

# PUK VIER 150STE BESTAANSJAAR

**Potchefstroom** – Die Potchefstroomse Universiteit vir Christelike Hoër Onderwys is 150 jaar gelede in 1869 gestig. Die bestuur van die Noordwes-Universiteit (wat onder andere uit die PU vir CHO gegroei het), het ten spyte van verskeie versoeke, besluit om nie 'n 150-bestaansjaarfees te reël of regstreeks by so 'n fees betrokke te wees nie. Daarom het 'n aantal oudstudente van die universiteit besluit om as alumni 'n eie feesgeleentheid te reël om die ryke geskiedenis en prestasies van die afgelope 150 jaar te herdenk. Die fees vind op Saterdag, 30 November vanjaar (2019) te Potchefstroom plaas. Ou Pukke, jonge Pukke, NWU-Pukke – kortom

alle Pukke – word hartlik uitgenooi om die fees by te woon en lekker saam te kuier. Die dag se program sluit optredes in deur bekende Puk-kunstenaars soos Johan van Rensburg (van Noot vir Noot-faam), Danie Niehaus, Anna Davel en 'die Bourbons Broers' asook Ghapi en ander kunstenaars. Daar sal ook *sing-songs* en toesprake deur die President van Tarentaal, 'n humoristiese ou Puk-tradisie, wees. Naas die president van Tarentaal sluit die oggendprogram ook kort vyf minute toesprake van enkele oud-kanseliers en vise-rektore in. Daar is ook 'n aansit-ete vir dié wat belangstel. Die middag is informeel met kosstalletjies, kunstenaars, 'n kontantkroeg en baie

kuiergeleenthede. Omdat plek beperk is, moet oud-studente betyds kaartjies vir die fees koop om teleurstelling te voorkom. Volledige inligting van die dag se program en die koste van kaartjies is op 'n spesiale webblad (<https://puk150.co.za/>) beskikbaar. Die e-pos adres: [Puk150fees@gmail.com](mailto:Puk150fees@gmail.com) kan ook gekontak word vir verdere inligting. Prof Callie Coetzee, die studenteraadsvoorsitter in 1969, toe die PUK 100 jaar oud was, is die voorsitter van die reëlingskomitee van die PUK150 Fees. Ander bekendes op die reëlingskomitee is dr. Theuns Eloff, voormalige vise-kanselier, dr. Ben de Klerk, Tom Larney asook voormalige Studenteraadsvoorsitters soos dr. Pieter Mulder, Adèle Croucamp

en De Wet Coetzee. Omdat hierdie 150-bestaansjaarfees onafhanklik deur oud-Pukke gereël word, is enige donasies en borgskappe welkom. MeerbesonderhedehieroorisookopdiePUK150 Facebook-blad beskikbaar (<https://www.facebook.com/groups/364799714163536/>). **PUK150 Fees mediaverklaring**

## VULNERABLE FLEDGLING VULTURES ALERT

Should a you encounter a fledgling or any grounded or disabled vulture, please contact VulPro on 082 808 5113 or 086-505-6470. For more information on VulPro, please visit [www.vulpro.com](http://www.vulpro.com).

Without intervention, fledglings will certainly die. We need your help. Keep a lookout and contact VulPro.

**Hartbeespoortdam** – The Cape Vulture is facing extinction due to human activity and populations are declining at an alarming rate. Fewer than 4,200 Cape Vulture breeding pairs remain. Colonies in Namibia, Zimbabwe and Swaziland have already been wiped out and are now considered extinct. African White-backed Vultures have declined by more than 96% over the past few decades. Despite this, the next generation of vultures have arrived, and vulture chicks are spreading their wings to leave the nests. Unfortunately, the first few weeks of flight are also when fledglings are at their most vulnerable. They can easily exceed their limits and become stranded. Unable to return to their nest, they are very likely to die of starvation and/or dehydration. Without human intervention, they will certainly die. VulPro would like to ask the public to be on the lookout for young birds in distress. VulPro will collect and rehabilitate as many individuals as possible to curb further population declines. With proper treatment these fledglings will be released into the wild again. Just last week VulPro took in an injured Cape Vulture fledgling from the Eastern Cape, the first for the season. This bird has lost a lot of weight and collided with a fence in an attempt to get airborne. This bird is showing signs of progress and will hopefully make a speedy and full recovery.
