

Sheila Mabale-Huma, our new mayor!

Executive mayor councillor Sheila Mabale-Huma and speaker Koketso Mogomotsi.

Rustenburg – Hitting the ground running, our new executive mayor councillor Sheila Mabale-Huma who were voted into office on Monday 22 November during a special sitting, promised to urgently attend to service delivery challenges facing our communities.

Councillor Mabale-Huma of the African National Congress (ANC) was voted in as Rustenburg’s executive mayor and ANC councillor Koketso Mogomotsi was elected as speaker. The elections did not go without its usual drama. The councillors objected about the first lot of ballot papers which were numbered, and they were destroyed.

In her acceptance speech Mabale-Huma acknowledged the hard work that lies ahead for her administration. “We need to do our work without fear or favour,” she said.

Eskom Pylons meet their match

Rustenburg/ Zinniaville/ Shylock/ Moedwil – Two pylons near Moedwil were struck by lightning on Saturday 20 November, causing power outages in the area. Due to the geographical area, the pylons were rather inaccessible.

Strong winds and a piece of missing (stolen) steel caused a pylon in Zinniaville to tip over.

Stolen car used in CIT heist

Rustenburg – A stolen maroon Mercedes Benz was used in a cash-in-transit (CIT) heist by a group of heavily armed robbers who blew up a G4S van near the Rustenburg Civic Centre on Sunday 21 November. Police are looking for the suspects who rammed the vehicle (registration number JZG 985 NW) into the van and forced it to stop. Security guards were forced out of the van at gunpoint. The gang blew up the van and escaped with an undisclosed amount of money. “Shots were fired between the suspects and the escort vehicle, but nobody sustained injuries. The suspects are believed to have fled the scene in various vehicles including a white Q7,” said Hawks national spokesperson colonel Athelda Mathe. Video footage showing people picking up cash at the crime scene were widely circulated on social media. Mathe warned community members about the dangers of approaching a crime scene that may contain explosives. “It is possible that not all of the explosives detonate at the time a robbery is committed”.

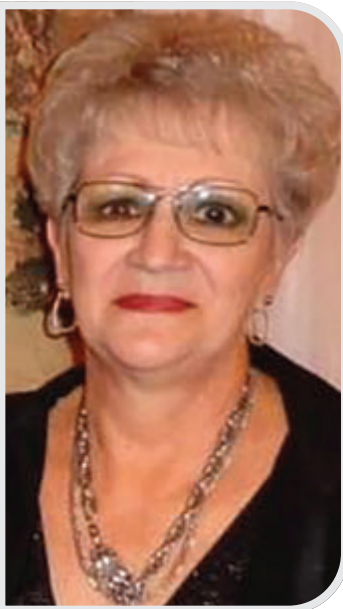

The suspects rammed their vehicle into the G4S truck.

Eskom Pylons meet their match

Rustenburg/ Zinniaville/ Shylock/ Moedwil – Two pylons near Moedwil were struck by lightning on Saturday 20 November, causing power outages in the area. Due to the geographical area, the pylons were rather inaccessible. Repairing the poles and pylons were no easy task. At one of the sites, a Babcock crane could not access the pylon. Another vehicle had to be hired to dismantle and plant the pole. Working around the clock, the power to that area was finally restored at around 23:00 on 23 November. Meanwhile, another team was attending to a vandalised pylon in Zinniaville. According to Democratic Alliance ward 43 councillor, the steel at the bottom of the pylon was forcefully removed and when the wind picked up during the afternoon of 20 November, it tipped over leaving residents without power for more than 24 hours. *Platinum Weekly* reached out to Eskom, but at time of going to print, no response was received.

The pylon has been restored.

Hunger strike ends in death

Chipungare's remains were retrieved.

Mogwase – The North West Department of Health is still waiting for the results of an autopsy to establish what caused the death of a woman, accused of murdering her husband with a hammer and dismembering his body with a spade.

National Prosecuting Authority (NPA) spokesperson for the North West Henry Mamathome confirmed that the murder case against 42-year-old Nancy Majonhi, who handed herself over to the Sun City police after confessing to killing her husband, has now been closed after her death.

“She passed away on 12 November due to undisclosed health complications. The matter was officially closed on 16 November in court,” Mamathome said.

In 2015, she admitted to killing her husband and getting rid of parts of his body in three different pit toilets. She was admitted to hospital under police guard. Apparently, she refused to eat while in police custody. Majonhi was accused of bludgeoning her husband, Prosper Chipungare (44), with a hammer. She reportedly hacked his body with a spade and disposed of his body. Then she reported her husband as missing at the Sun City police station.

According to brigadier Sabata Mokgwabone, the incident took place in a rented room in Ledig on 28 July 2015, after the couple had a fight. After the incident, Majonhi went home to Zimbabwe, where she confessed to her family and in-laws that she had killed her husband.

The families arranged to come to South Africa, and Majonhi handed herself over to the Sun City police. She then showed the police where she buried the remains of her husband’s body. A skull and bones were retrieved, and DNA tests were underway.

Conveyer belt fire causes major pollution

Rustenburg – The dark smoke billowing from a pile of conveyor belts took days to finally subdue. The fire broke out on a property on the Koster road (R52), turning off from the N4, near Mogro Lodge on Tuesday 23 November. According to the owners of the property, the conveyor belting caught fire after someone set the veld alight. They apparently try to limit the damage caused if a fire like this should break out on their property by stacking the conveyor belting into blocks (sections with open space in between).

The cloud of smoke could be seen from afar. Neighbours pitched up to ensure that the fire is contained, but they could not extinguish the fire as water is of no use if you have rubber burning.

The fire brigade could also not do much as they only had water and no foam, which is needed to fight these types of fires. Apparently, their budget does not allow for foam. Long after the heap of conveyor belting burned out, it was still smouldering. The smoke from conveyor belts burning is highly toxic.

Sheila Mabale-Huma, our new mayor!

Rustenburg – Hitting the ground running, our new executive mayor councillor Sheila Mabale-Huma who were voted into office on Monday 22 November during a special sitting, promised to urgently attend to service delivery challenges facing our communities. Councillor Mabale-Huma of the African National Congress (ANC) was voted in as Rustenburg’s executive mayor and ANC councillor Koketso Mogomotsi was elected as speaker. The elections did not go without its usual drama. The councillors objected about the first lot of ballot papers which were numbered, and they were destroyed. In her acceptance speech Mabale-Huma acknowledged the hard work that lies ahead for her administration. “We need to do our work without fear or favour,” she said. The ANC managed to secure 43 of the 90 seats during the elections held on 1 November. However, their coalition with the African Christian Democratic Party (ACDP), the United Democratic Movement (UDM), African Independent Congress, and the Forum For Service Delivery (F4SD) paved the way for Mabale-Huma’s appointment to the position of mayor.

The Democratic Alliance (DA) in Rustenburg has opted to not enter into any coalition agreement. DA councillor Luan Sneiders told *Platinum Weekly* that the party, which won 13 of the 90 seats, had carefully weighed their options before arriving at their decision. “The DA is in no coalition or voting block with any political party,” Sneiders said. Botho Community Movement (BCM), which won a single seat, has also revealed that they will not be going into a coalition with the ANC this time around. Said BCM leader councillor Ofenste Kombe: “We are not in a coalition with anyone. We have been on record before the election that we would not be going into coalitions. We tried to come to an agreement with other opposition political parties for us to vote together but we could not agree,” Kombe explained. While the Economic Freedom Fighters (EFF) managed to retain their position as the official opposition in Rustenburg after securing 17 seats, the failure by the red berets to come to any voting agreement with the DA means the two parties are unlikely to work together to oppose the ANC in council.

Fire destroys Yebo Wholesalers in Zinniaville

Zinniaville/ Rustenburg – The Yebo Wholesalers building was badly damaged and most of the merchandise destroyed in a fire on Friday 19 November. The fire broke out at around 12:30, allegedly while Zinniaville was experiencing water shortages. As the flames engulfed the shop, owners and employees of nearby businesses joined hands with community members in an effort to put out the fire. Firefighters from Rustenburg Local Municipality and Royal Bafokeng Nation arrived at the scene and although the blaze was eventually extinguished, the damage was done. An employee from a nearby shop told the *Platinum Weekly* that the Rustenburg

Firefighters only arrived after those from the Royal Bafokeng Nation. Municipal spokesperson Thapelo Matebesi said that it is a common occurrence for personnel from the Royal Bafokeng Nation to assist during emergency situations. “The idea is to maximise personnel so that the emergency can be effectively dealt with. I will have to verify reports that there was no water,” Matebesi said. Luckily nobody was injured by the fire and at this stage the cause of the fire is unknown. Rustenburg police spokesperson sergeant Ofentse Mokgadi said that a case has not yet been opened regarding the incident.

The damage caused by the fire is a huge setback for Yebo Wholesalers.

Baby kidnapper pleads guilty

Rustenburg/ Marikana – A 32-year-old woman from Marikana pleaded guilty to kidnapping charges after the state proved before the Brits Regional Court how she took the baby of another woman and pretended it was her own. Investigations by warrant officer Obed Ramahoyo from the Rustenburg Family Violence Child Protection and Sexual Offences Unit (FCS) established that Dibuseng Rapitsi kidnapped the infant in 2018 and pretended it was the twin of her own child. Rapitsi was sentenced to eight years behind bars on Wednesday 17 November 2021 thanks to Ramahoyo’s airtight evidence. His investigations took him to Kwa-Zulu Natal where the two children were found living with Rapitsi’s boyfriend. Both children have since been taken to a place of safety. “When the mother of the kidnapped baby died mysteriously, her baby was kidnapped. Rapitsi then took off with both kids to the coast,” police spokesperson Ofentse Mokgadi said. The grandmother of the kidnapped infant opened a case of kidnapping. “Rapitsi was arrested in December 2019. DNA evidence in court proved she did not have twins,

which was contrary to her claims after she was questioned during police investigations. Her bail application was successfully opposed,” Mokgadi said. It was during her trial that Rapitsi pleaded guilty to kidnapping the child.

The crime breadcrumb trail led warrant officer Obed Ramahoyo to Kwa-Zulu Natal.

Brendin se moordbeskuldigdes, skotvry

Ondersteuners in Senekal.

Wyle Brendin Horner

Senekal – Volgens die burgerregteorganisasie AfriForum is die verwikkelinge in die Brendin Horner-saak om verskeie redes uiters kommerwekkend. Die twee beskuldigdes, Sekwetje Mahlamba (32) en Sekola Matlaletsa (44) is op 19 November ook onskuldig bevind aan skaapdiefstal nadat die moordklagte teen hulle laat vaar is voor die Vrystaatse Hooggeregshof.

Brendin, 'n jong plaasbestuurder van 21, is wreedaardig vermoor en met 'n tou vasgemaak aan 'n paal van die plaasheining in Oktober 2020 in Senekal, Vrystaat.

Jacques Broodryk, AfriForum se bestuurder van Veldtogte, sê inligting oor polisiebetrokkenheid by veediefstalsindikate in die Vrystaat doen lankal reeds die rondte. “As jy dit in ag neem, is dit skokkend dat dit die polisie oënskynlik 'n jaar geneem het om te beseft dat die DNS wat op die toneel gevind is, nie met die verdagtes s'n ooreenstem nie, veral nadat een van die beskuldigdes reeds erken het dat hy by die moord betrokke was. Die feit dat Boy Khambule, die staatsgetuie in die saak, nou sy getuie nis verander het, kan vir seker die indruk skep dat iemand by die saak inmeng.”

Hierdie nuwe verwikkelinge bevestig weer eens AfriForum se standpunt dat plaasaanvalle as 'n prioriteitsmisdaad geklassifiseer moet word sodat sake deeglik, sonder enige inmenging, ondersoek kan word.

AfriForum het ook 'n regsverteenwoordiger aangestel om die hofverrigtinge by te woon en sodoende te verseker dat dit volgens die boek verloop. Volgens Broodryk verdien Horner en die duisende ander slagoffers van plaasmoorde en -aanvalle geregtigheid en indien AfriForum vermoed dat die owerhede inmeng of dat onbevoegdheid die verhoor beïnvloed het, sal die organisasie beslis privaat vervolging oorweeg.

Die spesialisondersoeker Mike Bolhuis, gaan ook die moord op Horner ondersoek. 'n Ondersoekspan is onderweg na Vrystaat.

Jailed again for contravening presidential pardon

Rustenburg – A man was sentenced to 10 years' imprisonment by the Rustenburg Magistrates' Court on Thursday 18 November after he was found guilty of contravening his presidential pardon conditions by committing a business robbery. Police spokesperson sergeant Ofentse Mokgadi said Tshegofatso Maruma was convicted of stealing seven laptops worth R90,000. In court, the state proved how Maruma was caught red handed with the seven laptops he had stolen from offices located in Landros Street.

His attempt to outrun a security guard proved futile after a community member also joined the chase and together apprehended him. “During his arrest, one of his previous victims residing around the vicinity managed to identify him and immediately contacted detective constable Morongwa Makhoye, who handled his housebreaking case in 2019,” Mokgadi said. Mokgadi said Maruma was granted a presidential pardon after being sentenced to five years imprisonment for housebreaking.

TAKE ACTION!

Koster – Recently, Koster has become the target of various criminal activities. From vandalised electrical sub-stations to attacks on farmers – everyone is affected.

A safe community is one where members know each other, share information with each other, are familiar with their local environment and report all suspicious and criminal activity to police.

A community policing forum (CPF) is one of the structures used for crime prevention within a community. The establishment of CPFs were provided for in section 221(2) of the Constitution and section 19(1) of the South African Police Services (SAPS) Act 68 of 1995.

Even though the police remain the operational authority, this remarkable group of individuals work hand-in-hand with them in making our community safer. To effectively prevent and respond to crime, police need continual feedback, support and collaboration from members of the community.

A CPF forum consists of volunteers who give their time -free of charge- to patrol while the rest of us are sleeping soundly. The increase in visibility can dissuade people from committing a crime. Therefore, they need more volunteers to assist them in their mission to combat crime.

“I would like to urge the community to stand together and get involved. By working together and looking out for each other we can make a difference,” said Koster CPF chairperson Pieter Cloete.

“We are living in a time where we have to look out for each other and stand together in the fight against crime. Now is the time to get involved. Simply complaining about the crime in your community will not make a difference. We all need to take an active role.”

To become part of the solution and get involved with the Koster CPF, contact Cloete on 073 121 9213.

By increasing visibility, crime like the sabotaging of the sub-stations can be curbed!

Pet poisoning doing the rounds

Rustenburg/ Koster – If social media is anything to go by, local incidents of dog poisoning has increased over the past week. A Koster family lost their beloved husky after it was poisoned by criminals on Sunday 21 November. “Our hearts are broken; he was still a puppy and now we fear for our other dog. I don’t let her out unless I am with her,” the distraught dog owner said in an interview with *Platinum Weekly*.

In another incident on 20 November, a Rustenburg family’s boerboel was poisoned leaving yet another family mourning their pet and terrified that intruders will return now that their trusty guard dog is no longer there to warn them.

Tips for protecting your dog from being poisoned:

- If you suspect that your pet has been poisoned, immediately rush it to a veterinarian.
- It is better to keep your dogs in the back yard if you are not at home.

- Keeping dogs inside during the night can prevent them from being poisoned.
- In the morning, before you let your dogs out, check the yard for suspicious objects or ‘snacks’ that could have been left by criminals.
- If you do find something suspicious, do not pick it up with your bare hands.

This beloved husky was poisoned by heartless criminals.

HI LITTERBUG!

[Letter to the editor]

Rustenburg – I remember a song from my childhood called Morsjors: “Morsjors, tel op jou papiere. Morsjors, waar is jou maniere? As jy hier wil woon, hou die plek dan skoon... anders dan trap ek op jou toon.” Basically, it’s about telling a litterbug that if he wants to live here, he must keep the place clean, otherwise you will step on his toes...

This weekend while driving through town, I wanted to step on a few toes!

I know many areas in our city looks like a rubbish dump, but I was completely appalled by the amount of people just throwing their rubbish out the car window helping to create these ‘dumps’. While driving from Waterfall East to the Central Business District, I saw no less than four people doing this. Tissues, fast food boxes, bottles, and papers.

Can I just ask why? Would it really take too much of you to just wait until you get home to throw the stuff away? You don’t want to have a dirty car, but you don’t mind living in a dirty town. Most of the stuff that you throw out comes in bags – **USE THE BAG**. If you don’t have a bag nearby **KEEP THE RUBBISH IN YOUR CAR AND OFF OUR STREETS**.

I know of a few people that use the excuse: ‘But it’s job creation because the government pays people to clean it up’. No, it’s not... it’s disrespectful, disgusting and against the law. Under section 27 of the National Environmental Management: Waste Act 59 of 2008, “No person may (a) throw, drop, deposit, spill or in any other way discard any litter into or onto any public place, land, vacant erf, stream, watercourse, street or road, or on any place to which the general public has access, except in a container or a place specifically provided for that purpose”.

Next time, I will report you!

Flashflood warning!

[Press release, extracts]

Various flashfloods were recorded in several parts of the country lately. A flashflood, mainly caused by a rapid change in climate, is usually coupled by a heavy hailstorm and comes and goes quickly. It leaves behind a trail of property damage and injuries. These bitter-sweet occurrences, although destructive, improved water levels greatly. Members of the public are advised not to participate in any form of water activities in heavy flowing rivers and at isolated dams. On hot summer days, children love playing near water, be it in stagnated water, dams, rivers or swimming pools. Children should never be unattended when near water. The Department of Water and Sanitation calls on those who practice baptisms or traditional ceremonies in rivers to be vigilant as the water levels in the rivers are still high. Water is a very powerful force and should not be taken lightly. In areas that are affected by flash floods, extreme caution should be taken around places of water.

BLACK MODE PHARMACY

HOSTS SEMINAR ON FINANCIAL LITERACY

Facilitators were on hand to answer any questions

Black Mode Pharmacy, in partnership with WageWise, recently hosted a seminar on financial literacy in Rustenburg where participants were equipped with skills to better manage their finances. Attendees were mentored on how to interpret their payslips, deductions and retirement benefit statements. They were encouraged to consider suitable financial products and services as well as to put in place a proper financial plan for their families. The workshop was very significant and comes as the country is experiencing challenging and unpredictable economic challenges, owing to many factors linked to the negative effects of the Covid-19 pandemic. Each of the participants were also presented with a workbook containing important information about the advantages of debt counseling, a person's rights under the National Credit Act, insurance cover, short-term saving options, investment options and other financial subjects. After the presentations, participants also had an opportunity to interact with financial management experts from WageWise.

LIGGIES VIR LEWE-FEES 2021, 28 NOVEMBER TOT 1 DESEMBER

Rustenburg – NG Proteapark se jaarlikse Liggies vir Lewe-Fees vind hierdie jaar van 28 November tot 1 Desember plaas. Die tema van hierdie jaar se fees is: ONS GEE.

Die Rustenburg-gemeenskap word hartlik uitgenooi om hierdie opelug skouspel te kom besigtig. Die Liggiefees-projek het in 2015 ontstaan toe NG Proteapark se kerkgebou vir die eerste keer deur liggies versier is. Hierdie jaar word nuwe liggies bygevoeg – dit is meer as drie kilometer se liggies!

NG Proteapark nooi almal oor om die geboorte van Jesus en die betekenis van Sy sterwe wat uitgebeeld word in liggies, te aanskou – 'n besondere Kerservaring. Daar sal weer uitstallers wees by die fees; en nie een stalletjie verkoop dieselfde produkte nie. Dit is tussen 16:00 en 21:00 om die atmosfeer van 'n nagmark te skep. Dis 'n fees van liggies en uitstallings! Kom kry sommer ook jou aandete by die verskeie kosstalletjies.

- **Sondag, 28 November** tree Ruhan du Toit op, waarna die liggies aanskakel sal word. Die optrede begin om 18:30. Dis gewoonlik 'n besondere geleentheid wat menige mense na hul asemi laat snak.
- **Maandag, 29 November** om 17:00 word daar "laser tag" in die Teatro vir oud en jonk aangebied. Bring jou vriende en daag mekaar uit!
- **Dinsdag, 30 November** om 17:30 kom kuier 'Bee Bee die By' vir die kleinspan! Pryse word uitgegee vir die oulikste bytjies!
- **Woensdag, 1 Desember** om 16:00 word daar 'n Sterkmankompetisie aangebied. Kom wys jou spiere en wys jou krag! Daarna, om 18:30, word die Liggies vir Lewe-Fees afgesluit met Kersliedere. 'n Nuweling in die musiekwêreld, Thabang Malan, is deel van die Kerssangskouspel – moet dit nie misloop nie!

Tussendeur alles gaan NG Proteapark se gewilde treintjie, die Liggie-Express, weer die kleingoed rondtrips. Kom wees deel van hierdie besondere geleentheid en laat jou liggie helder vir Jesus skyn! Die kerk se liggies kan elke aand tot en met 25 Desember besigtig word.

Vir verdere navrae kontak die kerkkantoor by 014 533 4028, dr Deon Strauss by 083 627 5085 of bemerkingsbeampte Christel Herbst by 082 785 2439.

Verlede jaar se fees was 'n reuse sukses!

WATER SAFETY TIPS

SA – Children love water and don't always realise the dangers associated with it. Anyone can have a water-related accident — even children who know how to swim. Bathtubs, drains, buckets and even fishponds can be just as dangerous as a swimming pool.

find it. Every second counts and you don't want to waste time to search for a number.

- If you have any open water bodies near your home, teach children to never go near water without adult supervision. Even if they are in a group and can swim.

An accident can happen very quickly and that is why you have to take all the necessary precautions you possibly can to keep your child safe from drowning.

What to do in a drowning situation?
The child should be removed from the water and placed on a flat surface. When you find yourself in a situation where you have to apply CPR start with the basics of HHH.

- Any open water containers should always be emptied.
- If you have a swimming pool, make sure it has a fence around it. The fence shouldn't block the view of the pool from outside the fenced area and ensure that the lock cannot be opened by a young child.
- Never leave a child alone in the bathtub or in the care of another child.
- During gatherings, adults who know how to swim can take turns being the 'designated watcher,' who isn't distracted.
- Don't leave toys in the pool. Children might innocently try to get them and fall in.
- Teach children how to swim once they are ready.
- Learn Cardio Pulmonary Resuscitation (CPR).
- Save emergency numbers on your phone and keep it in a spot where you can easily

Hazard – Make sure that the environment around the child or person is safe and there are no obstacles.

Hello – See if the child or person is responding to your voice.

Help – Make sure emergency services are contacted for help.

CPR should be started immediately and should be continued until emergency services arrive.

Learn how to apply CPR!
Trauma Rescue offers courses on first aid levels 1, 2 and 3. This includes CPR. Contact them today to make an appointment.

PROVERBS 15 VERSE 1 - 12

1A soft answer turns away wrath, But a harsh word stirs up anger. 2The tongue of the wise uses knowledge rightly, But the mouth of fools pours forth foolishness. 3The eyes of the LORD are in every place, Keeping watch on the evil and the good. 4A wholesome tongue is a tree of life, But perverseness in it breaks the spirit. 5A fool despises his father's instruction, But he who receives correction is prudent. 6In the house of the righteous there is much treasure, But in the revenue of the wicked is trouble. 7The lips of the wise disperse knowledge, But the heart of the fool does not do so. 8The sacrifice of the wicked is an abomination to the LORD, But the prayer of the upright is His delight. 9The way of the wicked is an abomination to the LORD, But He loves him who follows righteousness. 10Harsh discipline is for him who forsakes the way, And he who hates correction will die. 11Hell and destruction are before the LORD; So how much more the hearts of the sons of men.

YOUR FRIDAY FUN FACT

Did you know?

High-producing, well-fed backyard hens can lay up to 250 eggs per year. This is because it takes 24-26 hours to create each egg. Hens take a natural break each year for molting (losing feathers and re-growing them) – often as days get shorter in the fall.

Taung – The generosity of Shoprite customers in the Free State resulted in 200 learners in Taung, North West, each receiving a new pair of school shoes.

The funds were raised via shopper donations to Shoprite's Act For Change Fund till-point donation facility, and beneficiary organisation Meals on Wheels identified a need at the Thuso Primary School.

Shoprite ensured that each learner received a kit containing their school shoes, as well as polish, a shoe brush and a snack pack. The supermarket chain also donated two microwaves, two kettles, crockery as well as various gardening tools to the school. Grocery items including 10kg bags of samp, rice, maize meal, flour and sugar were donated by Meals on Wheels, while the Shoprite Mobile Soup Kitchen was also on hand to serve the school's learners with a nutritious meal.

Shoprite press release extracts, 24 November

Wat is my regte wanneer ek in 'n motorongeluk beseer is?

Min dinge in die lewe is so traumaties soos om te beseer te word tydens 'n ongeluk. Het jy geweet ... Indien jy of 'n geliefde beseer is in 'n motorongeluk (behalwe wanneer die bestuurder die oorsaak van die ongeluk was), of indien jy 'n afhanklike is van 'n oorlede padongeluk-slagoffer, kan jy moontlik 'n eis teen die Padongelukkefonds indien. Die Padongelukkefonds is 'n openbare entiteit wat befonds word deur 'n brandstofheffing wat by die prys van petrol en diesel ingesluit is. Die doel van die Padongelukkefonds is om te vergoed vir verlies of skade as gevolg van ligamlike beserings weens die nalatige bestuur van 'n voertuig op Suid-Afrikaanse paaie.

Ná hoe lank moet ek 'n eis indien?

Indien die identiteit van die oortrede bestuurder of eienaar van die voertuig bekend is, moet die eis binne drie jaar vanaf die datum van die ongeluk ingedien word. Dit is nie van toepassing by die eis van 'n minderjarige nie. Indien die identiteit van die persoon onbekend is, moet die eis binne twee jaar ingedien word.

Waarvoor kan ek eis?

- 'n Eis kan uit die volgende bestaan:
- Gelede en toekomstige hospital-en mediese uitgawes
 - Gelede en toekomstige verlies van inkomste
 - Algemene skadevergoeding vir pyn, lyding en verlies van lewensgenietinge.
 - Gelede en toekomstige verlies van onderhoud in die geval van die afhanklike van 'n oorlede slagoffer
 - Begrafnisuutgawes

Report all crime!

SA – All crime must be reported! If a crime was committed on your property, YOU MUST open a case.

When crimes are not reported, the fight against crime is already lost – regardless of whether the cops follow up. It is your responsibility and as a citizen, your moral duty.

You cannot blame the police for their service, or lack thereof, if you're not going to report cases. Also, you can't follow up on anything if a case has not been opened. This information is used to compile the crime statistics and if you don't report cases, the statistics won't reflect the correct information.

Reported cases are the crux of fighting crime in an area. The more cases that are reported in a particular area, the more police members are deployed in that area. In other words, if there is too little manpower in a particular area, it is because people do not report or open cases.

There have been reported instances where police have refused to assist complainants to open criminal dockets. If this happens to you, you can report it at the South African Police Services National Complaint Centre.

National Crime Assist (NCA) would like to reiterate the importance of opening a case. The case needs to be opened by the owner of the property so that there is a record of the person that has been apprehended.

Even if there is nothing that you can charge the perp with, in the case if he has not been found with stolen property... his details will still be on file – helping the next case should his name appear. This gives authorities legal backing if the person is caught again. This is being proactive regarding the fight against crime. It also makes the hard work and effort from crimefighters worth the while.

- NCA response members work pro-bono assisting in case of emergencies, and often crime related instances. Can you imagine the disappointment when a suspect was caught, only to be released because the prosecutor decided not to open a case? They do their duty, please do yours.

Why are statistics or record keeping of crime important?

When looking at *modus operandi*, cases could possibly be linked. When a specific crime is intensified in a particular area, residents can be warned, and vigilance will increase. Patterns can be picked up, problem areas can be identified – promoting pro-active crime combatting.

Dog poisoning

If suspects who poisons dogs are identified, a case should be opened at the police against the suspects. If there are no suspects to be linked to the poisoning, insist that the police write the poisoning incident in the incidents book. You can also ask that they give you a reference number. The police occurrence book (OB) or the incidents book is read through and signed off by the station commissioner every day.

Don't waste the system's time and money

It is a serious matter if you are going to lay a complaint against someone and open a case. It's not something you can use as extortion against someone. I t sometimes happens that people open cases and then retract the case after a week or two. You are wasting the system's time and money. It's a huge amount of administrative work and in the meantime, there are important matters that could have been addressed.

Goliath wins this round!

Rustenburg – Grenville High School is proud of Brimarion Goliath who has been chosen to represent South Africa at the 2021 African Schools Individual Chess Championships (ASICC). The talented Goliath will be hoping to hold his own during the championships, which will take place in Kenya from 12 to 20 December 2021. Every chess master was once a beginner and Brimarion is definitely on the path

to success. Meanwhile, grade 8 and 9 learners from the school participated in their first junior South African National Geographic Olympiad (SANGO). The learners accepted the challenge and immensely enjoyed learning about Geography. Well done to the following learners who made it to the top 15% in the country: Thulaganyo Nthebe (bronze), Lemogang Molose (silver: top 10%) and Bothhale Nkuna (gold: top 5%).

Brimarion Goliath will represent South Africa in a chess tournament in Kenya.

Back from left: Ms A Nieuwenhuis, Lemogang Molose and Mr E Chauke. Front from left: Bothhale Nkuna and Thulaganyo Nthebe.

Bobaas Juffie!

Rustenburg – Juffrou Reiniet van der Westhuizen het die ‘Hoof se Trofee’ ontvang vir 2021. Die toekenning gee erkenning vir die ekstra myl wat sy gestap het en vir haar toewyding teenoor die skool en leerders.

Laerskool Dawid Brink skoolhoof Craig Olivier (links) en juffrou Reiniet van der Westhuizen.

Boxing champions in the making

Rustenburg – A total of 25 young boxers from the North West will represent the province during a national tournament to be held in Gqeberha, Eastern Cape from 14 to 18 December 2021. The boys and girls will be competing in the cadets (12-14 years) and juniors (15-16 years) under the auspices of the South African National Amateur Boxing Organisation (SANABO) and with the support of the Department of Arts, Culture, Sports and Recreation. The young North West boxing prodigies were chosen from a provincial tournament that took place on Saturday 20 November in Rustenburg where all four districts were represented. "The tournament in Rustenburg and the provincial selections mark important milestones in our quest to bring boxing back to life in the province," remarked provincial Arts, Culture, Sports and Recreation MEC Virginia Thapi.

Rustenburg boxers excelled in the tournament.

WORLD RUGBY

Engeland vs Suid-Afrika
Op Twickenham klop Engeland – voor 84,000 luidkeelse singende toeskouers – die Bokke in 'n riller wedstryd met 27-26 ou grote. Uitgeslape Engelse coach Eddie Jones se taktiek om die Bokke voor aan te vat het soetsappige vrugte afgewerp. Die Bokke se verdediging het hulle telkemale in die steek gelaat. Laat mens nou maar reguit en eerlik erken... die Ingelse was op die dag beter as die Bokke. Die jong Engelse losskakel, Marcus Smith, was skitterend! Vir die Bokke het yster Eben Etzebeth 'n reuse game gehad. Dat hy nie as een van die wêreld se vyf beste spelers vir 2021 aangewys is nie, is absurd. En so terloops, nie een All Black is ook op die kortlys nie! Die Bokke se werk vir 2021 is nou gedane sake. Die enigste troos is dat hulle nog darem nog die eerste plek op die Wêreld Ranglys beklee met NZ in die tweede plek. Maar die verloor teen die bleekbene word maar swaar afgesluk. So terloops, dit was slegs die tweede keer in wêreld rugby geskiedenis, dat die Noordelike Halfrond spanne al die Suidelike Halfrond spanne geklop het!

URC RUGGAS

Die United Rugby Championship (UCR) reeks skop ook weer eerskomende naweek af. Die Suid-Afrikaanse spanne sal hopelik hier op tuisbodem beter presteer ou grote. Van die Bolle sal ook seker stelselmatig terugkeer na hulle unies wat die plaaslike spanne 'n groot hupstoot sal gee. Die grote op die kaarte vir nou, is die game tussen die Bulle en Munster. Munster word afgerig deur 'n voormalige Blou Bul... Johann van Graan.
