CAR PLOUGHS INTO CROWD AT ILLEGAL STREET RACE

Rustenburg – Street racing, although illegal, is ingrained in Rustenburg's culture. Most illegal street racers modify their cars to make them more powerful and much faster. Racing enthusiasts gather with their souped up cars, and spectators cheer to the sound of turbos and the smell of tyres burning to get the adrenaline pumping. The venue for these races has changed over the years to avoid confrontation with the police, but as long as there is a stretch of road where two cars can compete to cross the finish line first, the street racers and spectators show up.

A stretch of road in Zending street has been the latest gathering point for these street racers and it attracts huge crowds. On Sunday 10 July one of the racers lost control of his car and ploughed into a group of onlookers, injuring 15 people.

"I haven't been to the races for years but myself and a group of friends decided to go there on Sunday, just for fun. We were all standing around chatting when we heard something going wrong," a witness told *Platinum Weekly*. The witness was standing about 200 meters from where the accident occurred and at first was not sure what happened. "We heard people were screaming and just saw the smoke and dust," he said. They immediately went to investigate and when they realised that it was a car that drove into the crowd, they called emergency services.

According to police spokesperson brigadier

Sabata Mokgwabone a Volkswagen Polo and Mercedes-Benz collided. The Mercedes ploughed into onlookers and a car that was parked along the street. The crowd scattered in different directions attempting to get away before the authorities arrived while others stayed behind attempting to help the injured until medical services arrived. In a video shared on social media, a man can be heard saying: "There will be no more racing here." ER24, was the first to arrive at the scene and attended to numerous injured people. According to ER24 spokesperson Russel Meiring the patients were assessed, and medics found that

15 people had sustained injuries ranging from minor to critical. Fortunately, there were no fatalities. Mokgwabone confirmed that no arrests have been made.

Democratic Alliance (DA) councillor for ward 43, Luan Snyders who has been very vocal about his concerns, said: "The nonexistence of a traffic fleet in the city of Rustenburg could've prevented this incident of alleged drag racing on Sunday that left numerous people injured. The city should urgently repair the traffic fleet to be more visible to combat illegal acts of racing and crime pertaining to road users."

Emergency services attend to the injured.

Horrific accident on N4 claims 4

Rustenburg – An accident tragically claimed the lives of four people on the N4, about 1km from the Waterfall Mall in the direction of Kroondal, on the evening of Saturday 9 July around 21:20. Employees of Anton’s Towing arrived at the accident scene in which a Volvo, Volkswagen, Toyota bakkie and Mazda was involved. One of the Mazda’s passengers, a teenager, was sitting next to the wreckage, which was quickly being engulfed by flames. They acted quickly and managed to move him away from the vehicle to a safer spot. He informed them that there were more people inside the vehicle. They managed to pull a young girl from the flames. The incident was reported to the Rustenburg Fire Department and while waiting for them to arrive, the tow truck operators attempted to extinguish the fire with fire extinguishers, but it was no match for the raging fire.

Anton’s Towing press release, 12 July 2022

Wreckages of the burnt-out Mazda and Volkswagen Golf.

Trauma Rescue was also dispatched to the scene but on their arrival, three of the people who were traveling in the Mazda had already passed away.

According to paramedics on scene, the girl who was pulled from the burning Mazda would not have survived if it was not for the bravery of tow truck operators Danie Appelgryn, William Nagel and an unknown bystander. Trauma Rescue transported the injured teenagers to hospital.

One of the people traveling in the Volvo also passed away at the accident scene while several others sustained injuries and were taken to hospital. Trauma Rescue press release, 12 July 2022.

Rustenburg – The Afrikaanse Protestantse Kerk hosted a bone marrow donor awareness campaign on Saturday 9 July. Through the campaign, they aimed to inform people about the procedures for testing and donating bone marrow as well as the selection criteria donors have to fulfil. Attendees were entertained by the talented Manie Jackson and Riaan Rust. Well-known foot and mouth painting artist Lezelda Lubbe exhibited some of her paintings and also gave a heartfelt inspirational message to those who attended.

There are often misconceptions about how bone marrow is donated. Representatives of the South African Bone Marrow Registry (SABMR) answered many questions on the day, which prompted more people to sign up as bone marrow donors.

According to the South African Bone Marrow Registry (SABMR), Peripheral Blood Stem Cell Collection (PBSC) is the most likely

method of collecting your stem cells. Blood stem cells are found in the bone marrow and in the circulating blood stream (peripheral blood) but in smaller numbers. On the day of the PBSC donation, blood is removed through a needle in one arm and passed through an apheresis (cell separation) machine that will collect blood stem cells. The remaining blood is returned to you through a needle in the other arm. This process is similar to what is used when donating blood platelets.

Another method... Bone Marrow Stem Cell Collection is seldom used in South Africa, however if it is in the patient's best interest, the patient's doctor might request a bone marrow stem cell collection instead. During this marrow collection process, some marrow is removed from the back of your pelvic bone, using sterile needles and syringes. This is a surgical procedure that occurs in a hospital operating theatre while you receive general anaesthesia.

Kiara needs a bone marrow transplant

Kiara Rossouw was only six months old when she was diagnosed with Fanconi anaemia. It is a rare genetic disease that mainly affects the bone marrow. In 2019, her younger brother who was also diagnosed with this genetic disease, passed away. This 18-year-old needs a bone marrow transplant.

The process to become a bone marrow donor is relatively easy and many people like Kiara urgently need these donations. There are currently less than 100,000 registered donors, making the pool to find a match for those who urgently need it very small.

When you register, and your application is successful, SABMR will dispatch a buccal swab (cheek swab) either via courier or make an appointment for you to complete the buccal swab at one of their closest depots. After submitting a sample, it is sent

Did you know?

A patient and donor do not need to have the same blood type. Matching is based on your human leukocyte antigen (HLA), proteins – or markers – found on most cells in your body.

to SABMR's lab and added to their database. If you match a patient who is in need of a bone marrow transplant, you will be contacted to start the donation process.

"Kiara gives us hope because she wakes up every day and goes on despite the challenges she faces. We would like to thank everyone who registered to become a donor. This also gives hope to many others waiting to find a donor match," said Kiara's father Steph Rossouw.

Screengrab of video footage of the trailer being 'removed' from a property in Thabazimbi.

Pulling the trailer down the rabbit hole

Swartklip/ Thabazimbi/ Northam/ Rustenburg – The camper trailer of a man living in Rustenburg was stolen while he was abroad from 15 to 23 June. Captain Elsabè Augoustides confirmed that a case of theft was opened at the Rustenburg police station.

In the meantime, the suspects advertised this trailer on social media, for R15,000. Natasha Prinsloo from Swartklip immediately made an offer on this 'bargain'.

She paid a deposit of R2,000 and the suspects delivered the trailer to her brother-in-law's residence in Thabazimbi on Monday 11 July. The very next day, the trailer was stolen – from the same location where it was delivered. She took to Facebook and asked for assistance, offering a reward for anyone successful at locating the trailer. Manager at Dinare Security in Thabazimbi, SJ Malan heeded her call and started investigating.

He managed to obtain CCTV video footage of where the trailer was 'taken' from her brother-in-law's property in Thabazimbi on Tuesday 12 July. The video shows the trailer being towed by an Audi. Malan managed to trace the trailer – to a residential address in Thabazimbi. He reported all this to Prinsloo but advised her that without being able to check the VIN number of the trailer at the address in Thabazimbi he could not confirm that it was the very same trailer.

Prinsloo decided to confront the people in possession of the trailer and, accompanied by the police, paid a visit to the address where the trailer was spotted. No one was

home, but Prinsloo identified the trailer at the scene. "The cops declined to open a case of theft," Prinsloo told the *Platinum Bushvelder*.

In the meantime, Malan managed to track the VIN number back to its original owner in Rustenburg. This also confirmed that Prinsloo, unknowingly, bought a stolen trailer.

Out of the blue, Prinsloo was contacted by the suspects. "I received a call from a man telling me: We have another buyer for the trailer. We will refund you." Neither Prinsloo nor the man calling mentioned anything about the fact that the trailer was stolen in Rustenburg, and again from Prinsloo's brother-in-law the day before. Prinsloo replied: "No wait! My husband wants to keep the trailer. We will pay the rest of the money, just bring it to us in Swartklip." Lo and behold, the suspects delivered the trailer to Prinsloo's husband in Swartklip.

Prinsloo immediately informed Malan of Dinare Security, who was assisted by Christopher Booysen of the Thabazimbi CPF to fetch the trailer from Prinsloo's husband and book it in at Northam SAPS' impound.

Malan, satisfied that he did his part, headed back home... But wait for it... On his way back, he passed the very same Audi which was captured on video in Thabazimbi. Malan and Booysen arrested the men in the Audi.

Two men, aged 23 and 29, were set to appear before the Thabazimbi Magistrates' Court on Thursday 14 July.

PAVING THE WAY TO COMMUNITY DEVELOPMENT

Limabix CEO Ernest Mogopodi (left) and Afri Readymix managing director Gerhard Maree signing the contract to make their partnership official.

Rustenburg – Afri Readymix, founded in 2021, specialises in concrete and supplies various clients ranging from big mining companies to the man on the street. Since 2021, the plant has not only grown from strength to strength, they are also now expanding to Boshhoek.

At the heart of Afri Readymix is their communities. That's why they partnered with Luka Independent Makgotla Business Index (Limabix) to make sure that the community of Luka will also benefit from the new plant in Boshhoek.

To cement this partnership, various stakeholders gathered on Wednesday 6 July to witness the signing of the contracts. Limabix received a 31% share in the

Boshhoek plant and there are currently 2,300 individuals within the Luka community who will benefit from this partnership. Afri Readymix employees, who came on board after their retrenchment from the previous plant owners, also received a 10% share in the Boshhoek plant.

“For us it's not only about business, but about giving back to the community,” said Afri Readymix managing director Gerhard Maree.

Limabix chief executive officer (CEO) Ernest Mogopodi said: “We live in a day and age where everyone only looks out for themselves, so we want to be the catalysts of change, when we benefit, the community benefits.”

Various stakeholders gathered to witness the signing of the contract which will benefit the Luka community.

Fighting fire!

Would you like to join Rotary?

Rustenburg – The Rustenburg Kloof Rotary Club put heads together on Thursday 23 June to plan how best to execute their community projects for the rest of the year. Rotary is a non-profit organisation that seeks to bring together business and professional leaders to achieve their objective of providing humanitarian services.

Despite Covid-19 limiting the club's activities and meetings, a few projects still ran in the background. With the lifting of the regulations, members are now enabled to converge and discuss how to resume projects such as raising money to assist needy communities and raising awareness about the plight of the disabled.

During the meeting, Rustenburg Kloof Rotary Club chairman Allan Cartey said: “Our major objective is to grow the capacity

of the club by encouraging as many members as possible to join. If we can have 20 members, for example, we can be more influential in the projects that we embark on because we will be able to form a satellite club.”

Engela Otto, one of the members, explained the benefits of joining a Rotary Club. “Rotary provides an ideal platform for networking experiences while helping and uplifting the community.”

- The meeting also discussed the club's next project of discouraging drivers at shopping malls and other busy public areas from using parking lots reserved for people with disabilities.

For more information, contact Kloof Rustenburg Rotary club chairman Alllan Cartey on 082 820 6533.

Magaliesburg – Every year, fires result in loss of lives and property and having the necessary training in times of trouble, is invaluable.

A collaboration between Obaro Magaliesburg, the Magaliesburg Landowners Forum, Doornhoek Fire Protection Association (FPA) and Ranyaka Community Transformation, the implementation agents for the Nedbank Proud of My Town programme, hosted a fire training day for local FPAs and community members on Thursday 23 June 2022.

Ryan Marsden, Ranyaka community transformation agricultural project coordinator and Doornhoek FPA chairperson Mark Aitchison headed the training session at Hoërskool Bekker near Magaliesburg. They shared vital information on [not only] how to fight a fire, but also shed light on firefighting equipment, personal protection equipment (PPE) and tools.

“You and your people need to have the correct PPE when fighting a fire or it can result in a fine or even worse, someone getting hurt,”

Marsden said.

Aitchison urged community members to make sure that their firefighting kits are always ready to go. He said: “Don't just leave it on the back of your bakkie where things can get lost. Make sure your equipment is serviced and in good working condition.”

They also advised that when you respond to assist with fighting a fire that your team is organised, and everyone knows what their responsibilities are. Responding to a fire as quickly as possible can minimise the damage.

Firstly, you need to call the fire department. When you call in assistance for a fire, don't just send a message on social media and hope someone sees it in time. Call until someone answers, make sure you have the numbers of the fire department, emergency response, your FPA cluster manager and neighbours where you can easily access them.

The presentation was followed by a demonstration on how to use the firefighting equipment to fight fires and how to effectively manage a burning fire break.

DONATE BLOOD FOR FREE MOVIE TICKETS

Rustenburg/ Brits – By donating blood you are giving someone a very precious gift – the gift of life. Every unit of blood can save a minimum of three lives as blood is separated into red blood cells, plasma and platelets. The South African National Blood Service (SANBS) provides an essential service by collecting and distributing blood to those in need. There is a constant need for regular blood supply because blood can be stored for only a limited time before it is used. If saving a life is not motivation enough, the Rustenburg and Brits SANBS now offers two free movie tickets to anyone who donates blood until Sunday 21 August 2022.

What are the criteria to be a donor?

- You must be aged 16 to 75.
- Weigh a minimum of 50 kg.
- You must have eaten something within four hours before the donation.
- You must be feeling well on the day of the donation.

- You must lead a sexually safe lifestyle.
- You must consider your blood as safe for transfusion.

How does it work?

If you meet the requirements of being a blood donor you would be required to fill in a questionnaire regarding your health, sexual health and demographics. You then go for an interview with a staff member who will verify your answers, check your vitals and check your iron content. When all of that checks out, you will then proceed to the cosy donor chair to donate blood.

Where can I donate?

You can donate blood at the Rustenburg SANBS donor centre at Lifestyle Square or at any of the blood drives. Visit the Rustenburg SANBS today, save someone's life and treat yourself to a movie!

For more information about donating blood or establishing a blood drive, call 012 391 2571.

PSALM 32

The Joy of Forgiveness
A Psalm of David. A Contemplation.
32 Blessed is he whose transgression is forgiven,
Whose sin is covered.
2 Blessed is the man to whom the Lord does not
impute iniquity, And in whose spirit there is no
deceit.
3 When I kept silent, my bones grew old
Through my groaning all the day long.
4 For day and night Your hand was heavy upon me;
My vitality was turned into the drought of summer.
5 I acknowledged my sin to You,
And my iniquity I have not hidden.
I said, "I will confess my transgressions to the Lord,"
And You forgave the iniquity of my sin. Selah
6 For this cause everyone who is godly shall pray to
You In a time when You may be found; Surely in a
flood of great waters They shall not come near him.
7 You are my hiding place;
You shall preserve me from trouble;
You shall surround me with songs of deliverance.
8 I will instruct you and teach you in the way you
should go; I will guide you with My eye.
9 Do not be like the horse or like the mule,
Which have no understanding,
Which must be harnessed with bit and
bridle, Else they will not come near you.
10 Many sorrows shall be to the
wicked; But he who trusts in the
Lord, mercy shall surround him.
11 Be glad in the Lord and
rejoice, you righteous; And
shout for joy, all you upright in
heart!

Do you use a diary or planner to organise your schedule?

Using a planner, diary or calendar (or even digital apps) is a great way to organise and plan your day – you can make lists, jot down appointments and plan your priorities. This can also sometimes be very time consuming and not worth the effort.

Yes. I use a diary because it helps me to plan my week. It helps to organise my duties at work and helps me monitor my deadlines.

Tshegofatso Molefe

Yes. I always use my diary. This is a very handy way of reminding me about the tasks that I have to complete. It's very handy when it comes to work or even important personal events.

Impala Rugby Club are hoping to win more lineouts during the second round of league matches.

Impala brace for Centurion test

Rustenburg – Round two of the competitive World Sports Betting Carlton Cup gets underway on Saturday 16 July 2022. The league format of this tournament will see each of the eight clubs playing a total of 14 matches on a home and away basis. In the first round, Impala Rugby Club managed a single win in all their seven matches – a hard fought and well deserved 34-18 victory over Pretoria Rugby Club on Saturday 4 July. The second round of matches will see Impala playing against the same opponents, albeit at different venues this time around.

First up for Impala are Centurion – a team that showcased their ability and skill by emerging as victors with a score of 71-10 on 7 May during the first encounter between these two sides in Rustenburg. “We know them (Centurion) very well and this time we will make sure the match will end in a different score line,” Impala chairman Wynand Burger said. Burger, who also revealed that the club has managed to bring on board five new players, is the first one to admit it will be very tough to overcome Centurion in Pretoria. Besides

their well organised and effective approach to the game, Centurion will also be backed by a passionate crowd during the encounter. “Our five new players will give us a lot of depth and more options, and will definitely make the team more competitive,” he said.

Much will be expected from the likes of Dewald Havenga, Dirkie Pretorius, Johan Visagie, Andre Grobler, Robert Randal, Spiedie du Plessis, who all played exceptionally well during Impala's victory over Pretoria Rugby Club.

Rugby stars making Rustenburg proud

Rustenburg – Impala women rugby team coach Trevor Vissier is proud of the impact that four members of his team have made for the Leopards during the ongoing national inter-provincial league matches.

Four key players of the Vixens, the Impala women's rugby team, are part of the Leopards provincial team that has so far won two of the inter-provincial league matches.

The four – Sapokazi Mlatsha, Angelique Vierra, Abigail Maritz and Lyne Raats – were part of the Leopards team that defeated Valke Women 36-17 at Fanie du Toit Stadium in Potchefstroom on Saturday 18 June. A week after that triumph, Leopards went on to beat Limpopo Bulls at Peter Mokaba Stadium in Polokwane by a 46-5 margin.

The impressive results mean the Leopards

are now in second position on the log standings with 10 points. Valke Women, who have played three games so far, lead the log standings.

The Leopards will be hoping to maintain their winning run when they face Pumas Women on Saturday 16 July in their third match of the competition. Vissier told *Platinum Weekly* that the experience that the four players will bring to the Vixens after their stint with the Leopards will definitely enhance the performance of his team next season.

The Vixens are no longer playing any competitive matches this season after they were knocked out of the league competition. Vissier, assistant coach Peet van Niekerk and the rest of the Vixens team will only regroup early next year to begin their preparations for the 2023 season.

Boost for SA women's football

SA – Seven members of the national women's football team – Banyana Banyana – are among the players that have been nominated for the 2022 Player of the Year award by the Confederation of African Football (CAF).

This development – which comes at a time when Banyana are well on course to win this year's Women's Africa Cup of Nations (WAFCON) – is an endorsement of the success and growth that the sport has been enjoying in this country.

A big well done to Andile Dlamini, Bambanani Mbane (both from Mamelodi Sundowns FC), Thembi Kgatlang (Racing Louisville FC), Jermaine Seoposenwe (SC Braga), Refiloe Jane (AC Milan) and Linda Motlhalo (Djugardens IF).

That no other country in Africa has a higher number of nominees on that list than South Africa is, in itself, a huge achievement for local football.

The big question, from a South African perspective, is: Will the winner of the prestigious accolade come from any of these seven nominees? Well, we will only find out on 21 July 2022, during a ceremony in Morocco to announce the winner.

The awards ceremony will precede the WAFCON finals, which are scheduled to be held two days later.

U20 Summer

Die U20 Summer reeks eindig op 'n hoë noot vir die jong Bokkies. Hulle eindig dus onoorwonne en klop Wallis in die finale met 47-27.

Die Bokkies het verlede week die gunsteling, Frankryk, ook lekker gestamp en wen daardie game 42-27. Hierdie jong manne het deurgaans kookwater ruggas gespeel en sal hopelik in die nabye toekoms vir die senior Bokke kan uitdraf.

Ander uitslae:

- Ierland 41-24 Skotland
- Frankryk 44-17 Georgië
- Engeland 31-38 Italië

Net so terloops... Nieu-Seeland se onder 20's het hulle reeks doer onder gewen!

Suid-Afrika vs Wallis

In Bloemfontein word geskiedenis gemaak ou grote... En weliswaar nie 'n dag wat Bok ondersteuners sal wil onthou nie.

Die Rooi Drake klop die Bokke vir die eerste keer ooit in Suid-Afrika, met 'n telling van 13-12. Nienaber en klie is skielik in 'n situasie waar hulle die reeks kan verloor. Die getorring en getjommel van veertien veranderings aan die span sal Nienaber met sy flou verskonings verklaar.

Dan is dit die Bokke se B-span, dan nie, en dan is dit weer 'n proefneming... en so gaan dit aan. Die getroue 53,000 wat op die pawiljoen

ten duurste betaal het vir 'n toetskaartjie en duisende ander wat die toets op TV gevolg het, is gatvol. Punt.

Die span wat Saterdag in die derde en beslissende toets teen Wallis in Kaapstad gaan uitdraf is basies dieselfde span wat die eerste toets naelskraap gewen het. In die span het Nienaber weer verras en vir Jaden Hendrikse bo Faf verkies... dalk skop hy beter...

Met die neerlaag teen Wallis, het die Bokke toe nou op derde plek op die ranglys geval. Frankryk is nou die nommer een span, en Ierland tweede. Die All Blacks is vir die eerste keer in die vierde plek. So daar is baie om voor te speel die naweek.

Dit is ook die eerste keer in geskiedenis dat die Noordelike halfrond die Suidelike halfrond in al die naweek se games geklop het. Ierland maak geskiedenis om die All Blacks vir die eerste keer ooit in Nieu-Seeland te klop. Engeland wen teen die Aussies en Skotland klop die Pumas.

Die naweek se toetse gaan dan beslissend wees om te bepaal wie die reekse onderskeidelik sal wen.

Uitslae:

- Nieu-Seeland 12-23 Ierland
- Australië 17-25 Engeland
- Argentinië 6-29 Skotland

Ander uitslae:

- Uruguay 22-30 Roemenië
- Georgië 28-19 Italië
- Chili 21-22 VSA
- Japan 15-20 Frankryk

FOR THE FUN OF FUNDRAISING

Rustenburg – The Engelbrecht family lost their livelihood when a fire broke out in their barn on Friday 27 May. The barn was filled with fodder to sell during the winter. A colour run, to raise funds for the family was held on 2 July and with more than 110 entries, an exciting raffle sponsored by Nashua Rustenburg and many more donations, the day was a resounding success. The run started at Olifantsnek Fuel Station. Young and old had a lot of fun exploring the beautiful landscape and being splashed with colour during the fun run.

“It really is amazing to see how a community can come together to support each other. I would like to thank everyone who participated and donated towards this cause. Thank you to Olifantsnek Fuel Station for all the effort, arrangements and venue that you provided as well as all the sponsors of the event,” said Democratic Alliance (DA) ward 36 councillor Jean Keyser who spearheaded the initiative. The Engelbrecht family would also like to thank the organisers and the community for all their help and support.

Nashua Rustenburg sponsored prizes that were raffled off.

The DA team showing their support.
