

CAPTURING THE NEW YEAR

Rustenburg – The Rustenburg Photographic Society is an exciting and informative group of enthusiastic photographers who live out their passion. It has become the perfect platform for novice and professional photographers to meet and share ideas. It also creates an opportunity for the artists to learn and grow their craft. These shutterbugs gathered on Wednesday 22 January for their first meeting of the year. Celebrations to mark the 80th birthday of Ria Mynhardt were held during the meeting before the members got a chance to share

their photographs. These meetings help each of the photographers to gain knowledge and develop their skills. The shutterbugs also get an opportunity to share their work both on the local and international fronts. The society meets every third Wednesday of each month at the NG Proteapark at 18:30. **For more information contact club chairperson Simon Fletcher on 082 371 9867 or vice chairperson Ronel Broderick on 082 451 2999.**
