

BRING JOY TO VULNERABLE CHILDREN THIS MANDELA DAY

Mooinooi/ Brits – Make a difference this Mandela Day by contributing towards the welfare of abused and vulnerable women and children.

Nelson Mandela International Day is celebrated each year on 18 July (the birthday of the late former South African president).

On this day, each of us is called to honour the legacy of Nelson Mandela and his values through volunteering and community service.

Grace Help Centre, which provides support and care to children and women who come from abusive environments, needs your help. Bring joy to these children by assisting the centre with any of the following items: six camping or wooden cots, 20 mattresses and matching bedding and pillows, curtains with cheerful children's prints, 10 feeding chairs, toddler stimulation play pits with plastic balls and stimulation toys. Educational posters and other student materials, as well as scooters and bicycles are also needed for the early childhood development centre at the facility.

Grace Help Centre's victim empowerment programme, which provides a home for 25 women, is in need of the following items: face cloths, pamper products or hand creams, notebooks, toiletries, clothing, washing machines, chairs, lounge suites and cushions.

You can also assist the centre to construct a lock-up storage facility for storing personal essentials of victims or a skills training centre to rehabilitate women so that they can run their income-generating projects and become functional members of society.

As a registered non-profit organization (NPO), Grace Help Centre will gladly offer a tax rebate certificate for the value of the donation in appreciation of the gesture.

For more information, please contact Rina van der Berg on 072 348 6526 or drop an email to gracecentre@gmail.com.

RUSTENBURG POLICE MOUNTED UNIT ARRESTS ROBBERS

Rustenburg – The Rustenburg Police Mounted Unit investigated a break-in at GEM furnitures which occurred during lockdown. The manager of the shop reported that they left the premises when lockdown started on Thursday 26 March. On 10 May his security company informed him that an alarm was triggered but that they could not detect anything irregular at the premises.

When the shop re-opened on 20 May, the manager discovered that there had been a break-in at the business and that the culprits gained access through the roof. The burglars managed to get away with 26 flat-screen TVs and eight home-theatre sets.

Mounted Unit members lead by lieutenant colonel John Tongwane as well as sergeant Loago Nkge and sergeant Rodger Nkademeng, followed up on the information and managed to arrest one suspect on 20 May. The suspect then led the police to more suspects. The team managed to recover 16 of the 26 flat screen TV sets stolen.

Mounted Unit members lead by lieutenant colonel John Tongwane (left) and GEM Furnitures employees with the recovered TV sets.

TAKING CARE OF THE COMMUNITY

Rustenburg – The Impala Rustenburg team recently donated disinfectant kits, sanitisers, masks, social distancing stickers and temperature scanners to the Boitekong and Meriting Taxi Association, the Kanana Rankunyane Makukuma Taxi Association and the Bafokeng Taxi Owners Association.

Hygienic behaviours are an essential part of safety – to protect ourselves and our communities.

Bafokeng Taxi Owners Association chairperson Chris Montsho with Impala Rustenburg chief executive officer Mark Munroe at the handover of disinfecting and sanitising items to assist local taxi associations to adhere to COVID-19 related safety protocols.

100% GRADE 12 PASS RATE

GRADE RR - 12

- During Covid 19- Lockdown REC Schools moved to Online teaching for all grades from Gd R to 12.
- WhatsApp groups were created for all classes and lessons were recorded daily and posted on WhatsApp and Google Classroom.
- Our students were able to communicate directly with teachers, ask questions and receive assistance via WhatsApp.
- All grades are up to date with the syllabus and effectively, no school days have been lost.
- REC will continue with this new online way of teaching in 2020, and a "REC Online Schooling" option will be introduced in 2021 permanently."
