**Rustenburg** – Tragedy struck in the early hours of Thursday 17 January when the 83 year-old Ella Willemse was brutally attacked in her home on a small holding on the corner of Fourth and Short Street, Waterfall East – just outside of Rustenburg on the old Pretoria Road.

At about 07:00, a neighbour saw a brown bag next to the house and became suspicious as Ella usually sat outside by that time. He then noticed that the kitchen door was forced open and after inspecting the premises, found Ella severely injured and beaten up.

According to police spokesperson captain Elsabé Augoustides, the suspects fled with a television and amplifier to the value of R27 000. The victim's ring was forcefully removed. She also suffered multiple skull fractures and had to undergo an operation to remove a piece of bone that was stuck in her brain.

On the morning of 24 January, Ella passed away in hospital.

Police are investigating a case of house robbery and murder. Anyone with information is requested to contact the investigating officer, warrant officer Jannie van der Walt on 082 772 9226 or the Radio Room of the Rustenburg Police station 014 590 4115 or 6 or 7.

The late Ella Willemse.
