SSR STILL STANDING STRONG

Rustenburg – Staan Saam Rustenburg Community Watch started as a normal neighbourhood watch. After the strikes in 2012, the need for the community to stand together was greater than ever before. Sins then, Staan Saam Rustenburg (SSR) grew to what it is known as today.

Naomi Pasino, the driving force behand SSR sadly passed away in 2019, but her amazing team is still carrying on her legacy by helping those in need.

SSR focuses on their immediate environment, Rustenburg. They ensure a safer and better place by means of patrols done in neighbourhoods and to aid families in the form of food and clothing.

The organisation currently cares for about 3,000 people with food parcels and clothes on a monthly basis.

They also recently 'adopted' 10 elderly residents of Gerrie Rus. These residents are aged 73 to 83 and SSR ensures that they are well taken care off by proving the necessities like food and sometimes just good company.

The famous Staan Saam Huis is never quiet and there is a constant flow of people that need help.

SSR relies solely on donations, items that cannot be given to the those in need are sold to make money to pay the rent for the Staan Saam Huis or to buy more food.

AFRIFORUM RUSTENBURG-TAK MAAK 'N VERSKIL

Rustenburg - AfriForum se Rustenburg-tak het op 30 Januarie voortgegaan met hul volhoubare skoonmaak-projek deur die gras op die sypaadjie van Fatima Bhayat Straat te sny. Dít volg nadat die tak dié projek op 7 November 2019 geloods het omdat gemeenskapslede ongelukkig was oor gestrooide rommel en gras wat nie gesny word nie. Sedert die projek van stapel gestuur is, word strate in verskeie gebiede in Rustenburg twee tot drie keer per week skoongemaak.

"Lang gras in openbare spasies bied wegkruipplek vir kwaaddoeners en veroorsaak dat misdadigers nie vasgetrek kan word nie. Hoewel veiligheid vir ons baie belangrik is, is dit nie die enigste doelwit nie, aangesien die projek ook bydra tot die algehele netheid van die strate en openbare ruimtes en sodoende gesondheidsrisiko's uitskakel," aldus AfriForum distrikskoördineerder Petrus Coetzee.

Volgens Coetzee versuim die munisipaliteit om sy pligte na te kom om die gras kort te hou en daarom het AfriForum ingespring en die werk self begin doen. "Ons kan nie terugsit en toekyk hoe ons dorp verwaarloos word deur die munisipaliteit nie. Daar waar die munisipaliteit nie hul werk doen nie, sal AfriForum intree om die gemeenskap by te staan."

AfriForum vra verder dat gemeenskaps-lede en sakeondernemings ook by dié inisiatief betrokke sal raak om nóg 'n groter verskil te maak. "Die projek is daarop gefokus om volhoubaar te wees en die gemeenskap te help. Ons beplan om twee tot drie dae per week skoon te maak en sal dan uitbrei soos wat die behoefte bepaal word. Dalk het ons oor ses maande vier spanne in die veld," sê AfriForum Rustenburg-tak voorsitter Chris Trytsman.
