Nie net 'n huis nie, MAAR 'N TUISTE!

Rustenburg – Residentia Sering se fokus is nie net om 'n tehuis vir bejaardes te wees nie, maar ook om hul inwoners tuis te laat voel. Elke inwoner is soos familie en die personeel poog om elke bejaarde by te staan. Die tuiste vir bejaardes bied 24-uur sekuriteit, 24-uur volle versorgingsdienste, 'n *dementia* afdeling, medikasie beheer, drie hoofetes per dag asook versnapperinge, kamerskoonmaakdienste, wasgoeddiens, DStv pakkette, noodroepsisteme by elke bed, en korttermyn aansterkdiens. Die instansie is ook naby hospitale geleë en bied 'n busdiens een keer per week om dorp toe te gaan. In 'n onderhoud met *Platinum Weekly* sê bestuurder van Residentia Sering Retha Jacobs: "Ons doel is om persoon gesentreerd te wees; ons kyk na elke individu en sien om na hul behoeftes. Ons wil graag hê Sering moet vir hul 'n tuiste wees. Ons leuse is bou eerder as breek - en

positiwiteit is vir ons belangrik." Om die inwoners besig te hou is daar 'n biblioteek, Bybelstudie en sosiale aktiwiteite soos bingo, fliëk aand en vele meer. Daar word ook gereeld uitstappies gereël na interessante plekke en so nou en dan net 'n uitstappie vir roomys. Die Sering Deli bedien topgehalte kos en daar is 'n haarsalon op die perseel. Meyer Bester, 'n inwoner van Residentia Sering, sê: "Hierdie is 'n wonderlike plek om te bly, vir my is dit hemel op aarde!" Bets Korb las by: "Van dag een af het ek tuis gevoel." Vir meer inligting of om Residentia Sering te besoek, skakel die maatskaplike werker by Residentia Sering Liza van Zyl, of die bestuurder Retha Jacobs op 014 592 1124 vir 'n afspraak, vir 'n afspraak. Principal dance instructor of Happy Feet Ballet in the Phokeng region, Calvin Mathekga.

Rustenburg – Happy Feet Ballet dancers took to the stage alongside esteemed principal dancers of the North West Youth Ballet Company on 21 and 22 October. They formed part of the cast in a classical ballet production of the renowned narrative, *The Sleeping Beauty*. Dominique George, a junior dance instructor from Happy Feet Ballet, said: "This experience was exhilarating and inspirational and I would love to do it again." Calvin Mathekga and Botle Mapulanyane, principal teachers of Happy Feet's outreach studio in Phokeng, felt that the experience added excellence and a new sense of determination to their dancing. Happy Feet also sent one of their younger students, 13-year old Danielle Strydom, to dance in the production. Happy Feet Ballet would like to extend their congratulations to their amazing dancers who represented them in the 2018 production of the North West Youth Ballet Company!
