

# WHAT A DISGRACE!

## [Letter to the editor]

**Rustenburg** – I am appalled by the state of the Rustenburg Cemetery. During a recent visit, I saw rubbish scattered everywhere. It makes me sad to know that my loved ones' final resting place has turned into a rubbish dump for others.

Rubbish is scattered between the graves at the Rustenburg Cemetery.

The long grass has made it a hot spot for criminals to hide and wait for their next victim. Have some respect, not only for the people whose loved ones are buried there but for this town and yourself.
