A PICTURE IS WORTH A THOUSAND WORDS

Dramatic Freckles by Illana Very

Rustenburg – Being at the right place at the right time – and having your camera with you, is one of the greatest blessings any photographer can ask for. Ronel Broderick had such a moment when she took the photo *Villa Fly*. Not only was this an amazing photo but she was also named as the winner in the senior open category during the Rustenburg Photographic Society's monthly meeting on Wednesday 22 January. Another photographer Illana Very also impressed and was announced as the winner in the junior open category. She wowed members with her amazing photo *Dramatic Freckles*. A captivating photo capturing the exquisite beauty of her son's freckled face perfectly. The society meets every third Wednesday of each month at the NG Proteapark at 18:30.
