

HAWKS CLAMP DOWN ON RLM... R85M IN QUESTION

Rustenburg – The Hawks swooped down on the offices of the municipal manager of the Rustenburg Local Municipality (RLM) on Tuesday 5 March. The entire 7th floor was under lockdown as part of a larger investigation into alleged tender fraud worth millions.

This comes after the RLM issued a press release about a R300 million fraud allegation. See page 4.

According to eyewitnesses, two members of the Hawks and eight officers from the Rustenburg Department of Public Safety arrived at the main municipal building in Beyers Naude Drive at around 8:00 and made their way to the seventh floor. In an interview with *Platinum Weekly*, spokesperson for the Hawks in the North West province, captain Tlangelani Rikhotso, confirmed that several RLM documents relating to their investigations had been seized following a search that lasted hours.

"I can confirm that the Hawks conducted a search and seizure at the Rustenburg municipal offices. We are investigating allegations of tender fraud worth approximately R85 million," she said. "We have seized several documents and downloaded numerous files. No one has been arrested at this stage."

POLICE ALERT KIDS ARE GETTING ROBBED!

Rustenburg – The Rustenburg Police department would like to extend a warning to parents and learners of Hoërskool Grenswag that walk to and from school during the week.

According to police spokesperson sergeant Ofentse Mokgadi, there has been an increase in learners being robbed in the area around the school. Children are warned not to walk around with headphones or their cell phones, as this makes them a target. Children should also rather walk in groups.
