**Rustenburg**  
– The Rustenburg Society for the Prevention of Cruelty to Animals (SPCA) aims to serve and protect all animals, to uplift their welfare and to ensure that the protection they have under South African law is upheld and respected. Our local SPCA is a non-profit organisation that covers a vast area which includes large, impoverished areas. The SPCA's people must always be proactive, respond to reports of cruelty, neglect or abuse and react to emergencies involving animals. The new committee at the Rustenburg SPCA has big plans to ensure that all the animals receive the love and care they deserve.
