ROAD SAFETY SAVVY

The dedicated team of Leon's Rustenburg Ford and Learn Fast Driving School that ensured that the day was a success.

Rustenburg – Leon's Rustenburg Ford and Learn Fast Driving School cares about the safety of their clients and all other road users. They are committed to road safety. To celebrate this commitment and for the sheer joy of driving they hosted an advance driving skills course on Saturday 23 February at the Rustenburg Aerodrome. Professionals from Masterdrive were called on to teach attending motorists life saving tips when using the roads and lead instructor Derek Kirby gave valuable tips on what to do during a hijacking situation. Attendees had the opportunity to practice these skills in practical exercises using

vehicles sponsored by Ford Rustenburg. Certificates were handed out to participants who completed the several driving challenges such as the simulated drunk driving, texting and driving and dynamic drive activities. The purpose behind the event was to enrich road users with vital driving lessons and highly effective skills that could save their lives or other road users in the split second between an accident and a narrow escape. The partnership between Leon's Rustenburg Ford and Learn Fast Driving School aims to provide new drivers not only with the necessary skills to get a license but to become responsible safe drivers.

To find out how you can be part of the next advanced driving skill course, contact Learn Fast Driving School on 078 542 9769 or 076 399 4407.
