

# Platinum Build it contributes to the community

From left: general worker at Platinum Build it Ishmeal Moeketsi, principal of Laerskool Protea Park Henk Pieterse; and assistant manager of Platinum Build it Carla Redelinghuys with the donated items.

**Rustenburg** – Platinum Build it handed over a wheelbarrow combo to Laerskool Protea Park on Wednesday 10 October. The combo consists of a wheelbarrow, spade, hosepipe, saw and digging fork. Build it's head office also donated a JoJo tank and watering pump to the school.

These donations will be used as prizes for a fundraising event that will be hosted by Laerskool Protea Park. Laerskool Protea Park principal, Henk Pieterse thanked Platinum Build it for its generous donation: "These items will be a great motivator for our fundraising event and will definitely assist in raising the money needed."

## Taking the long road

**Rustenburg** – Members of the Rustenburg Cycling Club (RCC) participated in the Berg and Bush mountain bike race from 5 to 7 October in Bergville, a small town situated in the foothills of the Drakensberg mountains in KwaZulu-Natal. The Berg and Bush race is a mountain bike stage race that takes place over three days. Day one consists of 98km, day two is 62km and the final stage is 48km. This was a rigorous but adventurous proper mountain biking event and definitely not for the faint hearted!

## Maynard Gouws, RHS rugby ster

**Rustenburg** – Maynard Gouws is onlangs vir die o/16 elite player development (EPD) span gekies wat van 1 tot 6 Oktober 'n oefenkamp in die Paarl aangebied het. Hierdie is 'n uitstekende prestasie! Die Suid Afrikaanse Rugby Unie monitor jong spelers waaruit die Suid Afrika skolespan later vanjaar gekies word. Rustenburg Hoërskool hou duim vas vir Maynard en is baie trots op sy prestasie.
