RUSTENBURG CBD (NEAR SKY BAR)

Rustenburg – Die Liggiefees-projek het in 2015 begin toe NG Proteapark se kerkgebou vir die eerste keer deur Kersliggies versier is.

Die Liggies vir Lewe-Fees vind weer hierdie jaar tussen 1 en 6 Desember plaas. Almal word hartlik uitgenooi om hierdie skouspel te kom besigtig.

Hierdie jaar hou ons vir die eerste keer 'n Kersmark saam met die fees, vanaf 16:00 tot 21:00 om die atmosfeer van 'n nagmark te skep. Ons maak dit 'n fees van liggies en uitstallings! Ons nooi uitstallers uit om met hulle produkte te kom spog. Kunstenaars gaan ook die geleentheid kry om hulle sang-talente op die verhoog te kom bekendstel.

Ons wil graag die gemeenskap nooi om te kom kyk na die uitbeelding van die geboorte van Jesus en die betekenis van Sy sterwe. Ons gebruik dan ook die geleentheid om aan die gemeenskap 'n

besondere Kerservaring te gee.

Die groot hoogtepunt van die fees vind plaas op 2 Desember wanneer die sanggroep, Manne wat Glo, tydens die Kerssangaand saam met ons die liggies gaan aanskakel. Ons sien ook uit daarna om na hulle te luister!

Die program sluit ook optredes deur dansers, karate, pom-poms, klassieke optredes en Mej. Liggiefees in. Daar is elke aand glimpret, 'laser-tag' en putt-putt vir die kinders, asook 'n opwindende treintjierit deur die terrein. Op Donderdag, 6 Desember sluit ons die fees af met Kersliedere onder die sterre.

Ons wil graag die inkomste van die Liggies vir Lewe-Fees gebruik om minderbevoorregtes van ons bediening te bederf tydens Kersfees.

Kom wees deel van hierdie besondere geleentheid en laat jou liggie helder vir Jesus skyn!

Local girl is going up!

Thebogo's new means of transport in case of an emergency!

Rustenburg – Tebogo Chidi made history when she became the first local female South African Police Services (SAPS) member to join their acclaimed Airwing Unit. Ever since she joined the ranks of the SAPS in 2008, it was her dream to work for the Airwing Unit. Her current assignment requires her to be an extra eye for the pilot, combat crime through air response, photography, videography, anti-narcotic operations, monitoring of public gatherings, search and rescue, and vehicle tracking. She is not intimidated by this historically male-dominated career and has her sights set on becoming an Airwing Unit pilot. To achieve this, she needs to obtain a private pilot's licence and a commercial pilot's

licence. We wish Tebogo all the best for her future with the Airwing Unit and her dream of becoming a pilot.

The SAPS Air Wing provides air support for crime-related matters to police stations, other units and specialised forces. The SAPS currently has 49 aircrafts, which include 37 helicopters and 12 fixed wing aeroplanes. The 37 helicopters include 13 BO105 Helicopters, which have been removed from service, due to aging and serviceability constraints. By the end of March 2018, there were 50 pilots in the SAPS, including 33 helicopter pilots, 10 fixed-wing pilots and seven dual-rated pilots, who were flying both helicopters and fixed-wing aeroplanes.
