

# R10m theft lands pair in hot water

**Rustenburg** – It is not yet clear if Sitona Mining will recover the more than R10 million that was stolen from the company, [allegedly] by two former employees from 2014 to 2019. Dinah Dorothea Botes (40) and Alicia Gwanathon Cullingham (32) appeared before the Rustenburg Magistrates’ Court on Monday 13 June on theft charges after they were arrested by the Hawks. Botes allegedly transferred more than R9.3 million into two of her personal accounts before disguising the source of the money. She is facing 126 counts of theft and one count of contravening the prevention of crime act (POCA). Cullingham – who also allegedly used the same method to transfer more than R1 million into her account during the same period – is facing 18 counts of theft and 21 counts of contravening the POCA. “Both of them were working in the accounts department where they were handling payments. The money was not recovered,” North West Hawks spokesperson captain Tlangelani Rikhotso told *Platinum Weekly*. Botes and Cullingham were granted R30,000 and R15,000 bail respectively and the matter is likely to be transferred to the regional court for their next appearance on Friday 8 July. Sitonia Mining responded to questions from *Platinum Weekly* through their lawyers, Van Velden-Duffey: “We cannot comment on any pending criminal and/or civil matters until such a time as they have been finalised in court. We can however confirm that two suspects have been arrested in relation hereto.”

# Guilty!

**Rustenburg** - Gerhard Jansen van Vuuren was found guilty in the Gauteng High Court sitting at the Palm Ridge Magistrates’ Court on Monday 13 June. He stabbed his ex-girlfriend, Andrea Venter, to death at the entrance to her housing complex in Fourways, Johannesburg on 2 May 2011. Afterwards, he attempted suicide by cutting his throat and laying down next to her body. He managed to evade arrest for several years by fleeing the country. He was later tracked down and arrested on 18 June 2020 in Rio de Janeiro, Brazil. Jansen van Vuuren pleaded not guilty on account of intermittent explosive disorder (IED). A diagnosis made by a psychiatrist during January 2022. But the court found him guilty of premeditated murder of Venter and the assault of a security guard who was on duty the day she was killed. After 11 years Venter’s father Dries Venter (from Rustenburg) is relieved that his

daughter’s murder has finally been found guilty and justice has prevailed. The matter will be back in court on July 27 for sentencing procedures.

# Missing boy’s remains found

**Mogwase** – The 14 January 2022 issue of *Platinum Weekly* reported on the disappearance of 8-year-old Tlotso Mogomotsi Moilwe from Mogwase on Saturday 25 December 2021. Tlotso was spending Christmas day playing with friends when he went missing. Police spokesperson colonel Adele Myburgh confirmed that the boy’s remains were found and positively identified. “We can confirm that subsequent to investigations into the missing eight-year-old Tlotso Mogomotsi Moilwe of Mogwase as reported in December 2021, bones and clothes were found in January 2022,” said Myburgh. “Although the mother confirmed the clothes as those of the missing person, the bones were sent to the Forensic Science Laboratory (FSL) for DNA tests, which came back positive,” Myburgh added. She said a reward of R50 000 that was offered for information leading to the whereabouts of the boy has now been withdrawn. A murder and kidnapping case is being investigated by Mogwase Detectives and Goitsemodimo Bridgette Bojosi (28) will make another appearance at the North West High Court sitting in Mogwase on Wednesday 3 August 2022.

## Impala Rustenburg's 2022 Career Expo impacts 6 500 local learners

**Rustenburg** – Impala Rustenburg's innovative and invaluable mobile Career Expo returned this year, showcasing a wide range of career opportunities in the mining industry to 6 500 youth in grades 9 and 11, throughout May 2022. This is the second Impala Career Expo in a two-year cycle, bringing the total number of high school learners reached, to 12 200. The Career Expo 2022 visited 14 high schools in nine villages in the mining community, all of which are supported by Impala Rustenburg. The Expo programme educated and equipped learners with information about what they can look forward to if they opt for a career in the mining industry with Impala Rustenburg or another mining company. Mark Munroe, Impala Rustenburg's chief executive, says the Career Expo is directly in line with the mining company's goal to inspire young people to reach their full potential and build a better future for Rustenburg, as well as with government's aims for Youth Month 2022 to bring more young people into the economy through youth development and empowerment programmes. Principal Mabel Mutle, head of Charora High School in Chaneng, was delighted at the impact the Career Expo had on her learners. "We have not had a career expo at this school before and I was very impressed. It made a big difference to our learners, it motivated them to rethink their future and gave them hope for a successful career."

## Retail Skills Development Programme changes the future for Intelligent Mashele

**Intelligent Mashele is one of the learners who is participating in the life-changing Retail Skills Development Programme – a one-year training programme that aims to build skills and create job opportunities in the retail sector for the youth in our mine communities.**

The inaugural programme is an impactful initiative being undertaken in a partnership between Impala Rustenburg and the Royal Bafokeng Nation. Investing in programmes that enable the youth to be gainfully employed in growth sectors outside the mining industry is one of the ways in which Impala Rustenburg is committed to contributing to a better future for our mining communities and the youth.

Intelligent shares his thoughts on the impact of the Retail Skills Development Programme on his future.

### Tell us about yourself?

I am from Kanana Village and I attended various schools and finished my matric at Matetenene High School in Rankelenyane. I enjoy writing poems and I am busy with a collection of poems about my life which, when I'm ready, I would like to turn into a book.

### What does the Retail Youth Development Programme involve?

We started with some theory sections where we attended classes to learn all about the retail industry and to learn skills needed to have a job in the industry – things like stock management, store operations and general workings of a retail store. I am currently doing my practical at Romans Pizza at the Rustenburg Mall as the next step in the programme, and we'll be going back to finish our theory classes in the next few weeks. We will then write our final exam.

### Which parts of the programme have you enjoyed the most?

I have really enjoyed the programme as a whole so far, but I have specifically enjoyed the practical part - working with people, learning how managers operate, experiencing how to deal with customers and learning on the job.

### What has the programme meant to you?

I was so happy when I was accepted because I saw it as an opportunity to get a qualification and to further my education, which I did not have the means to do upon completing my grade 12. My brother and I are the bread winners for our family, and it means I can provide for my family because we earn an allowance while doing our practical work. I am very thankful to Impala Rustenburg, Summit, and to Royal Bafokeng Nation for giving me this opportunity, and also to my family for supporting me and pushing me to do it.

### What is your advice to other young people?

Always push yourself, even when things get hard. Think of yourself as a seed and plant roots to build and grow. Also, always take as many opportunities as you can.

“

*I am very thankful to Impala Rustenburg, Summit, and to Royal Bafokeng Nation*

# Learners riot at school

**Rustenburg** – A video showing kids rioting and vandalising school property on Wednesday 7 June was circulated on social media. It was later established that the children in the video are learners at Geelhoutpark Secondary School and the incident prompted an oversight inspection of the school by the Democratic Alliance (DA).

Rustenburg Local Municipality (RLM) DA caucus wip Nelio Nhacuangue released a statement on 10 June regarding their visit to the school:

The DA in the RLM is calling for immediate action to address a number of issues that are disrupting learning and teaching at the Geelhout Secondary School. The school is facing serious challenges of ill-discipline, fighting, and bullying. Even during our visit to the school, we witnessed the sheer ill-discipline, fighting and the smoking of marijuana by some learners.

It is evident that there is a serious breakdown in respect between teachers and learners feeding a general culture of ill-discipline at the school. The disrespect teachers must endure is not only concerning, but also disappointing. The Department of Education must carry out a swift and thorough investigation into the events leading to continuous disruption of learning and

teaching at the Geelhout Secondary School and work closely with the parents and the community to prevent similar incidents in the future.

The DA believes that bullying and violence have no place in schools which are meant to be safe places for all learners.

**DA press release extracts.**  
In an interview with *Platinum Weekly* a parent of one of the learners shared his concern: “Before this happened, we had a meeting with the school to address some of the issues and together tried to come up with solutions. One of the teachers started crying saying that he doesn’t know what to do anymore because the kids are just not listening to them. It is tragic as they are the ones responsible for upholding the discipline in the school. What worries me even more is that the school didn’t even report the incident to the parents, and I only found out after seeing the video on social media. Apparently a memorandum with serious allegations that needs to be addressed was handed over to the principal.”

*Platinum Weekly* reached out to the school for their comment, but they declined to answer. At the time of going to print we had not yet received feedback from the Department of Education.

## Disrespecting the dead...

**Rustenburg** – Shocking incidents at a local funeral parlour show that some people do not accord the dead the respect they deserve.

Bafa Funeral Services is being targeted by thieves, who have now broken in thrice between April and May 2022. Bafa Funeral Services manager Onica Tshelane told Platinum Weekly that two doors and four computers were stolen by the thieves, who have been breaking the windows to gain entrance. "In May, they broke in and took the doors of the toilets. The alarm did not go off but we noticed the break in the next day after reporting for work," Tshelae said. "On 15 May, they came back and stole two computers. They returned some days later and took two more computers. "The computers we

have lost to them are worth about R12 000. It is not normal for thieves to break into a funeral parlour and we had to enhance our security interventions," she added. A barbed wire has been placed goes around the pre interventions while C inside. "We have re police and they are said.

# Stop domestic violence!

**Rustenburg** – The South African Police Services (SAPS) in Rustenburg are doing their bit to end the scourge of domestic violence and child abuse. On Wednesday 8 June 2022 the Rustenburg SAPS domestic violence and victim empowerment unit – in partnership with its victim friendly room – visited various shopping malls. They handed out pamphlets to members of the community while urging them to spread awareness around the need to end domestic violence and child abuse.

## CIT Heist suspects caught

**Rustenburg/Boitekong** - Siyanda Junior Dlamini (37) and Manqoba Mavuka, two alleged cash-in-transit (CIT) robbers, appeared before the Rustenburg and Orlando Magistrate's Courts on Thursday 9 June.

The duo was arrested following investigations into a CIT robbery that took place on 6 June in Boitekong. They are facing charges of armed robbery with aggravating circumstances, possession of ammunition and unlicensed firearms.

"It is alleged that on Monday, two G4S security officers collected money from several shops at Boitekong mall and drove off in their armoured vehicle when they were suddenly rammed into by a vehicle on the R510 four-way stop," said Hawks spokesperson Captain Tlangelani Rikhotso.

According to reports an unknown number of suspects allegedly started shooting at the armoured vehicle with rifles and disarmed the security officers of their 9mm pistols.

The suspects then allegedly bombed the AV and took an undisclosed amount of money and fled the scene in multiple vehicles.

A multi-disciplinary team consisting of the Hawks' Serious Organised Crime Investigation units in West Rand and Rustenburg, Crime Intelligence, Gauteng Highway patrol and Road Traffic Management Corporation (RTMC) operationalised the information on hand and utilised all available resources to trace the suspects.

Dlamini and another male were stopped by JMPD officers in Soweto on 7 June. The other man allegedly jumped out of the vehicle and ran off. The vehicle was searched and a Norinco pistol was found leading to the arrest of Dlamini. Shortly after, the man who ran off returned and after firing at police officers a shootout followed. He subsequently fled the scene again.

Mavuka was traced and arrested in Tlhabane where he was found in possession of a traffic officers' uniform, a 38 Revolver and a 303 Rifle. Dlamini appeared in court on 14 June for formal bail application, meanwhile Mavuka was released on R10 000 bail and the matter was postponed to 30 November for further investigation.

The Provincial Head of the Directorate for Priority Crime Investigation in North West major general Patrick Mbotho lauded the team for the swift arrest and encouraged them not to stop now as there are still more suspects on the loose. "Let us strike now while the iron is still hot" he said.

REPUBLIC OF SOUTH AFRICA

North West Department of Social Development key achievements  
and new service delivery plans for 2022/23 financial year

Social Development MEC - Ms Boitumelo Moiloa

Migration of ECD to Education

The Department of Social Development will continue to provide the necessary support to the Department of Education following President Cyril Ramaphosa's pronouncement in his 2019 State of the Nation Address (SONA) that early childhood development should be moved to the department of education to improve the development of children and the quality of early education as enshrined in the National Development Plan Vision 2030.

On the 1<sup>st</sup> April 2022, all registered and unregistered ECD centres including eighty one posts from the department of social development were transferred to the department of education. The Department of Social Development remained with other functions such as child protection, psycho-social services, access to social services and parental support programmes. Other remaining services are partial care facilities that relate to aftercare services, private hostels and respite care centres for children with disabilities.

Job creation

An amount of R19, 339 200 has been set aside for the creation of work opportunities which are in line with the EPWP ministerial determination.

Women empowerment

The department has provided a basket of interventions in the form of equipment and stock to women owned entities and small businesses as part of the support to sustain their livelihoods.

Youth Development

The department has budgeted an amount of R8m to implement a National Youth Service (NYS) programme, targeting 1000 unemployed young people who have been profiled from the deprived wards and assessed to be change agents within their respective households.

Tackling Gender Based Violence

The Department of Social Development will strengthen District Gender Based Violence Coordinating structures. Departmental plans are at an advanced stage to develop a comprehensive LGBTIQ+ (Lesbian, Gay, Bisexual, Transgender, Intersex, Queer Plus) programme with the aim of preventing victimisation of LGBTIQI community and promoting tolerance and social cohesion.

The department has budgeted R15m to strengthen and fund 23 Non-Profit Organisations to enable them to continue to provide care and support to victims of GBV and crime. Furthermore the department has launched Orange Day initiative to eliminate all forms of violence by wearing an orange colour on the 25<sup>th</sup> of every month.

Capacity building of NPOs

The department will provide capacity building to 2 530 Non-Profit Organisations (NPOs) in areas of good governance, compliance monitoring support, resource mobilisation and financial management. Most NPOs do not comply with the NPO Act and their non-compliance is a serious concern to the legitimacy and vibrancy of the NPO sector to partner with government and the private sector. The department will undertake 'Your NPO Status' campaigns to all districts to enhance their compliance to NPOs Act.

Social relief of distress programme

The Department of Social Development continues to provide social relief of distress in the form of food parcels, sanitary towels and school uniform to households that experience hunger and undue hardships. The target for this year, is to provide food parcels to 16 000 households across the province. A total of 5 500 vulnerable women including teenage girls will receive dignity pack on a monthly basis.

Solidifying services for older persons

The department has thrown its weight behind the Premier's flagship project on the establishment of a new old age home in Matlosana Local Municipality. The project, which is at the planning stage is in honour of the late Archbishop Desmond Emerald Tutu. The department will continue to collaborate with the Office of the Premier, Dr Kenneth Kaunda District Municipality and other stakeholders to ensure that this directive is realised.

In the year under review, over 1 982 older persons have enjoyed the residential care services across the province. This impressive figure is despite some hurdles, experienced in Greater Taung old age home, which delayed the official opening following some structural defects and heavy storms that damaged its roof twice in November 2021.

The repairs have been done on the state-run facility, which is at 95% practical completion. The facility has finalised the recruitment process of the key nursing staff and the department is now working towards operationalising this facility in the current financial year. As it is with all funded

residential care facilities, the department will ensure that they comply with the norms and standards as stipulated in the Older Person's Act 13 of 2006.

Substance abuse prevention and rehabilitation services

In 2021/22 financial year service users accessed treatment services at JB Marks Treatment centre. The Department has also reached 65 942 people through substance abuse prevention programmes across the province.

The department will intensify its collaboration with all other stakeholders and funded NPOs in the implementation of the Drug Master Plan that responds to the scourge of substance abuse through programmes on prevention, support, treatment and aftercare. An amount of R4,2m has been set aside to fund eight organisations to provide aftercare and prevention services in the communities. The department also registered six community and private organisations that also deal with the treatment and rehabilitation of substance abuse.

In the current financial year, the department will facilitate the establishment and resuscitation of Local Drug Action Committees in collaboration with local municipalities. Furthermore, the department will intensify substance abuse prevention programmes at TVET colleges in order to curb the risk and increase in substance abuse disorder among the students.

NDA and SASSA plans for 2022/23 financial year

National Development Agency (NDA) North West has been allocated R2m to implement its primary mandate of contributing towards the eradication of poverty and its causes by granting funds to civil society organisations and this will see the creation of three hundred (300) work opportunities in the current financial year.

SASSA will contribute to poverty reduction by continuing to provide social assistance to older persons, people with disabilities, children and people facing undue hardships. With regard to access to Covid-19 SRD grant, an additional qualifying and assessment criteria has been added in the new applications and those in need of assistance will have to reapply for this grant even if they were previously in receipt of the grant.

The entire application system remains a purely digital process, thereby enabling quick access and turnaround times. Applicants should browse through SASSA website to apply for the grant

**How can you protect yourself from phishing scams?**

- Do not open or respond to emails from

- unknown sources.
- Beware of emails that ask for personal, tax, banking and eFiling details like login credentials, passwords, pins etc.
- According to SARS's website, they will never request your banking details in any communication that you receive via post, email, or SMS. # 'GUILTY ON ALL COUNTS'

## NSPCA wins animal abuse case for dog that was beaten and buried alive

**Molorwe (close to Moruleng) –** For two years, National Council of Societies for the Prevention of Cruelty to Animals (NSPCA) inspector Matome Semenya and inspector Oageng Mosito remained steadfast in obtaining justice for a dog they rescued during the investigation of an animal abuse case that the NSPCA will never forget.

On Thursday 9 June 2022, NSPCA inspectors Matome and Oageng honoured their duty as inspectors, when they won the NSPCA case against Samuel Modise, a man who has brutally beaten a dog and buried the animal alive in his backyard.

On 13 April 2020, the NSPCA responded to a gut-wrenching complaint in Molorwe village, North West. The owner of the dog informed the NSPCA that her dog had been brutally attacked by her neighbour, Samuel Modise, and that Modise refused to let the owner see her dog after the attack.

The NSPCA was accompanied by members of SAPS to Samuel Modise's property, where Modise admitted to violently beating the dog with a spade and a brick. He further claimed that the dog had died. Modise attempted to conceal the body from the NSPCA stating that the dog had already been buried. Eventually, with the assistance of SAPS, the NSPCA was able to obtain the location of where the dog's body was being kept by Modise- a bush behind his property. When the shallow grave was dug up by the NSPCA inspectors, they made the shocking discovery .... the dog... was still alive!

The dog was found severely injured, covered in blood and certainly breathing her last in excruciating pain. Given the extent of the injuries that she sustained, the only kindness the NSPCA could extend at that point was to humanely euthanise her, surrounded by people who would never forget her torture, and who would fight for justice to be served! A case was then opened against Samuel Modise by the NSPCA. Both, NSPCA inspector Matome and inspector Oageng remained dedicated to obtaining justice for the dog, and pursued this case religiously for the past two years. Modise even attempted to have the case withdrawn from Court, claiming that he was trying to protect his goats from the dog, but NSPCA inspector Matome fiercely defended the NSPCAs case to keep it in Court. Magistrate Herbert Modiba, from the Mogwase Magistrates' Court, found Samuel Modise guilty on all counts. Modise was fined R1,000 for his crime, and now has a criminal record. The NSPCA hoped that Modise would have faced direct imprisonment for his crimes. Samuel Modise used a spade and a brick to beat the dog so violently that her eye even popped out of its socket. Modise then, knowing the dog was alive and in pain, intentionally inflicted further suffering to the dog by burying her alive – condemning her to a slow and torturous death. These acts of violence by Modise can only be regarded as premeditated, inhumane and barbaric. There should be no place in society for humans that display such aggression to helpless victims! Today it is our animals, tomorrow it will be our children.

# Boston, 26 years of quality education

**Rustenburg –** Boston City Campus and Business College hosted a successful networking session on Wednesday 8 June 2022.

The session, held at their administrative offices in Rustenburg, provided an ideal platform for managers and employees to share important information to prospective students and stakeholders in the tertiary education sector.

In their remarks, branch managers Sikholiwe Mashele and Francinah Chauke reminded everyone present that Boston City Campus and Business College is ranked among the best tertiary institutions in the country.

Israel Mafologela and Patricia Makgopela, who both work at the college's offices in Rustenburg, gave insights into the day-to-day activities at the college. "With us you can study anytime, anywhere. Our online learning system ensures that the physical location of our students does not have to be a barrier. Our graduate plus programme is designed to assist students to get employed after they complete their courses," Mafologela explained.

Makgopela said the college's flexible payment options are tailored to assist students. Former student at Boston City Campus and Business College, Zvekhe Mthethwa, said he acquired various skills while studying towards his marketing degree. "During Covid-19, Boston was very adaptive to the pandemic and empowered us with online skills that we still use today."

## Have your say / Sê jou sê

Have you ever grown your own vegetables or fruit?

Yes, I've grown my own vegetables. I fell in love with gardening while I was attending primary school. Planting veggies is now in my blood and when I sell them to people, it makes me happy to know that they are not going to bed on an empty stomach.  
**Goitseman Tiholoe**

Yes. I have a vegetable garden at home. I would also like to start a garden at our school so that we can teach all the learners about entrepreneurial skills!  
**Patricia Weeks**

Do you do your bit for food security?  
Growing your own food can save you a lot of money but waiting for months and tending to your garden can seem like more of a burden than just going to the shop.

Yes. I've grown my own vegetables and fruits. It has always been my desire to grow my own crops and sell them for a profit. As time goes on, you start learning that what you put your heart into and have passion and patience for, will eventually yield good results.

PSALM 24

The King of Glory and His Kingdom  
A Psalm of David.

24 The earth is the Lord's, and all its fullness,  
The world and those who dwell therein.  
2 For He has founded it upon the seas, And  
established it upon the waters.  
3 Who may ascend into the hill of the Lord?  
Or who may stand in His holy place?  
4 He who has clean hands and a pure heart,  
Who has not lifted up his soul to an idol, Nor  
sworn deceitfully.  
5 He shall receive blessing from the Lord,  
And righteousness from the God of his  
salvation.  
6 This is Jacob, the generation of those who  
seek Him, Who seek Your face. Selah  
7 Lift up your heads, O you gates! And be  
lifted up, you everlasting doors! And the King  
of glory shall come in.  
8 Who is this King of glory? The Lord strong  
and mighty, The Lord mighty in battle.  
9 Lift up your heads, O you  
gates! Lift up, you everlasting  
doors!  
And the King of glory shall  
come in.  
10 Who is this King  
of glory? The Lord of  
hosts, He is the King of  
glory.

**Olifantsnek/ Rustenburg** – Join in the fun fundraiser for the Engelbrecht-family on Saturday 2 July. They lost their livelihood when a fire broke out in their barn on 27 May. The barn was filled with fodder to sell during the winter. [Read more about this in Platinum Weekly's front page article of 3 May.] The highlight of the fundraiser is the colour fun run that kicks off at Olifantsnek's petrol station at 7am. You can choose between a 2km, 5km or 8km walk or run. The best part is that it's filled with colour and the R150 entree fee covers the powder also.

It's going to be a fun day for the whole family with stalls and entertainment for young and old. You can help by participating in the colour run, sponsoring prizes or water, or volunteering as a marshal for the run. Tickets are available at WA Wessels Attorneys at 200 Joubert Street or Olifantsnek's fuel station. **For more information contact Jalene Barnard on 064 122 6234 or send an email to accounts@questtrb.co.za.** If you are able to contribute financially, payments can be made into the WA Wessels attorneys trust account.

# Do you agree with Bafana's coach?

**SA** – South Africa's senior national football team coach Hugo Broos has got people talking following his statements about the standard of football in the country. The coach, while being interviewed by Independent Online (IOL) following the national team's 2 – 1 defeat at the hands of Morocco in their opening African Cup of Nations qualifier, was quite negative about the standard of football in the country. "It's time now to face the real problem. And what is the real problem in South Africa? It is that we don't have those high-quality players, like our last three opponents, Ghana, France and Morocco," he said. "When you see the players of Ghana, 90% of the players are European-based. France, I don't have to explain, all the players are playing in big European teams", Broos added. "Again, let's face the problem in South Africa. The problem is, the level of our PSL is not high enough," Broos said. "We don't produce high-quality players," Broos concluded. Well, his remarks drew a lot of attention on social media platform Twitter with some agreeing to his sentiments while others vehemently disagreed. What do you think?

# Show your support for the community

**Rustenburg** – The Timbati Veld Market has taken Rustenburg by storm and with the massive success of the previous two, the date for the third market has been set. Make sure to mark your calendar for Saturday 2 July and visit the market near the veld on the corner of Nylrivier and Timbati street, Cashan. The market day is aimed at raising funds to support various organisations in the community. It is a platform where community-based organisations can raise funds, and local companies and entrepreneurs can showcase their products and services. With so many stalls to choose from and just as many organisations to support, there is something for everyone to enjoy.

For the youngsters there will be jumping castles to play on while the grownups do their shopping. A great new edition to the market is the Potjiekos competition. With teams competing for the title of the Timbati Market Potjie champion you can be sure of great fun and great food. The food will also not go to waste as you are allowed to bring visitors. ## Kroondal Meule RESTAURANT & DELI

## The start of something GREAT

Artist Daleen Wille Cronjé and Anita Kok, Kroondal Meule Restaurant and Deli owner share a special moment during the launch.

Vantage Point Band members Jacques Marais, Nasha Marais and Justin Cheek with Daleen Wille Cronjé (on the right).

Artist Daleen Wille Cronjé, with her painting illustrating her sorrow after the loss of her son.

**Kroondal** – Kroondal Meule Restaurant and Deli's warm and welcoming atmosphere welcomed guests to the launch of a magnificent art exhibition on Saturday 11 June. The art exhibition showcasing the work of Daleen Wille Cronjé and Hanneltjie Visser will be on show for the month of June and will also be available to purchase.

The theme for the exhibition is 'Joy Comes in the Morning', words that are very close to Cronjé's heart. Cronjé lost her youngest son in 2017 and tearfully shared her story of how she was inspired to see the beauty and wonder of the world again after realising that God sacrificed his only Son for our salvation. She also said that God brought her and Anita Kok, Kroondal Meule Restaurant and Deli owner, together. They found comfort through a new bond of friendship that started while the event was organised.

"I came to Rustenburg in 1970 and in 1985 I joined the Rustenburg Art Society. When the society closed, our local talent had nowhere to show their work so this project by Kok is a great initiative to give artists exposure," she said. She suggested that churches and others with space available follow in Kok's footsteps so that people can showcase their God-given talents. Cronjé also encouraged the community to support the exhibitions and the artists so that they can continue to pursue their passion. Visser, who was one of Cronjé's mentors could not attend the event but sent her appreciation and good wishes. Attendees had the opportunity to view the artwork, enjoy good coffee and great food all while being entertained by the Vantage Point Band who inspired through praise and worship.

Kroondal Meule Restaurant and Deli has a rich history – a history that Kok wants to preserve. The original machinery together with a hallway filled with old photos all adds to the unique atmosphere that the restaurant has become known for.

The art will be available for viewing and purchase during June.

**Kroondal Meule Restaurant and Deli is open from 08:00 to 16:00, Mondays to Saturdays. For more information contact Kok on 063 966 9450, or pay them a visit in Kroondal across from Aug Behrens SPAR.**

Laerskool Vastrap teachers Juan-Dré Havenga (left) and Danielo Blignaut gave a first aid training course to learners at Rustenburg Skool vir Buitengewone Onderwys.

## First aid training at BGO

**Rustenburg** – Learners at Rustenburg Skool vir Buitengewone Onderwys were taken through a first aid training course at the school on Friday 28 May 2020 by two educators from Vastrap. Juan-Dré Havenga and Danielo Blignaut took 15 learners through the course and presented them with a certificate and a basic first aid toolkit. Havenga and Blignaut – who urged the learners to always prioritise safety during any emergency situation – also answered their questions after the course. Educator at Rustenburg Skool vir Buitengewone Onderwys, Colleen Robbertse, explained why first aid training is very important to learners. "We have a theme in our curriculum, basic first aid, so this training course is in line with that. A big thank you to Laerskool Vastrap and Biblio Plaza, who donated the first aid kits."

# 2<sup>nd</sup> half drawbacks

Impala’s first team vs the University of Pretoria.

**Rustenburg** – Impala Rugby Club’s first team coach Joel Scherman believes better coordination and concentration by his players is key to achieving positive results during league matches. The club lost to University of Pretoria (Tukkies) by a 62-24 margin on Saturday 11 June 2022 – their fifth consecutive defeat in the league. Tukkies took the game to the visitors from the very first whistle and led with a 24-17 score after the first half. While the lively crowd cheered Impala on, their support could not stop Tukkies from eventually winning the match.

“Once again, we did not perform well enough in the second half, but this is a much-improved performance,” Scherman said. “The pace of the matches in this league is much faster. We just have to make sure we maintain our fitness and concentration during the second half.” Tukkies coach Nico Luus applauded Impala for their fighting spirit. “I’m very happy. It is never easy coming here because this is a good club, with proud traditions, so I am happy with the five points that we have managed today,” he said.

## Curriebeker 2022

Die Cheetahs klop die Bulle 35-5 en draf toe uit teen Pumas in Bloemfontein in die een semi-finaal. Die Bulle gaan teen die Griekwas op Loftus uitdraf om te bepaal wie in die finale gaan speel.

Die WP het die Haaie se drome opgedons met 'n 28-21 oorwinning. Wyle oom Dok draai in sy graf om, want dit is maar selde dat sy geliefde seuns nie 'n semi-finaal haal nie. Die Leeus skitter ook in hulle afwesigheid. Maar dit is bemoedigend dat die kleiner unies saam met die groot honne blaf en dalk nog kan verras! *Never say never...*

### Bepalings:

**Saterdag 8 Junie**

- Bulls 02:00 Griekwas
- Cheetahs 02:00 Pumas

**Nag ou grote...**

## United Rugby Championship

### Semi-finaal: Leinster vs Bulls

In Dublin verras die Bulle vriend en vyand en klop die hoog aangeskrewe Ierse span, Leinster, met 27-26. Dit is 'n merkwaardige oorwinning ou grote.

Die Leinster span bestaan feitlik heeltemal uit die Ierse spanlede wat verlede jaar die All Blacks geklop het. Die Bulle het die Iere in verdediging en vaste spel raakgery en hard aarde toe gebring, letterlik en figuurlik.

Hierdie 'sporting miracle' soos sommige mense dit benadruk wys dat jy nooit te groot vir die spel moet word nie. Leinster het die indruk gelaat dat hulle onoorwinbaar is, maar helaas. Marcell Coetzee het met sy vurige spel as leier uitgestaan en sodoende die oond aan die brand

gesteek en sy makkers het nie teruggestaan nie... meedoënloos en kliphard, vuur met vuur vergeld en groot was die vreugde. So die eindstryd is dan 'n noord/ suid derby in Kaapstad teen die Stormers eerskomende Saterdag om 19:30.

### Semi-finaal: Stormers vs Ulster

In Kaapstad moes sowat veertig duisend ondersteuners tot in die 84ste minuut wag om te sien hoe Manie Libbok die wen doelskop hoog, ...baie hoog... oor die pale jaag.

"As" die regter regop paal langer was... "as" is mos verbrande hout of hoe sê ek? Libbok het sy swakste *game* van die seisoen gebêre vir die een, maar vergoed daarvoor met sy wen doelskop. Die ref, ene Adamson, is een van die swakstes wat vanjaar die fluitjie hanteer het. Hopelik kan Jaco Peyper die fluitjie in die finale hanteer.

Die Kapenaars het die manne van die noorde reeds twee keer die seisoen geklop maar in 'n finale is dit maar 50/50. De mooiste van hierdie finale is die feit

dat dit die eerste keer is wat SA spanne deelneem in die URC en windgat genoeg is om die finale te annekseer.

**Lekker ruggas kyk maats!**

## Super Rugby Pacific 2022

Kiwi plesier! Twee Nieu-Seelandse spanne in die 2022 finale. Die Blues moes egter baie hard spook om die lastige Brumbies af te skud. Beauden Barrett was op sy allerbeste en is ook as man van die wedstryd aangewys.

Die Blues kom nou Saterdag 09:05 teen die Crusaders te staan. Wat 'n riller gaan dit nie wees nie!
