# BOTTLE CAPS FOR BICYCLES

**Rustenburg** – A brand-new Qhubeka bicycle was handed over to a learner at Geelhout Park Secondary School on 12 June as a precursor to Youth Day on 16 June. The handover is thanks to the Qhubeka bike initiative in cooperation with the Wildlife and Environment Society of South Africa (WESSA) Eco-Schools programme.

## ABANDONED NEW-BORN BABY BOY RESCUED

**Rustenburg** – On the cold Wednesday morning of 19 June, members of D-relief Rustenburg Police were summoned to the scene where an abandoned baby boy, born only hours earlier, was discovered.

A passer-by found the little bundle on the pavement behind ABSA in the central business district (CBD) of Rustenburg – and immediately reported it to the Rustenburg Police. The police rushed to the scene post-haste, wrapped the new-born in a blanket and immediately commenced with the official investigation.

According to police spokesperson captain Elsabé Augoustides, the infant was hurried to Job Shimankana Tabane Provincial Hospital and fortunately declared fit and healthy.

Thank you constable Agnes Pule and constable Omphile Kgama for your swift reaction. Major general Arthur Adams said: "I am extremely proud and thankful to all the members involved. The vigilance of the community and the prompt response of the police surely saved the life of this infant."

N4  
BETWEEN  
HELEN JOSEPH  
AND WATERFALL  
MALL INTERCHANGE

**Rustenburg** – Stop/go operations are expected on the N4 between the Helen Joseph bridge and Waterfall Mall interchange (R24) for approximately three weeks from 18 June, due to concrete medians being installed. The safety of motorists using the N1N4 route is a priority and we thank you for your patience. **Bakwena Platinum Corridor Concessionaire press release, 14 June 2019**
