

“Your Empowered Insight into the World of Tax, Business and Personal Finance Issues.”

“A BIG THANK YOU”

We once again seize the opportunity of wishing our **clients, readers** and **community** a peaceful and pleasant festive season in the company of family and friends.

It is our fervent prayer that you find **peace and tranquility**. May you and your loved ones be safe and secure during this festive season.

We pray that the **Almighty** bless our beloved **country** and instill the wisdom in our **leaders** to place the interests and well-being of all our **citizens** above their own.

During this **festive season**, let us take time to slow down and enjoy the `simple things in life` and may this wonderful time of the year leave you with lasting memories.

It has been our **pleasure** to serve you over the last few years and we truly value your **patronage** and appreciate your input.

We regard each and every one of you as a friend and we recognise that, `` **a true friend is someone who reaches for your hand and touches your heart**``.

In the words of **Amanda Bradley**: ``Celebrate the happiness that friends are always giving, make every day a holiday and celebrate life``.

``Have a safe, great, prosperous, peaceful and joyful time.``
