# There’s a strange thing in my garden.

[Letter to the editor]

**Rustenburg** – Fungi know-it-all's please help! What is this... growing in my garden? My wife and I have never seen such a thing before. **Inquisitive**

Dear Inquisitive

This strange sight in your garden is actually a mushroom breaking up due to excessive rains. **Fungi know-it-all**

# Frans will not be forgotten

**Rustenburg** – Frans Heysteck, a well-known public official, served the Rustenburg community for 47 years. His work - as head of Disaster Management at Rustenburg Local Municipality until 2020 when he retired – was his passion. Sadly, he passed away on Sunday 14 February. His family noted that it was ironic that he passed away on the day of love (Valentine's Day) because that was what he was all about – love. He was happily married to Henriette Heysteck for 45 years and together they raised one daughter and were blessed with two grandchildren. “He was the perfect father, grandfather, and husband and touched the lives of everyone in a special way,” his daughter said. “He couldn’t go anywhere without someone knowing him and people say that you only meet someone like him once in a lifetime.”

He wasn’t the type of man you could sum up in one word, because he was a loving, honest and a caring man who always went out of his way to help people. Day or night – he was always just a phone call away. Captain Elsabe Augoustides, a colleague and long-time friend of Frans, said: “What a decision maker! What a dynamic strategic planner – what a friend! His loyalty to his office, the police, Public Safety, RLM, traffic, emergency services and many other divisions of our city was just next level. I am heartbroken. He cared so much about our well-being and assisted wherever he could. Nothing was ever ‘too much’. Needed information? Frans was your go-to man!” The RLM also shared a special message about their colleague: “The RLM is saddened by the passing of Frans who left the service

Belated Frans Heysteck

of the City last year, to go to retirement. We pass our condolences to the family and wish them strength during this difficult time.” Frans was a dynamic man, and the Rustenburg community is mourning the passing of one of their heroes. Our deepest condolences go out to Frans’s friends and family during this difficult time. May you find comfort that his memory will forever live on in the hearts of all that had the privilege of knowing him.

# Vaarwel tannie Anna

**Rustenburg** – Dit is met groot leedwese dat ons die afsterwe van geliefde Anna Putter deel. Tannie Anna, vrou van oorlede Oom Manie Putter – die legendaries en voormalige eienaar van Oom Manie se Biltong en Droëwors Den – is op Vrydag 19 Februarie oorlede. Sy en Oom Manie was vir meer as 60 jaar inwoners van Rustenburg en het diep spore in die harte van ons gemeenskap getrap. Hier het hulle drie kinders saam grootgemaak en was die trotse grootouers van vyf kleinkinders. Oom Manie is in 2016 oorlede. Vriende beskryf Tannie Anna as ‘n vrou van inbors wat ongelooflik skerp was en ‘n talent gehad het om met syfers te werk. Haar hande het vir niks verkeerd gestaan nie. Sy het altyd ‘n sagte woord gehad en was gelief onder almal wat haar geken het. Sy is op 25 Februarie ter ruste gelê vanuit die Kloof Gemeente. Die familie en vriende bedank almal vir hulle oproepe, blomme, SMS’e en persoonlike besoeke. Ons sal haar altyd koester in ons harte as ‘n sterk, vreedsame, en God-vresende vrou. Ons betuig ons innige meegevoel aan Tannie Anna se familie en vriende.

Wyle Anna Putter

## ONS BOBAAS BILTONG WINKEL BLY OOP VIR BESIGHEID!

Ons gunsteling Oom Manie se Biltong en Droëwors Den se deure bly oop vir besigheid. Die vriendelike en professionele staf, met behendige talente om ons smaaklike biltong, vleis en vele meer produkte te offer – sal altyd deel wees van ons gemeenskap. Dié wie al Oom Manie se Biltong en Droëwors Den se biltong en ander vleisprodukte geproe het wéét... hulle is die beste in die kontrei. Die geur van hul beesbiltong, gunsmoke en droëwors – om maar ‘n paar te noem – laat jou maag sommer brul en moet jy summier aanklop om jou honger te stil. Hoë gehalte vleis word self deur die personeel gesny, verwerk, gegeur, gehang en gekerf deur behendige hande. Hulle hou ook vars beskuit, maalvleis, boerewors en burger patties aan.

# AFRIFORUM'S RUSTENBURG BRANCH EVOKES REACTION FROM MUNICIPALITY

**Rustenburg** – Over the past few weeks, AfriForum's Rustenburg branch kept a close eye on the progress of the Rustenburg Local Municipality's action plan for improved electricity supply in the R24 area. The municipality provided an action plan after AfriForum's continuous pressure by way of directing letters to both the municipality and National Energy Regulator of South Africa in connection with the interruption of the electricity supply in this area. "We are very happy with the progress that has been made regarding the construction of the new electricity line since we started directing letters to the municipality. AfriForum is hopeful that it will serve as a solution to the problem that has been dragging on for years. According to the municipality, the new line will be completed by the end of February 2021, which will ensure improved electricity supply to the R24 area. It is critical to monitor this project's timeline and apply further pressure if necessary," said AfriForum's district coordinator for Marico, Petrus Coetzee. "AfriForum's Rustenburg branch is thankful for the progress of this project. It is however important that we as community members must start getting more involved with service delivery issues. As a community, we need to cooperate with the municipality and in areas where they fail, we must petition service delivery or do it ourselves," says AfriForum's Rustenburg branch chairperson Chris Trytsman. **Community members are encouraged to become involved with AfriForum: SMS "Rustenburg" to 45351 (R1) and become part of the solution.**

## 475 ARRESTED IN 5 DAYS

**NW** – A total of 475 suspects were arrested in the North West province for various crimes from 8 to 12 February as police tightened the screws on offenders. "Of those arrested, 177 were charged for assault, 49 for common robbery, 47 for burglary, 37 for rape, 21 for contravention of protection orders, 31 for malicious damage to property, eight for stock theft, seven for murder, and another seven for fraud," police spokesperson colonel Adèle Myburgh said.

## DISMAL UNEMPLOYMENT FIGURES

**SA** - Statistics South Africa has released labour figures for October to December 2020 on Tuesday 23 February. They caution that comparisons to previous years should be done with a pinch of salt since face-to-face data collection was not done since 19 March to prevent the spread of COVID-19. The number of employed persons increased by 333 000 to 15 million and the number of unemployed persons increased by 701 000 to 7,2 million when compared to the period July to September 2020. The number of discouraged work-seekers that said they are no longer seeking work increased by 235 000. The official unemployment rate of South Africa was calculated as 32.5% which has not been recorded since 2008.

## DAMAGED ROADS = DAMAGED BUSINESSES

Business owners at Platinum Park are concerned about the bad state of Van Belkum Street.

**Rustenburg** – Businesses at Platinum Park in Rustenburg East have urged the municipality to carry out urgent repairs on the badly damaged roads which they say are turning away their customers and negatively affecting their income. Van Belkum Street, which leads to Rustenburg Cash & Carry and other well-known businesses, was extensively damaged by the recent heavy rains. • While the persistent rains which lasted for several days restricted any attempts by the Rustenburg Local Municipality (RLM) to carry out proper repairs on the damaged roads, their decision to cover the road with rubble has not provided a long-term solution either. "The gravel only made the situation worse because you cannot cover up potholes in that way. The municipality should carry out proper repairs," an employee of one of the business outlets told *Platinum Weekly*. Democratic Alliance (DA) councillor for ward 18, Martha Lerm, who has taken up the issue, hopes proper repairs will be carried out soon. "I have shown the municipal manager the photos of the trucks that were stuck on that road," Lerm said. "The smooth operations of these businesses are important to the well-being of Rustenburg's economy."

WHAT'S  
Cooking?

Carol Paxton has a few flop-proof recipes up her sleeve.

Caramel  
fridge tart

Prep Time: 15 min  
Setting Time: 3 hours  
Total Time: 55 min  
Makes one tart

**Rustenburg** – She may be retired, but Carol Paxton lives life to the full with golf on Friday afternoons and a good book always on hand. Her hobbies include making stain glass lampshades and cooking. Her bubbly personality has resulted in a large friend’s group which combined with her three children and six grandchildren means that Carol needs some quick favourite recipes on hand. In this edition of *Platinum Weekly*, Carol shares a quick and easy caramel fridge tart which will keep them asking for more and can be rustled up in a jiffy.

Equipment

- One glass dish
- 1 Mixing bowl
- Measuring jug
- Spatula
- Grater
- Electric mixer

Ingredients

- 250 ml cream
- One tinned caramel
- One packet Tennis biscuits
- One slab of Aero or Peppermint crisp chocolate

Instructions

1. Beat the cream
2. Add the caramel and mix together with the cream
3. In a glass dish, layer the Tennis biscuits
4. Scoop the caramel-cream mixture on top
5. Grate the chocolate and sprinkle over the top
6. Refrigerate

Chef's notes

A variation to this classic recipe, is to keep the cream and caramel separate. On top of the biscuits place the caramel, followed by a single layer of sliced banana and top with whipped cream.

BLACK GOLD  
The art of composting

**Rustenburg** – With the cost of living going up, we are all looking for ways to save money or to make what we have go further. You can make your own compost using garden trimmings and kitchen peelings. It is the best and most environmental-friendly way to enrich your garden’s soil with nutrients that will help your garden to flourish. Just about any organic material will decompose if it is continuously kept wet and

situated in a shady area. The smaller the pieces the faster the breakdown to nutrients which the plants can absorb. To make compost, you need to cultivate a mindset of working with nature. Soil that is alive with good bacteria and earthworms is optimal for a beautiful garden or productive vegie patch. You can make compost with a zero budget or you can purchase a composter or earthworm farm.

A red wriggler makes its way through bits of eggshell and nutrient rich vermicompost or ‘black gold’ which it has produced.

Here are three options that might suit your budget and garden size

OPTIONS	COST	HOW IT WORKS	CHALLENGES
1. A COMPOST HEAP/ HOLE	A little time and planning.	Start with a 20cm layer of cut branches, cardboard, or newspaper (brown layer), then lawn cuttings, leaves and tea bags (green layer).	Will dry quickly. Turn every six weeks. Adding kitchen peelings could attract rodents. Can look untidy.
2. EARTHWORM FARM	There are several DIY options using containers like buckets or even an old bath. Earthworm units can be purchased for ± R600.	Raw organic waste like potato peelings, banana skins and tea bags are fed to the earthworms which produce a rich vermicompost and liquid fertiliser.	Works best with red wigglers - not the earthworm found in your garden.
3. A CONICAL-SHAPED COMPOSTER WITH LID AND DOOR	These can be purchased for ± R1000.	Layer with green and brown garden and kitchen waste and a spade of healthy soil. Place in a sunny spot as it works with heat loving bacteria.	Check moisture level. Don't squash contents.

Tyler Johnston, teacher Zakkiyah Sujee, Emma Da Silva Gouveia, teacher Joanne Walsh, Vuyo Mkula and Rebaone Khunou had fun with earthworms at Rustenburg Early Learning Centre.

Emma Da Silva Gouveia learning how earthworms can help us live sustainably on our planet.

SOULFOOD

MATTHEW 22

1And Jesus answered and spoke to them again by parables and said:  
2“‘The kingdom of heaven is like a certain king who arranged a marriage for his son,  
3and sent out his servants to call those who were invited to the wedding; and they were not willing to come.  
4Again, he sent out other servants, saying, ‘Tell those who are invited, “See, I have prepared my dinner; my oxen and fatted cattle are killed, and all things are ready. Come to the wedding.”’  
5But they made light of it and went their ways, one to his own farm, another to his business.  
6And the rest seized his servants, treated them spitefully, and killed them.  
7But when the king heard about it, he was furious. And he sent out his armies, destroyed those murderers, and burned up their city.  
8Then he said to his servants, ‘The wedding is ready, but those who were invited were not worthy.

## Do you believe in monogamy... that is... would you be able to be in a relationship/ marriage for the rest of your life... with one person?

**MONOGAMY** *noun.*  
/mə'na:gəmi/  
• the fact or custom of being married to only one person at a particular time.  
• the practice or custom of having a sexual relationship with only one partner at a particular time.  
– Oxford Learner's Dictionary

They say two is company but three is a crowd. There are still many people who believe in having one partner for life, however open relationships are becoming more and more popular in the society we live in. Let's hear what our readers have to say.

"Nowadays it's safer to have one partner. We are living in a dangerous environment with many diseases. If there are more than two people in a relationship, it causes jealousy and friction. It's better to be with one partner until death."

Tshepiso Victor Mpete

"Both monogamy and polygamy can work. Just be honest with your partner and communicate. Review your relationship/s because ... with time... what you or your partner/s want out of life changes."

Dr Naledi

"Yes, yes I do. There are only two things I don't share. My food – and my partner. When I commit, I commit for life."

John Robbertse

## MASKS THAT CATER FOR THE DEAF

SA – Wearing a mask has become a part of everyday life during COVID-19 and those who design them have become innovative in their response to the needs of various people that make up our society. A sign on a mask indicating that the person wearing it is deaf (and may be wearing a hearing aid) makes it easier for disabled persons to be assisted. In these difficult COVID-19 times, deaf people are unable to read the lips of those around them as [almost] everyone wears a mask. Please take note! Photo: This sign indicates a deaf person wearing a mask.

The silent machinery of *Die Ou Meule* reminds us that nothing is forever.

The century plus story of the mill

**Kroondal** – In the mid to late 1800's, the economy of Rustenburg and Kroondal revolved around the farming of wheat, maize, tobacco, and oranges.  
*Die Ou Meule* – also known as *The Old Mill* – was the brainchild of German immigrant Georg Wilhelm Otterman who imported a wheat threshing machine, stone mill, and steam engine to his Kroondal farm. The mill was moved to a tributary of the Hex River to make use of a waterwheel. Steam engine power was only used in winter when the river was low. With the addition of conveyor belts,

elevators, and reels he produced a good quality sifted meal. Disaster struck when the Otterman's home and mill were burnt down and the bearings were confiscated by the British in an attempt to starve the local Boer forces into submission. The Otterman family were forcibly sent to a concentration camp in Irene. Chester Staples in his book *Mills of Southern Africa*, published in 2006, recounts that in 1902, part of the mill was moved to an undamaged barn and the Otterman's rebuilt their home the following year. Kroondal is still home to the Ottermans, where they

continue the family's entrepreneurial legacy. Today *The Old Mill* has been refurbished as a one-of-a-kind, two-story restaurant and music has replaced the clang of machinery. On the day *Platinum Weekly* visited, two businessmen were having a meeting and in another corner a consultant was tapping away on his computer and dipping a [locally grown] cherry rusk in his coffee. The restaurant celebrated one year's ownership by Theresa Russell on Monday 8 February and offers value for money – and a taste of Kroondal's history.

Private dining tables are scattered around the machines and conveyor belts at *Die Ou Meule* where meal bags were once filled and stored.

## Recycling needs all hands on deck

[Letter to the editor]

**Rustenburg/ Phokeng** – My mother Pia Brollo is a history teacher at Lebone II College of the Royal Bafokeng and I am teaching in China. She sent me the WhatsApp version of the *Platinum Weekly* edition where the pitiful plight of waste pickers on the Waterval waste disposal site was reported on. In the city I live in, retired people keep the streets clean and recycle the waste. They have specially designed bicycles for their equipment, seem to be

happy and fit... and the community are considerate in throwing away waste in a place where it can be easily collected. Recycling can work but we all need to try so that people can keep their dignity while recycling. Years ago, I started a group at Selly Secondary School called *Common Ground* with recycling being a key focus area. I hope the current student body has continued as waste production is steadily increasing. **Thomas Nunn**

## We are the champions!

**Rustenburg** – For almost 40 years *Rentia Botha Acrobatic Club* has toured to perform in Pretoria and the United States, but 2020 was, without a doubt, the most challenging year of all. Dancers had to practice alone for extended periods and when classes resumed, social distancing meant that they could not all practice together. Sadly, there were no competitions to display hours of practice and meticulous costumes. It was therefore with great excitement on Tuesday 16 February that these talented dancers received their medals and certificates based on videos sent to an external examiner in Pretoria. The Acrobatic Federation of South Africa examiner Ria Nagel applauded the club for its high standard of performance. Plans are already made for dancers to compete in the Arnold Classic 2021. Acro dance is a mixture of modern or ballet dancing and acrobatics such as cartwheels, tumbling and backbends where anything from *Queen* to classical music can be chosen. **For more information contact 076 811 2876.**

## NW cyclists prove their mettle

**Rustenburg** – Cyclists from the North West province put up an impressive show last weekend during the Gauteng XCO League, held at the Voortrekker Monument in Tshwane. Rustenburg Cycling Club (RCC) was represented by three riders of which two – Caitlin Thompson and Tamlyn Luyt – impressed with podium finishes. It was the first year for Thompson to compete in the junior age group, and she won her race by more than 6 minutes. Luyt, on the other hand, put up a spirited effort and finished second in her age group. It was also her first year of competing in the youth age group.

Caitlin Thompson outperforms once again!

Tamlyn Luyt finished a commendable second position in her age group.

# IMPALA DONATES LIFE-SAVING EQUIPMENT WORTH R1,37 MILLION TO RUSTENBURG COMMUNITIES

**Rustenburg** – Life-saving ventilators, valued at R1,2million, has been donated to the Department of Health by Impala Platinum Rustenburg. The machines were handed over to professor John Tumbo and director Maggie Mere of the North West Department of Health by Impala Platinum Rustenburg chief executive Mark Munroe and will be placed in the Department of Health’s Job Shimankana Tabane and Moses Kotane hospitals.

The second wave of COVID-19 has placed significant pressure on Bojanala’s healthcare services and facilities, which have seen double the number of cases as the first wave. Impala successfully managed to flatten their curve in the first wave.

In the second wave, while the rest of the country saw their numbers doubling, Impala’s cases were half of that of the first wave.

Says Dr Andrews, Impala’s HSE executive, “At Impala, we were very fortunate to have good facilities and sufficient beds, ventilators and oxygen to cope with the patients. However, in the second wave, we saw patients who became far sicker than in the first wave, which placed enormous pressure on the public sector hospitals and facilities.”

The addition of the ventilators, which are valued at R300 000 each, will provide critical capacity for COVID-19 cases in the two hospitals. They also have the added benefit of being easily portable and being able to connect to either fixed or portable oxygen

Professor John Tumbo and Impala Platinum Rustenburg chief executive Mark Munroe.

supply, giving the Department of Health the flexibility to move them to where they are most needed at short notice.

Along with the ventilators, Impala also handed over 1,000 rapid COVID-19 antigen tests at a value of R170,000. These tests provide accurate results in patients displaying COVID symptoms within 15 minutes.

## DON'T DELAY – DONATE TODAY!

**Rustenburg** – By donating blood you are giving someone a very precious gift – the gift of life. Every unit of blood can save a minimum of three lives as blood is separated into red blood cells, plasma, and platelets. The South African National Blood Service (SANBS) provides an essential service within South Africa by collecting and distributing blood to those in need. The recipients of the blood include:

- Women with complications in pregnancy, such as ectopic pregnancies and haemorrhage before, during, or after childbirth.
- Children with severe anaemia – often because of malaria or malnutrition.
- People with severe trauma following man-made and natural disasters.
- Patients that undergo complex medical and surgical procedures.
- Cancer patients.

There is a constant need for regular blood supply because blood can be stored for only a limited time before it is used. SANBS must receive regular blood donations by healthy people to ensure that safe blood will be available whenever and wherever it is needed.

You can donate blood at the Rustenburg SANBS donor centre at Lifestyle Square or at any of the blood drives.

# BEHIND THE LENS

Photographer Ronel Broderick teaches other photographers to develop their craft.

**Rustenburg** – Ronel Broderick, three-time photographer of the year, has been in the photography industry for over 16 years. What started as a hobby grew into a full-time job for more than 10 years.

Her speciality is weddings, new-born shoots, and studio work. In her spare time, she shares her knowledge by teaching photography, Photoshop and Lightroom.

She has a few accomplishments under her belt which include many national and international medals and trophies. “There is no single achievement that I am most proud of, but there are definitely a few highlights,” Ronel said in an interview with *Platinum Weekly*. She received her honours in Diamond Rating Acceptance of the Photographic Society of South Africa and international (DPPSA) in colour and in monochrome, and Associateship of the Photo Graphic Society of South Africa and international (APPSA).

Some of her work is also displayed in an art gallery in Greece and she had the privilege to take photos of the Sheikh of Saudi Arabia while they were visiting South Africa. Most recently, she was awarded the title of photographer of the year for the third time in a row by the Rustenburg Photographic Society.

“The best part of being a photographer is definitely the pleased clients. There are so many people that think they don’t look good in a photo and handing over a client’s package and seeing them delighted with their photos really makes this job amazing,” she added.

To other aspiring photographers Ronel shared a special message. “Start small and work hard to get to the top. Make sure that you always have contracts in place and always have backup equipment. It is important to have a passion for photography, but knowledge is power!”

## AUSTRALIAN DOMESTIC 2021

### Western Force vs Brumbies

Voor 'n beperkte aantal van 10,000 toeskouers skop die eerste *game* in Australië af op HBF Park. Die Brumbies behaal 'n bonuspunt oorwinning oor die Force en wen 27-11. Die Brumbies speel volgende teen die Waratahs en die Force het dan 'n loslootjie.

### Reds vs Waratahs

In die Suncorp Stadion wys die Reds reeds vroeg tande en gee die Tahs 'n behoorlike pakslae met 'n 41-7 wen. Die Reds se nuwe *cappie*, James O'Connor, het 'n puik *game* gespeel in die nommer-10 trui en skop ook uitstekend pale toe vir 'n persoonlike telling van 16 punte. Die Reds se volgende *game* is teen die Rebels en die Tahs gaan teen die Brumbies uitdraf.

## NZ AOTEAROA 2021

Ruggas in Kiwi land skop Vrydag 26 Februarie af. Die Highlanders gaan teen die Crusaders uitdraf. Saterdag 27 Februarie is dit die Hurricanes wat teen die Blues sal kragte meet.

## RUGGA CHUNKS...

Dan was daar groot nuus oor die uitrede van een van die beste rugby spelers van alle tye. Dan Carter het aangekondig dat hy nou finaal sy tokse gaan ophang. Dié begaafde speler se indrukwekkende loopbaan rekord is fenomenaal. Hy speel in 112 toetse vir die All Blacks. Die All Blacks wen 88% van die toetse waarin Carter speel. Hy is die voorste puntemaker ooit in toets rugby met 1,598 punte op sy kerfstok. Hy wen twee wêreldbekers, vier Superrugby bekere, en twee Top 14 bekere. Hy was deel van die All Blacks wat die Britse Leeus klop. Hy word ook drie keer gekroon as die beste speler ter wêreld! Verstommend! Carter was op die veld gevrees en van die veld af een van die sport se grootste, nederigste en beste atlete ooit.
