SPORT 2019 WÊRELDSEKER FINAAL

SA vs Engeland

Die Bokke verras vriend en vyand met briljante *ruggas* en klop Engeland 32-12 in die finaal en word gekroon as die 2019 wêreldkampioene! Dit is die derde keer dat SA dié prestasie kon vermag. Slegs die All Blacks kon dit al regkry! Rassie Erasmus het meesterlik met 'n ander wedstryd benadering die Bokke na die veld gebring en die Engelse het nie geweet wat hulle tref nie!

Tot op datum was dit die beste vertoning deur 'n Bokspan. Die agttal was iets ysliks en het die Rose laat verlep in die vaste fasette. Dan was die verdediging ook dodelik en het die Engelse se aanvalle met gemak afgeweer.

Nie eers 25 fases in die eerste helfte kon 'n swak plek vind in die Bokke se verdediging nie en dit het die fut uit die Engelse gehaal. Sielkundig het die Bokke die rondte gewen! Die Bokke was eenvoudig brutaal en het vreesloos onder die Engelse ingeklim. Vir die eerste keer in die toernooi het die Bok-agterlyn soos kampioene gespeel en die Engelse onder groot druk geplaas. Die Bok-vleuels het albei agter die doellyn gaan kuier. Cheslin Kolbe gaan vir ewig by die *wintie* Engelse kaptein spook ou groenie. Die Bok-bliis is verby Ferrol met 'n meesterlike systap en druk een van die beste drieë van die toernooi.

Handré Pollard het getoon dat hy ook 'n outjie is met BMT en teken 20 punte aan met die skoën. Hy is die voorste puntemaker in die toernooi met 69 punte. Faf de Klerk het nooit onder druk geswig nie en het gewys hy is wêreldklas. Hy het by die *game-plan* gebly en was goud werd vir die Bokke.

Die Bokke het met trots hulle goue medaljes ontvang. Verder het die Bokke die toekenning as die 'Span van 2019' ontvang, Rassie Erasmus as die 'Afrigter in 2019' en Pieter-Steph du Toit is as 'Wêreldspeler van die Jaar' aangewys!

Well done Bokke, julle het die nasie trots gemaak!

12,000 CYCLISTS PEDALED IN TSHWANE CLASSIC

Rustenburg – An estimated 12,000 cyclists participated in the Bestmed Tshwane Classic road race, which took place on Sunday 3 November.

The race, which offered a 98km and 50km category, had new routes this year.

These changes were made by the race organisers keeping the safety of the competitors in mind and to avoid the city centre traffic congestion.

Both the 98km and 50km races started and finished at the Voortrekker Monument in Pretoria.

In what has become the norm in many of the cycling events

held in South Africa, members of the Rustenburg Cycling Club (RCC) were well represented in both races.

Caitlin Thompson, who put in an outstanding effort, finished first in the U/17 category of the 50km. She was also the second lady overall to cross the finishing line in the 50km. Sonica Klopper also did well. She was the second rider to cross the finish line in the U/17 section of the 50km race.

RCC was also well represented in the 98km race.

The race, which was first held in 2017, has grown in leaps and bounds over the years. Only 5,000 riders competed in its inaugural race.
