## GROOT MARICO FARM ATTACK

**Groot Marico** – Three of the seven assailants who was allegedly involved in the attack of a farmer, his wife, their elderly father and two farm workers on a farm near Groot Marico on Wednesday 2 September, were arrested. They appeared before the court on 7 September where the matter was postponed. They will remain in police custody.

According to police spokesperson captain Aafje Botma, the attackers arrived on the farm on the Nooitgedagt road and overpowered the farmworker and his wife, and held them at gunpoint to gain access to the main house.

Once they entered, they tied up the farmer, his wife and their elderly father. They were unable to open the safe and fled the scene with a bakkie and cellphones.

Police are currently searching for the remaining attackers.

## CLICKS IN DAMAGE-CONTROL MODE

**Rustenburg** – Clicks stores nationwide has kept its doors closed from Monday 7 September after threats by the Economic Freedom Fighters (EFF) party in response to 'controversial images' published on the pharmaceutical company's website.

At Safari Gardens, Waterfall Mall and Magaliesview, community members were unable to do their regular shopping at Clicks due to EFF members preventing the stores from opening. In other areas of the country stores were vandalised and even thrown with petrol bombs.

In an open letter Clicks Group chief executive officer Vikesh Ramsunder apologised unreservedly for the hurt and anger these images have caused.

He said the company is in the process of taking steps to ensure that similar incidents do not occur in future. "The emotive responses of our customers have been mirrored by our employees and management teams. And, whilst the images and content were provided to us by our supplier TRESemmé, this does not absolve us from blame. This is why we took accountability for this error of judgment by issuing a public apology and swiftly removing the offensive material from our website. As a company, we cannot change what happened, but we are learning from this," he said.

Clicks confirmed that it will be delisting and

removing all TRESemmé products from its shelf with immediate effect and will be replacing the gap with locally sourced haircare brands.

Apart from suspending all employees involved in publishing the recent offensive advertisement, Clicks has accepted the resignation of the senior executive responsible. Meanwhile, TRESemmé South Africa also publicly apologised for the marketing campaign and undertook to look into how this happened and why it was not picked up.

## COUPLE IN COURT FOR STOLEN CARS

**Rustenburg** – A 32-year-old man and his girlfriend aged 38, appeared before the Rustenburg Magistrates' Court on Wednesday 9 September on three counts of possession of suspected stolen motor vehicles, illegal possession of a firearm and illegal possession of ammunition.

The suspects' court appearance follows their arrest on Monday 7 September in Proteapark, Rustenburg, after police acted on a tip-off. After the arrest, police seized three vehicles; an Audi A4, Volkswagen Golf 5 and Hyundai Atos, which were linked to car hijackings committed from 4 to 5 September in Proteapark and the Rustenburg Kloof area. Furthermore, a white Suzuki Swift

which is alleged to have been used during the commission of the crimes, was also seized.

According to police spokesperson brigadier Sabata Mokgwabone, preliminary investigations revealed that the male suspect has a pending hijacking case for a crime committed in December last year in Rustenburg. Meanwhile, a veterinarian was summoned to the scene to assist in sedating a vicious dog (belonging to one of the suspects) which attacked and bit one of the police officers on his leg.

The North West provincial commissioner, lieutenant general Sello Kwena commended the police for their swift reaction which led to the

Two of the stolen cars found in the suspects' possession.

## WOMEN LAW ENFORCEMENT OFFICERS EXTENDING THEIR ROLE

**Moolinoi/ Rustenburg** – Community Safety and Transport Management MEC Sello Lehari lauded senior women law enforcement officers for clamping down on traffic violations and maintaining the law during a successful operation along the N4.

The 'Phenomenal Women in Action' operation was conducted jointly by personnel from the South African National Defence Force (SANDF), the South African Police Service (SAPS) as well as traffic police officers. "What is impressive about this operation is that it was planned, executed and fully operated by women", said the MEC. "It is heart-warming to see the ability of women being typified in this way."

During the operation, which was held on Friday 28 August, motorists found on the wrong side of the law with regards to speed violations, overloading, drunken driving, and other infringements were brought to book. A total of 340 vehicles were stopped and searched

during the clampdown while 90 fines – to the value of R45,000 – were issued to motorists for a variety of offences. Additionally, six pedestrians were arrested for unlawfully crossing the N4 near Majakaneng. After demonstrating their competency as law enforcement officers, the women proceeded to Polonia Primary School where they donated 350 packs of sanitary towels, sanitiser kits, and masks to the learners.

## 'ENOUGH IS ENOUGH!'

Taking a stand against violence and corruption.

**Rustenburg** – A group of protestors gathered at the corner of Hellen Joseph and Boven Streets on Saturday 5 September to speak out against corruption, gender-based violence (GBV), farm attacks and the murder of children. There has been a steep rise in cases reported for corruption, GBV, farm attacks and child killings over the past few months – In Rustenburg and other parts of South Africa.

The protest, which was organised by Move One Million, an organisation formed to raise awareness and fight societal evils such as corruption, crime and gender-based violence. Said Move One Million's Catherine Maier: "We must stand together as one nation and say enough is enough. We are saying no to GBV, corruption, farm attacks and the murder of children."

## HEALTH DEPARTMENT WARNS OF BURSARY SCAM

**South Africa** – The North West Department of Health has urged those intending to enrol for nursing courses to be on the lookout for fraudsters who have been robbing prospective students of their money by running fake recruitment scams.

The department, through its North West Nursing College, has advertised a bursary for a three-year diploma in nursing and urged those qualifying to apply.

"A lot of people have been scammed by fraudsters posing as recruiters of the department. Sadly, many aspirant learners have also lost money as a result. The community should not accept any information regarding intake of students that requires any payment to be done before

the person is considered," departmental spokesperson Tebege Lekgethwane said.

"It is equally important for applicants to check the advertisement of the bursary which is placed on the newspapers and call the contact numbers appearing on the advert if they have questions," he added.

Applicants are further advised to personally submit their forms to the college and not to allow anybody to collect forms on their behalf using the name of the college. Lekgethwane reiterated that the department does not sell application forms, nor does it expect learners to pay for the bursary or placement at the college.

## SECURITY GUARD BLUDGEONED TO DEATH

**Buffelspoort** – A security guard was bludgeoned to death near Buffelspoort in the early hours of Monday 31 August.

According to police spokesperson colonel Adèle Myburgh police were called to the scene early on Monday morning. The deceased had several head wounds and his feet were tied together. They also found a crowbar near the body which was presumably used in the incident.

The attacker(s) fled the scene with a chain saw, a bicycle and a safe. Police are investigating a case of murder.

# KASE ARTIST NOW IN RUSTENBURG!

**Rustenburg** – Kase Artist announced their arrival in Rustenburg in a very cool way - offering a discount to their first 100 customers. Kase Artist, which is involved in making and selling customised cellphone covers, officially launched their branch in Rustenburg on Friday 4 September. It was a hive of activity at the Waterfall Mall during the launch as scores of customers lined up to buy their customised cellphone covers at a giveaway price. Good for the lucky ones who managed to buy the customised cellphone covers at the special price, valid only for the launch day. Kase Artist owner Usman Shahid grew up as an orphan and because it is a cause that is very close to his heart so he decided to make the launch even more special by donating R100 for each cover sold to Lighthouse Children's Home. They managed to hand over R10 000 to the organisation.

Kase Artist's Hannes van der Walt described the launch as a resounding success. "I am extremely happy with the launch. I am grateful to all our partners for their input on the marketing side."

Kase Artist is a company that specialises in on-demand printing on digital gadgets. This particular kiosk focuses on printing on the back of cellphone covers and customisation of any image you would like on that cover. "It takes anything between three and four minutes. We also do a lot of corporate brand printing for customers who would like their company logos to be reflected," Hannes added.

## PHILIPPIANS 4: 4-23

<sup>21</sup>The wicked borrows and does not repay,  
But the righteous shows mercy and gives.

<sup>22</sup>For those blessed by Him shall inherit the earth,  
But those cursed by Him shall be cut off.

<sup>23</sup>The steps of a good man are ordered by the Lord,  
And He delights in his way

<sup>24</sup>Though he fall, he shall not be utterly cast down; For the Lord upholds him with His hand.

<sup>25</sup>I have been young, and now am old; Yet I have not seen the righteous forsaken, Nor his descendants begging bread.

<sup>26</sup>He is ever merciful, and lends; And his descendants are blessed.

<sup>27</sup>Depart from evil, and do good; And dwell forevermore.

<sup>28</sup>For the Lord loves justice, And does not forsake His saints; They are preserved forever, But the descendants of the wicked shall be cut off.

<sup>29</sup>The righteous shall inherit the land, And dwell in it forever.

<sup>30</sup>The mouth of the righteous speaks wisdom, And his tongue talks of justice.

<sup>31</sup>The law of his God is in his heart; None of his steps shall slide.

<sup>32</sup>The wicked watches the righteous, And seeks to slay him.

<sup>33</sup>The Lord will not leave him in his hand, Nor condemn him when he is judged.

<sup>34</sup>Wait on the Lord, And keep His way, And He shall exalt you to inherit the land; When the wicked are cut off, you shall see it.

<sup>35</sup>I have seen the wicked in great power, And spreading himself like a native green tree.

<sup>36</sup>Yet he passed away, and behold, he was no more; Indeed I sought him, but he could not be found.

<sup>37</sup>Mark the blameless man, and observe the upright; For the future of that man is peace.

<sup>38</sup>But the transgressors shall be destroyed together; The future of the wicked shall be cut off.

<sup>39</sup>But the salvation of the righteous is from the Lord; He is their strength in the time of trouble.

<sup>40</sup>And the Lord shall help them and deliver them; He shall deliver them from the wicked, And save them, Because they trust in Him.

# ALTERNATIVES TO DUMPING YOUR BABY

**Rustenburg** – We are at risk of becoming desensitised to the horrors of newborn babies being abandoned and left for dead every so often. Newborns are being wrapped in plastic, left in the veld or dumped in dustbins like a piece of trash. What would drive a mother to do such a thing? Some of these women are alone, underaged, ashamed or do not have a solid support structure to help them care for the baby, however, no matter how desperate the situation, safe and legal alternatives are available which does not include killing the babies. Mōrester Kinderhuis director Helen Lotz deals with cases like these regularly. “I have been doing this for many years and everytime I hear of a baby that was dumped somewhere, it breaks my heart,” Lotz told *Platinum Weekly*. **Lotz currently cares for 19 newborns and provides a safe place for abandoned children. Lotz advises that should you decide not to keep your baby, at least go to a hospital to give birth. This will not only give the baby a chance on life - it is also beneficial for your health.** “You can just tell the social worker that you intend on putting the baby up for adoption and this person will assist you without any judgement,” said Lotz. **If you do this through the correct channels the baby will also receive an ID number which will help with the**

**adoption process of which the mother has 90 days to change her mind.** What if the baby is born at home and you still decide that you do not want to keep it? You can still go to the hospital and speak to a social worker. There are also many other organisations that you can contact that will assist you. **“I know an unexpected pregnancy can be terrifying, but if the thought of leaving your baby on a rubbish dump or in a storm drain ever crosses your mind, even if just for a brief moment, I want to encourage you to contact me. I will advise you and offer support to assist in making informed choices,” pleaded Lotz.** Police spokesperson captain Elsabé Augoustides confirmed that if an abandoned baby is found, a DNA-test is done to locate the mother who will face criminal charges if caught. “Mothers who abandon their babies will be charged with concealment of birth,” she said. There are instances where women give birth at home and the baby is stillborn. This can cause a woman to start panicking. “If a baby is stillborn, a doctor needs to be contacted who will declare the infant dead. If it is classified as an unnatural death, the police also need to be informed,” said Augoustides. If you did nothing wrong, there is nothing to be afraid off as this is just the normal procedure.

**Should you ever find a baby that was abandoned by the mother, the first thing you should do is to immediately contact the police.** They will obtain the required documents from the Department of Social Development to ensure that the baby can be taken to a place of safety like Mōrester Kinderhuis. Whatever your circumstance is, no matter how afraid you are or whatever your reasons may be for deciding not to keep your baby, please do the right thing and follow the right procedures to ensure the life of the child is protected. If you do not have someone close to that you can confide in and you want to learn more about the options that are available contact Lotz on **082 460 8418.** **Give your child a chance to live.**

# TAKE CARE OF YOUR SMILE

**Rustenburg** – The Professional Board for Dental Assisting, Dental Therapy and Oral Hygiene under the ambit of the Health Professions Council of South Africa (HPCSA) recognises and celebrates September as National Oral Health Month. The aim of the professional board in celebrating National Oral Health month is to educate, promote and reinforce good oral health and promote oral hygiene practices amongst the community.

Supreme Dental Studio dentist doctor Percy Baloyi, based in Rustenburg, shared a few tips on how to take care of your teeth. "Prevention is better than cure. To maintain good oral health, it is vital that you follow a daily oral cleaning and maintenance programme. Brush your teeth twice a day for at least two minutes. Don't underestimate the importance of flossing between your teeth to eliminate small food particles that may be stuck and make sure you visit the dentist twice a year."

Regular visits can prevent small issues turning into painful and expensive problems as this will assist in ensuring that dental cavities and any other dental problems are detected and treated appropriately and timeously.

He also advised that parents teach children good oral hygiene early on: "Monitor your children to make sure that they are following their daily routine. Turn it into a game by timing them with your phone and by shining a light onto their teeth to check if they are clean. Don't let them eat or drink any sweets or coldrink after brushing their teeth in the evening."

Eating healthy low-sugar or sugar-free food

and beverages also plays an important role in good oral hygiene.

It remains important to take care of one's oral health – even during the the COVID-19 pandemic. The Supreme Dental Studio professionals are trained to practise strict infection prevention and control measures, and these measures have been prioritised during this pandemic so don't delay and make your appointment today.

**Contact Supreme Dental Studio on 014 592 6169, 065 996 2328 or visit their office at 34 Von Wielligh Street, Rustenburg.**

# PAMPOENNEK ROAD TO DECONGEST NW – GAUTENG TRAFFIC

Pampoennek road was officially opened on Thursday 3 September.

**Brits** – Transport minister Fikile Mbalula said the country's national road network is an important catalyst for unlocking economic activities on the platinum highway between Gauteng and North West provinces, as well as between South Africa and neighbouring countries.

He was speaking at the official opening of the R512 Pampoennek road in the North West Province. The opening of the road means that motorists will enjoy a free flow of traffic and there will be a better link to the North West from Gauteng, also ensuring that long-distance movements do not interfere with local traffic.

"This road gives expression to the notion that transport is the heartbeat of the South African economy, playing an integral part of the country's economic growth," said Mbalula.

As part of its ongoing distinct mandate to finance, improve, manage and maintain the national road network – often referred to as the country's "economic arteries" – the Pampoennek road demonstrates the South African National Road Agency SOC Limited's (SANRAL) commitment in investing in road infrastructure; a commitment that is aimed at addressing the triple challenges of unemployment, poverty and inequality as well as making roads an impetus to growing the local economy.

Built at a cost of R377 million, the road stretches from the R512 to the west of the Hartbeespoort Dam through Pampoennek, connecting easily to the N4.

SANRAL chief executive officer (CEO) Skhumbuzo Macozoma echoed similar sentiments. He said the completion of the project demonstrated SANRAL's ongoing commitment to improving the socio-economic conditions of the people that live around it. "This project demonstrates that it is possible to transform the construction industry through road infrastructure projects and to also have effective community participation in government projects. All of this finds expression in our long-term horizon 2030 strategy, which enables and ensures that local community members and SMMEs benefit from our projects," he said.

# FUNKY SOCKS FOR A GOOD CAUSE

**Rustenburg** – Rustenburg Skool vir Buitengewone Onderwys is a school for learners with severe intellectual disabilities. They cater to a wide range of disabilities that includes more serious cases of foetal alcohol syndrome (FAS).

Although the school receives government funding, it does not cover all their expenses and their governing body (SGB) employs several teachers and class assistants to ensure that they can keep their classes small and the quality of their education at the highest possible level. Their school fees are kept to a minimum, but because of the situation in most homes, not all parents can afford it and must be subsidised by the SGB through fundraisers and community donations.

Due to COVID-19, the school can only host one fundraiser this year and decided to not only raise funds but also raise awareness about FAS on Friday 15 October. They will distribute leaflets, posters, and wear their awareness stickers and funky socks. Show your support by purchasing a sticker and flaunting your funky socks.

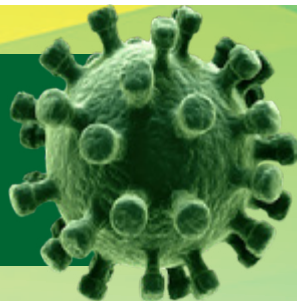

According to the World Health Organization, the prevalence of FAS in South Africa is the highest in the world. The damage caused by consuming alcohol while pregnant is permanent, irreversible and preventable so help to spread the word.

Protect yourself and others from the spread of COVID-19

## What CLOSE CONTACT means

**C**lose contact means that you had face-to-face contact within 1 metre or were in a closed space for more than 15 minutes with a person with COVID-19. This contact happened while the person with COVID-19 was still infectious.

**Rustenburg** – Hats on for Children's Palliative Care #HatsOn4CPC is a worldwide campaign to raise awareness about the critical importance of children's palliative care and children's hospice services. It falls on the second Friday in October, which this year falls on Friday 9 October. The day aims to raise funds for children's palliative care, but more importantly, to raise awareness of the rights of very sick children with incurable and life-threatening illnesses to receive palliative care. Children's Palliative Care (CPC) responds to the physical, emotional, social and spiritual needs of a child with a life-threatening or life-limiting illness as well as providing care for the child's family. These children receive expert pain relief, assistance with symptom control and whatever emotional, social and spiritual support that is required to enable the affected child to enjoy the best quality of life possible. This care is provided by a compassionate team of people who all wear different, and sometimes many, hats!

To show your support for the amazing work these people do, get your #HatsOn4CPC sticker at Rustenburg Hospice at 4 Boshoff Street for only R10 and wear your favourite fun hat for the day. Make sure you take a selfie and share your photos on social media using the hashtag #HatsOn4CPC. Get your friends together and host your very own Mad Hatter's tea party or have a hat-making party. You can also have a funky hat day at work or school.

## BIG DREAMS, BIG HEART

Oratile Els

**NW** – Oratile Els from Monakato near Mogwase took up modelling this year to create a platform to make a positive impact in the lives of disadvantaged learners from her community. The 19-year old Els is hoping she will leave a lasting impression in the semi-finals of the upcoming Miss Township SA. The pageant will be held on Saturday 31 October at the Manhattan Hotel in Pretoria and Els is one of the 49 models that will be competing for a spot in the finals.

"I started modelling this year because I want to help disabled learners by helping them to achieve their dreams," Els told Platinum Weekly. Three of the models taking part in the Miss Township contest (including Els) are from the North West province and it would be quite an achievement if all of them can make it to the finals.

To vote for Oratile Els SMS her name to 36996. Voters can vote as many times as they want to.

# FIETSRYERS TRAP VIR DIE BEWUSMAKING VAN BYBELVERSPREIDING IN AFRIKA

**Rustenburg** – NG Proteapark dominee Willem Pretorius het saam met fietsryers van die gemeente en die Rustenburg Cycling Club (RCC) 'n sirkelroete van 70km gery op Sondag 6 September. Hulle het die roete aangepak vir die bewusmaking van Bybelverspreiding in Afrika deur *Bibles for Africa*. Heelwat donasies vir hierdie goeie werk is ook reeds ingesamel. *Bibles for Africa* se fabriek en pakhuis is in Rustenburg. Hulle druk, bind en versprei Bybels in veral vlugtelingskampe soos Kakuma in die noordweste van Kenya en Bidi Bidi in die noordweste van Uganda. Hulle fokus ook op die verspreiding van Bybels in die suide van Sudan. Gedurende die grendelstaat het hulle 90,000 Bybels in verskillende tale gedruk en gebind en hulle begin hierdie week met 40,000 Franse Bybels vir vlugtelingskampe in Zambië. Hulle het die regte vir die druk en verspreiding van Bybels in meer as 800 verskillende tale. "Baie dankie vir elke persoon wat saam met ons getrap het, asook ingeskakel het op die regstreekse uitsendings deur die oggend. Ons is gemaak om spore te los en 'n verskil te maak, en ek glo dis wat ons vandag gedoen het," aldus dominee Willem.

You can help secure governing body staff members' jobs by either making a donation or sponsoring riders per kilometre. Any amount

## A PASSION FOR CYCLING

**Rustenburg** – For Gregg Taylor and Herman de Bruin, taking part in the Fat Sheep Classic on Sunday 6 September was a very liberating experience! The two members of the Rustenburg Cycling Club (RCC) made the trip to Bapsfontein where they joined other cyclists for the 110km ride.

**Rustenburg** – Bergsig Akademie het op Dinsdag 1 September Boomplantdag gevier deur twee bome op hul skoolterrein te plant. **Bergsig Akademie onderwyser Michelle Bezuidenhout het tydens die aangeleentheid 'n spesiale boodskap gedeel:** "Die Olienhoutboom of wilde olyfboom wat ons vandag hier plant is enig in sy soort. Wanneer jy gaan oplees oor die boom, word daar na dit verwys as 'n werksesel. Die Olienhoutboom word ook gekenmerk vir die feit dat dit in haglike omstandighede boontoe sal beur. Verder is dit ook bestand teen ryp, wind en koue en wanneer die Olienhoutboom volgroeid is, lewer dit ook baie koelte. Nou so kon ek nie anders as om te dink dat hierdie boom ook ons as onderwysers simboliseer nie. Net soos wat ons hierdie boom vandag hier plant, het die Here ons ook op 'n dag hier geplant vir 'n spesifieke rede. Ons beleef ook vreeslik baie ryp, koue en wind in ons lewens. Hierdie jaar veral, was iets besonder en ons het opnuut geleer hoe om aan te pas. Ons het baie uitdagings in die gesig gestaar en ons moes gewoon raak aan die 'nuwe normaal'. By die skool en in ons persoonlike lewens het baie veranderinge plaasgevind en daar was tye wat ons gevoel het asof ons wêreld omgekeer word, maar hier staan ons steeds... vasgewortel in die Here se genade. Mense gaan dalk vir jare verby hierdie bome loop en hul skaars opmerk en so is dit ook maar met ons as onderwysers, dit voel asof al ons harde werk ongesiens verbygaan en asof ons nie regtig die leerders bereik nie, maar tog aan die einde van die dag verskaf ons die koelte aan ons leerders wat hul ook vorm om eendag die pad te kan stap wat die Here vir hul bepaal het. In Psalm 1:3 staan daar: 'Hy is soos 'n boom wat by waterstrome geplant is, wat op die regte tyd vrugte dra. Hy is voorspoedig in alles wat hy aanpak.' Mag ons as Bergsig-familie mekaar deurlopend ondersteun en bystaan in tye van koue en wind en mag ons vir altyd voorspoedig wees in alles wat ons aanpak."

Bergsig Akademie onderwyser Michelle Bezuidenhout het 'n spesiale boodskap gedeel met die onderwysers (foto verskaf).

## AUSTRALIAN DOMESTIC SUPER RUGBY

### Reds vs Brumbies

Die Reds klop die Brumbies gemaklik 26-7. Die Brumbies het nie regtig opgedaag vir die *game* nie want in hulle agterkoppe het hulle geweet dat hulle reeds gekwalifiseer het vir die eindstryd... Maar sielkundig kan dit hulle benadeel en tot voordeel van die Reds wees.

Die Reds gaan nou uitspeel teen die Rebels om te bepaal wie teen die Brumbies in die finaal te staan gaan kom.

### Rebels vs Western Force

Die Rebels het veertien onbeantwoorde punte aangeteken om van 'n 20-30 agterstand die *game*

34-30 te wen. In die laaste beweging van die *game* het Cabous Eloff oorgegaan vir die wendrie. Hierdie *game* was die Force se beste vertoning van die reeks, maar nog steeds nie goed genoeg nie en eindig laaste sonder enige oorwinning in die reeks. Die Rebels gaan nou teen die Reds te staan kom om te bepaal wie teen die Brumbies in die finaal gaan speel. Vir die Rebels is dit 'n groot mylpaal want dit is hulle eerste semi-finaal waarin hulle gaan opdra. Miskien verras hulle die arrogante Brumbies en wen die titel.

Good night mate...

## NIEU-ZEELAND : NOORD VS SUID

Skitterende *ruggas* word gesien in die jaarlike Noord Suid derby in Nieu-Zeeland. Verskeie tweestryde is vooraf bespiegel waarvan die stryd in die nommer 10 trui dalk heel bo aan die lys was.

Beauden Barrett en Richie Mo'unga het beide puik spel opgelewer. So kan die lys aangaan van topklas spelers wat die kies van 'n 2020-toetsspan, die All Black keurders gaan laat kopkrap. In hierdie riller

word tien puik drie gedruk en die eindtelling val in die Suide se guns en wen 38-35. Die nuutverkose All Black *cappie* Sam Cane is nog steeds op die krukelys en dit kan ook 'n groot kopseer vir mnr Vorster en kie wees. Daar is tans ses losvoorspelers wat by enige span in die wêreld kan instap.
