# PLATINUM

# Build it's NEW LOOK

In true Build it fashion, a chain was cut to celebrate the opening of the refurbished store.

Platinum Build it had a makeover.

**Rustenburg** – Platinum Build it celebrated its marvellous makeover on Friday 24 May with a spectacular opening.

The opening had amazing specials and customers had the opportunity to pop a balloon and win prizes. Customers still have the chance to win till the 8th of June. Their suppliers also came to join the opening celebrations and displayed their products with pop-up stands outside Platinum Build it.

Managers and staff alike were excited about the new look and the opening was a highlight as they reaped the fruits of their labour.

"The new look is great with a better layout and more storage space for stock. You can know for certain that we will be able to give you the stock you need faster, loading it easier... whether it is 50 bags of cement or a single paint brush," said the store manager of Platinum Build it Sakkie Pieterse, in an interview with *Platinum Weekly*.

The improved Platinum Build it boasts with new signage, new shelving, new floors and lots of new check-out tills. Their team still has the competent helpful attitude that their customers have come to know and love over the past 16 years.

Sakkie added: "The revamp was a lot of hard work – but completely worth it. I am proud to be part of this store and its fantastic personnel. I would also like to take this opportunity to thank our loyal customers."
