

Kutlwanong School needs your assistance

Rustenburg – Kutlwanong School for the Deaf is under new leadership. Jessie Ramakobye, the new principal, is also the proud mother of a deaf child and aims to take the school to greater heights.

In order to reach these heights, they are in dire need of toys for toddlers and educational material for their kids. The hostel also needs new tiles, cupboards and bunk beds for the students. The play area, hostel toilets, swimming pool,

parking area, admin block, sports area and church need a lot of revamping. If you would like to assist, please contact the school on 083 359 8825.
