Derby - On Friday midday, 8 March, a 58-year old woman was brutally attacked at her house in Derby.

According to police spokesperson colonel Adéle Myburgh, the victim heard a loud bang on the roof of her house. When she went outside to investigate, she was assaulted and hit with an iron pipe over the head.

The suspect fled the scene after grabbing the victim's handbag containing a cellular phone, purse and personal documents.

The victim's husband, who is disabled and constrained to a wheelchair, managed to contact the neighbours who summoned help. The victim was admitted to a local hospital where she was treated for her injuries.

The suspect was successfully traced and arrested in the early hours of 9 March. Upon his arrest, police recovered most of the stolen items, found in his possession.

The 21-year old suspect appeared before the Koster Magistrates' Court on Monday, 11 March, on a charge of house robbery.
