

TOP KARATE INSTRUCTOR OFF TO AUSTRALIA AND DUBAI

Rustenburg – Kancho Albert Venter is proving, once again, that he is one of the most respected martial arts instructors in the world.

This month, the Traditional Styles Known Knowledge In Action (TSKKIA) founder will be representing South Africa in Australia and Dubai. He was invited to showcase the martial arts styles he teaches and invented.

Kancho Albert is the main driving force behind the TSKKIA All Styles Federation, which is headquartered in Rustenburg. TSKKIA represents seven different traditional styles.

Kancho Albert is also the host of the acclaimed All Styles Competition now known as the TSKKIA All Styles, which was held for the 15th time in Rustenburg in October this year.

Kancho Albert received his doctorate from the University of India on the philosophy of combative arts (martial arts). This was after he had written the book on Kata (Form) in which he explained the history, hidden techniques associated with Kata and the additional benefits of training Kata.

Tokon Shotokan Karate and weapons is his greatest drive and he teaches it with passion to all his students. Teaching students as young as three years old, Kancho Albert has spent a lifetime training numerous other styles and his experience in different styles and

fighting arts makes what he teaches the most effective especially when it comes to self-defense for adults and children.

His philosophy on martial arts is quite unique, as he believes that no style is better than another and that every style is special in its own way.

Kancho Albert regularly teaches advanced self-defense for large companies to assist them in preparing their employees for the harsh reality of actual combat.

For more information on this and other TSKKIA events, contact TSKKIA H/Q at 082 463 1073 or visit www.tskkia.co.za.

PLATINUM MARK – 'N REUSE SUKSES

Rustenburg – Die Platinum Mark is al vir die afgelope 15 jaar 'n hoogtepunt op Rustenburg se kalender en vanjaar was geen uitsondering nie!

Die mark wat plaasgevind het van Donderdag 21 November tot Saterdag 30 November, het gespog met 160 stalletjies met 'n verskeidenheid hoë gehalte produkte deur bekende sowel as nuwe uitstallers.

Vir die eerste keer was daar ook 'n 'mad-hatter' pretloop vir die hele gesin aangebied op 23 November.

Al die opbrengste van die mark gaan terug aan verskeie organisasies wat hulp verleen aan die gemeenskap en daar word ook 'n bydrae gemaak aan plaaslike laerskole se voedingskemas.

Mandie (links) en Amy Viljoen het dit 'n lekker ma-en-dogter uitstappie gemaak.

Stephanie Hurn was verwonder deur die verskeidenheid items beskikbaar.

A SCENIC CYCLING ADVENTURE

Rustenburg/ Mooiooi – Members of the Rustenburg Cycling Club (RCC) competed in the ATKV Buffelspoort mountain bike race on Saturday 30 November.

The 50 km race offers competitors unique scenes of the Buffelspoort Dam and the amazing Magalies mountain range on a variety of tracks. In sharp contrast, the 18km route takes riders through an array of beautiful fruit orchards.

Those who still had the energy to continue competing were back on their bikes the following day to compete in the road race, which was held at the same venue.

Well done to Hennie Fourie, Alec Brough, Morne du Plessis, Thomas-Ross Peterson, Juan Nel and all the other RCC members who took part in these competitions. A special mention goes to Hennie, who was among the list of winners in both races!

Hennie Fourie was the winner in his age category for the 50km mountain bike race.

Hennie Fourie was also among the winners of the road race.

Morne du Plessis (3rd in the 18km), Thomas-Ross Peterson (1st in the 18km) and Juan Nel (2nd in the 18km).
