

# 24<sup>TH</sup> MTN JOYOUS CELEBRATION TO ROCK SUN CITY

**Phokeng/ Rustenburg** – Hot on the heels of the successful 23rd instalment of the internationally celebrated and revered Gospel Music Ensemble – MTN Joyous Celebration, *The Rock* will be presented to music revellers across the country and beyond at the Sun City Superbowl from 13 to 14 December. The ensemble has become known for its pioneering and award-winning spirit in the music industry. Not only do they go beyond the norm to ensure their fans, supporters and music lovers receive spectacular shows during their tours, but they always leave them with something to talk about long after the melodies have passed. People still marvel over the ensemble's first album, just as they do the 23rd.

Pastor Jabu Hlongwane, founding member at MTN Joyous Celebration had this to say about the upcoming recording, "We are humbled by the support we have received over the past 23 years. We cannot express our gratitude enough to the Almighty – *The Rock* – that has kept us going. Our 24th album – dubbed *The Rock* – is our symbol of appreciation to our Father. The beginning of our 24th Chapter is a reminder of the tough roads we've travelled, the times we felt tired and often wanted to give up, but *The Rock* never failed to become our shelter in those difficult times when we needed protection."

The recording of *The Rock* could not have taken place at a more appropriate venue. The Sun City Resort, surrounded by mountains and the untamed majesty of the African Bushveld, possess the natural fit to what *The Rock* presents.

"Without spoiling it for the patrons coming to join in on the making of *The Rock*, a sneak peek into what can be expected won't hurt. Expect an extravaganza of music, fashion and joyous celebrations like you have never seen before. Each year we manage to outdo the previous year, and this year is no different," Hlongwane added.

MTN is proud to be a part of this award-winning gospel ensemble. "At MTN we strongly believe in supporting and showcasing South Africa's musical talent and promoting music that exposes more South Africans to the many different genres that exist across our diverse nation. We are excited about MTN Joyous Celebration 24 – *The Rock*. We know that our customers and MTN Joyous Celebration fans will also love the opportunities that we have lined up for them in 2020 as we bring them closer to their favourite gospel group," said Mapula Bodibe, MTN's executive for consumer business. Tickets are available at Computicket from as little as R200.
