KNIFE-WIELDING MEN ATTACK COUPLE ON FARM

Buffelspoort – A couple was attacked on their Spruitfontein farm near Buffelspoort on Tuesday 31 August. Police spokesperson lieutenant colonel Amanda Funani confirmed that the couple was having supper when the four intruders, armed with knives entered their home. Robbed at gunpoint in Kroondal

Kroondal – A man was robbed of his laptop, two cellular phones and a bag shortly after he stopped at a shop in Kroondal. It is suspected that four armed criminals followed him from a bank at Waterfall Mall, where he went to deposit money. The incident occurred on Wednesday 1 September at

around 12h20 when the victim stopped at the Oom Fanta's garden stall just outside Kroondal to buy vegetables. Before he could pay the cashier, the robbers stormed into the shop, pointed a gun at him and took his bag, a laptop, two cellular phones and his car keys. The armed men, who did

not steal the victim's car, sped away in a white VW Polo. Charl Visser from the community policing forum (CPF) urged residents to be vigilant: "Always assess your surroundings when visiting a bank or ATM." Luckily nobody got hurt during the incident.

BLOODY HELL!

Koster – Sometimes the *Platinum Weekly* has to be the bearer of news that is hard to swallow. Unfortunately, it is often necessary and this is one of those times. It is one of the most revolting incidents that the *Platinum Weekly* has covered. The blood of slaughtered animals, mixed with water is flowing down Gladstone Street in Koster. A concerned community member told *Platinum Weekly* that the blood, which originates from Koster Abattoir has been flowing along the gravel road since January and that it is caused by damaged and blocked underground drainpipes. “Why is Koster always sucking the hind tit? Are

we not worthy of proper infrastructure?” he asked. Ground water are at serious risk of being contaminated. Speaking to an environmental specialist we were told: “To prevent bacteria-laden public health hazards, there are specific regulations that abattoirs have to adhere to. Usually, an abattoir has an effluent pre-treatment plant where a basic screening and removal of fat is done before the effluent is discharged to the local authorities’ drainage system. And it does not come for free. The municipality charges a specific rate to abattoirs doing so. Fat is removed not only for environmental

reasons – if not removed, it causes blockages in drain pipes.” Kgetlengrivier Local Municipality spokesperson Sannah Magakgala said that some of their officials visited the abattoir on Thursday 2 September. The *Platinum Weekly* reached out to the North West Department of Economic Development, Environment, Conservation and Tourism whose spokesperson Baabua Thukubi said: “The matter has been referred to the Department of Agriculture as it falls within their mandate.” At the time of going to print, the Koster Abattoir has not responded to our questions.

‘Hunt them down and make them pay’

Rustenburg – The Rustenburg Local Municipality (RLM) has cited theft and vandalism of their infrastructure as the root cause of the latest round of power cuts. On 27 August, many parts of Rustenburg were left without electricity after criminals vandalised a mini substation, stealing the transformer oil. This new trend of stealing transformer oil negatively affects every business and household in Rustenburg. It is done by criminals who want to make a quick buck, not at all bothered by the effect they have on our local economy, or the inconvenience they cause. “I did not have electricity for two days. I could not shower or cook food. This inconvenience also caused me to arrive at work late,” said a concerned resident of Witstinkhout Avenue. What can be done do to stop these low-life criminals from vandalising our power grid? The municipality might consider fitting cameras, erecting palisade fencing to prevent criminals from being able to damage the transformers or by offering reward money for information about the criminals. The Criminal Matters Amendment Act regulates bail and impose minimum offences for essential infrastructure-related offences. The minimum sentence for first-time

offenders is three years. It would help if an arrest can be made and an example can be set by the courts. The theft and vandalism of transformers and other electrical infrastructure, which has been reported by the municipality for several weeks now, is an astronomical expense for them. RLM spokesperson Thapelo Matebesi said only two transformers can be repaired per day. “It also takes manufacturers eight days to manufacture transformer oil,” he added.

YOUNGSTERS NABBED THE SAME DAY

Boitekong/ Rustenburg – Two suspects, aged 21 and 24, were apprehended by community members on Friday 27 August in Boitekong, Rustenburg, for robbing a local business. An eyewitness told *Platinum Weekly* that the two young men threatened a tuckshop owner with a knife, then grabbed his phone, cash and a gambling machine. The cops made change of them as they were arrested a short while later. According to colonel Adèle Myburgh, the two men appeared before the Rustenburg Magistrates’ Court on Monday 30 August facing charges of business robbery. **Investigations continue.**

Fuel prices dropped!

South African fuel users will enjoy a breather in September, with prices of all grades of fuel set to drop. This is according to the Automobile Association (AA) which was commenting on unaudited month-end fuel price data released by the Central Energy Fund. The Association’s outlook for September is that petrol will drop by around 11 cents a litre, diesel by up to 21 cents a litre, and illuminating paraffin by around 12 cents. The AA notes, however, that the Rand weakened a fair amount against the US dollar in August, meaning that South African fuel users will not enjoy the whole benefit of the lower oil price.

Switching Brits to solar...

Brits – Pretoria-based Energy company LessWatts, which focuses on solar power solutions, recently completed an impressive 163kWp solar installation in the Brits area. This solar plant, in the Brits area, is one of the first grid connected solutions which Eskom and National Energy Regulator of South Africa (NERSA) approved. The project entailed the analysis of projected cost savings through a solar plant, taking the customer's historic consumption into account. Saving money is not the only benefit that this installation will bring to the area. There will also be increased network stability due to a high-power demand, and increased

job creation during the construction and maintenance phases. "A properly installed solar solution will provide in excess of 20 years' trouble-free electricity at a fraction of the cost of energy from the utility," said owner Ignatius Cronjé, who plans, designs, and implements solar solutions. "Energy security is paramount. Just like buying a car to get by, solar solutions provide a modern way out to cash in on electricity prices at today's tariffs and reap the benefit for many years."

Visit www.lesswatts.co.za for more information.

Boxer Tlhabane Square assistant manager Mavis Mulaudzi (left) and store manager Patson Mthembu warmly welcomed customers to the brand-new store.

"On our opening day, we already opened at 07h00 and closed late. We are so happy to boast with more than 30,000 on day 1!"

"I have decided to do all my shopping at Boxer Tlhabane Square! It's just a few blocks from where I live, and the prices are very reasonable. I also enjoy the convenience of not having to go to the CBD for my shopping." Zanele Gwebane

Tlhabane/ Rustenburg – Rustenburg residents came out in their numbers on 26 August to welcome Rustenburg's third Boxer Superstore to town. Conveniently based on the corner of Monareng Street and Swaruggens Road, Boxer Tlhabane is perfectly placed to serve Tlhabane residents.

At the grand opening, the excited Boxer team was greeted by many shoppers who had woken up early or set aside time in their usual morning routine to celebrate the store opening.

With an 'all under one roof,' offering waiting for you in-store, Boxer Tlhabane is an ideal place to get all your shopping needs taken care of, and...

At Boxer Tlhabane you can...

- Top up on your electricity
- Play the lotto
- Pay your DSTV bills
- Settle other Easy Pay accounts
- Access your funds at the TymeBank kiosk
- In addition, if you are a SASSA grantee, you can check your balance plus withdraw your monthly grant at any till and stay connected with exclusive deals on Boxercom airtime and data.

"We are thrilled to be open and to be able to serve Tlhabane and Rustenburg. We are honoured to have received such a warm welcome and we promise to serve you every day and make sure that you never

pay more than the Boxer price," said Boxer Tlhabane store manager Steven Ndabani.

To add to the current 'More Boxer Birthday' promotions currently being enjoyed across all stores, Boxer Tlhabane also revealed some limited-edition opening store specials exclusively for shoppers, ensuring that Rustenburg shoppers received the best service and lowest Boxer prices when they visited the new store.

At Boxer Tlhabane, a range of fresh food and produce departments await shoppers.

Within the Butchery, highly trained staff will prepare a wide range of fresh and frozen cuts of meats and prepacks. A short walk over to the Bakery promises a reward of tasty, freshly baked bread and confectionary. The Fruit and Vegetable department is packed with a range of seasonal fresh produce every day and hungry customers will also be able to grab ready to eat 'kitchen fresh' items in the Grab and Go deli.

The team at Boxer Superstores Tlhabane cannot wait to see you in store!

WHAT'S Cooking?

Lucia Minnaar makes a mean 'brown' pudding.

Brown Pudding with a twist!

Rustenburg – Lucia Minnaar wanted to treat her family to a delicious pudding and found this recipe in an old family recipe book. It seemed easy enough and who doesn't love brown pudding? After following the recipe step by step, she was excited when it finally came out of the oven... just to realise it wasn't brown.

"My son looked at it and exclaimed that it wasn't brown pudding, it was vanilla cake," she laughingly said. However, it did not taste like normal cake but turned out to be the best 'brown' pudding recipe ever.

Ingredients

Pudding

- 1 Cup flower
- 1 Teaspoon baking powder
- Half a cup sugar
- 1 Cup milk
- 1 Tablespoon apricot jam
- 1 Teaspoon baking soda
- 1 and a half tablespoons vinegar
- 1 Egg
- A pinch of salt

Sauce

- 1 Cup sugar
- 100g Butter
- 1 Cup milk
- 1 Cup water/ but ideal milk is better
- 1 Teaspoon vanilla

Instructions

Pudding

1. 1 Cup flower
2. 1 Teaspoon baking powder
3. Half a cup sugar
4. 1 Cup milk
5. 1 Tablespoon apricot jam
6. 1 Teaspoon baking soda
7. 1 and a half tablespoons vinegar
8. 1 Egg
9. A pinch of salt

Sauce

1. Over low heat, bring all the ingredients except the vanilla essence to a boil.
2. Simmer for 1 minute, remove from the heat and stir in the vanilla essence.
3. Pour the sauce over the pudding as it comes out of the oven.

Serve with thin custard or pouring cream.

OPNAME GEE GEMEENSKAPPE 'N STEM

SA – Solidariteit Helpende Hand is tans besig met 'n landwyse opname onder Afrikaanse gemeenskappe om vas te stel wat hul behoeftes is, ten einde sterk, selfversorgende gemeenskappe te bou. Hannes Noëth, Helpende Hand se uitvoerende direkteur, verduidelik dat een van die eerste stappe in gemeenskapswerk is om gemeenskapsnavorsing te doen om die behoeftes, beskikbare hulpbronne, sterkpunte en uitdagings in 'n gemeenskap te bepaal. "Ons is reeds vir 'n geruime tyd in ons verskillende streke besig om gemeenskapsnavorsing – oor die stand van ons mense

en die daarstel van volhoubare strukturele oplossings – te doen. Die doel van dié navorsing is om die gemeenskapsprofiel, sterkpunte, beskikbare hulpbronne, uitdagings, en die behoefte aan opleiding, inligting en ondersteuning te bepaal," sê Noëth. Vir elke vorm wat op dié dag voltooi word, sal R10 aan die Helpende Hand Studietrust (HHST) geskenk word, wat behoeftige studente die geleentheid bied om verder te gaan studeer. "Hierdie gemeenskapsvraelys help ons geweldig om 'n verskil te maak waar dit regtig saak maak. Om

net kos uit te deel, verlig dalk die onmiddellike, daaglikse nood, maar is nie volhoubaar vir die toekoms nie. Ons moet dus saamwerk om gemeenskapskrag te ontsluit," sê Noëth. Die navorsing sal beskikbaar gestel word aan instansies wat 'n sosiale verantwoordelikheid teenoor sy gemeenskap dra, om hulle in staat te stel om hul eie aksies te evalueer en aan te pas om hul gemeenskappe te ontwikkel. Besoek www.onsgemeenskap.co.za vir meer inligting en om die vraelys in te vul. **Solidariteit Helpende Hand persverklaring uittreksels, 25 Augustus 2021.**

Entrepreneurs embrace learning and aim for new heights

Lydia Sekano
Tumilid Trading and Enterprise

Lydia Sekano is an entrepreneur on a mission to take her business, Tumilid Trading and Enterprise, to new heights – and she is embracing the new learnings being delivered on the Impala Rustenburg Enterprise and Supplier Development (ESD) Programme. She is a remarkable role model for the next generation of female entrepreneurs in Rustenburg.

Lydia was born in Kanana village and grew up in a business-oriented family, where from an early age Lydia and her siblings would prepare vegetables after school to sell to the community members in the village. She believes that this is where her passion for business began. She is now the owner of Tumilid Trading and Enterprise, delivering services in a male-dominated construction industry through the provision of general building construction, renovations and maintenance of buildings, steelworks, and civil construction.

Lydia joined the Impala ESD Programme to learn more about entrepreneurship and to further enhance her skills as an entrepreneur. She says that as an entrepreneur one should always be proactive to be able to solve client's problems efficiently, and that operating in a digital world, it is important to learn new ways or methods that will help improve your business in the long term.

"Through the ESD Programme my business network has grown as I have connected with other business owners who are part of the programme. I now render my services to Impala Mine which has contributed to my entrepreneurial journey".

“ Work hard until you no longer have to introduce yourself. ”

Die skoolbus is opgekikker met nuwe plakkers deur Phillips Industries en Pixel Printing.

Rustenburg Skool vir Buitengewone Onderwys is geseënd

Rustenburg – Ondersteuning van die gemeenskap het die afgelope paar maande ingestroom om die Rustenburg Skool vir Buitengewone Onderwys (BGO) te help. Die skool wil graag van die geleentheid gebruik maak om hul dank uit te spreek teenoor almal wat kos, dienste en tyd geskenk het.

Nicola Marits van Kukama Game Rangers het leerders kom bederf met heerlike pap en wors. Mnr en Mej Rustie finaliste Ise-Marie Erasmus en Hanco Stone van Hoërskool Rustenburg het met groot geesdrif die leerders se dag kom opkikker. Elke leerder het 'n gesonde glasie lemoensap gekry om hul liggame sterk te hou teen die nare virus.

Die Rustenburg Skool vir Buitengewone Onderwys se jongspan geniet die smaaklike pap en wors.

Liné Nortjé het sakke vol plastiese bottelproppies ingesamel.

Die skool se onnies het ook kom uit help met daaglikse take.

Daarna het die Rusties ingespring en leerders gehelp met hul takies vir die dag. Karre was, terrein opruim, tuin natlei en omsien na ons eie groentetuin was nog nooit so lekker nie! Hulle het ook moue opgerol en die skool se badkamers 'n blink nuwe voorkoms gegee deur te help met teelwerk. Brian en Charlene Swanepoel van Phillips

Industries en Pixel Printing het weer nuwe lewe in die skool se klimraam ingeblaas en het die skoolbus weer opgehelder. Liné Nortjé, 'n graad 2 leerder van die RCA, het sakke vol plastiese bottelproppies ingesamel vir die skool se rolstoelprojek. Die skool is werklik geseënd met soveel ondersteuning van die gemeenskap!

COVID-19 AND WILLS

Rustenburg – Covid-19 made a lot of people realise that we are not immortal. Covid-19 hence also made a lot of people realise that they should have a will.

If you die without a will, an act of Parliament, namely the Intestate Law of Succession, 1987, prescribes who will inherit your estate. This is one very good reason to rather sign a will in which you, amongst others, can stipulate who should inherit which of your assets. Here are some other reasons.

In the will you can cater for:

- The possible divorce of a child of yours – the inheritance of the child can be excluded from a marriage in community of property and the accrual system;
- The possible insolvency of a beneficiary of the will – you can use an insolvency trust to ensure that creditors of the beneficiary will not receive the inheritance;
- Substitution and accrual, i.e. what happens if a beneficiary passes away before you?
- Your children inheriting your estate whilst also providing for the maintenance of your spouse;
- A trust for your minor children – otherwise, cash and inheritances of minor children are paid to the Guardians Fund of the Government.

The society holds meetings on every third Wednesday of each month. Their next meeting will take place on 15 September. G-Om gee al vir 20 jaar om

Die fantastiese G-Om span.

Rustenburg – G-Om het op 1 September 2001 onder 'n boom begin as 'n kleuterskool vir minderbevoorregte, voorskoolse kinders van verskeie areas regoor Rustenburg. Hulle doel is om kinders effektief te stimuleer sodat hulle skoolgereed is – selfs al kan hul ouers dit nie bekostig nie.

“Ek en my man het besluit om die kleuterskool te open na 'n vyfjarige dogtertjie by ons kom bly het en nie die basiese vaardighede gehad het nie. Sy was net een van vele wie voorskoolse onderrig baie nodig gehad het, maar die ouers het net nie die finansies gehad nie en hul omstandighede by die huis het dit nie toegelaat nie,” het G-Om stigter Linda Grobler gesê. Nou, 20 jaar later, is hulle in 'n gebou en hulle kinders floreer op skool. Hul spog ook met oud leerders wat gereeld toekennings ontvang, dien op leerlingrade en het selfs 'n oud leerder

wat universiteit toe is. Al hul onderwysers is vrywilligers. Die skool is 'n geregistreerde nie-winsgewende organisasie en maak staat op vrywilligers en skenkings. Hulle het verskeie projekte waar hulle 'n verskil in die gemeenskap maak onder andere voorsien hulle ongeveer 50 kinders elke skooldag met 'n bord voedsame kos en kerskospakkies word in Desember uitgegee as die skole sluit. “God het die afgelope 20 jaar presies dit wat ons benodig, vir ons gestuur. Ons is so dankbaar en geseën,” aldus Linda. Hulle het tans vrywilligers nodig wat kan help om kos te maak en kort borge vir die kinders se skoolbus geld.

Vir meer inligting oor hul projekte, besoek <http://www.weecareproject.co.za/>. Indien jy wil betrokke raak kan jy Linda via WhatsApp kontak op 083 292 5654 of Marieta Herbst op 063 705 0304.

Raising awareness about Foetal Alcohol Syndrome (FAS)

Rustenburg – FAS is the most common preventable form of mental disability in the world and occur in children of mothers who misuse alcohol during their pregnancies. Rustenburg Skool vir Buitengewone Onderwys, who has several learners with FAS aims to raise awareness for this cause on Friday 15 October. Have your say
/ Sê jou sê

Have you ever pretended to be sick as an adult?

Yes, I once did it when I didn't feel like going to work. I think it's a common thing for people to pretend to be sick.
Omphile Mekgwe

No, I believe in honesty and owning up to my responsibilities. If you really are sick – you also have the responsibility to admit it.
Liana Nagel

No, in today's times it has become a norm to fake being sick. "Eish, I'm not *lus* to go to work today so let me just play sick." How can people lie so much? You need to be committed to your work. Your paycheck never gets sick... There are many out there without jobs that would love your job. Work hard, play hard and be motivated.
Faried Saloojee

SOULFOOD

PSALM 23 VERSE 1-6

¹The LORD is my shepherd; I shall not want.
²He makes me to lie down in green pastures; He leads me beside the still waters. ³He restores my soul; He leads me in the paths of righteousness For His name's sake. ⁴Yea, though I walk through the valley of the shadow of death, I will fear no evil; For You are with me; Your rod and Your staff, they comfort me.
⁵You prepare a table before me in the presence of my enemies; You anoint my head with oil; My cup runs over. ⁶Surely goodness and mercy shall follow me All the days of my life; And I will dwell in the house of the LORD Forever.

Clash of the rugby titans!

Rustenburg – Impala Rugby Club's first team are definitely showing the kind of form that saw them winning the 2019 Gold Cup! The Rustenburg-based side have so far been victorious in all five of their matches and are currently the only unbeaten team in the Carleton Reserve League. On Saturday 4 September, their ability to go all the way and win the title chase will come under a stern test when they host Correctional Services at the Impala Rugby Stadium. The encounter looks set to be a closely contested affair as both teams have performed well since the beginning of the

season. Although Impala are on top of the log standings, the Correctional Services team – who have won four of their matches and lost just one – are more than capable of spoiling the party for the Joel Scherman-coached side. Two rugby matches are lined up for the day.

- At 14:30 Impala Vikings are scheduled to take on Correctional Services 2.
- Impala's first team will then clash with Correctional Services' first at 16:00 – the main attraction for the day.

Rustenburg – Emergency Medical Services (EMS) personnel enjoyed a good game of football on Wednesday 1 September in honour of their colleagues who have passed on from Covid-19 related illnesses. A team from Bojanala Emergency Medical Rescue Services came up against a select side featuring players from private EMS companies such as ER24, Trauma Rescue and Netcare in what turned out to be an entertaining match at Bergsig Academy.

Although Bojanala eventually won the match by a 3-0 margin, the match succeeded in uniting colleagues on the front line in the fight against Covid-19. Private EMS goalkeeper Obakeng Tshukudu put in a splendid performance and deservedly won the man of the match award. A big thank you to sponsors Anton's Towing, SEBVIL, William Makgetla, Dr Pilane, Celeste Mary-Ann Dyers and Danie Appelpgryn.

Currie Cup Rugby

- Uitslae...**
- Griekwas 13 - 13 Pumas
 - Bulls 39- 36 Cheetahs
 - Sharks 24 - 35 WP

Die WP span het by die agterdeur ingeglip die afgelope naweek met hul oorwinning oor die Haaie in Durban. Dit was 'n moet-wen situasie en hulle kon dit vermag om die Pumas uit die vierde plek op die log te druk. Die WP gaan nou eerskomende Vrydag Loftus toe reis om die Bulle in 'n halfeindstryd te pak. Die *game* skop om 19:00 af.

Die Haaie gaan op hulle beurt Saterdag om 17:00 teen die Griekwas in Durban uitdra in die ander halfeindstryd. Vir die Griekwas is dit 'n groot affêre en die Diamantboere gaan met alles kom na die Haaitenk. Die bepalings speel nogal baie in pappa se guns... Vrydagaand braai en natuurlik dan ook Saterdagmiddag met die tweede *game* is die vure weer aan en die *kouetjies* byderhand. Kom ons hoop die *refs* en die weer gaan saamspeel sodat *ruggas* kan seëvier. **Nag ou grote...**
