# IMPALA RUGBY CLUB RISING AGAIN

**Rustenburg** – The 2020 rugby season got off to a rough start for the youthful Impala Rugby Club team. Their loss against the North West University (NWU) Potchefstroom Campus on Saturday 29 February was a huge blow. What made the defeat more devastating was that while they were on their field busy playing, somebody broke into their locker room and stole their wallets and cellphones. However, things started looking up for them on Saturday 7 March when they played another tough game against Potch Dorp. Both teams gave their all and the 19 – 19 scoreline demonstrated how equally poised they were on the field. The draw was probably a befitting end to an entertaining match. During their game against Klerksdorp on 14 Saturday, they finally took a turn for the better by defeating their opponents in a nail-biting match. Their 46 – 14 victory demonstrated that hard work and persistence pays off. The Rustenburg community has high hopes that this is the beginning of a winning streak for our local team and that they will continue to make us proud.

# ENJOYING THE CAPE TOWN CYCLE TOUR

**Rustenburg** – Rustenburg Cycling Club (RCC) members enjoy taking part in various competitions and are even prepared to travel long distances for a thrilling and healthy experience. These enthusiastic competitors enjoy their sport so much that they recently travelled from Rustenburg to Cape Town, more than 1 400km, to take part in this year's prestigious Cape Town Cycle Tour. The Cape Town Cycle Tour, which took place on Sunday 8 March, is now one of the world's leading cycle events. This year's race was the 42nd in the history of the competition and attracted a massive 30 000 cyclists from South Africa and other parts of the world. Well done to Michele Birks and Johan van der Merwe, who both completed the 109km in a great time. Meanwhile, the Gauteng XCO League 2 was held on Saturday 14 March at Thaba Trails in Gauteng. Well done to RCC's Caitlin Thompson for coming out tops in her event. Kita Uys and Lauriesian Brett also performed exceptionally well and finished second and third respectively.
