In remembrance

Laaste eerbetoon: Kaptein Henry Visagie

Rustenburg/ Northam/ Thabazimbi – Henry Visagie is in Zeerust gebore en het in Northam grootgeword waar sy pa die stasiekommissaris van die polisie was. Uiteraard het dié jong seun baie by sy pa geleer van dissipline, asook die belangrikheid van diens aan die gemeenskap. Henry het in 1978 gematrikuleer aan die Hoërskool Frikkie Meyer, Thabazimbi, en het op 1 Desember 1978 by die polisie aangesluit. Hy het 36 jaar ononderbroke diens gehad en was bemind

onder almal met wie sy pad gekruis het. In 1991 is hy bevorder tot die rang van sersant en in 1994 tot die rang van adjudant offisier. Hy word bevorder tot die rang van kaptein gedurende 2009 en behou hierdie rang tot hy op 30 Junie 2015 uit die SAPD bedank. Hy was 'n alombekende en geliefde offisier, wat meestal in Phokeng en Rustenburg gestasioneer was. Hy was die voormalige 'kantienmeester' in Rustenburg en het na-ure heerlik sosiaal verkeer saam met polisie-kollegas en lede van die publiek vir 'n tydperk van vier jaar. Hy was ook deel van die bestuur van die 'Teeninsurgensie (TIN) Eenheid Veterane' se komitee en het 'n waardevolle inset gelewer om hierdie trotse eenheid se herinneringe te laat voortleef. Henry het as jong konstabel reeds vroeg sy staal gewys. Na voltooiing van sy kollege opleiding het hy kursusse in teeninsurgensie, "SWAT", vuurwapenopleiding, stelselbestuur en bestuur en instandhouding van swaarvoertuie suksesvol deurloop. Hy het vroeg reeds belangstelling en aanleg getoon in logistieke administrasie en homself hierin bekwaam. Hy was welbekend as die 'moeilike' man wat nie sou skroom om die wêreld vir polisielede moeilik te maak indien hulle nie kon verduidelik waar hul toerusting, vuurwapens, en uniformstukke was nie. Henry was georganiseerd, doelgerig, rekenaargeletterd en uiters pligsgetrou. Dit is dan ook nie vreemd dat hy tydens inspeksies en wanneer 'n oudit gedoen is, 100% verslag kon doen oor vuurwapens onder sy beheer nie. Hy was 'n trotse polisieoffisier wat nie sou skroom om insette te lewer ter verbetering van die dienslewering van die Suid Afrikaanse Polisie Diens (SAPD) nie. Henry was 'n unieke mens met deernis en respek vir diegene wat daagliks sy pad gekruis het. Hy was 'n geliefde gesinsman, wat deur sy vrou, Hannelie Redelinghuys liefdevol beskryf word as haar Lovey van die afgelope 17 jaar. Hierdie troetelnaampie word selfs deur sommige van sy agt kleinkinders gebruik wanneer hul na Oupa verwys. Baie polisielede ken hom as 'Fish' – vanweë sy van Visagie. Hy was 'n uiters bekwame skut en het groot respek op die skietbaan afgedwing wanneer hy 'n wapen in die hand geneem het. Hy was die trotse pa van drie biologiese dogters uit 'n eerste huwelik met Anita Visagie, naamlik Natalie, getroud met Cliff, en Doreen en Anita. Hannelie se kinders, Pieter en Carla, Marelize en Willem, asook Tanya en Eben

was baie lief vir Henry en hul het wonderlike tye as 'n familie geken. Henry was uiters skeppend en kunstig en sy hande het vir niks verkeerd gestaan nie. Hy was lewenslustig, spitsvondig en 'n regte terggees. Hy het nie gehuiwer om enige geleentheid in 'n partytjie te omskep nie en was vreeslik lief vir musiek. Hy het menige persone laat skrik met sy welbekende hondeblijf-geluid wat hy graag geuiter het om mense op hol te jaag. Wanneer hul vereng omgevlieg het, het hy gewoonlik geskater van die lag. Na sy bedanking uit die SAPD het Henry hom besig gehou met algemene instandhouding en het hy 'n heerlike tuiste vir hom, Hannelie en die familie geskep op hul kleinhoewe in die Dinie Estates omgewing. Henry was veral erg oor sy Boerboel 'Visagie' en het geboer met ganse, hase, visse, skilpaaie, en hoenders. Hy het steeds sy tyd tot beskikking van die polisie en gemeenskap gestel en was altyd beskikbaar om met landelike beveiliging te help. Hannelie en Henry was reeds sedert 2004 in 'n verhouding, maar sy onthou hoe hul op 5 Februarie 2011 besluit het om, op haar vyftigste verjaardag ook sommer in die huwelik te tree. Dit was 'n spesiale en glansryke geleentheid waaraan Henry ure se beplanning spandeer het. Hul resep vir 'n gelukkige huwelik was wedersydse respek, betrokkenheid, en waardering vir mekaar. Hy was op sy gelukkigste as hy kon video's en foto's neem. Die SAPD se Lugvleuel van Potchefstroom was daardie betrokke dag in die omgewing en het 'n spesiale verbyvlug en landing uitgevoer. Henry het 'n spesiale band met die vlieëniers en boordbemanning gehad en het geen geleentheid laat verbygaan om saam met hul aan misdaadvoorkomingsoperasies deel te neem nie. Hy was 'n wonderlike leermeester en het met groot geduld talle polisielede opgelei en hul kennis van polisiewerksaamhede uitgebrei. Henry was sonder pretensie en het altyd gesê: "What you see, is what you get". Met sy bedanking uit die polisie het hy hartseer verklaar dat hy nie voorsien dat hy 'n lang aftrede sou hê nie. Juis daarom het hy in oorvloed gelewe en het hy elke dag as 'n geskenk van die Skepper ervaar. Ons groet 'n "Groot Gees" vanuit ons Polisie geledere. Sy erfenis van omgee, dissipline, en trots sal vir ewig voortleef.

Liefdevolle herinneringe
Elsabe Augoustides

Slegs drie dae na sy 40ste verjaarsdag is Rudolf Johannes Labuschagne (Rudi) van Thabazimbi op Woensdag 9 Junie oorlede. Hy was 'n nederige, fantasiese mens en sal onthou word as saggeaard en vrygewig. Rudi was eerlik, lojaal, en baie slim met rekenaars. Sy suster se kinders was sy hart se punt. Rudi se begrafnisdienste sal plaasvind by Aasvoëlkrans buite Rustenburg op 19 Junie.

Kosie Strydom is op Vrydag 11 Junie op die jong ouderdom van 18 tragies oorlede. Sy oorwinningsdiens het op 17 Junie vanuit die kapel by Sonskyn Aftree Oord Rustenburg plaas gevind. Die Rustenburg gemeenskap is geruk deur die afsterwe van 'n jong man in die fleur van sy lewe en ons medelye gaan uit aan sy familie en vriende. Die diens is met liefde en waardigheid deur Econo Begrafnis en Verassingdienste waargeneem.

Let’s resolve this issue

...taking all the parties involved into consideration

Zinniaville/Rustenburg – For some time now the *Platinum Weekly* has been reporting on the Zinniaville community who want their dignity restored. They want to work and live in an area which is not revolting. Not only are they fed up of being ignored for years on end about the situation which they not only find inhumane, they are scared it might affect their health. It is high time that the powers that be find amicable solutions to their situation. They don't want the people working at the Rainbow processing plant to lose their jobs, they just want the unacceptable stinky situation resolved.

And they want it resolved peacefully, unlike the voice note left on a public group of a person opposing their demands, threatening “don't make us take out our AK47s”.

According to information received the Rainbow processing plant was supposed to shut down on Friday 11 June 2021, due to environmental non-compliance. Apparently, the Bojanala Platinum District Municipality's (BPDM) municipal manager ordered the shutdown to be suspended.

In a letter drafted by a representative of the Zinniaville community it reads: ‘The Zinniaville community is thwarted at every turn by the apparent alliance between certain officials of the Bojanala Platinum District Municipality (BPDM) and RCL/ Rainbow. Having started the latest bout of their campaign to clean up RCL/ Rainbow in April, the BPDM inspectors meticulously followed every procedure and process to give RCL/ Rainbow the opportunity to clean up their act and fulfil their regulatory Duty of Care.’

However, RCL/ Rainbow apparently did not comply with the terms laid out in a notice and on Friday 11 June, the plant was meant to be shut down due to persistent non-compliance. “To the utter surprise of disheartened inspectors, they saw four months of work unilaterally and casually discarded because of the actions of the Bojanala acting municipal manager Tshepo Bloom, who unilaterally ordered the shutdown to be suspended,” the letter reads.

Discussions between community lawyers and municipal officials, including the head of the legal department, agreed that the executive mayor and municipal manager would address

the issue with the community on Monday 14 June at 19h30 at the Zinniaville Sports Ground. However, they reneged on this commitment later the day and said that they would send representatives. The community then decided to cancel the meeting as it would have been a waste of time, not meeting with the decision makers.

Community members who demanded an explanation went to the Bojanala district municipal offices but were refused access to either the executive mayor councillor Fetsang Molosiwa, or the municipal manager.

After some time, they received a message that they cannot meet with them due to Covid. It was further also suggested the community should perhaps take the legal route, rather than sorting it out face-to-face.

The communities affected are now set to institute legal proceedings to uncover how, why, and on what merits this unilateral overturning of just administration was carried out by the Bojanala municipal officials.

Spearheading the community initiative for clean air, tireless campaigner Soyab Bham of the Zinniaville Ratepayers Association said he knows that the community is in for a long and difficult challenge to get the serial-polluters who have been arrogantly persisting for thirty years to stop.

“We will use all means at our disposal to stop this criminal action, starting by digging into how exactly approvals were granted with no participation from their community,” he said. “Further negotiations between the parties have broken down as the community believes the invitation presented by the municipality for communities to take the legal route means the municipality has no intention of complying with its own legal notice and must be compelled to do so. And this is the instruction we have given to our legal team.”

A voice note threatening the lives of the Zinniaville community because they dare to stand up for their cause, was also widely circulated on social media.

A CRY FOR HELP

Rustenburg – Lorraine Mienie and Christelle Goosen are yet to fully recover from the shock and trauma that comes with losing everything to a raging fire.

Mienie and her daughter-in-law (Christelle) were helpless on Wednesday 16 June as the fire, of which the cause is still unknown, destroyed their home at number 45 Leyds Street in Rustenburg East. A distraught Mienie told *Platinum Weekly*: “We lost everything. Our furniture, blankets, clothes... everything. Our animals also died in the fire. It was terrible!”

The unexpected loss was a devastating blow to Christelle, who is heavily pregnant. She is now counting her losses after all the things she had bought in preparation for the arrival of a new member to her family went up in smoke.

“I can't wait to meet my grandson. Christelle is due to deliver the baby in about eight weeks. We need baby clothing,

a cot, blankets, towels, and baby formula,” Mienie explained.

Thankfully, businesspeople and members of the Rustenburg community have started helping the family with money and groceries. An anonymous donor gave the family R1,000 cash and a R1,000 Ackermans voucher. Food Lover's Market Rustenburg also donated groceries to assist the family while Staam Saam Rustenburg have also pledged to help.

“We always try to give back to the community,” Food Lover's Market Rustenburg manager Steven Mulder said. “We must do all we can to care for our community. We encourage other businesses to also chip in and help where they can.”

Anyone who would like to assist is requested to contact Lorraine Mienie on 062 262 6812 or Lezann Erasmus on 061 019 6870.

From left: Lezann Erasmus, Gerhard JV Rensburg, Steven Mulder, Christelle Goosen, Lorraine Mienie and Catrina Jansen van Vuuren.

The fire caused extensive damage to the house.

Lorraine Mienie lost just about all of her belongings.

ZINNIIVILLE ELECTRICITY OUTAGE SPARKS PROTEST

Zinniaville/ Rustenburg – A two-day power failure in parts of Zinniaville and Karlien Park caused community members to embark on a protest.

On Saturday 12 June, an angry group of protestors brought traffic to a standstill at the railway crossing on the road from Rustenburg North to Zinniaville. The protestors – who said they had gone for two days without electricity – placed rocks, burning tyres, and tree branches at the four-way stop and made it impossible for traffic to pass through. During the protest, they loudly clamoured for electricity to be restored.

The arrival of the police, after about two hours, led to the dispersion of the protestors who feared being arrested. Police, personnel from the Rustenburg Department of Public Safety, as well as passers-by eventually cleared the road to enable traffic to pass through.

Power utility Eskom has been implementing load-shedding across many parts of the country. “The situation is being made worse by some people who are connecting electricity illegally because this trips the system and causes power outages,” said a disgruntled Karlien Park community member.

Traffic could only pass through after the road was cleared.

Angry protestors barricaded the road with burning tyres and rocks.

20 illegal miners’ bodies found

NW – Post-mortems that will be conducted on the 20 decomposing bodies discovered at two areas in Orkney are expected to shed more light on the circumstances leading to the death of suspected illegal miners. Six of the bodies were discovered at an old unused mine shaft in Lawarence park on Tuesday 14 June while a further 14 were found near the railway line along Ariston Road. “The deceased are suspected to be illegal miners commonly known as ‘zama zamas’ operating in obsolete shafts in Orkney and Stilfontein. Furthermore, the deceased suffered severe body burns,” police spokesperson brigadier Sabata Mokgwabone said. “As part of investigations, post-mortems will be conducted to determine the causes of death for these men whose bodies were found wrapped in white plastic bags,” he added. Police investigations will also explore whether or not the death of these men could be linked to a video widely circulating on social media platforms in which a man draws attention to a smoke inhalation incident at a mine shaft while pleading for help.

The police are requesting anyone with information to contact colonel Gaanagkomo on 082 568 5975, or SAPS Crime Stop number on 08600 10111. Anonymous tip-offs can also be communicated via My SAPS App.

Six decomposing bodies were found in Orkney.

Another fourteen bodies were found near a railway line.

Three Star empowers new business owner

Rustenburg – Boipelo Sepeng became a young female entrepreneur when she won a Spaza shop in Three Star's Win-a-Spaza competition on Saturday 12 June.

The prize – valued at R150 000 – consists of a container with stock so that she can start her own business and sell stock to her community. To enter the competition, all she had to do was to buy products up to the value of R1500 including five participating products, complete the entry form and put it in the box. Three Star general manager Raymond Phatlane then had the honour of drawing six names from a box. Each person received a key and had to attempt to open the lock to a cardboard container. Boipelo got the winning key and the crowd rejoiced as the lock opened.

The other five did not leave empty handed as they all received a Sunbeam compact oven. A few customers also walked away with hampers and other items to celebrate the occasion.

Beni Mpofu, the 2020 Win-a-Spaza winner who managed to triple his earnings with his spaza shop also attended the event. Three Star Powertrade is open to the public and no buying card is required. Everyone in Rustenburg and beyond are invited for a great shopping experience with good service, low prices, and massive savings. Buy more – pay less!

The shop is situated on the corner of Tuin and Hefer Street with safe and secure parking. Customers also have the option of utilising debit and credit card facilities, which are available in store.

2020 Win-a-Spaza winner Beni Mpofu is now running a successful business.

WHAT'S Cooking?

Rustenburg community member Akira Hussain

Moist chocolate cake

This easy to make, moist chocolate cake, is probably the most craved recipe in any home. Rustenburg community member Akira Hussain shared her family recipe...

Whenever I whip up this cake, my family always come running for a taste. My grandmother, who is the best cook I know, shared this recipe with me. She often sends a recipe for me to try via WhatsApp. Give this one a try – you won't be disappointed!

Ingredients

- 4 eggs
- 1 cup castor sugar
- ½ cup oil
- 1 tsp vanilla essence
- 1 cup flour
- 2 tsp baking powder
- ¼ cup cocoa
- ½ cup milk

Instructions

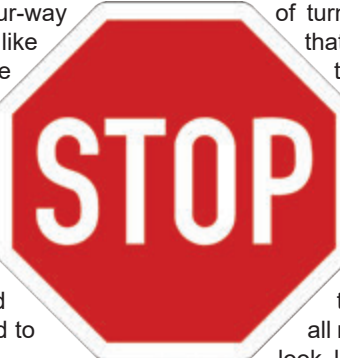

1. Cream or beat the eggs and sugar until it's white and fluffy.
2. Add the oil and vanilla essence and beat again.
3. Gradually add the sifted dry ingredients.
4. Lastly, add the milk and beat for a minute.
5. Pour into a greased rectangle Pyrex.
6. Bake at 170° for 25 minutes.
7. Allow to cool completely.
8. Cut into squares. Pour ganache over.
9. Decorate as desired.

PS – Ganache is made using 160g dairy milk chocolate and 155g Nestle cream. You simply melt the chocolate, add the cream, and mix well.

It's called a STOP sign for a reason! [Letter to the editor]

Rustenburg – A stop sign is a traffic sign designed to notify drivers that they must come to a complete stop and make sure the intersection is safely clear of vehicles and pedestrians before continuing past the sign. First come first serve is the general rule when stopping at a four-way stop. However, it seems like Rustenburg drivers have decided that the stop signs in our town are mere suggestions. The people either completely ignore it. The people that use the Kroondal road slack off just enough, so that they don't hit the other car too hard should you collide. You are supposed to stop and wait for your turn.

It doesn't mean that if the person takes too long that you can take his turn. We are not playing Rummy Cup; people's lives are at stake. In Bo-Dorp we have a few roads that cross with two-way stops, but as a general rule I slow down when I pass these crossings just in case some jerk decides that the stop sign does not apply to him or her. I know of a man who was rear-ended

three times in one year because he dared to come to a complete standstill. His insurance premium skyrocketed because he is a law-abiding citizen.

It makes me so angry when people do this that, when I see someone trying to drive out of turn, I get spiteful, making sure that I take my turn extra slow just to force them to wait those extra two seconds which they seemingly did not have to spare. Next time I see you in my rear-view mirror speeding towards me, hoping to skip the stop sign I will turn into a learner driver, take my car out of gear, check all my mirrors, look left, look right, look left again, put my car in first gear and then only drive on – because that is what the law says I have to do.

So next time you see the sign with the words STOP on it – please follow the rules of the road and STOP. Are those two seconds really worth that extra money on your insurance premium or even your life?

I stop at Stop Signs

I'VE BEEN SCAMMED

[Letter to the editor]

I lost my job a few years ago and due to various financial struggles, I eventually got blacklisted. It took me a while to get back on my feet, but I am gainfully employed now, and things were looking up until a situation arose where I urgently needed money.

Having no other option, I had to turn to a loans company to assist. Unfortunately, my past debt still lingers and because I was blacklisted, my loan was denied. However, one of the employees of the loans company told me that if I pay R4,500 he will be able to get my loan approved. Desperate, I scraped together every cent I had and paid it over to him... turns out it was a scam!

It has been almost three months now, and not only do I still not have the money I so desperately needed, but I also lost R4,500. I have tried reporting it to the police but was informed that because it was a verbal agreement, I don't have a foot to stand on. Please be careful and make sure to rather go to reputable companies and don't fall for these shady loan sharks.

CELEBRATING FATHERS

YOUR FRIDAY FUN FACT

Did you know?

Lobsters have clear blood. Most of us are well aware that lobster shells change colour when exposed to heat (like in a pot of boiling water, for example). But this sea creatures' blood is also intriguing. Lobster blood is initially clear and turns bluish when it hits oxygen.

Shine a light on a cold winter night

Rustenburg – Winter is here and while we are all snuggling under our warm blankets and cuddling with out pets, the animals at the Rustenburg Society for the Prevention of Cruelty to Animals (SPCA) are not so lucky... The Rustenburg SPCA would like to install infrared lights in the kennels to help keep the animals in their care a little warmer during these very cold nights. Rustenburg – NG Proteapark het gedurende die maande Mei en Junie ‘n uitreikaksie van stapel gestuur om Charitas (maatskaplike dienste) te help met die insameling vir komberse. Dié komberse gaan spesifiek aan kinders oorhandig word. Die gemeente het altesaam 118 komberse op 10 Junie aan Cherie Steenkamp en Izelle Jacobs van Charitas oorhandig. Die leraars van NG Proteapark, Ds Willem Pretorius en Ds Deon Strauss het die

komberse op hierdie koue oggend namens die gemeente oorhandig. Hulle vertel: “Onder moeilike omstandighede het ons gemeente steeds met ons hande gevat om ‘n verskil te maak. Ons is ‘n gemeente wat graag uitreik en ons probeer help waar ons kan, maak nie saak van die omstandighede waarin ons onself bevind nie. Ons is tog almal in dieselfde storm, ons bootjies verskil net: roeiboot, stoomskip, snelboot, duikboot of seilskip.”

Paying it forward

Fighting gender-based violence

Brits – Grace Help Centre is proud to be a member of the National Shelter Movement that was established and launched in August 2008.

The mission of the movement is to engage in service provision and capacity building on gender-based violence (GBV) and providing a shelter for abused women and children living in South Africa. The goal of the National Shelter Movements is to promote gender sensitivity and provide effective and efficient services to the women and children who take refuge at the shelters.

The movement also plays a key role by equipping workers at the forefront of fighting GBV with the relevant skills and knowledge to execute their duties with care and respect. It also offers space for mutual support and provides a platform for victims to share their experiences among each other with the view

of addressing their common challenges. Grace Help Centre – which works in close partnership with the Department of Health as well as the Department of Social Development – has been recognised on many occasions by the government for the role it has played in helping victims of GBV and abuse.

For any enquiries, please contact Rina van der Berg on 072 348 6526 or gracecentre@gmail.com.

Popular doggy spa rebuilt

Rustenburg – On Saturday 13 March, Sharloms YorkitiQue Doggy Spa owner Christelle Pretorius burst into tears while watching everything she had worked so hard for going up in flames.

Her heart sank as the spa, located along the Old Pretoria Road just outside Rustenburg, was reduced to rubble in what was later established to be an act of arson. The destruction of the spa, a pooch pampering facility that had become popular in Rustenburg and surrounding areas, was a huge blow to her.

Pretorius is also a dog breeder and fortunately her Yorkshire Terriers, Pit Bulls

and her other dogs which were located in a separate structure, sustained no injuries during the fire. With the damage estimated at around R400,000, community members took it upon themselves to help Pretorius reconstruct the doggy spa which also had a lot of sentimental value to all of them.

After several weeks of reconstruction, the spa finally reopened its doors for business on Saturday 29 May.

Pretorius and Willa Breitenbach are very grateful to everyone who helped them in the reconstruction of the spa, which reopened under the new name ‘Little Paris For Paws’.

The doggy spa was reduced to rubble by a fire on Saturday 13 March.

Are you a morning person?

For some people, getting out of bed in the morning feels like an almost impossible task, while others rise with a smile and a song in their hearts.

I would say both. It sometimes depends on the weather, how late I went to bed, or I might have something planned for the day... But some days I snooze at least three times before dragging myself out of bed.
Marius du Plessis

No! Especially not on weekends. As a proud mother, my body needs that extra bit of recovery time, so I often struggle to get out of bed.

¹⁰Jesus answered and said to him, "Are you the teacher of Israel, and do not know these things? ¹¹Most assuredly, I say to you, We speak what We know and testify what We have seen, and you do not receive Our witness. ¹²If I have told you earthly things and you do not believe, how will you believe if I tell you heavenly things? ¹³No one has ascended to heaven but He who came down from heaven, that is, the Son of Man who is in heaven. ¹⁴And as Moses lifted up the serpent in the wilderness, even so must the Son of Man be lifted up, ¹⁵that whoever believes in Him should not perish but have eternal life. ¹⁶For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life. ¹⁷For God did not send His Son into the world to condemn the world, but that the world through Him might be saved.

Rainbow Cup SA

Sharks vs Bulls

Laas Saterdag het die Bulle die Sharks oortuigend geklop in Durban met 34-22. Die Haaie is behoorlik gegaffel in die vaste skrum.

Cornal Hendricks, wat 'n ster! Dié voormalige Blitsbok en Springbok wat nou in die nommer-12 jersey uitdraf vir die Bulle, is met sy puik spel welverdiend as speler van die wedstryd aangewys. Hendricks het ook vir Curwin Bosch haksene gewys om 'n puik drie te loop druk. Hoe Rassie en kie nie vir Hendricks plek gehad het in die Bokgroep nie, sal net die kopdok van Brakpan kan verklaar ou grote.

Marcell Coetzee kon nie op 'n beter tyd deur Jake White na Pretoria ontbied word nie. Dié yster het die kapteinskap by die beseerde Duane Vermeulen oorgeneem en sy spel op agsteman is uitstaande! Coetzee kan na net drie *games* die PRO14 titel as kaptein op sy CV plaas.

En o ja, Coetzee is ook nie in die Bokgroep ingesluit nie. Marco van Staden, Trevor Nyakane en Morné Steyn is nie ingesluit in die Bulle se span nie weens Springbok Protokol.

Die Bulle reis Treviso toe om Saterdag teen Benetton uit te draf om te bepaal wie die 2021 Guinness Pro14 Rainbow Cup kampioen span sal wees. Die Benetton span wemel van SA spelers. Dewaldt Duvenage is die kaptein en spelers soos Andries Coetzee, Corniel Els, Eli Snyman, en Braam Steyn is ook in die Benetton se 23 tal.

Go Bulle!

So terloops... Die *game* tussen die Stormers en die Lions kon nie plaasvind nie as gevolg van Covid-19 implikasies.

Currie Beker 2021

Die bestaande Curriebeker skop ook af op Vrydag 18 Junie. Die Bulle sal maar swaar leuen op die groentjies wat gekies gaan word, want die A-span speel mos in Italië in die PRO14 Finaal.

BEPALINGS

Vrydag 18 Junie
• Pumas 19:00 Lions

Saterdag 19 Junie
• Griekwas 13:30 Sharks
• Bulls 16:00 WP

Nag ou grote...

SUPER RUGBY TRANS TASMAN

UITSLAE

- Waratahs 7 - 41 Chiefs
- Blues 31 - 21 Western Force
- Rebels 26 - 52 Crusaders
- Brumbies 12 - 33 Highlanders

Die Blues en die Highlanders gaan dan om die Super titel meeding in Auckland op Eden Park om 09:05 Saterdag 19 Junie. Dit is maar raar om nie die Crusaders in 'n finaal te sien nie, maar hulle het ondanks hulle reuse oorwinning oor die Rebels nie genoeg punte aangeteken om in die finaal te speel nie.

Dis verstommend dat drie Kiwi spanne op 23 punte geëindig het. Die Kiwi spanne het 23 uit 25 *games* teen die Aussies gewen. Die Kiwi's is net in 'n ander klas as die Aussies. Kry die biltong en droëwors reg maats! Met die tipe *ruggas* wat die Nieu-Seelanders tans speel, kan dit net 'n lus wees om te aanskou.

Morné enjoyed Joburg Classic

Rustenburg –

Rustenburg Cycling Club's (RCC) juniors are continuing to make a positive impression in the competitions they are taking part in. The RCC is very proud of Morné du Plessis for representing the juniors well during the Joburg Classic, which took place in Randburg on Saturday 12 June. Competing in the u/17 boys age group, du Plessis put in a brave effort during the tough 60km race. He finished 9th out of a total of twelve cyclists and thoroughly enjoyed the experience of testing his skills against the other competitors.

Morné du Plessis competed in the Joburg Classic.

IMPALA EYE THIRD WIN

Rugby – Impala Rugby Club will be aiming for a third victory – in as many matches – when they face Eersterust on Saturday 19 June in a Carleton Reserve League encounter. The Rustenburg-based club, who have managed to win two of their opening matches, will enjoy the advantage of playing in the familiar surroundings of the Impala Rugby Stadium.

There will be no supporters at the venue due to the implementation of strict COVID-19 regulations that govern sporting activities. However, this is unlikely to dampen the spirits of a group of Impala players who believe they have what it takes to cruise to a victory that would see them assuming the top spot on the League table. Head coach Joel Scherman believes the impressive performance of the first and second teams in their matches against Atteridgeville and Tshwane University of Technology (TUT) makes his players favourites to win on Saturday.

On Saturday 5 June, Impala's second

team registered a resounding 41-0 win over the Atteridgeville second team. Not to disappoint, the Impala first team went on to record a 48-0 victory over Atteridgeville's first team.

On Saturday 12 June, both Impala teams were on the winning side once again in their matches against TUT. The second team recorded a 26-12 win, while the first team

powered to a 41-31 victory.

Scherman – who together with Sydney Venter and Justin St. Jerry are at the forefront of rebuilding the first and second teams – is confident of another positive showing.

"Our first team is currently second on the log and I am happy with the way that both teams have played," Scherman told *Platinum Weekly*. "We have improved significantly. This is what makes us confident of securing victory against Eersterust on Saturday. If we win then we will go to the top of the log and this is a huge inspiration for any player."

TOP
BEAUTY
TIPS

APPLYING EYELINER
LIKE A PRO

Use these tips for a defined
top lid lash line or a subtle
bottom lid lash line.

TOP (Liquid
Liner or Gel):
Top liner adds
depth and makes
eyelashes look
longer and fuller.

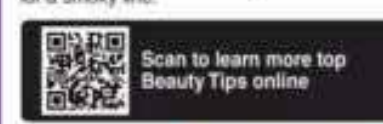

Using a liquid
or gel liner,
apply from the
inside corner
of your eyelid
outwards.

To smooth the skin of your upper lid,
you can look to the side or point your chin
up and look down. If you battle to draw a line
freehand, place a few dots along your lash
line and simply connect the dots.

BOTTOM
(Pencil or Eyeshadow):

Less is more for the bottom, so the idea is
to dot pencil, which is creamier, along your
bottom lash line, then seal with eyeshadow.
Blend closer to the roots of your lashes
for a smoky line.

Fabulous Hands, Nails & Beauty

#1 Clean

When doing an at-home manicure, start off by preparing and cleaning your nails to get the best results. Use nail polish remover, cotton pads, cotton balls and cotton buds to clean nails and the nail bed. A hand spa machine can be used to turn nail and hand preparation into a luxurious and relaxing experience.

#2 Neaten

BASICS
for all your grooming needs

Push back and neaten your cuticles using a cuticle push-back tool or cuticle remover. Tidy up and trim nail length using a soft buffer block and wide range of trimming tools such as a nail file or clippers.

#4 Polish

Nail polish is to hands what a good lipstick is to the face. It is the cherry on a well-iced cake. It boosts confidence and is the finishing touch to a well-groomed picture. Luckily our hands are not hiding behind masks and we still get to show them off. Dress them up with a gorgeous selection of glorious colours.

#5 Nourish

As the winter months approach we know it's time to increase our hand cream routine to avoid that irritating feeling of dry skin. But these days we find ourselves using hand sanitiser every day that can also have the unfortunate side effect of drying out our skin. This highlights how important it is to keep our hands moisturised every day, especially if we know we're going to a mall or public place. Always keep a hand moisturising cream on hand in your handbag or in your drawer at work.

Brush Cleaner

Care for your brushes and keep them sanitised by washing them regularly. Simply dip your brushes in the Trendest Make-up brush Shampoo and water mixture. Gently wiggle your brushes to loosen the product, then rinse the brushes under lukewarm water until clean. Use your fingers or a Brush Cleaning Mat to loosen excess product more effectively. TOP BEAUTY TIPS

TREATING MASKNE
Maskne, or mask acne is acne breakouts from wearing a face mask. Symptoms may include chafing and irritation, along with pimple-like bumps. Although maskne can be frustrating, it's important to keep wearing face masks during the COVID-19 pandemic.

It can be distressing to start seeing spots appearing on your face again, but you need to have patience with your skin. Constant mask wearing over dry winter skin can exacerbate acne and increase your skin's sebum production and cause blemishes and acne.

Cleanse:

You have mastered the hand washing routine, now it's time for your face to get in on the action. Make sure you are thoroughly cleansing your skin just before you put on your mask and repeating the process at the end of each day using your favourite cleansing product. eg: BioNike Defence Tolerance Essential Cleansing Water 200ml, Bionike Acteen Rebalancing Cleansing Water 150ml

Moisturise:

Even if you have oily acne prone skin, a lightweight moisturiser is key to keeping your skin hydrated. With a mask rubbing against your skin, your skin's pH level needs to remain balanced and healthy. eg: BioNike Acteen Hydramat Cream 40ml

MILLION COMFORTS

HELP US CARE FOR GIRLS, BY KEEPING THEM IN SCHOOL

Simply purchase any pack of sanitary pads from participating brands in-store, online or via the Dis-Chem App

Studies show that girls between 12 and 18 who live in poverty are deprived of about 20% of their high school education because they cannot afford feminine hygiene products and are too embarrassed to go to school during menstruation. Last year over 220 000 girls did not miss a day of school, because you donated over 8 758 000 sanitary towels to #MillionComforts.

HELP US CARE FOR EVEN MORE GIRLS THIS YEAR

MORE RESOURCES CHanneled TO FIGHT COVID-19

The North West Health MEC Madoda Samabatha has during his tabling of the 2021-22 Budget Speech, indicated that the Province has channelled more of the available resources to fight the Coronavirus.

Sambatha said that the 2020/21 financial year was a period within which much of our resources were used to prevent and contain Covid-19 and current statistics in the country and in the province indicate that the fight against Covid- 19 will continue in the current financial year.

"We extend our heartfelt condolences to the families of All NW people and especially of the health care workers who lost their lives due to Covid-19. In the same vein I wish to convey our deep appreciation to the health care workers of North West Province for their dedication in managing the pandemic in both our community and health facility settings", said MEC Sambatha

The Budget Speech noted that the province managed to create a total of 1179 beds specifically for Covid-19 of which 50 are ICU beds and 57 are high care beds. We still feature amongst the provinces with the lowest per-population incidence of Covid-19 and the NW has the lowest case fatality rate among all provinces.

This is due to:

- Dedicated frontline staff and managers with willingness to multi-task, take problems in their stride, immediately think of options for solutions and act
- Guidance and cooperation from the NW Covid-19 Command Council
- Action from NW Covid-19 District Command Councils
- Good cooperation with Provincial Treasury
- Good cooperation with sister departments (provincial and national), other provincial departments, private sector, NGO sector, traditional leaders and academia

In February 2021, the NW Province, along with the other eight provinces in the country, started the Covid-19 vaccine roll-out.

Employees of the Department particularly health professionals were appreciated for their contribution in the fight against the pandemic. "Again, our staff proved their mettle by enthusiastically throwing their efforts behind this endeavor. In the week of 17 May we continued with vaccination of health workers while starting to vaccinate persons over 60 years of age", said MEC Sambatha.

A full security plan for safe guarding the vaccination and quarantine sites for Covid-19 was developed and implemented. The Department also continue to rely on the South African Police Services (SAPS) to assist with vandalism at health facilities caused by criminal elements.

MEC Boitumelo Theodora Moloo:
Department of Social Development

Department of Social Development BUDGET FOR 2021/22 FINANCIAL by MEC Moloo

DEVELOPMENTAL SERVICES TO THE COMMUNITY

THE WELFARE of the vulnerable in the society – children, women, persons with disabilities, older persons and substance abuse – will continue to top service delivery priorities of the Department of Social Development in the financial year of 2021/2022.

Tabling the 2021/2022 Budget Vote for the department of Social Development, MEC Boitumelo Moloo says the services of children will not suffer despite the migration of Early Childhood Development services to the department of Education.

MEC Moloo has assured the province that, "the two departments have pledged their commitment that there will be no interruption to service delivery during the transition process".

On children in conflict with the law, alternative care placement for them remains critical to the department. We have two Child and Youth Care Centres for Secure Care Programmes that accommodate 130 children in conflict with the law awaiting trial and residential diversion services. An amount of R83.6 million is committed to ensure full operation of these centres this financial year.

The department will honour the North Gauteng High Court order to extend foster care placements and payments in collaboration with SASSA and Department of Justice and Constitutional Development by the end of the financial year.

Our task at hand is to place 1 685 children on foster care and ensure that 19 366 have valid foster care court orders during 2021/22.

The department has committed R360 million to fund 658 Non Profit Organisations (NPOs), of which R44,8 million will be transferred to 37 Child and Youth Care Centres and Child Protection organisations across the province.

The pockets of poverty continue to dominate many areas of our society, "we have established four District Departmental Poverty Eradication Coordination Forums to:

- Plan, coordinate and align inter-departmental programmes and budgets.
- Monitor and evaluate the service delivery commitments and programme performance and budget expenditure per intervention and per project.
- To serve as a resource in the piloting of poverty eradication programmes
- Refer profiles of various community members to core programmes for implementation of interventions.

Majority of our youth have resigned themselves to life of unemployment but not under the watch of this caring government. For Social Development, "we have set aside an amount of R15 million to train 300 unemployed young people on civil construction and mixed farming through our National Youth Service programme".

Other opportunities are opened through Expanded Public Works Programme (EPWP), whereby the department has created work opportunities for 2 368 participants.

Support for women cooperatives and SMME's to improve their livelihoods will continue. The support translates in capacity building, mentoring and procurement of equipment and other necessities for women cooperatives and SMME's.

About 60 women will participate in empowerment programmes, while 158 will benefit from economic strengthening initiatives. The department has set aside an amount of R4 million to implement this programme.

We remain steadfast on our fight on abuse of women and children, while providing counselling to mental-scarred victims.

The White Doors facilities across the province continue to offer hope and solace to the victims. We have 950 victims of Gender Based Violence to access sheltering services at state run Khuseleka One Stop centre and crisis centres.

There will be psychological support in the form of counselling, and they will also be prepared for court appearance once they are admitted at these centres for 8 493 Victims of Gender Based Violence.
