Die afsterwe van Dr. Sheehan Grant op Dinsdag 29 Junie, was 'n baie harde slag vir die gemeenskap van Rustenburg. Hy was 'n geliefde man wat werklik sy gemeenskap gedien het. Tydens 'n uitstappie na Skotland het hy in Grantown gaan kuier. In die dorpie was daar so baie Grants dat hulle besluit het op die naam. Baie van die 'Grants' van die verlede het hospitale en kinders begin en sy familie het altyd gespot dat omgee in sy bloed is. Sheehan was vir baie jaar betrokke by Rustenburg kindersorg en sy kollega Deidre Janse van Vuuren het 'n pragtige boodskap oor hom gedeel: Wat 'n voorreg om hom my mentor en vriend te kon noem. Hy en sy familie het my familie geword. In Sheehan se lewe het familie eerste gekom en sy kinders en kleinkinders was sy trots. Hy wou almal onder sy dak hou en nie geskroom om kleinkinders op te pas en by aktiwiteite uit te kry nie. Hy was inderdaad 'n merkwaardige sakeman en het my geleer hoe groter die risiko, hoe groter die wins en 'druk' was altyd net 'n woord vir hom. Daar was altyd tyd om gou nog iets gedoen te kry en om te wag tot môre was nie 'n opsie nie. As maatskaplike werker het ek geleer van mense, maar hy het my geleer van syfers en hoe om te begroot en voorsiening te maak. Wat hom spesiaal gemaak het, was sy liefde vir kinders en kwesbares. Hy het homself elke dag beskikbaar gestel vir vergaderings, onderhoude en tuisbesoeke. Hy het altyd sy telefoonnommer vir mense gegee om hom enige tyd dag of nag te bel oor kinders wat in gevaar was. Hy wou die maatskaplike werkers beskerm en het maar die oproepe hanteer en my gebel as dit dringend was. Vandat ek hom leer ken het, was sy droom om 'n kinderhuis te bou. Hy het my genoeg vertrou om hom te help met daardie droom. Vandag huisves sy kinderhuis 40 kinders waarvoor hy vir elkeen 'n oupa was. Hy was ook die presidierende pastoor van Die Rots Kerk asook ondervoorsitter by Rusoord Afreeroord waar hy personeelsake hanteer het. Onlangs was hy ook verkies as die voorsitter van Rustenburg Diensnetwerk wat dienslewering in die dorp koördineer. Hy was ook 'n berader wat baie mense bygestaan het. Hy was ons voorsitter by Kindersorg Rustenburg vir ongeveer 15 jaar en het die organisasie gebou tot die grootste in die dorp. Hy het ook op Kindersorg Suid-Afrika se nasionale raad gedien vir 'n aantal jare. Dis moeilik om te dink aan 'n môre sonder hom. Sy plek is leeg en een mens kan nie sy skoen volstaan nie.

6 ARMED ROBBERIES, 1 DAY

Rustenburg – Police in Rustenburg have confirmed they are investigating at least six incidents of armed robbery which occurred at various business premises on Thursday 24 June. No arrests have been made as yet and the police are also yet to establish if some or all incidents are related.

1. In one of the robberies, eight armed men stormed into the Ackermans clothing shop located along Fatima Bhayat street before threatening the manager and employees at gunpoint. Police spokesperson captain Elsabe Augoustides said they then forced the employees to open the safe and stole an unspecified amount of cash. They also looted employees' cellphones before they fled on foot.
2. In the second incident, three armed men robbed Ultra Liquors just as the manager was locking up the premises. They also threatened employees with a firearm, forced them to open the cash register before they took the money and fled the scene.
3. In the third incident, five armed suspects assaulted the manager of Zorba Café

located at Kerk street after he had refused to lie down on the floor. They stole cash, cellphones and airtime before they fled the scene in a white Volkswagen Polo.

4. Armed men also robbed Oppi Stoep Supermarket near Olifantsnek of an undisclosed amount of cash. This was after they had ordered an employee to open the cash register at gunpoint.
5. An armed robbery was also reported at Checkers located along Thabo Mbeki Drive. A man pointing a firearm at one of the employees at the store while instructing them to open the cash register, was spotted by another employee who was monitoring the security cameras. "The employee informed the manager and the suspect fled the scene on foot with cash," Augoustides added.
6. In the other incident, the manager of the Wimpy at Safari Gardens was opening the restaurant for business when two men with guns pounced on him and demanded the money that was in the cash register. After taking the money, the suspects fled the scene on foot.

Knives, gunshots and death

Marikana/ Rustenburg – Three people lost their lives on Saturday 26 June at a shopping centre in Marikana after a knife wielding man stabbed a police officer. "The man, who is believed to be mentally challenged, had allegedly bought two knives from one of the grocery stores and immediately threatened to stab security officers before he was chased away. He proceeded to another store and chased after security officers in another attempt to stab them. He was undeterred by the warning shots which were fired by the security officers," police spokesperson brigadier Sabata Mokgwabone said. "The man ultimately stabbed one of the security officers in the chest and he succumbed to his injuries on scene. It is

alleged that the other security officer fired several shots leading to the death of the man." Mokgwabone explained that during the incident, a sergeant stationed at Marikana spotted the suspect as he was chasing people and threatening to stab them. "The sergeant who was armed with his service pistol, also fired several shots. In the process, a man and his son were struck by stray bullets. The man died on the scene while his son sustained injuries to the leg," he explained. The injured man was taken to Job Shimankane Tabane Hospital for medical treatment. Three cases of murder and another of attempted murder have been opened and the Independent Police Investigative Directorate (IPID) is conducting further investigations into the incident.

WHOSE MINE IS IT?

RBN actions against Elias Setuke

Rustenburg – There is an ongoing dispute about the legality of a chrome mining operation on land belonging to the Royal Bafokeng Nation (RBN). In a statement RBN says: We are aware of illegal occupation and chrome mining activities by associates of Elias Setuke on land owned by RBN. Certain of the mineral rights are owned by Nuco Chrome. The RBN owns 26% of Nuco and supports Nuco's plans to develop a chrome mine in compliance with the law. On 6 May, Nuco applied to the High Court for an interdict to stop the illegal mining and to have those illegally occupying the land evicted. Setuke and his associates opposed the application for an interdict. The court ruled that the illegal mining must stop temporarily. Setuke and his associates were given until 24 June to give the court reasons why the illegal mining and land occupation should not be stopped permanently.

The illegal mining is continuing however, in breach of the court's ruling. Anyone co-operating with this illegal mining is acting in contempt of court and faces possible imprisonment. The RBN intends to fully pursue its interests through the legal process so that Nuco can continue with its plans to legally establish a chrome mine. Residents are cautioned against signing petitions in support of Setuke in return for promises of land and jobs.

We live here now

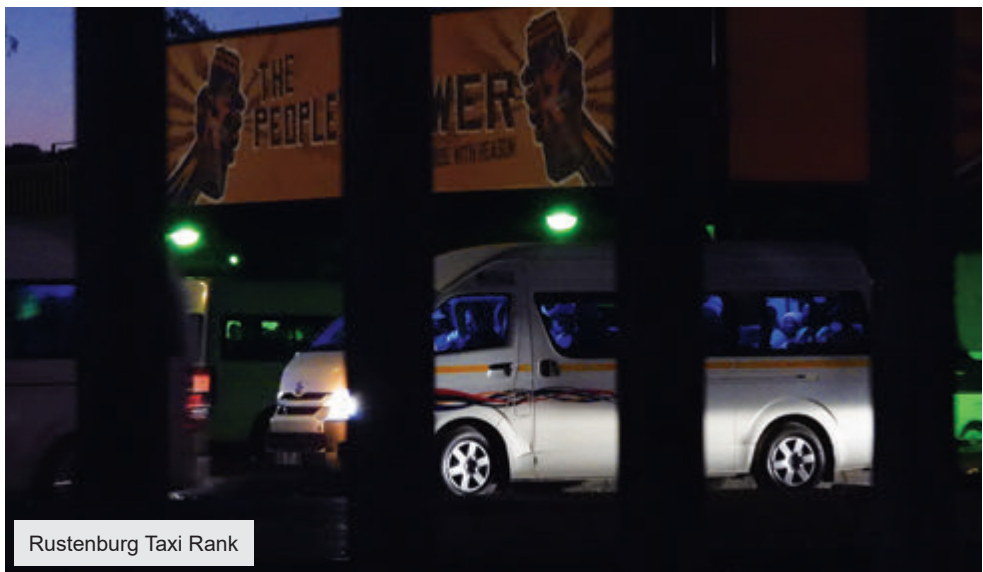

Rustenburg – Community members staying close to the Waterval dumpsite just outside town, have raised their concerns about an informal settlement that started developing on the municipal grounds across the road from the site. According to a local landowner, there was an agreement between property owners in the area and the Rustenburg Local Municipality (RLM) that "the land will not be used to house people". The community members also raised their concerns about crime in the area. A local business owner told *Platinum Weekly* that "the dumpsite dwellers" have broken into his business premises on several occasions and have stolen

everything from electrical wires to metal parts of cars and window frames. Rumours are doing the rounds that the squatters bought stands across the road from the Waterval dumpsite for R1,500. In response, RLM's spokesperson Thapelo Matebesi said: "It is not in the municipality's town planning policy to allow people to settle or erect houses or structures randomly, without properly approved plans, as determined by our human settlement legislation. It is therefore illegal. The municipality is obviously going to take appropriate corrective measures against people, both legally by evicting them and forcefully in terms of law enforcement."

An informal settlement is mushrooming at the Waterval Dumpsite.

15 MINUTES TO GET A GUN

Rustenburg Taxi Rank

Rustenburg – For those who have endured the legal process of purchasing a gun, from competency and applying for a license... to the long wait... the procedure from start to finish can take up to two years. Criminals, however, can pop in at the Rustenburg Taxi Rank and obtain an illegal firearm in less than 15 minutes. To demonstrate that the new proposed Firearms Control Amendment Bill will have no impact on criminals and would only leave law abiding citizens vulnerable, two employees of a local company took to the Rustenburg Taxi Rank and asked the very first taxi driver they came across where they could buy a firearm. He pointed them in the direction of a group of men standing around a Toyota Tazz. They casually approached one of the men and asked if he had anything that they could use to defend themselves. (PS: If he wrote

this on his firearm application however, his application would most probably have been declined.) The guy popped his boot and folded back a blanket covering a wide range of illegal firearms. The firearms ranged from a Glock 19 to an AK47 and heaps of ammunition. He and one of his colleagues assured them that all the firearms they sell are untraceable. All in all, it took them about 15 minutes to be offered an untraceable firearm for as little as R500 including enough ammunition to cause serious damage. In a separate incident, a *Platinum Weekly* employee was on an investigative assignment and found himself in a tavern near Rasimone. A man came up to him with a plastic Checkers shopping bag and offered him a gun for cash. Buying an illegal firearm, it seems, is as easy as buying bread and milk at your local café.

Mobile Career Expo by Impala Rustenburg

Students from Sunrise View Secondary School at the Impala Rustenburg Career Expo, 16 June.

Rustenburg – Impala Rustenburg launched a mobile Career Expo, an inspirational and aspirational showcase, to the wide range of career opportunities in the mining industry. The expo launched 28 May and will continue to 17 August, and was timed to coincide with Youth Month, which this year is themed around “The Year of Charlotte Manny Maxeke: Growing youth employment for an inclusive and transformed society”. Said Mark Munroe, Impala Rustenburg’s CEO: “Impala Rustenburg believes in building and growing our future. Investing in our youth is key. The mobile nature of the expo enables us to reach a greater number of students than previously possible, while also adhering to Covid-19 restrictions on gatherings.”

BUILDING OUR FUTURE ONE LEARNER AT A TIME

Get to know Keamogetse Mataboge

“ Your **perseverance** and **commitment** are key in **building your future** ”

Keamogetse Mataboge (20), who grew up in Tsitsing, is an aspiring diesel mechanic who joined the Impala learnership programme in June 2020.

Mataboge applied to join the Impala learnership programme, an initiative that was developed to empower local community youth, because she enjoys using her hands. She thrives on the practical exposure she is receiving from the programme, and regards it as one of the most exciting aspects of being on the learnership journey.

Mataboge, who describes her mother as her rock, is on a quest for knowledge and experience, which she will undoubtedly receive through the learnership programme. With the discipline of diesel mechanics being widely regarded as male-dominated, Mataboge found herself initially intimidated and felt that she would be overlooked, but she says that “the Impala family does not make you feel like you are in a male-dominated industry. We all work together.”

The soon-to-be artisan, who has overcome what she describes as a difficult upbringing, hopes that through her hard work she will inspire many young women and challenge the gender stereotype associated with the mining industry. She believes in showing people that all things are achievable through hard work. “Your background and upbringing should never discourage you”.

About the Impala Learnership Programme

- The programme was developed to **assist in developing local community youths** through registered **artisan programmes** to make them employable.
- Learners are trained through the **Artisan Development Programme** which is registered with the Mining Qualification Authority and Quality Council for Trades and Occupations.
- The programme runs for **three years** and it offers training in **electrical, fitting, diesel mechanic, boilermaking, rigging** and **instrument mechanic**.
- More than **1000 learners** from the different mining communities have gone through the programme.
- The programme includes both **theory and practical training** throughout different work areas around Impala, such as underground, plant and service areas.
- Applicants **need a minimum of an N2 certificate with 4 subjects relevant to a trade, physical fitness** to work on the mine and **proof of residence** within the local communities.
- The programme has **benefitted the communities** immensely and most of the artisan labour that is currently employed by Impala went through the learnership programme.

PRIME SHACK PROPERTY

Rustenburg – The building on the corner of President Mbeki Drive and Heystek Street has become a landmark in Rustenburg over the past three decades. The practices’ reputation was built brick by brick. The building houses many reputable companies and as of late, a few squatters have also decided to call its doorstep home. “We have experienced problems in the past where homeless people has been sleeping next to our building. I once confronted them and the next day I found a brick had been thrown through the window,” said owner of the President Mbeki wing of the building, Kobus Siemens, in an interview with *Platinum Weekly*. The Rustenburg Local Municipality (RLM) employed a contractor to repair broken pipes along President Mbeki drive and accordingly the pavement in front of the building had to be dug up. This caused inconvenience for the tenants and their clients, but it was necessary. However, the homeless ‘living’ on the building’s doorstep welcomed this construction as they are now being supplied with ‘free’ building material. The bricks that have been removed from the pavement are now being used to build structures against the wall of the building. The ‘walls’ for the four structures already constructed with these bricks are getting higher and higher every day...

The only way to resolve this is to pay the exuberant fees of getting an eviction notice and because it is on the pavement, it is not part of the business’ property. It falls under the Rustenburg Local Municipality, therefore the owner of the building’s hands are tied. “Over the years, I have invested a great deal in this building of which I’m very proud. We put in a a huge amount of effort to make it safe, professional and easily accessible, even to disabled patients, but this is really ruining the vision we had when we started,” Kobus added. The general opinion around this is, is ‘well if we move them, they will just go squat somewhere else so why do anything about it?’ Does this mean that business owners just have to sit back and see their property value and client visits drop? This is a growing concern in our city as it deters business owners from constructing buildings and clients from visiting them. What is going to happen when the contractor is finished and has to take back the bricks used for the shelters – will they have to obtain a demolition order? In response, RLM spokesperson Thapelo Matabesi said: “It is not the municipality’s town planning policy to allow people to settle or erect houses or structures randomly, without properly approved plans, as determined

These ‘shelters’ are built using paving bricks.

by our human settlement legislation. It is therefore illegal, and the municipality is obviously going to take appropriate corrective measures to legally evict them in terms of the law.”

Man hijacked along R510

Phokeng – Police in the North West province are warning motorists to abstain from offering lifts to strangers, or pedestrians from taking lifts. According to police spokesperson captain Aafje Botma, on Thursday 24 June, a man (37) driving a

white Toyota Hilux was hijacked by hitchhikers at around 15:00 after offering them a lift along the R510 road in Tsitsing. He was allegedly blindfolded by the suspects and dropped in Johannesburg at around 02:00 the following morning.

OUTRAGE OVER RAPE OF A MINOR

Mogwase – A Moses Kotane Local Municipality (MKLM) councillor appeared before court on Tuesday 22 June following his arrest for allegedly raping a minor. Police spokesperson brigadier Sabata Mokgwabone said the accused’s name cannot be disclosed by the state in a move aimed at protecting the identity of the victim. “The accused was arrested on Sunday 20 June and was granted R1,000 bail. He will reappear in court again on 17 August. The victim was allegedly raped from 2019 to May 2021 in Mogwase,” Mokgwabone said. In a statement, the MKLM has urged community members to remain calm and let the law take its course.

When trucks and vehicles collide...

Rustenburg – A truck carrying goods, a Toyota Carola and two tow truck bakkies were involved in an accident on Saturday 26 June. The vehicles were stationary next to the four-way stop at Rudan garage on the Kroondal road when the truck and Toyota crashed, and then plunged into the bakkies. Fortunately, only one person sustained injuries and was rushed to hospital.

HEMS responded to an accident scene where two vehicles collided.

N4 PATROLLED

Rustenburg/ Brits – The North West SAPS have increased their activities along the N4 in the wake of several reported cases in which unsuspecting motorists have fallen victim to criminals near Rustenburg and Brits.

In some of the cases, criminals have placed sharp, metallic spikes and other dangerous objects on the surface of road to cause damage to passing vehicles. After stopping to inspect the damage, the unsuspecting drivers are then ambushed and robbed of their valuables.

- In an incident which occurred on Sunday 23 May at around 20h00, a 43-year-old victim was driving along the N4 near Mooniooi when a suspect threw a rock at his car, which damaged his front tyre. When he stopped, he was threatened with a firearm and robbed of his cellular phone.

Said police spokesperson colonel Adèle Myburgh: "With recent media focus on 'a spike in N4 crime', the general public are more aware of the dangers. However, this is not the case in the North West. Nevertheless, even one case reported, is one too many."

"SAPS are working hard to prevent crime along the N4. The Highway Patrol Unit is on high alert on all major highways, including the N4," colonel Myburgh added.

Be cautious when you drive along the N4.

CAR AND LAPA GUTTED BY FIRE

Rustenburg – A woman in Geelhout Park lost her car and lapa on Tuesday 29 June despite a spirited effort by helpful neighbours to contain the raging fire. Her house is located in Cornel Street adjacent to a veld, from which the fire is suspected to have originated.

When Platinum Weekly arrived on scene, firefighters from the Rustenburg Fire

Department were putting out the last smoulders. Her VW Jetta which was parked under the lapa was reduced to a charred skeleton.

"Although devastated, I'm grateful that nobody got injured by the fire," she said. "I'm extremely grateful to my neighbours who helped contain the blaze before the firefighters arrived."

A concerned neighbour helped to fight the fire.

A veld fire adjacent the house is linked to the incident.

ACCIDENT ON R566

Phokeng – Hartbeespoort Emergency Medical Services (HEMS) was summoned to the R566 Sun City road on Saturday 26 June after two vehicles collided. One of the commuters sustained minor injuries and once stabilised, was transported to a hospital in Brits.

FIREARMS CONTROL AMENDMENT BILL 2021, DEADLINE EXTENDED TO 31 JULY

Should I bring a knife to a gun fight?

"No firearm licences may be issued for self-defence purposes"...

The draft Firearms Control Amendment Bill 2021 is open for public comment. We encourage you to participate via an official platform at the following link: <https://dearsouthafrica.co.za/firearm-control-2021/>. Minister of Police Bheki Cele has granted an extension on submissions on changes to the Firearms Control Amendment Bill, with the public now having until the end of July to comment.

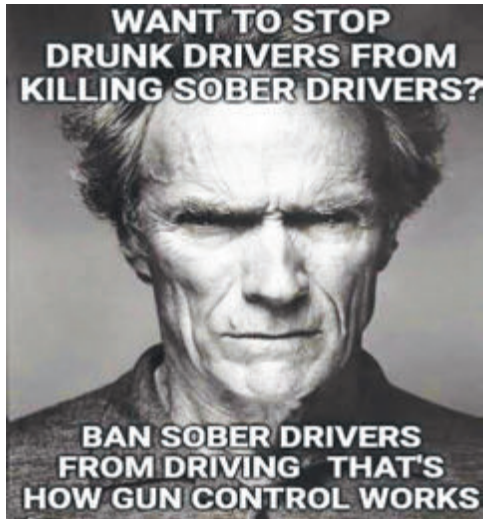

All interested persons can submit written comments on the draft bill to: comments.fcabill@csp.gov.za

Provide your name, surname, postal and e-mail address, telephone and fax number. Make it count. Don't wait – send the email NOW! Seriously, this is no joke.

"To provide that no firearm licences may be issued for self-defence purposes"... This part of the sentence in the bill has the nation up in arms... well, more specifically, those who own guns for the purpose of defending themselves and their loved ones against evil. The Firearm Amendment Bill was published in the Government Gazette on Friday 21 May. The draft Bill seeks to amend the Firearms Control Act, 2000 (Act No. 60 of 2000). Read more on: https://www.saps.gov.za/resource_centre/notices/downloads/invitation_for_public_comment_draft_notice_in_gazette_2021.pdf

Amnesty... I'm sure all the bad guys handed in their guns. Why? Because the cops asked them to! In January this year, most media outlets highlighted SAPS' plea in which they reminded the public to surrender their illegal and unwanted firearms, firearm parts, or ammunition without fear of being persecuted. The deadline for the firearm amnesty was Sunday 31 January 2021. From 1 August 2020 up to two weeks before the deadline 23,399 firearms and 119,781 rounds of ammunition were surrendered. Of the firearms surrendered, 3,139 were voluntarily handed in by their legal owners while 20,260 – for which licenses have expired – were handed in. Subsequent to this, 23,724 rounds of ammunition were also voluntarily handed over to police including 96,057 rounds of ammunition that were surrendered by owners

whose firearm licenses had expired. So, whose got the firepower? The bad guys, the police and security companies. Our beloved country... We are burdened by the social ills accompanied by Covid-19. Unemployment – based on the expanded definition – stands at 42,6% as per the Quarterly Labour Force Survey. Approximately 18 million South Africans depend on some form of a social grant to live. Sweat and sorrow... against an option of buying a gun for R500 in a dark back-alley, which could change your financial predicament if you use it in a robbery...

Eskom implements conditional 1.5% basic wage increase offer

SA – After extensive engagements at the Central Bargaining Forum since the start of the wage talks in May 2021, Eskom has exercised its right and made a decision to implement its final 1.5% basic wage increase and changes to the conditions of service offer with effect from 1 July 2021. This decision has been formally communicated to the three recognised trade unions; the National Union of Mineworkers, the National Union of Metalworkers of South Africa and Solidarity. “Colleagues, as proud, caring and committed South Africans, we cannot allow a dispute over wages to compromise our national interest and hold hard working South Africans and their families hostage, as a result,” said Eskom group chief executive André de Ruyter in a statement to employees. “When Eskom Guardians keep the lights burning in South Africa, and electricity supplied to crucial medical facilities, we are playing our part in ensuring that hospitals and businesses can operate, save lives and get South Africans back to work.” The wage talks ended on 2 June 2021, with Eskom declaring a dispute when it could not reach any agreement with the trade unions. No resolution could be reached at the conciliation and mediation process held on 10 June 2021 at the Commission of Conciliation, Mediation and Arbitration (CCMA) head office. The following day Eskom received notification that organised labour had referred the dispute to the CCMA for arbitration. The parties are still waiting for the arbitration process.

Multi-million white elephants

Rustenburg – A fleet of vehicles purchased by the Rustenburg Local Municipality (RLM) in 2018 to boost service delivery cannot be utilised pending the outcome of an ongoing case currently before the North West High Court in Mahikeng. The fleet includes a batch of Nissan double cab NP300 bakkies that were unveiled by the municipality in Rustenburg on Monday 9 July 2018. However, a case in which service provider KSP Group has taken the municipality to court over non-payment, is yet to be finalised and this means the vehicles cannot be used. The municipality, on the other hand, is arguing it deliberately suspended payments relating to the multi-million deal after discovering “price overinflation” irregularities on the part of the service provider. A number of the vehicles, which can be seen parked at the municipality’s technical services yard on the corner of Lucas and Bosch Street, are nothing but white elephants. Democratic Alliance (DA) provincial chairperson and RLM councillor Luan Snyders has called for a thorough

investigation into alleged irregularities. “There are contractual disputes between RLM and the service provider, which I cannot comment on as the court case is sub judice,” he said. “The new fleet would have lifted the burden of service delivery to the people of the greater Rustenburg. The municipality should enter into mediation with the service provider to find a cost-effective way of settling this dispute outside court to save the taxpayer legal fees. The bid committees who sat and approved this tender should be investigated for any alleged irregularities that might have occurred during the process,” he said. Snyders also believes Nqobile Nyathi, the former municipal manager who signed off the tender, could provide some answers to such investigations. Rustenburg residents, who have taken to Facebook to vent their frustrations at this state of affairs, are also concerned with the delays of municipal personnel in attending to the repair of public infrastructure and the provision of other essential services. In the meantime, the vehicles are deteriorating ...

Flat tyres.

The vehicles in question were pointed out by councillor Snyders.

The RLM cannot utilise the vehicles until an ongoing case is finalised before the North West High Court in Mahikeng.

Weeds and grass have taken over some of the parked vehicles.

Miss SA empowers young learners

Boitekong/ Rustenburg – Miss South Africa 2020 Shudufhadzo Musida visited Boitekong Secondary School on Thursday 24 June and gave learners advice on how to cope with mental health issues. The COVID-19 pandemic continues to affect communities in many ways and the closure for schools can create numerous challenges for learners. For many, having to adjust to online methods of learning and the mental implications of not being able to associate with their teachers and peers on a face-to-face basis, can be unbearable. Musida – an advocate for mental health

awareness and empowering women and children – encouraged learners at the school to remain positive and to alert their teachers if they are unable to cope with the demands of the educational methods. In an interview with *Platinum Weekly*, the top model underlined the importance of assisting learners to deal with mental health issues. “When you inspire one child, you inspire an entire generation because they take that inspiration to others. It is important to give them hope. Hope is what keeps our dreams alive and inspires change to come about,” Musida said.

GIVING FROM THE HEART

Rustenburg – Al Imdaad Foundation Rustenburg is continuing to assist needy members of the community by providing them with food and blankets. With the winter season now in full swing, many homeless people in Rustenburg do not enjoy the basic comforts that others may take for granted. On Saturday 19 June, members of Al Imdaad Foundation Rustenburg made a difference in the lives of homeless people living in Karlien Park and the central business district. Ladies who volunteered their services served 125 bowls of soup and scones. They also handed out 40 blankets.

Dit was ‘n opvoedkundige dag vir die jongspan wat meer geleer oor die lewe van ‘n paramedici. Die kleingoed het ook die geleentheid gehad om te sien hoe dit binne ‘n ambulans lyk! SPCA needs kitten food

Rustenburg – The Rustenburg Society for the Prevention of Cruelty to Animals (SPCA) aims to serve and protect all animals, to uplift their welfare and to ensure that the protection they have under South African law is upheld and respected. Our local SPCA is a non-profit organisation that covers a vast area which includes large, impoverished areas. The SPCA's people must always be proactive, respond to reports of cruelty, neglect or abuse and react to emergencies involving animals. For them to carry out their duties effectively, they require the community to chip in and play their part from time to time. At the moment, they are in urgent need of pine gel, cat litter trays, cat litter, puppy food and kitten food. **For more information contact SPCA Rustenburg on 014 592 3181 or Marisa on 084 885 5173.**

Are you able to freely give your time and labour?

Rustenburg – Although volunteering can be hard work and take your time, it does not result in payment.

Volunteers choose to freely give time and labour to assist non-profit organisations and charities in doing vital community service. Some volunteers are specialists in their field, and some like to help bake cookies for a bake-sake.

Volunteers are also a physical presence to paid staff during an event or visit. They could be an extra pair of arms to carry donations into a foster home, or a voice filled with a purpose to call on businesses for donations. A volunteer in return gains life experience which can help combat loneliness, increase mindfulness, or give a CV that extra sentence that makes it stand out from the crowd of indifference.

Rustenburg SAVF, located at 212A Kruger street, urgently needs volunteers to help them. There are unemployed youth or students waiting for their studies to start in 2021 that can assist those less fortunate than themselves. Now is the opportunity to step forward and to volunteer to assist social workers and a non-profit community organisation that has been working with the most vulnerable people in the community for more than a century. If you have some extra time, please volunteer!

PROVERBS 24

¹Do not be envious of evil men, Nor desire to be with them;
²For their heart devises violence, And their lips talk of troublemaking.
³Through wisdom a house is built, And by understanding it is established;
⁴By knowledge the rooms are filled With all precious and pleasant riches.
⁵A wise man is strong, Yes, a man of knowledge increases strength;
⁶For by wise counsel you will wage your own war, And in a multitude of counselors there is safety.
⁷Wisdom is too lofty for a fool;
⁸He does not open his mouth in the gate. He who plots to do evil Will be called a schemer.
⁹The devising of foolishness is sin, And the scoffer is an abomination to men.
¹⁰If you faint in the day of adversity, Your strength is small.
¹¹Deliver those who are drawn toward death, And hold back those stumbling to the slaughter.
¹²If you say, "Surely we did not know this," Does not He who weighs the hearts consider it? He who keeps your soul, does He not know it? And will He not render to each man according to his deeds?
¹³My son, eat honey because it is good, And the honeycomb which is sweet to your taste;
¹⁴So shall the knowledge of wisdom be to your soul; If you have found it, there is a prospect, And your hope will not be cut off.

NEW KING JAMES VERSION (NKJV)

Currie Beker 2021

Lions vs WP

Die Leeus verras vriend, vyand en die meeste, die Kapenaars. Na die onverwagse pakslae teen die Pumas, het die kopdokter van Brakpan weer toegeslaan om leeu se kind weer brul te kom gee, ou grote. Die Leeus wen 38-32 met 'n wedstryd wat deur die Leeus oorheers is. Die telling lyk na 'n *close* affêre maar die twee geelkaarte aan die *Jo'burgers* in die laaste twaalf minute het die WP kans gegee om terug te kom in die *game*. *Well done* Lions, julle het ware karakter gewys!

Bulls vs Pumas

Die Bulle moes baie hard baklei om die moedige Pumas met 32-27 die loef af te steek. Bra Jake kon darem seker bietjie beter slaap na sy nare droom... Gelukkig vir die outjies in Blou was die hardebaarde weer terug van hulle Italiaanse nagmerrie. Die impakspelers van die Bulle het hulle in die *game* gehou. Die Northam yster, Sidney Tobias, het ook sy debuut vir die Bulle gemaak en sal hopelik in die volgende *games* meer speeltyd gegun word. Hy is die regte man om die pap dik aan te maak. Vir die Bulle is daar slegte nuus oor Gio Aplon wat sy debuut gemaak het. Aplon het 'n baie ernstige kniebeseering opgedoen wat waarskynlik die einde van hierdie uiters begaafde speler se loopbaan kan beteken. Aplon is ook al aan die verkeerde kant van dertig en dit sal wys wees om maar die stewels op te hang of op te veil.

Griekwas vs Cheetahs

Die Poubloues daag vir 'n verandering op in Kimberley en verniel die Blikore ou grote. Die Griekwas wen hierdie *game* op 'n klipharde veld met 31-10. Ter versagting aan die Cheetahs, was die feit dat minstens vyftien outjies in hulle debuut *game* opgedraf het. Wat wel goed was in die Cheetah se droewige dag, was die debuut van die gewese Blou Bul en Springbok losvoerspeler, Jacques Potgieter. Pottie het baie goed vertoon in sy eerste *game* in maande. Die Vrystaat span was die verkeerde soort positief en as gevolg van Covid-19 is 30 Junie se wedstryd tussen die Bulle en die Cheetahs vir eers uitgestel.

Britse en Ierse Leeus vs Japan

Die langverwagte Leeu-toer skop dan af op Murrayfield met 'n toets teen Japan. Die geskiedenisboek word dan behoorlik op datum gebring. Dit was die Leeus se eerste keer in 'n toets op Murrayfield in Edinburgh, Skotland.

Dan was dit ook die eerste keer dat Japan die eer gegun was om teen die Britse en Ierse Leeus in 'n toets te kon meeding. Die Leeus het verbasend goed vir die eerste keer as 'n span saamgespeel en klop die moedige Japanners 28-10. Vir Japan het die twee Suid Afrikaners, Lappies Labuschagné en Wimpie van der Walt die Leeus besig gehou. Hierdie is twee ysters ouens! Vir die Leeus het Dan Biggar op losskakel puik gespeel en is ook as die speler van die toets aangewys.

Vir die Leeus was dit ook 'n groot dag vir Duhan van der Merwe, Suid Afrikaanse seun, wat sy debuut vroeër vanjaar vir Skotland gemaak het om in sy eerste toets as 'n Leeu ook 'n puik drie aan te teken. Vir die Leeus was daar egter 'n geweldige terugslag. Die trotse kaptein Alun Wyn Jones was net na sewe minute van die veld afgelei deur die mediese span. Jones het sy skouer beseer en sal ongelukkig nie die toer na

Suid-Afrika kan meemaak nie. Dit moet hartverskeurend vir hierdie reus van 'n speler wees om nie saam met die span op die vliegtuig te kon klim nie.

Warren Gatland het nie geskroom om vir 'n groot verrassing te sorg nie, en wys Munster en Ierland se skrumskakel Conor Murray, toe bó Owen Farrell, aan as *cappie* van die toer. Dit is Gatland se derde toer as breier van die Leeus. Hierdie Nieu-Seelander dwing regoor die wêreld respekt af as *coach*.

- Die Leeus se toer skop af op Saterdag 3 Julie om 18:00 in *Jo'burg* teen die Xerox Lions.
- Op Woensdag 7 Julie om 20:00 speel die Leeus teen die Sharks in Durban en op Saterdag 10 Julie om 18:00 teen die Bulle op Fort Loftus.

Geen toeskouers sal toegelaat word om hierdie toer in die stadions te sien gebeur nie, maar duisende *rugga*-mal mense gaan groot gaan... beperkings en al! Mag hierdie Britse en Ierse Leeus hard brul in Suid-Afrika om lank onthou te kan word!

Bokke ruggas koors!

Na twintig maande draf die Springbokke Vrydagaand op Loftus om 18:00 teen Georgia uit in die eerste van twee toetse. Die tweede toets teen Georgia word op 9 Julie in Johannesburg gespeel. Rassie en klie sal die toetse gebruik om te bou vir die Bokspan wat in die eerste toets op 24 Julie teen die magtige Britse en Ierse Leeus op die Kaapstad Stadion gaan uitdra. **Nag ou groene...**

Historiese skoolgebou kry 'n nuwe baadjie

Danksy 'n anonieme skenker kon die opknapping van die gebou van stapel gestuur word.

Rustenburg – Vir meer as 'n honderd jaar al pronk Rustenburg met 'n pragtige historiese gebou op die hoek van Kerk- en Von Wielligh straat wat al vele doele gedien het. Die gebou met sy hoë spitsdakke, hout vensterrame en dik mure was onder andere al in besit van die Gereformeerde Kerk en was ook eens die heel eerste Juniorskool in Rustenburg.

Die Hoërskool Rustenburg het in die 1920's ook gebruik gemaak van die gebou voordat hulle hulle huidige skoolgebou gevestig het. Vir baie staan dit vandag bekend as die voormalige Sing Spring Kleuterskool wat al jare lank leegstaan en vergaan.

In Januarie van 2021 het die Rustenburg Skool vir Buitengewone Onderwys besluit om die ou skoolgebou nuwe lewe in te blaas. Die projek was geloods deur die hoof, Lamar

Winter, en die beheerliggaam van die spesiale skooltjie omdat leerdergetalle toegeneem het en nuwe klaskamers benodig was. Lamar het 'n persoonlike band met die gebou, omdat sy self as kind daar skoolgegaan het.

Die taak was egter groter as verwag aangesien die gebou so oud en verwaarloos was. Daar was krake in die mure so groot dat 'n mens se hand daarin kon pas, die dak was geroes en het orals gelek, en die ou hout vensterrame het al begin disintegreer. Die herstelproses was verder verhinder deur die feit dat die gebou historiese waarde het en sy integriteit sodoende behou moes word. Finansies en tydsberekening was dus 'n groot kopseer van die begin af.

Gebode was verhoor, en danksy 'n anonieme skenker vanuit die NG Kerk Proteapark kon

die opknapping van die gebou van stapel gestuur word. Die skenker het begin deur die skooltjie te beveilig met 'n 2,4 meter hoë muur, al die vensters te vervang, die dakke te herstel en oor te verf, en die plafonne te vervang. Dit alles sonder dat Buitengewone ooit geweet het wie hy/sy is!

Die Rustenburg Skool vir Buitengewone Onderwys wil graag van hierdie geleentheid gebruik maak om hierdie engel van 'n mens te bedank vir sy/haar onbaatsugtige, vrygewige en liefdevolle bydrae tot ons skooltjie se uitbreiding. Daar bestaan eintlik nie genoeg woorde en maniere om ons dankbaarheid voldoende te kan uitdruk nie. Danksy u kan ons leerders in 'n veilige en pragtige deel van Rustenburg se erfenis leer, groei en ontwikkel.
