

# SUPPORT YOUR LOCAL TALENT

**Rustenburg** – Phelolo’s Entertainment will be hosting a Super Fest Student Talent Search on Saturday 2 November.

During this event the youth from Rustenburg and surrounding areas, aged between 15 and 25, will showcase their poetry, singing, dancing or rapping talents. Auditions for this talent show will take place at the Rustenburg Library on 27 July and 24 September. For more information contact organiser Kabelo Phelelo on 014 594 9888 or 072 722 8467.

# BEAUTIFUL DUDU NEEDS YOUR VOTE!

**Rustenburg** – Duduetsang Mokotedi is excited to be one of the contestants in the Ms Africa Continental 2020 modelling pageant. “This is my first modelling competition and I am very excited because I am representing Rustenburg and the North West province,” the 23-year old from Phokeng told *Platinum Weekly*.

From an initial list of about 1,000 contestants, only 11 will compete for the crown in Buffelspoort on Saturday 2 November.

“The judges asked us a number of questions during the initial stages and I managed to remain in contention. There are two others from the North West province who are also competing in our category, so we are well represented,” Duduetsang explained. Duduetsang, who attended Lebone II College of the Royal Bafokeng before matriculating at Kele Combined School in 2014, is asking the community to rally behind her so that she receives the highest number of votes.

To vote for Duduetsang, SMS MS02 to the number 47018. Votes cost R2 per SMS.

Duduetsang is competing in a continental pageant.

## NOTICE WITH RELATE TO THE RE-APPLICATION FOR AN ATMOSPHERIC EMISSION LICENSE PUBLIC PARTICIPATION PROCESS

Notice is hereby given in terms of section 38 (3) (a) and (b) of the National Environmental Management: Air Quality Act, 2004 (Act no.39 of 2004) as amended, of an invitation to register as interested and affected party and further submit your comments with regard to a re-application for Atmospheric Emission License in terms of section 41 (1) of the National Environmental Management: Air Quality Act, 2004 (Act no.39 of 2004) as amended. Re-application for an atmospheric emission license will be submitted to the licensing authority (BOJANALA PLATINUM DISTRICT MUNICIPALITY). Given the nature of the proposed activity, the timeline and procedure for public participation process outlined on the environmental impact assessment regulation, published 7th April 2017 as amended, will be followed.

**Name of the proponent / The Applicant : Vaporox (Pty) Ltd**

**Location of the activity:** The proposed site for the Waste Tyre pyrolysis plant (WTPP) is Portion 0 of Erf 37, Bodirelo Township, JQ, Mogwase in the North West Province. The site is situated within the jurisdiction of BOJANALA PLATINUM DISTRICT MUNICIPALITY. Site center co-ordinate. 25°16'12"S; 27°16'25"E.

**Project Title:** Operation of a Waste Tyre Pyrolysis Plant (WTPP) to treat and recover less than 100 tons per day of general waste (tyres) using Pyrolysis plant System (technology).

**Description of proposed Activity/ project:**

The project entails treatment of tyres using pyrolysis system at an existing facility (with existing buildings and associated infrastructures) for the pyrolysis of waste tyres. The project will also include the storage of dangerous goods i.e. oil and carbon char (below the threshold), to be recovered from the treatment activity. Based on the above, the following listed activities and associated minimum emission standards identified in terms of section 21 of the National Environmental Management: Air Quality Act, 2004 (Act no.39 of 2004) are triggered:

Listed Activity Number	Category of Listed Activity	Sub-category of the Listed Activity	Name of the Listed Activity	Description of the Listed Activity
1	3	3.1	Combustion installations	Combustion installations not used primarily for steam raising or electricity generation. Application: All combustion installations (except test or experimental installations).
4	3	3.4	Char, Charcoal and Carbon Black Production	Production of char, charcoal and the production and use of carbon black. Application: All installations producing more than 20 tons of char and charcoal; and all installations consuming more than 20 tons per month of carbon black in any processes.
21	4	4.21	Metal recovery	The recovery of metal from any form of scrap material by the application of heat. Application: All installations.
1	8	8.1	Thermal Treatment of General and Hazardous Waste	Facilities where general and hazardous waste are treated by the application of heat. Application: All installations treating 10kg per day of waste.

**Public comments submission:**

In light of the above, for you to be identified as interested and affected parties (I&AP) and also provide your comments to the proposed activity, you are hereby requested to register your name and contact information within 7 days and further submit your comments within 9 days from the date of this notice. Take note that your comments must be submitted on or before the 02 August 2019 to the details indicated below. In addition, should you require an application, such copy will be provided to you on request.

### OFFICIAL NOTICE TO THE PUBLIC. ALLOCATION OF CRAFTERS STALLS AT THE RUSTENBURG FLEA MARKET

The development of a Flea Market at the Visitor's Information Centre was identified as a potential trading centre to reduce the economic leakages in the area, thereby stimulating local economies, creating employment and contributing to household income, as adopted in the Integrated Development Plan. The project will improve trading opportunities; thereby creating conditions for establishment of market facilities for general consumer products with related benefits for Local Economic Development and job creation. There are 36 stalls available each offering a table, chair and a lockable cabinet. The Flea Market has universal accessibility as well as coffee shop.

Notice is hereby given to members of the public, who wish to apply for Crafters /Trading Stalls within the Rustenburg Local Municipality. The following is the Criteria for qualification to lease the stall at the Rustenburg Flea Market:

- Applicants should possess a valid South African Identity Document;
- Applicants must be 18 years or older;
- Applicants should be residents within one of the wards of the Rustenburg Local Municipality;
- Applicants should be the crafter (full time trader) and seller of the craft material; and
- Applicants should be unemployed - an acceptable proof of such shall be required.

#### REIURED DOCUMENTS

- Valid proof of residence;
- Up to date statement of rates and taxes or confirmation of arrangement to pay outstanding rates and taxes;
- If not an account holder, sworn affidavit; and
- Letter of confirmation of residence signed by the Chief for those residing in villages under Tribal Authorities.

#### OPERATIONAL AND LEGAL MATTERS

- Only tenants with "Market Ready" products and services will be accepted for tenancy at the Flea Market;
- Product type will inform allocation as some of the stalls will be shared;
- The stall will be availed on a lease basis for a non-renewal period of twelve months;
- Business Operating Times will be determined by the Municipality, in consultation with the tenants;
- Tariffs are determined at R45.00 (Forty-Five Rand) per square metre for the Terrace Space; and at R55.00 (Fifty-Five Rand) per square metre, for the Inner Space. The cost for utilities consumption will be additional. The tariffs are reviewed annually.

Interested applicants who wish to apply for stall allocation should submit their business profiles to the Municipal Visitors Information Centre (VIC), situated at the Corner of Nelson Mandela and Kloof Roads, Rustenburg.

**Crafters are required to include a Business Profile with their application; the closing date and time for submissions is the 31<sup>st</sup> July 2019 at 12:00. Late submissions will NOT be accepted.**
