

CREATING A HOME AT GRACE HELP CENTRE

Mooiinooi/ Rustenburg – Grace Help Centre is calling on the community to be the *summer* in their lives. Grace Help Centre's main building needs a new coat of paint – outside and inside. They also need couches, chairs, rugs and basic home essentials to make it feel more homely to the women and children in their care. They will gladly offer a tax rebate certificate for a sponsorship or support.

Grace Help Centre has identified four competent women in sewing, crocheting and knitting – but they need supplies like stuffing, fabric offcuts and sewing machines, over lockers, knitting needles, wool, scissors, pins, hand sewing needles. Classes will then be given to women who come to Grace Help Centre, to empower them to become financially enabled. They also welcome beauty basics from lotion to nail care kits.

For any enquiries, please contact Rina van der Berg on 072 348 6526 or gracecentre@gmail.com.

Rustenburg – AfriForum en Laerskool Rustenburg het op Donderdag 3 Oktober hul deel gedoen vir die omgewing deur twee Peperbasbome op Laerskool Rustenburg se skoolterrein te plant. Peperbasse is 'n baie spesiale boom omdat die bas, blare en wortels verskeie siektes kan genees. Vir hierdie rede word hulle gereeld gestroop wat lei daartoe dat die bome vrek – en so het dié bome op die rooi uitsterf-lys beland.

AfriForum Rustenburg het 'n projek geloods en Peperbasboompies aangekoop, direk uit die wildtuin om die Peperbasboom van uitwissing te red. Hulle vra R200 vir die boompies wat net dié kostes dek.

Vir meer inligting kontak AfriForum Rustenburg voorsitter Chris Trytsman by 082 469 2221.

Rustenburg – Hurry, it is time to secure your exhibition stand at Rustenburg's very first Honey Festival. Be sure not to miss this first of its kind festival in Rustenburg.

As you may know, African honeybees are in trouble across the world. Changes in temperatures, decrease in natural bee foraging, and the increased use of harmful pesticides are all cited as key reasons bees are in trouble. At the festival you will have the opportunity to learn more about these unique and impressive insects.

For more information contact Hennie Oberholzer on 076 756 0801 or habitatgo@gmail.com. Kindly note that due to time constraints, and being a beekeeper himself, it may take some time for Hennie to address your queries.
