

Rustenburg – On Sunday 28 November the lights started shining again at this year's Liggies vir Lewe-Fees hosted by NG Kerk Proteapark. This annual festival started in 2015 when the church building was decorated for the first time in Christmas lights. It was the brainchild of reverend Deon Strauss who is passionate about giving something back to the Rustenburg community.

Since then, the festival has grown from strength to strength and it is now a beacon of light for the Rustenburg community at this time of year. With the lights that have been added this year, more than three kilometres of lights bedazzle the church.

The theme for this year was *Ons Gee*, expressing their giving spirit of ploughing back into our community. The main beneficiary of Sunday's collection was Rustenburg Skool vir Buitengewone Onderwys. Nineteen children from the Lighthouse Children's Home also had the opportunity to enjoy the magnificent display of lights. They were treated to a ride on the famous Liggie-Express, a mini-train that takes the children on a wonderland lights tour through the church grounds. The kids were also treated to free pancakes and ice cream.

2 COLLEGE STUDENTS DROWN

Broederstroom/Hartbeespoort - Strategic Response and Rescue Unit (SRU) and National Sea Rescue Institute (NSRI) Hartbeespoort Dam were called to a resort in Broederstroom on Tuesday 30 November, where the bodies of two college students were found floating in the pool. People at the resort started CPR on the two until emergency services arrived. The victims, a 19-year-old girl and 21-year-old man could not be resuscitated. The bodies of the deceased were taken into the care of Government Health Forensic Pathology Services. Police have opened inquest dockets.

Two college students (in their twenties) drowned in the swimming pool of a local resort.

COUNTERFEIT BANDITS TRY THEIR LUCK

The fake note that fraudsters tried to pawn off to businesses.

Rustenburg - The counterfeit note bandits are at it again. In a recent incident a vigilant business owner, Jaco Smit, stopped the culprits in their tracks when they tried to buy items from him using a fake R200 note on Monday 29 November. "I was at my stall in Koster when the man handed me the R200 note. The paper just didn't feel right, and the colour was a bit off, so I took the note and told him I am going to call the police. He immediately left," Smit said. This is not the first incident in Koster, where they tried to scam business owners out of their money. In August a perpetrator tried his luck at several stores before a liquor store owner took the money and wrote the word fake on it, preventing the person from trying his luck at the next store. Banks refuse to take the counterfeit cash resulting in business owners losing money. Businesses are urged to report any incidents such incidents to the SAPS.

A win for the community

Buffelspoort/Rustenburg - Rustenburg Landelike Diens, Buffel Sekuriteit and community patrols responded to an active crime scene in the Maanhaarrand area outside Rustenburg on Wednesday 24 November. A community member who noticed something was wrong, alerted them about suspicious activity in the veld. Buffel Sekuriteit employee Jan de Beer, was the first to respond. On their arrival the suspects fled on foot leaving their getaway vehicle and loot behind. The tracks were followed to a location where it is suspected that they were picked up by another vehicle. It was later established that a nearby camp ground had a break-in where a lot of stuff was stolen. The goods were returned to them. In a separate incident on 27 November, they received a call from people near Buffelspoort reporting a man who was on their premises trying to provoke them to come out

The suspect fled leaving their loot in the veld.

of their house. He knocked on their door saying someone said he could sleep there. The man was told to leave the premises and security in the area was informed. During a check in, they found the suspect rummaging through the barn and confronted him. He started to get aggressive and was subsequently arrested.

"We would like to urge the community to be vigilant. You need to keep an eye out for any suspicious activity and report it. As a community we need to stand together to keep these criminals at bay. Get involved with your community patrols because the visibility can make a criminal think twice about targeting a property," said Buffel Sekuriteit and Rustenburg Landelike Diens owner Charl Visser.

This is a huge success for the community patrols Buffel Sekuriteit and the Buffelspoort valley as a whole.

IMPALA RUSTENBURG: 4 FATALITIES IN 2 DAYS

Rustenburg - Search and rescue operations continued around the clock since the underground mud-rush incident at Impala Rustenburg's 6 Shaft, which took place on Sunday 28 November 2021. Eight search and rescue teams from Impala Rustenburg and other mining companies were engaged in clearing accumulated material in their search for the five missing employees. The teams reached the affected area mid-afternoon. The search and rescue teams recovered the bodies of three Impala employees. Their families have been notified and are receiving counselling and support. Two employees were, however, successfully rescued from the area and transferred to hospital for treatment. They are both in a serious but stable condition. All operations at Impala Rustenburg's 6 Shaft

remain suspended and Impala continues to work closely with the Department of Mineral Resources and Energy and other stakeholders. • This regrettably follows a separate incident at the Impala 16 Shaft mining complex on 27 November 2021 in which a contract employee was fatally injured during underground drilling operations. Implats CEO, Nico Muller, said: "The safety of our employees is our utmost priority. It is with deep regret that we record these incidents, which comes at a time when we have made significant improvements in the Group's safety performance, with several historic safety records achieved in the past year. Our thoughts and prayers remain with all involved." Our deepest sympathies lie with the families, friends and colleagues of those whose lives were lost in these tragic accidents.

COP FINED R12 000 FOR LOSING FIREARM

Rustenburg – A police officer will have to pay R12 000 or face a year in jail after the Bafokeng Magistrates' Court in Tlhabane found him guilty of negligent loss of a firearm.

Constable Fortune Godwin Moemise from Rustenburg Detectives was handed the sentence on Thursday 18 November.

This was after he was convicted of an incident in which his service pistol, which he had left at his girlfriend's house on 20 August 2020, was used by another person to commit attempted armed robbery and attempted murder.

Said police spokesperson brigadier Sabata Mokgwabone: "He was sentenced to R12 000 or 12 months imprisonment, half of which is suspended for five years on condition that he is not convicted of contravention of Section 120 (s) of the Firearms Control Act, 2000 (Act No. 60 of 2000) during the period of suspension."

After the constable left the firearm, a friend to the girlfriend allegedly used it to commit attempted armed robbery and attempted murder.

"The friend was arrested and charged separately for attempted armed robbery and attempted murder as well as unlawful possession of a firearm and ammunition," Mokgwabone said.

The firearm has been recovered by the police and it is not clear if the constable will face further disciplinary measures by the SAPS for the misconduct.

"The matter is still being dealt with departmentally," Mokgwabone said.

Rapist apprehended after two years

Rustenburg – After two years on the run, a notorious rapist was finally caught in Nigel, Gauteng on Wednesday 3 November.

The accused currently faces a charge of rape and is expected to appear before the Rustenburg Magistrates' Court on 20 January 2022.

FAMILY ATTACKED ON FARM

Rustenburg – Five armed attackers caught a family off guard in their home on a farm in Modderfontein outside Rustenburg on Thursday 25 November.

The family was busy watching television when the suspects entered through a sliding door. They were tied up and separated and the grandmother and two grandchildren were taken upstairs. The father and son were assaulted, and the attackers demanded firearms and money.

Police spokesperson Captain Aafje Botma confirmed that the suspects managed to flee the scene in the family's white Toyota Hilux with firearms, ammunition, a television, clothes, and money.

A case of house robbery is being investigated.

A spike in drinks being spiked

Rustenburg – The South African Police Services (SAPS) in Rustenburg has warned members of the community who frequent taverns and restaurants to always keep an eye on their drinks to ensure that they do not get spiked. Rustenburg police spokesperson sergeant Ofentse Mokgadi said there has been an increase in reported robberies where criminals drug the drinks of unsuspecting victims before robbing them. Said Mokgadi: “We have recently had reports of such victims who frequent taverns, restaurants and parks and we urge the community to be careful and to always watch their drinks. “In most cases men are the victims. They take

the women who approach them to their homes, only to doze off after having a spiked drink, and wake up to find that they have been robbed.” He said a number of these crimes have been prevalent in Tlhabane and parts of the central business district (CBD). “A number of cases are being investigated and no arrests have been made yet,” Mokgadi added. Meanwhile, Mokgadi also warned community members against using secluded ATMs as this also puts them at risk of being robbed. “It is not advisable to withdraw money late at night, at a secluded area, because criminals may be watching your every move,” Mokgadi said.

A special thank you from Rustenburg Skool vir Buitengewone Onderwys

Thank you for showing so much compassion and care for our school. We at Rustenburg Skool vir Buitengewone Onderwys say: Thank you very much! We are grateful for the generous contribution, and we can assure you that it is a great outcome for many of our learners and their families.

Rustenburg Skool vir Buitengewone Onderwys department head Hanno Kruger, project manager Hanaliza Swart and NG Kerk Proteapark reverend Deon Strauss with the donation cheque handed over to the school.

READ FROM PAGE 1...
Throughout the festival, delicious food and unique gifts are sold from the stalls. As usual the crowd was left breathless once all the lights were turned on. Laser tag was on the programme on 29 November. It was great fun for young and old, who challenged each other in this fast-paced game. The third day of the festival was aimed at entertaining the kids. Bee Bee came to visit and entertain the youngsters with educational

song and dance. During the final day on 1 December muscles were on display in the strongman competition. The festival ended with a performance by Thabang Malan and Christmas carols. A cheque for the funds raised was also handed over to Rustenburg Skool vir Buitengewone Onderwys. "It's so nice to conduct church in such a unique way - the lights tell the story of Jesus' life from birth. Thank you to everyone who supported us in various

ways. We are grateful for a community that strengthens our hands," said reverend Strauss. Rustenburg Skool vir Buitengewone Onderwys would like to thank NG Kerk Proteapark and the community for their continued support. The lights will remain on until 25 December and members of the community are invited to come and appreciate the display of lights in honour of our Lord Jesus Christ.

Have you ever shouted at someone in public?

There are many reasons why people have public outlashes, but most of the time it is just because we let our emotions get the better of us...

No, I believe in being calm and in control. Shouting doesn't solve any problem. We should learn to be more tolerant.

Octovia Molefi

No, I'm not that type of person. I have only shouted in public during an emergency situation for safety reasons.

PROVERBS 1 VERSE 1 - 13

¹The proverbs of Solomon the son of David, king of Israel: ²To know wisdom and instruction, To perceive the words of understanding, ³To receive the instruction of wisdom, Justice, judgment, and equity; ⁴To give prudence to the simple, To the young man knowledge and discretion — ⁵A wise man will hear and increase learning, And a man of understanding will attain wise counsel, ⁶To understand a proverb and an enigma, The words of the wise and their riddles. ⁷The fear of the LORD is the beginning of knowledge, But fools despise wisdom and instruction. ⁸My son, hear the instruction of your father, And do not forsake the law of your mother, ⁹For they will be a graceful ornament on your head, And chains about your neck. ¹⁰My son, if sinners entice you, Do not consent. ¹¹If they say, "Come with us, Let us lie in wait to shed blood; Let us lurk secretly for the innocent without cause; ¹²Let us swallow them alive like Sheol, And whole, like those who go down to the Pit; ¹³We shall find all kinds of precious possessions, We shall fill our houses with spoil.

Karate stars shine

Rustenburg – Four karate students training under renowned martial arts instructor kancho Albert Venter performed exceptionally well during a competition held in Brits from 8 to 10 October. Liam Janse van Vuuren, Grosjean Labuschagne, Abu Patel and Zinneerah Patel stood out head and shoulders above the rest at the competition. Van Vuuren won a gold medal in the kumite, kata and

grappling contests before he also scooped a silver in the Bo Kata. Labuschagne won two gold and one bronze while Abu and Zinneerah, who are siblings, scooped a gold and three silver medals in the kata events they took part in. The four karate stars were congratulated by Venter, who is the founder of Traditional Styles Known Knowledge in Action (TSKKIA) All Styles.

Abu and Zinneerah Patel won a gold and three silver medals respectively.

Liam Janse van Vuuren won four medals.

Grosjean Labuschagne scooped three medals.

World Rugby Sevens Series

Dubai Sevens

Die Blitsbokke skop die nuwe seisoen af met 'n super vertoning in Dubai die afgelope naweek. Dit is nou die agste keer dat die Blitse hierdie toernooi wen! Die Blitse klop die VSA in die finaal met 'n rekordtelling van 42-7. Maar die dag het aan die nuweling Ronald Brown behoort. Hy skitter en teken 25 van die Bokke se punte aan wat ook 'n drie puik drieë insluit. Wat hierdie jong man se prestasie so merkwaardig maak, is dat hy sy stryd met kanker oorwin het, en herstel het op so 'n mate dat hy weer rugby vir die Blitsbokke te kan speel. Ronald is in 2019 met *Hodgkin's Lymphoma* gediagnoseer en verloor elf kilogram in agt maande. Die naam JC Pretorius moet ook genoem word. JC speel kookwater *ruggas* en word tans gereken as een van die beste sewespelers op planeet Aarde! Die Blitse was onoorwonne in die eerste toernooi in die reeks. Die uitslae:

- Ierland 28 - 7
- Japan 52 - 12
- Ierland 28 - 7
- Australië 29 - 5 (kwart-finaal)
- Argentinië 17 - 7 (semi-finaal)
- VSA 42 - 7 (finaal)

Die Blitse sal weer eerskomende naweek in Dubai in aksie wees vir die tweede rondte.

United Rugby Championships

Covid-19 veroorsaak chaos in die hervatting van die United Rugby Championships (URC) reeks ou grote. Al die *games* wat die afgelope naweek hier in SA moes plaasvind, is toe op kort kennisgewing afgestel weens die reisverbod wat ingestel is deur Brittanje. Die vier SASpanne gaan nou eerskomende naweek hulle *games* teen mekaar speel wat hulle in Februarie 2022 sou speel.

Die bepalings is as volg:

Vrydag 3 Desember

- 19:00 - Sharks vs Bulls

- 21:45 - Leinster vs Connacht

Saterdag 4 Desember

- Benetton 19 - 18 Glasgow Warriors
- Dragons 14 - 30 Edinburgh
