

# Grace Help Centre says NO to Gender Based Violence!

**Rustenburg** – Grace Help Centre is a registered non-profit organisation that provides emergency care, shelter and support to victims of gender-based violence and human-trafficking as well as abandoned new-borns and child victims of abuse. A major contributing factor for staying in a trapped relationship, is the all absorbing fear that without ‘him’ I have no financial freedom or income or accommodation. During the 16 days of Activism against Woman and Child Abuse that kick-started on 25 November, Grace Help Centre invites corporations and concerned member of the public to let your voice be heard. Actions speak louder than words! You can get involved by sharing work-from-home opportunities,

sponsor or donate craft items that can be converted to income generating opportunities. You can also support Grace Help Centre's IT hub. Their most ambitious project for the new year is to teach women the most basic information technology skills. This enables them to use smart phones and obtain entry level work. A section 18A tax rebate certificate can be issued in return for any pledges or sponsorships. For any enquiries please contact Rina van der Berg at 072 348 6526 or gracecentre@gmail.com.
