LIGHTS OUT

300 ILLEGAL ELECTRICITY CONNECTIONS SEVERED

Rustenburg – Three hundred households and three scrapyards had their illegal connections severed and dangerous cables confiscated on Monday 19 August. Rustenburg Crime Combating Unit (RCCU), Revenue Protection Team (RPT), Tlhabane Police, Public Order Police of the South African Police Service (SAPS) and Eskom technicians and investigators have concluded a successful joint operation aimed at curbing illegal electricity connections and usage in Tlhabane Yizo-Yizo informal settlement. The operation was necessitated because of the negative effects of illegal electricity connections, which include overloading the power grid, subsequent power failures and damage sustained to transformers which causes black-outs leaving residents without electricity. Three contact points from which electricity had been sourced illegally had been identified through earlier investigations in Tlhabane. A 100-metre conductor aluminium cable as well as a 50-metre copper cable was recovered at the first mini substation. Another 100-metre cable was discovered, illegally supplying a total of 100 households and a scrapyard with electricity. At the second identified contact point, a conductor aluminium cable as well as a 100-metre suffix cable was confiscated. During this leg of the operation it emerged that over 150 households were receiving electricity illegally from the mini substation. The third leg of the operation led to the discovery of another illegal electricity connection from a different mini substation, where 20 Eskom ABC meters were confiscated and a connecting cable of about 150-meters. Investigations revealed that 50 households and 2 scrapyards were illegally receiving power from this mini substation.

AL-ANON RAISES HOPE FOR FAMILIES

Rustenburg - Have you or anyone you know ever been embarrassed by an alcoholic's behaviour, searched for hidden alcohol, poured alcohol down the sink or had to cancel plans because the alcoholic is unable to participate? Let Hope Arise Al-Anon Family Group is a local (Rustenburg and surrounds) support group that has been helping family members cope with the devastating effects of addiction since June 2018. The Al-Anon Family Group is a fellowship of relatives and friends of alcoholics who share their experience, strength and hope in order to solve addiction problems. They believe alcoholism is an illness that effects the entire family, and that changed attitudes can aid recovery. Al-Anon was co-founded in 1951, 16 years after the founding of Alcoholics Anonymous on 10 June 1935, by Anne B and Lois W, wife of AA co-founder Bill W. Al-Anon has but one purpose, to help families of alcoholics. We do this by practising the 12 steps of AA themselves, by welcoming and giving comfort and support to families of alcoholics, and by giving understanding and encouragement to the alcoholic. The weekly Al-Anon meeting takes place on Monday evening, 19:00 at Residentia Sering, 151 Kock Street, Rustenburg.
