GRACE HELP CENTRE NEEDS YOUR HELP!

Rustenburg – For over 20 years, Grace Help Centre has played an important role in comforting women and children who find themselves on the receiving end of gender-based violence, abuse, neglect and rape. The centre, which is a registered non-profit organisation, continues to be a beacon of hope by providing shelter and counselling services to the fragile and powerless victims of these horrible crimes. From meeting the needs of abandoned new born babies to providing refuge to vulnerable women trying to escape violent and abusive relationships, Grace Help Centre has made a difference in the lives of such victims. However, they cannot do this alone. Grace Help Centre has been given the green light by the Department of Social Development to provide for the needs of an additional 50 vulnerable children and to make this a reality, they need your help now, more than ever! Play your part today and help take care of the needs of these little ones by making a donation. The following are urgently needed: 25 three quarter foam mattresses and pillows, bedding for 25 beds, bath towels and face cloths, quality second-hand children's clothing, cots, a catering size kitchen stove with cooking pots and a gas bottle for cooking. A section 18A tax rebate certificate can be issued in return for any pledges or sponsorships. For any enquiries, please contact Grace Help Centre at 014 574 3476. You can also contact Rina van der Berg at 072 348 6526 or gracecentre@gmail.com.
