

Tragic loss of deputy sheriff

The late senior deputy sheriff Alpheus Molefe Nyathela.

Rustenburg – Senior deputy sheriff Alpheus Molefe Nyathela died in a motor vehicle accident on 2 November on the N4 Sun City road, just outside Rustenburg.

Alpheus started as a senior deputy sheriff at the Rustenburg Magistrates' Court on 3 June 2005. He was a well-known and loved face in the Rustenburg area and his colleagues often referred to him as "Mayor" because he was so familiar in serving the community of Rustenburg. He will always be remembered as a respectful, humble person who treated people with dignity. His memorial service was held on 8 November at the WA van Zyl Hall, to pay last respects to this well-known colleague, friend, father and husband. He will be laid to rest in Soshanguve. We extend our heartfelt condolence to Alpheus's family, friends and colleagues.

Kalaivani's family THANKS YOU

Rustenburg – Kalaivani Moonsammy was young yet wise beyond her years. She was the go-to person for advice and had a very close relationship with her grandmother. Her friends and family refer to her as a person who was always willing to listen and the world feels empty without her.

Kalaivani's family would like to extend their gratitude to all the people that assisted and stood by them during the tragic loss of their beloved daughter on 21 October.

A very special thanks to the Peglerae Hospital and their staff, pastor Yemi Babtunde, the management and staff of the Rustenburg Local Municipality, the Rustenburg police department and management, the staff of Renata Tyres, the Crematorium, Rookoo and Devi, Grenville Highschool – and all their friends and family. "Your support, prayers and messages meant a lot to her family during this difficult time."

The late Kalaivani Moonsammy.

Rustenburg job cuts going ahead

Rustenburg – Implats's strategic transformation initiative is going ahead. In an Implats press release on 2 August 2018, the Board of Directors of Implats approved the next phase of the implementation of Impala Rustenburg's strategic transformation.

Restructuring will be implemented over a two-year period:

- Moving from 11 to six operating shafts: reducing future production from 750,000 platinum ounces per annum to 520,000.
- Reducing the all-in unit cost from R29 016 per platinum ounce estimated for FY2018, to less than R24 500 per ounce for FY2021 (in

2018 real terms).

- Reducing the labour complement (employees plus contractors) from approximately 40,000 at the end of FY2018, to 27,000 over the two-year implementation period.

Implats chief executive officer Nico Muller said: "The only option for conventional producers today is to fundamentally restructure loss-making operations to address cash-burn and create lower-cost, profitable businesses that are able to sustain operations and employment in a lower metal price environment."
