

RLM: EMERGENCY WATER RESTRICTIONS

Rustenburg – The Rustenburg Local Municipality (RLM) herewith notifies residents of emergency water restrictions.

The restrictions are due to high demand in water supply of the Rand Water Barnardsvlei system and Rustenburg South system supplying town and CBD. The command reservoir supplying all reservoirs in Rustenburg Town and suburbs is currently at 30%.

Emergency restrictions will be implemented to avoid the system running dry and most areas in Rustenburg being without water.

The restrictions are scheduled to commence from 19:00 on Wednesday 26 September 2018, until the following morning at 05:00.

This cycle will be repeated on daily basis until further notice. Updates will be communicated as soon as the water levels are above 80% and when the system is sustainable.

The following areas will have low to no pressure during the timeframes communicated above: Cashan (all extensions), Bo Dorp, Safari Gardens, Boschdal areas, parts of Geelhout Park, Waterfall East, Savannah Falls and Protea Park.

We urge residents to use water sparingly and avoid watering gardens and filling up swimming pools. The municipality would like to sincerely apologise for the inconvenience caused.

For more information, contact Andrew Seome on 014 590 3525 or 3111. **RLM press release**

STAP SAAM TEEN DWELMS

Rustenburg – Kosmos Angels Rustenburg hou op Saterdag 3 November 'n pretloop vir die bewusmaking, gevare en gevolge van dwelm-verslawing.

Hulle wil graag hande vat met die gemeenskap om Rustenburg dwelm-vry te maak.

Die verskeie stalletjies wat teenwoordig sal wees, hoef slegs 'n donasie maak ter ondersteuning van die bedieningsorganisasie.

Daar sal ook 'n spesiale gasspreker wees en bekende kunstenaars wat die skare sal vermaak. Die toegangsfooi beloop R20 per persoon vir die wat nie gaan stap nie, en die inskrywingsfooi vir die pretloop is as volg: skole R500 per skool; besighede R300; en

begravnisonderneemers R200.

Instansies moet 'n banier maak wat die stryd teen dwelmverslawing uitbeeld. Skole sal 'n banier per graad maak. Dit is egter belangrik dat elke instansie 'n leier het en elke graad wat deelneem ook 'n onderwyser teenwoordig het.

Verkeersbeampies, ambulans en vervoer vir die wat nie die pas kan volhou nie sal beskikbaar wees.

Elke deelnemer sal 'n medalje ontvang en alle opbrengste sal aangewend word vir die veldtog teen verslawing.
