AFRIFORUM-BUURTWAG BEVEILIG RUSTENBURG GEMEENSKAP

AfriForum-buurtwag lede Marlene Odendaal, Kobus Steyn en veiligheidsvoorsitter Dawie Odendaal.

Rustenburg – Die AfriForum-buurtwag in Rustenburg het op Saterdag 12 September veiligheidsmonitering by die Departement van Binnelandse Sake gedoen. Groot hoeveelhede mense besoek dié departement op Saterdag en dit het vroeër vanjaar veiligheidsinsidente tot gevolg gehad. Dié buurtwag het die area van 08:00 tot 14:30 gemoniteer en geen voorval is aangemeld nie.

“Die gemeenskap voel nie veilig wanneer hul dokumente by die departement gaan afhaal nie. Baie mense beskou die area as uiters onveilig en die groot groepe mense veroorsaak ‘n geweldige veiligheidsrisiko. Dit is veral ‘n probleem aangesien baie kinders hul identiteitsdokumente daar moet gaan afhaal. AfriForum se buurtwag staan

egter gereed om mense veilig te hou en is dankbaar dat daar die afgelope naweek geen voorvalle was nie,” sê AfriForum se Rustenburg-tak veiligheidsvoorsitter Dawie Odendaal.

“Hierdie sukses sou nie moontlik gewees het sonder die positiewe verhoudings tussen die verskeie gemeenskapsveiligheid strukture in Rustenburg nie. AfriForum is dankbaar om deel van ‘n gemeenskap te wees wat saam staan – veral wanneer dit kom by ons gemeenskapslede en hul geliefdes se veiligheid,” sê AfriForum se distrikskoördineerder vir Marico Petrus Coetzee.

Raak vandag nog by jou plaaslike AfriForum-buurtwag betrokke: SMS jou naam na 45351 (R1).

Brits—A 51-year-old man in Brits was arrested by the Hawks on Wednesday 16 September after he failed to give a proper explanation of how he acquired an assortment of firearms and ammunition that were found at his home. The suspect was nabbed for illegal possession of unlicensed firearms and ammunition during an intelligence driven operation also involving police units from North West provincial crime intelligence and Brits tactical response.

Said Hawks spokesperson in the North West captain Tlangelani Rikhotso: “The suspect's home was searched and an assortment of firearms and ammunition were found which included, a 9mm pistol, a shotgun, two rifles, a dart gun and a large quantity of ammunition. All exhibits were seized for further investigation.”

The Hawks are continuing investigations.

Police seized rifles and ammunition.

A 9mm pistol was also seized at the scene.

Rustenburg – A family was left traumatised after a shootout in their home on a smallholding in Rietvlei, just outside Rustenburg, on Tuesday 22 September. According to police spokesperson captain Aafje Botma, one of the female victims was busy outside when her daughter called her to come inside. When she got to her daughter's room, she saw an intruder pointing a gun at her. She yelled and her husband ran to their aid with his firearm. A shootout ensued and five shots were fired before the attacker fled the scene. Captain Aafje confirmed that no one was injured during the incident and a case of attempted robbery is being investigated.

IMPALA KICK-STARTS GREEN INITIATIVE WITH TREE PLANTING IN RUSTENBURG

Rustenburg – Impala Rustenburg launched an inspiring Go-Green initiative this month with the planting of 100 indigenous trees around its tailings dam facility. The company also hosted its first virtual spring run on Saturday 5 September to raise awareness in the community about its ongoing Go-Green initiative.

Impala chief executive Mark Munroe says the initiative was led by the company's general managers who each planted a hardy karee, white stinkwood or weeping boer-bean tree at the facility. It received wide support from employees who took up the opportunity to sponsor some of the trees.

"The tree planting is an excellent project," says Munroe. "It has invigorated our team to continue our efforts to reduce Impala's carbon footprint and build a sustainable environment."

Impala's Go-Green initiative involves planting trees to improve air quality, using solar power to make power consumption more efficient and drawing excess water

from the tailings dam to reduce water consumption. The spring run succeeded in promoting the initiative through the participation of a great number of employees, members of the local community and even people abroad. This has prepared the way for the planting of another 150 trees at the Impala Rustenburg operation and local schools this month. Impala Rustenburg press release extracts

CV LEADS TO CONVICTION OF MURDERERS

Hartbeespoortdam – Two men will spend a very long time behind bars after the North Gauteng High Court in Pretoria sentenced them to life imprisonment for murder and a further 21 years for car hijacking as well as unlawful possession of a firearm and ammunition.

The court found Amukelani Christopher Mboweni and Andrew Chauke guilty of murdering Mamba Richard Nyoko and hijacking his car in August 2016 after they had been offered a lift. Nyoko's body was found dumped in a ditch along Dagga road near Hartbeespoortdam after police had been alerted to the discovery.

During court proceedings, it was revealed that Mboweni and Chauke were hitch-hiking in the Brits central business district (CBD) on Saturday 20 August 2016 when Nyoko offered them a lift in his car, a Nissan Tida. As they were travelling towards Skeerpoort, one of the criminals pointed a firearm at Nyoko and ordered him to stop the vehicle. Along the way, Nyoko was shot three times in the head before his body was dumped in a ditch.

Police spokesperson brigadier Sabata Mokgwabone said a curriculum vitae (CV) belonging to one of Nyoko's neighbours was found at the crime scene. He explained how this evidence enabled investigators to eventually track down and arrest Mboweni and Chauke.

"The CV led the police to the deceased's family in Damonsville outside Brits. Nyoko's Nissan Tida was also found being driven by a 35-year-old man, four days after the discovery of the body," Mokgwabone said. Police further established that Mboweni and Chauke had sold the car to the man. The man assisted police by identifying and pointing out Mboweni and Chauke, who were then arrested. Provincial Commissioner of police in the North West lieutenant general Sello Kwenia said the hefty sentence handed out to the duo must serve as a warning to other criminals.

SOULFOOD

PSALM 18: 1-20

¹I will love You, O LORD, my strength. ²The LORD is my rock and my fortress and my deliverer; My God, my strength, in whom I will trust; My shield and the horn of my salvation, my stronghold. ³I will call upon the LORD, who is worthy to be praised; So shall I be saved from my enemies.

⁴The pangs of death surrounded me,

And the floods of ungodliness made me afraid. ⁵The sorrows of Sheol surrounded me; The snares of death confronted me. ⁶In my distress I called upon the LORD,

And cried out to my God; He heard my voice from His temple, And my cry came before Him, even to His ears. ⁷Then the earth shook and trembled; The foundations of the hills also quaked and were shaken, Because He was angry.

⁸Smoke went up from His nostrils, And devouring fire from His mouth; Coals were kindled by it. ⁹He bowed the heavens also, and came down With darkness under His feet. ¹⁰And He rode upon a cherub, and flew; He flew upon the wings of the wind. ¹¹He made darkness His secret place; His canopy around Him was dark waters

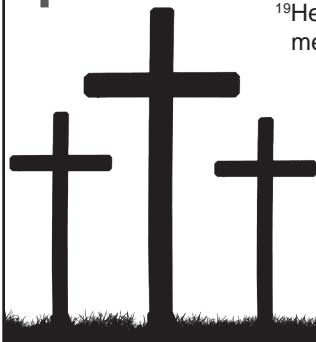

And thick clouds of the skies. ¹²From the brightness before Him, His thick clouds passed with hailstones and coals of fire. ¹³The LORD thundered from heaven, And the Most High uttered His voice, Hailstones and coals of fire.

¹⁴He sent out His arrows and scattered the foe, Lightnings in abundance, and He vanquished them. ¹⁵Then the channels of the sea were seen, The foundations of the world were uncovered

At Your rebuke, O LORD, At the blast of the breath of Your nostrils.

¹⁶He sent from above, He took me; He drew me out of many waters. ¹⁷He delivered me from my strong enemy, From those who hated me, For they were too strong for me. ¹⁸They confronted me in the day of my calamity, But the LORD was my support.

¹⁹He also brought me out into a broad place; He delivered me because He delighted in me. ²⁰The LORD rewarded me according to my righteousness; According to the cleanness of my hands He has recompensed me.

CIT ROBBERY SUSPECT IN THE DOCK

Rustenburg – The long arm of the law has finally caught up with one of the suspects who allegedly blew up an armoured vehicle before making away with an undisclosed amount of money in July 2019.

Mlindeni Ndlovu, who is believed to be one of the masterminds behind the cash-in-transit (CIT) heist, appeared before the Rustenburg Magistrates' Court on Monday 14 September on a charge of CIT robbery. At the time of going to print, the 31-year-old Ndlovu was up for his second court appearance and is expected to apply for bail. Ndlovu's arrest, during a multi-pronged police operation spearheaded by the Hawks, led to a breakthrough in numerous CIT robberies that are currently being investigated.

Eyewitnesses to the 2019 CIT told *Platinum Weekly* that the suspects staged an accident at the corner of Fatima Bhayat and Bosch Streets by ramming a white Mahindra bakkie into the armoured truck. "They also blocked the car that was escorting the armoured truck. They then bombed the armoured vehicle," the eyewitness said. "They fled the scene with a grey Toyota Hilux and a Ford Ranger. However, they did not manage to take all the cash," the eyewitness added.

Video recordings of the incident, as well as other evidence obtained from the scene, assisted the Hawks to track down and arrest Ndlovu, fourteen months after the CIT heist.

His trial and ongoing police investigations are likely to shed more light on the whereabouts of the other suspects involved in the heist. The Hawks are eager to establish more leads on the other CIT heists that were carried out by criminal syndicates in and around Rustenburg during 2019.

The suspect is implicated in a cash-in-transit heist that took place in Rustenburg in July 2019.

BOITEKONG CHILD PROTECTION HOTLINE LAUNCHED

Boitekong/ Rustenburg – Toys for Africa, in partnership with Boitekong Mall, launched the Boitekong Child Protection Hotline on Tuesday 28 August.

The launch took place at the mall and is available to parents, teachers, caregivers, or any member of the public to report or share alleged child abuse or neglect. Boitekong Mall is sponsoring the hotline that will be operated by Toys for Africa.

Said Toys for Africa founder Danie van Loggerenberg: "The hotline will also help the police because we will be able to inform them about the crime as well as alert them to the scene." Boitekong Mall's Mmabatho Madisa hailed the initiative and said it would play a key role in the reduction of crime in the area.

Report child abuse or neglect to the Boitekong Child Protection Hotline 082 487 0654 or email boitekong@toysforafrica.org.

IT'S PLAYTIME AT SPCA!

Rustenburg – The Rustenburg Society for the Prevention of Cruelty to Animals (SPCA) has portioned off an area on the property with a fence. This area will be a safe place where the dogs in their care can run around and play to their delight!

The project will kick-off on 25 September and they would like to invite the community to come and join in the fun of creating a play area filled with toys and activities for the animals. Come and share your ideas in creating obstacle courses and other activities to keep the animals entertained and stimulated. They also need donations of items like tyres, balls, ropes, and bridges to build structures for the dogs to play on.

For more information contact Rustenburg SPCA committee member Marisa Kruger on 084 885 5173 or Venessa Herridge on 082 410 2776.

TREAT YOUR SHINGLES

Rustenburg – Shingles (herpes zoster) is caused by a virus much like the one that causes chickenpox. Where chickenpox causes a general skin eruption, shingles usually erupts along a nerve path. Nutritional deficiencies are seen as one of the root causes of shingles. If you crave milk – indulge the craving because it is often associated with L-Lysine shortages. LV Nutritional Products now has an amazing Shingle Formula that treats the cause of the problem. Phone LV Nutritional Products director Anya Viljoen or sales in-charge Lorraine Viljoen today to find out more about their Shingle Formula and MelloMag C. LV Nutritional Products aims to improve lives through better nutrition. By helping people rid themselves of the ravages of modern-day living and by assisting them with good, sound nutrition, we can help people lead more comfortable lives, with less focus on keeping healthy. SHINGLE FORMULA SUCCESS STORY

My husband had prolonged stress at work. He started to get severe pain in his nerve ends and was in constant pain... so bad that he couldn't sleep. After various visits to doctors, he started drinking pain killers, but his condition only worsened. By the time I brought him to Lorraine and Anya, his whole body was full of sores, even on his scalp. He could hardly move. Lorraine immediately started my husband on the Shingle Formula. He had to take it three times a day for three months. His whole body cleared up, he had energy again and his adrenal glands got restored. The sores disappeared and he felt like a new person – he even looked younger. Thanks so much for all your help Lorraine; I am forever thankful that I have my husband back again.

SUSPECTED CAR THIEF COULD FACE MORE CHARGES...

Rustenburg – A 32-year-old man who appeared before the Rustenburg Magistrates' Court on Wednesday 9 September, for the possession of suspected stolen motor vehicles and other serious charges, is likely to find himself in even more trouble. Tumisang Gama, who was also charged with the illegal possession of a firearm as well as illegal possession of ammunition during the appearance, abandoned his bail application. It is alleged that Gama was among the group of people who illegally occupied houses situated in the Rustenburg North area in May 2020. "He could face more charges but, for now, the allegations are the subject of an investigation," police spokesperson captain Elsabé Augoustides said. Gama has also been fingered in other criminal cases. Police have revealed that he has a pending hijacking case against him which was committed in Rustenburg in December last year. In 2018, he was arrested after police received information that he had two vehicles - with what looked like bullet holes - in his possession. During his latest arrest on Monday 7 September 2020, a veterinarian had to be summoned to the scene to assist in sedating a vicious dog which attacked and bit one of the police officers.

BOREHOLE OWNERS URGED TO BE RESPONSIBLE FOR WATER USERS

South Africa – Frequent spells of drought – combined with the uncertainty of municipal water supply – are leading more South Africans to invest in boreholes. It is a trend that requires responsible management, warns SRK Consulting. While boreholes do help many people to either go off-grid or supplement municipal water supply, thereby lightening the load on strained municipal water systems, the groundwater sources being exploited are not infinite. According to SRK Consulting's Port Elizabeth office principal geoscientist Riona Kruger, awareness is growing that South Africa is water-scarce and every drop needs to be conserved. "No longer are farmers the only ones making use of borehole water, but an increasing number of urban dwellers are having boreholes sunk in their yards," said Kruger. "This is a great idea, especially where municipalities are battling to supply citizens with enough water to sustain a living." She highlighted, however, that boreholes do add to the pressure on groundwater resources, leading to less water being available for each user. The key is for borehole yields to be professionally assessed, and for only a sustainable volume of water to be pumped out. "Should you notice that the water level is declining over time, then you should reduce the volume of water that you pump from the borehole until the decline is halted," said Kruger. "If the water level remains constant over time, then the yield you are pumping is sustainable. People often need reminding that, while the borehole and its infrastructure may be the property of the owner, the water remains the property of the state. This places the onus on the user to manage the resource responsibly and not to the detriment of others." She urged all borehole owners to conserve South Africa's precious underground water sources by monitoring their boreholes and not over-abstracting water volumes.

Rustenburg – Rustenburg Local Municipality (RLM) executive mayor councillor Mpho Khunou was part of a group of municipal officials who met with the Sibanye Stillwater leadership for a tour of properties and infrastructure that is no longer being used by the mining company. The tour of the facilities as led by the mining company's representatives – group manager HRTS and property Fritz Jooste, engineering vice president Henry Ricks and acting community engagement and development head of department Morgan Motswana, comes in the wake of the mining giant's move to dispose its assets which are not actively in use.

The assets include mining houses and hostels which were used by mine employees. In addition, some of the infrastructure include offices, used for administration, halls, and portions of undeveloped land. Said RLM executive mayor Mpho: "Our association with Sibanye has benefitted many of our communities in the past. Given the housing demands in the city, the acquisition of the land will accelerate our program for housing which will deal with people residing at informal dwellings. Therefore, any access to additional land, lessens the burden as we roll out developments in the city, particularly those

being targeted for infrastructure development." The tour included visiting facilities in near Zakhele informal settlement, an inspection at the mine's operations near Nkaneng as well a portion of land in Marikana, which the mining company intends on disposing with the intention building houses. In recent years, the municipality has worked hard to address the housing question, to the extent that one of its successful housing projects has seen Bokamoso residents receiving proper housing with supplementary municipal amenities.

AFRIFORUM DRA R30,000 BY TOT LAERSKOLE IN RUSTENBURG

Rustenburg – AfriForum se Rustenburg-tak was die hoofborg van 'n suksesvolle fondsinsameling vir laerskole in Rustenburg. Gemeenskapslede kon deur finansiële skenkings hul posisie in 'n fietsrenkompetisie wat op Saterdag 12 September by Laerskool Rustenburg plaasgevind het, verseker. Die gemeenskapslede het deel gevorm van die onderskeie skole se spanne, naamlik Laerskool Rustenburg, Laerskool Proteapark en Laerskool David Brink. Die spanne het prysgeld gewen op grond van die tyd wat dit hul geneem het om 'n afstand van 1,099km af te lê. AfriForum se totale bydrae tot dié projek (wat deel vorm van Solidariteit se Trapsaam-inisiatief) is R30,000. "Dit is vir ons uiters belangrik om die skole in Rustenburg te ondersteun ná die negatiewe finansiële gevolge van die inperking. Dié kinders is die toekoms van ons gemeenskappe en dit is van kardinale belang dat hul steeds toegang tot gehalte onderwys het. Daarom het ons besluit om R3,000 te borg vir die skool wat eerste eindig en R2,000 vir die tweede skool. Ons het ook R5,000 geborg om voorsiening te maak vir die uitgawes van die dag," sê AfriForum Rustenburg-tak voorsitter Chris Trytsman. "AfriForum se Rustenburg-tak het ook na afloop van die kompetisie 'n werwingsprojek van stapel gestuur en die skool wat die meeste AfriForum-lede teen einde November werf, sal 'n verdere R20,000 ontvang om die nood te help verlig," sê AfriForum se distrikskoördineerder vir Marico Petrus Coetzee. AfriForum moedig gemeenskapslede en sakeondernemings aan om vandag nog by dié inisiatief betrokke te raak sodat soortgelyke projekte aangepak kan word om 'n verskil te maak. Raak betrokke by dié inisiatief. SMS 'Rustenburg' na 45351 (R1) of bel vir Chris Trytsman by 082 469 2221 vir meer inligting. **AfriForum persverklaring**

Coronavirus

Protect yourself and others from the spread of COVID-19

Who is at most risk for COVID-19?

As there is community transmission of SARS-CoV-2 in South Africa, all South Africans are at risk of infection with SARS-CoV-2 (illness called COVID-19).

People who have been in contact with a confirmed case of COVID-19 are at an increased risk of infection and disease. The elderly and individuals with co-morbidities, such as heart disease (including high blood pressure), chronic respiratory diseases, cancer patients, endocrine diseases (such as diabetes), have been found to be at a higher risk of severe illness and mortality associated with COVID-19.

SA – In light of the recent attempted kidnappings that have made headlines in South Africa, it is vital to take the necessary steps to protect your children.

HERE ARE A FEW TIPS TO KEEP CHILD PREDATORS AT BAY

- The first thing you need to do, is teach your children not to take anything from strangers. They should be taught not to approach unknown vehicles and always to be on the lookout in case of cars that might be following them.
- They should never go anywhere with anyone they do not know or trust.
- Youngsters should be vigilant and rather walk in a group or with an older child or adult for safety.
- Create a place of safety where your children can go. If they ever feel unsafe in any situation – with a stranger or with someone they know – they should have safe zones they can go to – to tell someone trustworthy that they feel scared.
- Teach them to yell and tell. They should also tell someone if anyone does anything that makes them feel uncomfortable. Teach them that it is especially important to tell people who try to persuade them not to tell. If someone wants something to be “our little secret” then chances are they are doing or planning something bad.
- Kids should know to trust their instincts – if something does not feel right, speak up! If they feel they are in danger, they should shout as loudly as they can to get the attention of bystanders.
- Make sure that they know it is okay to say no!
- Teach them from a young age what their name, surname, parent’s telephone number and address is.
- Never leave your child alone in the car, not even for a few seconds. Also make sure all doors are locked while you are driving.
- Listen to your child if they tell you about new people that they have met.

- Establish strict procedures for when you have to pick them up from school or social gatherings.
 - Make sure you always know where your child is and who he or she is with at all times.
- WHAT TO DO WHEN YOUR CHILD GOES MISSING**
- Try not to panic.
 - Don’t wait 24 hours to report the child missing.
 - Do a quick check to see if your child is really missing by contacting friends, family, the school, and neighbours.
 - Get a responsible person to stay at your house and take messages if someone phones about the child while you go to the police station or go out searching.
 - Take a recent good quality photo of your child with you to the police station, this will help to easily identify your child.
 - Give a decent description of what your child was wearing, his/her last whereabouts and any other information to the police.
 - You will have to fill in a SAPS 55(A) form which safeguards the police against false or hoax reports and gives them permission to distribute your child’s photo and the information.
 - Make sure you get a reference number and the name and contact details of the officer assigned to the investigation.
 - If the child returns, you have to report to the police that the child is safe.

#HatsOn4CPC

Rustenburg – Hats on for Children’s Palliative Care #HatsOn4CPC is a worldwide campaign to raise awareness about the critical importance of children’s palliative care and children’s hospice services. It falls on the second Friday in October, which this year falls on Friday 9 October.

The day aims to raise funds for children’s palliative care, but more importantly, to raise awareness of the rights of very sick children with incurable and life-threatening illnesses to receive palliative care. Children’s Palliative Care (CPC) responds to the physical, emotional, social and spiritual needs of a child with a life-threatening or life-limiting illness as well as providing care for the child’s family. These children receive expert pain relief, assistance with symptom control and whatever emotional, social and spiritual support that is required to enable the affected child to enjoy the best quality of life possible. This care is provided by a compassionate team of people who all wear different, and sometimes many, hats!

To show your support for the amazing work these people do, get your #HatsOn4CPC sticker at Rustenburg Hospice at 4 Boshoff Street for only R10 and wear your favourite fun hat for the day. Make sure you take a selfie and share your photos on social media using the hashtag #HatsOn4CPC. Get your friends together and host your very own Mad Hatter’s tea party or have a hat-making party. You can also have a funky hat day at work or school.

WOMEN URGED TO STAND UP TO GBV

Tlhabane/ Rustenburg – Women health workers were urged to stand up to perpetrators of gender-based violence (GBV) during a motivational session held at Tlhabane Community Hall on Friday 11 September. The session was aimed to motivate women to remain resolute and to speak out against anyone who infringes on their rights. Nono Letshwiti, a motivational speaker and entrepreneur, encouraged the women to carry themselves with pride and dignity and to remain unshaken in the face of an increase in the number of GBV crimes within communities. “Discover your purpose in life. As a woman, you are not living for a marriage. You are also not a house-keeping wife. You have a lot more to offer,” she said. Rustenburg health outreach manager Thoko Tlhapane echoed similar sentiments in her remarks. “Be confident of yourself. As a woman, you can make it in every business sphere including

in mining. Gone are the days when women's places were confined to the kitchen.” Bosa Ledwaba urged parents to instil good morals and character attributes in their children. “No one must bully or abuse another person. As parents, we need to teach our children about care, love, and responsibility so that they do not become abusers.”

Health workers from the Rustenburg sub-district were urged to achieve their dreams.

LET’S GO HIKING!

WHAT IS YOUR CONTRIBUTION TO THE ENVIRONMENT?

We all need to do our part to save the planet and take care of the environment. With Arbour Month coming to an end, *Platinum Weekly* caught up with some of our readers to hear what they do to help the environment.

“I do my part to save the environment by picking up trash I see lying around. I keep it in a plastic bag until I get to a dustbin to throw it away. This is something everybody needs to do to keep their environment clean.”

Kamogelo Edwin

“Ek werk graag in my tuin so ek verkies om my eie groente te groei. Ek het ook ‘n hele paar spekboome en inheemse boome in my tuin geplant.”

Lucia Minnaar

“Dit is baie belangrik om die omgewing te beskerm en te doen wat nodig is as dit kom by herwinning. Besoedeling beskading tans die wêreld! Ek en my familie doen herwinning een keer per week en dit is hoe ons bydra tot die omgewing.”

Jonathan Coetzee

“I try and do my part by not littering. I keep wrappings and empty tins or water bottles with me, until I can get rid of it in a dustbin.”

“Your Empowered Insight into the World of Tax, Business and Personal Finance Issues.”

“DODGY TAX DE-REGISTRATIONS”

Serious and violent crime, discriminatory employment practices, corruption *et al* have prompted many South Africans to seek employment abroad. The current economic landscape has been defined by these negative perceptions.

Dubai appears to be the country of choice for expatriates, which incidentally also serves as a tax haven.

Until 28 February 2020, Taxpayers enjoyed significant tax relief under the dispensation of Section 10(1)(o)(ii) of the Income Tax Act.

SARS intervened and interrupted that immunity and with effect from the 1st of March 2020, only the first R 1,250,000.00 of income stands to be exempted, earnings above that threshold are subject to full taxation in South Africa.

Many expatriates (expats) will seek solutions to avoid being taxed on the residue of their income. Tax evasion schemes may include having income pegged at R 1,250,000.00, whilst splitting the residue with family members or other entities. Other schemes may include creating special purpose vehicles to channel excess remuneration. These devious plans are endless and considering that SARS has no reach in foreign jurisdictions may appeal to ethically challenged Taxpayers.

The most brazen of schemes would be to de-register as a South African Taxpayer in order to escape SARS's reach.

We caution that employing such a manoeuvre aligns itself to a criminal offense as Taxpayers are obliged in law to declare both local and foreign income to SARS. These submissions must contain full and honest disclosure.

Dubai will eventually participate in information sharing treaties and non-compliant or delinquent taxpayers are bound to get caught, Mauritius is a case in point.

Taxpayers have legal options available to them in the purport of a financial emigration tax residency test which legally terminates their South African tax status.

In addition, countries where double taxation agreements exist, Taxpayers will have the privilege of an election.

Many expats eventually return to their native land and in so doing will have to explain their absence when re-registering for tax.

SARS is conscious of the majority of schemes and will strengthen its internal and external systems to extend its reach, one way or the other.

Morality Upheld

Moral character is an acquired trait and lying is a product of deficient learning. Lawbreakers will always invent bogus reasons and schemes for justifying their actions in the hope that their unexamined intentions will succeed.

IGNORE FALSE RUMOURS, SPCA IS STILL OPEN!

Rustenburg – Rumours have been circulating on social media that the Rustenburg Society for the Prevention of Cruelty to Animals (SPCA) is closing its doors.

Platinum Weekly spoke to SPCA manager André Eloff who confirmed that this is not true. It's fake news. "We are struggling financially, but for now we are still open and running," he said.

Currently, they desperately need puppy and kitten food. The Rustenburg SPCA relies on donations from the public and is constantly hosting various competitions and

fundraising events to ensure that the animals in their care receive the care and attention that they need. They take in hundreds of animals per month. Without the SPCA, the lost, abandoned, unwanted, and abused animals would have nowhere to go.

"Times are tough, but as long as we have the support of the community we will continue to serve and protect the animals in our communities," André added.

For more information contact the Rustenburg SPCA office on 014 592 3181 or admin@spcartb.org.za.

AUSTRALIAN DOMESTIC SUPER RUGBY

Brumbies vs Reds

In Canberra klop die Brumbies die Reds 28-23 om vir die eerste keer in 16 jaar weer 'n trofee te verower. Dit was 'n klipharde stryd soos die rustyd telling van 15-13 in die Brumbies se guns kan getuig. Verskeie jong Aussie spelers het uitblink in die reeks en hopelik kan dit weer die Aussies op die wenpad bring.

Intussen het die nuwe *coach* van die Aussies, Dave Rennie, vir Michael Hooper aangewys as die *cappie* vir die res van 2020. Die Aussies draf op 11 Oktober teen die All Blacks uit en die *game* sal dan ook Hooper se 100ste toets wees. Hooper het die Aussies in 46 van sy 99 toetse aangevoer.

- Die *Springbok Pocket Rocket*, Cheslin Kolbe, is tans op almal se lippe met sy absolute briljante spel vir die Franse Klub, Toulouse. Hierdie klein yster is tans die planeet se beste agterspeler en met sy systappie en dodelike aanvalle druk hy meesterlike drieë!
- Tuis... braaivleis en yskoue Germaanse bruisdrankies is aan die orde van die dag ou grote! Gaan groot, maar bly van die paaie af!
- Op Loftus gaan die *Super Fans* mekaar aanvat. Saterdag 26 September pak die vier *Super Rugga* spanne mekaar in twee vriendskaplike *games*. Die eerste *game*

- gaan die Haaie teen die Bulle opdraf. Die Bulle gaan gelei word deur Duane Vermeulen. Sy tweestryd met die kookwater agsteman van die Haaie, Sikhumbuzo Notshe, gaan een van die hoogtepunte wees. Die Haaie word aangevoer deur die Springbok, Lukhanyo Am.
- Die Leeus draf teen die Stormers uit in die tweede *game*. Die Stormer *coach*, John Dobson, is vol vertroue dat sy ouens beter sal doen as ses maande gelede. Die Stormers word dan aangevoer deur die Bok *cappie*, Siya Kolisi. Die Leeus het 'n paar groot name verloor, nie deur COVID nie ou grote, maar volgens ingeligte bronne is die Leeus reg vir aksie.
