critical spares list
- Office work – self management a structured maintenance schedule, time sheets and job reports, including the record keeping of modifications and drawings, provide input to budgeting process
- Responsible for workshop safety and SHEQ input to management
- Liaise with maintenance management on tasks that might need specialist services such as crane maintenance, fan and compressor maintenance, electrical reticulation systems and calibration
- Including the signoff and assessment of maintenance work done by contractors
- Includes general site maintenance of office, lights, plugs etc
- Minor routine repairs to vehicles and forklifts might be required
- Standby and overtime to attend to breakdowns may be a requirement
- Experience in a Foundry or Machine tool workshop maintenance environment would be an advantage

Closing date for applications is **15th September 2018.**

If you have not received feedback within two weeks after the closing date, please regard your application as unsuccessful.

Getting on the SAME PAGE

Rustenburg – Representatives of mining houses and small, medium and macro enterprises (SMMEs) converged at the Rustenburg Civic Centre on 29 August.

The event, named 'opportunities workshop and exhibition' was arranged by the Provincial Department of Mineral Resources and hosted mining companies such as Glencore, Impala and the Rustenburg Chamber of Commerce, South African Women in Mining (SAWIMA) and the Rustenburg Local Municipality (RLM).

Regional Manager for North West Province of Department of Mineral Resources Ndlelenhle Zindela said: "This was a special day for the SMMEs that want to do business in the mining industry."

CELEBRATING women's month

Rustenburg – Women from various government departments dealing in law enforcement, assembled at the Ben Marais pool venue to wrap up their Women's Month celebrations on Friday 31 August. Departments represented were the Provincial and Local Traffic, South

African Police Service, Correctional Services and non-governmental organisations such as FAMSA as well as Sanlam. Motivational speaker, Ofile Kgalegi, kept the women in stitches during his address on hygiene, health and sexual relationships.
