# TO KEEP YOU SAFE

## K9 security, entertainment & Mike Bolhuis

**Rustenburg/ Kroondal** – The Saamstaan Fees was held on Saturday 30 October to support our local community security groups.

With high crime rates in our communities and the limited resources of our police service, our first line of defence is our security companies, neighbourhood watches and farm patrol groups. The community security groups are people from our communities who take it upon themselves to prevent and fight the crime in our area, to be their neighbour's keeper and to be the eyes and ears of the police. They dare the cold, late nights and danger, mostly at their own cost and with little or no support.

## K9 security, entertainment & Mike Bolhuis

**Rustenburg/ Kroondal** – The Saamstaan Fees was held on Saturday 30 October to support our local community security groups.

With high crime rates in our communities and the limited resources of our police service, our first line of defence is our security companies, neighbourhood watches and farm patrol groups. The community security groups are people from our communities who take it upon themselves to prevent and fight the crime in our area, to be their neighbour's keeper and to be the eyes and ears of the police. They dare the cold, late nights and danger, mostly at their own cost and with little or no support.

The festivities included entertainers Berné Heyes, Geraldine van Dyk and Riaan van Wyk, Evert Swart and Ashton Wheeler who set the tempo from the stage from early morning till late in the evening. National Crime Assist (NCA) member Niel Vermaak and his K9 trainees gave a remarkable performance. The well-trained dogs showed incredible discipline. Niel started the training school as a service to his community. "There are too many dogs that end up in shelters because of bad behaviour. I wanted to assist members of our community to build a bond with their dogs. It sometimes takes only a bit of training to turn an unruly dog into a well-behaved companion and security asset," Niel said.

The demonstration by HenCor K9 Security and ER24 captivated the audience. With the assistance of volunteers Johan Bouwer, Paul Potgieter and De Wet Blaauw in 'bite suites', they re-enacted a chase after an attack. After managing to stop the three 'attackers' HenCor's sidekicks Arrow and Patschinka jumped into action. Showing not only how they can quickly bring a criminal to his knees,

the K9s even pulled one of the 'attackers' from a vehicle.

HenCor is actively involved with tracking and recovering stolen vehicles in the North West. They often assist in our community in cases of emergency. Once the 'attackers' were caught, ER24 responded to attend to any injuries that might have been sustained during the 'attack'. Henry Holsthyzen of HenCor elaborated on the dogs' skills and training. He also encouraged the attendees to get the necessary training for themselves and their dogs so that they will know what to do and how to react should they be attacked. He said: "Knowing what to do in a life-threatening situation can be the difference between life and death. We provide training to the community that is focused on the individual. What works for a young man of 24 and a

lady in her 80s is not the same and that is what we hope to teach people."

ER24 Rustenburg branch manager Marchant Jacobs said that it is vital to call emergency services when an attack occurred. "Everybody always rushes to the scene, but no one calls an ambulance. Every minute counts in an emergency so you can rather cancel the ambulance if the situation is under control instead of the ambulance arriving after it is too late."

The highlight of the evening was an informative and interesting presentation by the well-known private investigator Mike Bolhuis. Mike works in support of and with SAPS, as well as various other safety and security authorities. He is passionate about the fight against crime, particularly crime against women, children and animals. "In order for the situation to change in our country there are two things that we need to actively work on.

NCA member Niel Vermaak, showing the correct way to carry your dog in case of an emergency.

Arrow and Patschinka is trained in the disciplines of tracking, protection and detection.

The first is building our relationship with God and the second is to stand together," he said.

The performance by Fatman was the perfect end to a successful festival. His voice and charming stage personality had people laughing and dancing the night away.

The organisers of the festival would like to thank everyone who supported this initiative:

## Grace Help Centre robbed of R100,000 cash

**Mooi-nooi/ Brits** – On Tuesday 26 October, two armed robbers held the director and financial manager of Grace Help Centre at gunpoint before robbing them off R100,000.

Grace Help Centre in Mooi-nooi provides shelter for victims of domestic violence and abuse. They recently, through the media, requested local businesses and community members to help them to buy a new vehicle, to donate groceries and asked for funds for their back-to-school campaign.

Apparently, the armed men followed the director and financial manager, as they entered the centre with their vehicle, through the main gate. "They took the R100 000 and fled the scene in a car," the *Platinum Weekly* was told.

Police spokesperson captain Aafjie Botma confirmed the incident: "Police are looking for two suspects and no arrests have been made yet. Investigations are underway."

Grace Help Centre is calling on business organisations and any well-wishers to assist them during their hour of need.

In light of the attack, the centre is in urgent need of a security company to prevent similar attacks in future as well as any other financial support that could assist them to overcome the challenges they now face as a result of this huge financial loss.

# Impala Rustenburg launches new community newsletter

Impala Rustenburg has launched a community newsletter which is set to be published quarterly and distributed through local schools, clinics, police stations, taxi ranks, spaza shops and informal traders. The newsletter aims to bring updates, good news stories, and helpful tips from Impala Rustenburg to the people of their surrounding mine communities.

The name – **Senthaga sa Dikgang** – which translates to “a nest of news”, was created by a Grade 7 learner at Mafenya Primary School during a school competition initiated by Impala Rustenburg to name-the-newsletter.

The name, according to the learner, means “a nest which holds eggs, that will hatch.” She explained that the reference to hatchlings represents the good news stories that will travel near and far through the newsletter.

Mark Munroe, Chief Executive of Impala Rustenburg says, “We are very excited to have launched this newsletter as we are proud to share

the positive work Impala Rustenburg is doing in our communities. We also believe that it is very important to keep our communities informed about opportunities that are available at Impala Rustenburg, from skills development programmes and support initiatives to procurement processes, and much more.”

**CONGRATULATIONS to Mafenya Primary School for winning the name-the-newsletter competition and winning R10 000 for the school!**

**KEEP A LOOK OUT FOR THE NEXT ISSUE of Senthaga sa Dikgang coming out in December 2021.**

## WHAT'S Cooking?

**Khunou La View Chesanyama & Vegetables owner Sello Khunou grows his own vegetables.**

### Creamed Spinach

**Rustenburg** – Fresh from the garden vegetables are delicious! Khunou La View Chesanyama & Vegetables owner Sello Khunou, a resident of Sunrisw View, grows his own vegetables that he then either serves at his Chesanyama or sells to the community. One of his signature dishes is his creamed spinach. A delicious side dish with any meal.

#### Ingredients:

- 500 grams baby spinach
- 2 tablespoon butter
- 1/2 medium yellow onion, finely chopped
- 2 cloves garlic, minced
- 1/2 cup milk
- 1/4 cup heavy cream
- 100g cream cheese
- Kosher salt
- Freshly ground black pepper
- Pinch cayenne pepper
- 1/4 cup freshly grated Parmesan

1. In large pot of boiling salted water, cook spinach for 30 seconds. Drain and place in a bowl of ice water. When cool enough to handle, drain, and squeeze out as much excess water as possible.
2. Use a large frying pan to melt the butter at medium heat.
3. Add onion and cook until soft this should take approximately 5 minutes.
4. Once the onion is soft add garlic and cook for 1 minute until fragrant.
5. Add milk, heavy cream, and cream cheese to the pan. Simmer until cream cheese is melted. Season with salt, pepper, and a pinch of cayenne.
6. Add spinach and Parmesan and stir to combine.

## BURST TYRE LEADS TO FOUR DEATHS

**Swartruggens** – Motorists are urged to check the condition of their vehicles, especially that of their tyres before taking to the road, after four people lost their lives in an accident along the N4 on Sunday 17 October. Two women and two children died along the N4 between Swartruggens and Moedwil when the vehicle they were travelling in overturned after one of its tyres burst.

Three other occupants of the same vehicle sustained injuries and were taken to hospital for treatment.

Said North West MEC for the Department of Community Safety and Transport Management Sello Lehari: "Losing four people in one accident is tragic. Our hearts are broken, and we wish their families strength during this difficult time."

"The weather conditions are very warm and the roads can become very hot. It is therefore important for motorists to pre-inspect their vehicles before getting on the road. Please make sure your vehicle is road worthy."

## Every child deserves a loving home

Do you have what it takes to become a foster parent?

**Rustenburg** – Foster care is not a permanent solution but rather a long-term opportunity to provide a loving stable home for children who were abandoned, orphaned, traumatised or abused. Children's homes in Rustenburg are reaching their full capacity and there is a dire need for homes where these children can be taken care of, provided for and be loved.

Taking in a child is not as simple as just having a spare bedroom. It is a big responsibility. These children often require more emotional support. They need foster parents who can understand their situation and deal with it in a loving in caring manner. Families need to be financially stable to provide for these children – food, clothes and medical needs all form part of the responsibility.

They say it takes a village to raise a child and that is why it is very important that foster parents have a strong support system of friends and family.

This might sound overwhelming at first, but Rustenburg Child and Family Welfare social workers will always be there to provide help, training and advice. They will teach foster parents proper methods of dealing with challenges. You will never be alone in this.

**If you meet these requirements and would like to help and make a meaningful difference or if you need more information, contact Rustenburg Child and Family Welfare on 014 537 2014/2072.**

## USE POISON WITH CAUTION

**Rustenburg** – Most of us has gone to the general store for pesticide. We look for the label showing the pest we want to kill, grab it and go. Once you get home, you scan through the mixing instructions and before you know it you are a self-proclaimed pest exterminator.

Not fully reading the safety instruction can be very dangerous and, in some cases, even deadly. In one instance earlier this year a couple from Koster used poison for cockroaches in their home. According to the husband they used a product containing Phototoxin. They eventually went to bed, but the wife never woke up and the husband was admitted to hospital.

A case was also recently reported where criminals attempted to poison dogs. The owner managed to get to the poison before her beloved pets and even used gloves to pick it up and dispose of it. She still managed to be exposed resulting in her being hospitalised.

It is extremely important that you read the warning label of any poison carefully before you proceed and that you follow it step for step. Not all poisons are the same and the safety precautions that are sufficient for the one might not be for the other. When dealing with two-step (being used to kill dogs), pick it up with a tool and bury it.

**Important rules to follow when using poison in and around the house:**

- Always read the label before using the product.
- Make sure you have the correct poison for the correct problem.
- If you have pets, make sure that the product is pet friendly if you want to use it in an area where your pets often roam.
- Don't use tick treatment for farm animals on house animals.
- Don't use outdoor poisons inside your home unless the label states that it is safe to do so.
- Keep chemical products in their original bottles or containers. Do not use food containers such as cups, bottles, or jars to store these products.
- Follow all the directions step by step as indicated.
- Never mix products together.
- Keep it out of reach of children or animals.
- Wear protective clothing like gloves, long sleeves, long pants, socks, shoes when working with these products.
- If you are using a poison inside, make sure that the area is well ventilated even if you are just using common household products.
- If the room needed to stay closed for a while so that the poison can be effective. Do not enter the room before the recommended time has passed and make sure that there was enough ventilation circulated before you stay in the area for a prolonged time.

**Rustenburg** – City Chicken & Plein Str Butchery in Rustenburg lost cash and meat to two armed robbers who stormed into the shop on Monday 1 November.

Police spokesperson captain Aafje Botma, who confirmed the incident, said a case of business robbery is being investigated. Botma said the owner of the shop, his sister and other workers were inside the shop which is in Fatima Bhayat Street when two armed men approached them.

## SIVIELE ARRESTASIE OPLEIDING

**Rustenburg** – Die AfriForum-buurtwag in Rustenburg, die gemeenskapspolisieringsforum (GPF), lede van National Crime Assist (NCA), asook lede van die gemeenskap het op 28 Oktober opleiding by die SAPD ontvang.

Die opleiding het spesifiek gehandel oor siviele arrestasies en die regte van gemeenskapslede om hierdie arrestasies uit te voer. Dit volg nadat AfriForum en die GPF die plaaslike SAPD gekontak het en die behoefte vir die opleiding beklemtoon het. Die SAPD het spoedig op die versoek reageer en die opleiding is by die Rustenburg Hervormde Kerk aangebied.

“Dit is van kardinale belang vir 'n patroleerder om sy regte te ken. Dit bemagtig hom om in 'n noodsituasie binne die raamwerk van die wet op te tree. Patroleerders wat nie hul regte ken nie, is huiwerig om op te tree,” sê Dawie Odendaal, buurtwagleier van AfriForum se Rustenburg-tak.

“Dit is vir AfriForum baie belangrik dat ons buurtwaglede opleiding soos dié bywoon om hulle sodoende te bemagtigen en ons gemeenskapsveiligheidsstrukture te versterk. Dit was ook verblydend om te sien dat die SAPD ons buurtwag se hulp verwelkom en dat alle partye wil saamwerk; dit is uiters belangrik vir die bevordering van 'n veilige gemeenskap,” sê Petrus Coetzee, AfriForum se distrikskoördineerder vir Marico.

Word vandag nog deel van AfriForum se Rustenburg-buurtwag: SMS “buurtwag” na 45344 (R1) of skakel vir Dawie Odendaal by 072 074 9620.

# A ROUND OF GOLF FOR A GOOD CAUSE

**Rustenburg** – Spes Bona is a non-profit organisation with a residential facility that provides safe, quality accommodation to persons with disabilities.

Spes Bona is a safe haven – as the residents – due to personal, social, health or other reasons, have no other place to live.

They currently care for 65 patients and provide daily necessities – an expensive process. Essential items like nappies can cost about R10,000 a month.

And with most of the patients only receiving a grant with no medical aid... securing funds is a daunting task.

The facility is also in need of serious maintenance but with no funds to spare, this project has to take the back seat.

**To raise funds, Spes Bona will host a golf day at the Rustenburg Golf Club on Friday 12 November.**

It will be a fourball alliance two score to count.

A fourball entry is R3,200 and includes a goodie bag, registration, Build-a-Burger and cold drink. There will also be platters served during the prize giving – with lots of prizes to be won. If you're not one to swing the club, donate prizes, donate money or participate – every cent helps!

**For more information regarding bookings or to sponsor a hole contact Elba Muller on 082 813 7455 or Harry Boersma on 076 582 0525. Donators and sponsors can contact Flippie Fourie on 082 930 0446 or spesbona11x6@gmail.com. A section 18A certificate can also be issued if required.**

# A breakfast for champions

**Rustenburg** – Rustenburg Child and Family Welfare hosted a networking breakfast at Excalibur Boutique Hotel on Friday 29 October. The event was attended by caring community members who all play a part in protecting, guiding and nurturing children. When working with the welfare of the youth, you often have to react quickly and knowing who to call in what situation is crucial. Representatives of schools, organisations, attorneys, police members and doctors had the chance to network over a scrumptious breakfast. The part that they play in our community is vital and this gave them an opportunity to meet likeminded individuals.

Several hearts of gold gathered in the name of Rustenburg’s youth.

To enter, she nominated her husband as an unseen community hero. “He is not only a wonderful husband and loving father of three girls, but serves the community with his heart wherever needed,” were just a few of the words she used to describe him. Cindy intends to use her prize to treat her husband to a well-deserved getaway at Sun City. Remember to submit your entry and you could be the next one heading to Sun City!

The second winner in the Sun City and *Platinum Weekly* competition – congratulations Cindy Langford!

## PLAYING GOLF FOR A WORTHY CAUSE

**Rustenburg** – Afri Readymix hosted a successful and fun golf day at the Moonooi Golf Club to raise funds for Mōrester Child and Youth Care Centre in Rustenburg. After enjoying a good round of golf, those who took part also enjoyed a braai and some drinks. Children from the centre enjoyed

interacting with their visitors. They also had lots of fun on the jumping castles. Funds raised will help the centre to continue making a difference in the community by finding loving homes for orphaned children and ensuring that they receive the love and care they need to reach their potential.

Afri Readymix representatives Gerhard Maree and Christell Vorster – ready for action!

## 2021 HERFS RUGBY

**Wallis vs Nieu-Seeland**  
Die All Blacks het met topklas rugby die Rooi Drake behoorlik opgedons ou grote – en druk in die proses sewe drieë teenoor die een van Wallis. Beauden Barrett het in sy honderdste toets vir die Kiwi's uitgedraf en druk ook twee skitterdrieë. Die rustydteiling was 18-6 in die Kiwi's se guns maar in die tweede helfte was daar net een span op die veld. Wallis wat die Ses Nasie Kampioen is, was net nie opgewasse genoeg teen die Kiwi's nie. Ter versagting vir die Drake, was 'n paar gereelde spelers nie beskikbaar nie. Hulle sal wel opdraf vir die toets teen die Springbokke. Alun Wyn Jones het sy 149ste toets vir Wallis gespeel en oortref dan die All Black Richie McCaw se rekord van 148 toetse.

**Skotland vs Tonga**  
Op Murrayfield dons die Skotte die Tongane op en wen 60-14. Vir Skotland het drie gewese Suid-Afrikaners punte aangeteken. Pierre Schoeman en Oli Kebble druk beide hul eerste drie vir Skotland. Maar die speler van die dag was die jong blits vleuel Kyle Steyn wat skitter met vier drieë! Die Skotte druk tien drieë teenoor die een van Tonga.

Damian Willemse is op heelagter gekies. Willie le Roux het nie die 23 tal gehaal nie. François Steyn is weer op die bank. Die Bokke moet Wallis met meer as 16 punte klop om weer nommer een op die Wêreld Ranglys te wees. Die All Blacks het met hul oorwinning oor Wallis weer die nommer een posisie ingeneem.
