

Deputy president David Mabuzza visits Rustenburg

Rustenburg – The Human Resource Development Council of South Africa (HRDC) held a meeting at Orbit TVET College, Rustenburg campus, on 21 September. The meeting was officiated by the HRDC chairperson, the deputy president of South Africa, David Mabuzza.

During a guided tour deputy president Mabuzza and council members visited the Platinum Incubator project, jewellery manufacturing workshops and the SEDA Entrepreneurship Incubator, housed at the Rustenburg college. The three projects

demonstrated innovation, partnerships, entrepreneurship, benefaction and transfer of skills in the province.

"We have made a decision to take all our human resource development council meetings to all the provinces, North West being the first. Looking at the content of the discussion from the North West skills development Iekgotla, there was a huge emphasis on tourism, agriculture and benefaction. This bares testimony of the endless possibilities for the province," said deputy president Mabuzza.
