Inspiring young talent

Rustenburg – Kagiso Kgasoe is a talented 12-year-old Grade 7 learner at Boshoeck Primary. The school inspired their Grade 7 learners to do a 'job shadow' during the school holidays, and upon request, *Platinum Weekly* opened their doors for Kagiso on Friday 15 July. This involved her spending time with several members of *Platinum Weekly's* team to experience our workplace culture and to get an insight into the newspaper industry. **More on page 8**

MAN SENTENCED TO 15 YEARS FOR MURDER

Rustenburg – The sheer number of women that are being murdered by their partners, has put pressure on the courts to send a strong message to perpetrators of such crimes when sentencing them.

According to the national crime statistics, there were 214 murders in the North West province in the first quarter of 2022 (1 January to 31 March), an increase of 39 when compared to the same period the previous year.

The accused, Mafisa Kgantso (35), was found guilty of murder and assault with the intent to do grievous bodily harm by the Rustenburg Magistrates' Court on 1 July 2022, and sentenced to 15 years in prison. According to police spokesperson colonel Adèle Myburgh, Kgantso had an argument

with his 30-year-old girlfriend Setseake Ntswaki Matsobe while they were at a tavern in Boitekong on Saturday 21 September 2019. The accused, Kgantso, killed Matsobe by stabbing her several times after accusing her of having an affair. He then proceeded to stab and wound another man called Ramoadha.

Investigations by sergeant Karabo Monyatsi of Boitekong Detectives led to Kgantso's arrest, a day after the incident was reported. Kgantso was sentenced to 15 years for murder, and also to a further 12 months for assault with the intent to do grievous bodily harm regarding the stabbing of Ramoadha. The two sentences will run concurrently. Kgantso was also declared unfit to possess a firearm.

Search for missing man ends in tragedy

Hartbeespoort Dam – A four-day search in Hartbeespoort Dam ended tragically when the lifeless body of a 42-year-old man was found at around 11h00 on Monday 18 July. The National Sea Rescue Institute (NSRI) Hartbeespoort Dam and Strategic Rescue Units were activated on 14 July following reports that a man had gone missing in the water near the Eagle Waters Broedestroom. According to NSRI, it appears as if the canoe the man was using to fish, filled with

water about 100 metres from the shore and capsized after getting caught in fishing nets. On 15 and 16 July, SA Police Services and Police divers, supported by a Police vessel, NSRI Hartbeespoort Dam using a NSRI rescue craft, conducted an extensive search operation.

Police spokesperson colonel Adele Myburgh could not confirm the details surrounding the incident as the matter is still under investigation.

CHARRED HUMAN SKELETON FOUND BEHIND CLINIC

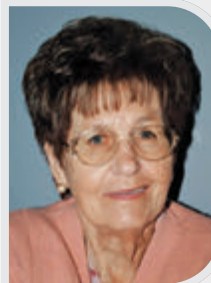

Seraleng/ Rustenburg – A skeleton was discovered in a field behind Seraleng Clinic on Saturday 16 July.

Seraleng resident Hendrick Thebe told *Platinum Weekly* that the remains were found under an electric pylon by a local community member. He immediately alerted other community members. "A local community member, out hunting with his dogs, spotted the skeleton. As one of the community leaders, I went to the scene with the other community members so that we could see the discovery for ourselves," Thebe said. The hunter led them to a field close to the clinic, where he pointed at the gruesome discovery.

"We noticed that the skeletal remains were badly burnt and lying under an electric pylon, so we concluded that the person might have been a copper cable thief who was electrocuted to death," Thebe added. "The identity of the person is not yet clear."

The community members informed Boitekong SAPS about the gruesome discovery.

Police spokesperson colonel Adele Myburgh confirmed that investigations are underway.

SIU welcomes the arrest of former municipal manager in North West for awarding R215 million IT tender

FOUR OFFICERS ARRESTED FOR CORRUPTION AND THEFT

Moretele – The Special Investigating Unit (SIU) welcomes the arrest of former municipal manager of Moretele Municipality in the North West province for allegedly contravening the Municipal Finance Management Act with the irregular awarding of a multimillion-rand IT tender. Theletsi Roger Nkhumise was arrested on Friday (15 July 2022) and appeared before the Moretele Regional Court. Nkhumise is accused of unlawfully appointing Flame IT Strategy to render Information and Communications Technology (ICT) services to the Moretele Municipality, which is largely rural, to the tune of approximately R215 million. The municipality inherited the contract for ICT services from Madibeng Local Municipality. The arrest of Nkhumise follows an investigation conducted by the SIU, which revealed that the municipality increased the scope of work with two addendums to the original contract without following processes governing municipal procurement of goods and services. Furthermore, the SIU investigation revealed that the price from that of the original contract between Madibeng Municipality and Flame IT are definitely not in sync with the pricing between Moretele Municipality and Flame IT. Madibeng paid Flame IT approximately R64 million for a similar service. The SIU has instituted a civil action in the Special Tribunal to review and set aside the contract. This will pave way for the State's only anti-corruption, forensic investigation and civil litigation agency to recover financial losses suffered by the municipality due to negligence and corruption. Fraud and corruption allegations may be reported via the following platforms: siu@hotline.co.za or 0800 037 774.

R10m theft case moved to regional court

Rustenburg – Two former employees of Sitona Mining accused of stealing more than R10 million from the company, will now appear before the Rustenburg Regional Court on Wednesday 3 August 2022.

National Prosecuting Authority (NPA) spokesperson Henry Mamothame said this decision was taken on Friday 8 July when Dinah Dorothea Botes (40) and Alicia Gwanathon Cullingham (32) appeared before the Rustenburg Magistrates' Court. The two, who were arrested by the Hawks in June 2022, are accused of stealing more than R10 million from the mining company from 2014 to 2019.

Botes allegedly transferred more than R9.3 million into two of her personal accounts before disguising the source of the money. She is facing 126 counts of theft and one count of contravening the prevention of crime act (POCA). Cullingham – who also allegedly used the same

method to transfer more than R1 million into her account during the same period – is facing 18 counts of theft and 21 counts of contravening the POCA. "Both of them were working in the accounts department where they were handling payments. The money was not recovered," North West Hawks spokesperson captain Tlangelani Rikhotso told *Platinum Weekly*.

Botes and Cullingham were granted R30,000 and R15,000 bail respectively.

Sitonia Mining responded to questions from *Platinum Weekly* through their lawyers, Van Velden-Duffey: "We cannot comment on any pending criminal and/or civil matters until such a time as they have been finalised in court. We can however confirm that two suspects have been arrested in relation hereto."

Caring for the community

Rustenburg – Powertrade Three Star, Food Town Hyper Tlhabane and Food Town Hyper Rustenburg CBD donated 430 blankets to Jacaranda FM's Warm Fest initiative held in Rustenburg on Saturday 16 July. With winter still in full force, these blankets will go a long way to help protect the less fortunate from the cold.

The giving did not stop there and in celebration of Mandela Day on 18 July, Powertrade Three Star, Food Town Hyper Tlhabane and Food Town Hyper Rustenburg CBD also donated various items to two charity organisations.

Spes Bona is a residential facility that provides safe, quality accommodation to persons with disabilities; and Lighthouse

Children's Home offers a safe haven to vulnerable children. Providing the daily necessities for those in their care is an expensive task. To lift the financial burden a little bit, the three stores donated groceries, toiletries and cleaning materials to these organisations. They also wanted to celebrate the occasion, so the residents were treated to a fun party and delicious cake.

"The vision we have for our community is that of care, respect and assistance. We made these donations to help keep our community warm and to assist those caring for the vulnerable people in our community to continue doing the great work they do," said Powertrade Three Star and Food Town Hyper's Wayne Labuschagne.

The City of Tshwane welcomes payment of R155 million from Madibeng Local Municipality towards its bulk water supply debt

Brits – Two days after the City of Tshwane secured a court ruling allowing the City to attach the bank account of Madibeng Local Municipality in the North-West province, the Madibeng Local Municipality has come forward and paid R155 million of the R258 million it owes to the City of Tshwane. The City of Tshwane welcomes this payment and will further engage Madibeng Local Municipality on paying the outstanding arrears totalling more than R100 million. We mean business and through the #TshwaneYaTima revenue-collection campaign, we will continue to pursue debt that is owed to us by residents, businesses and government entities. The message we are driving here is clear: pay for services rendered. As a municipality we purchase electricity and water in bulk, meaning by the time we distribute these services, we have already paid on our side. If we then fail to receive revenue back from services rendered, it leaves us with shortfalls in our finances. The #TshwaneYaTima campaign is born out of necessity to restore the City's financial health. The culture of non-payment for services has to be tackled head-on. **City of Tswane press release, dated 15 July 2022**

Platinum Weekly reached out to Madibeng Local Municipality for comment, but at time of going print, we had not received feedback.

Inspiring young talent

Rustenburg – Kagiso Kgasoe is a talented 12-year-old Grade 7 learner at Boshhoek Primary. The school inspired their Grade 7 learners to do a ‘job shadow’ during the school holidays, and upon request, *Platinum Weekly* opened their doors for Kagiso on Friday 15 July. This involved her spending time with several members of *Platinum Weekly*’s team to experience our workplace culture and to get an insight into the newspaper industry.

Kagiso is a passionate writer, and even at this young age she has written various short stories and plays. “I was so excited when I received the confirmation that I will be shadowing at the newspaper, I almost couldn’t sleep the night before,” Kagiso said.

During her visit at *Platinum Weekly*, she not only learned about journalism but also about the day-to-day functions of the newspaper. She had the opportunity to sit in on an interview, take photos and even to meet clients. The graphics department gave her a look into what they do, and the sales representatives shared their daily experiences.

Playing her part to help the next generation, *Platinum Weekly*’s editor Myrtle Brough answered many of Kagiso’s questions. Giving her a broader perspective of what the future work market would look like, Myrtle emphasised the importance to never stop learning and to not depend on institutions only to further her studies. She also told

Kagiso to stay true to her values, giving her various examples of ethical and non-ethical writing. Myrtle took the time to read some of Kagiso’s work and gave her input and advice. Kagiso’s day was planned, keeping in mind that young minds need a healthy balance between fun, work and getting philosophical.

Kagiso also thoroughly enjoyed the session with the graphic designers where they showed her how they design some of the adverts and do the layout of the weekly newspapers. The *Platinum Weekly* enjoyed hosting this talented young girl and we wish her every success in life.

A SETBACK FOR GBV VICTIMS

Grace Help Centre closed their doors

Mooiooi – Grace Help Centre, which has been a safe haven for victims of domestic violence and child abuse for the past 26 years, has closed its doors. Over the years they helped thousands of women and children to reconstruct their lives and recover from the psychological effects of abuse. At the time of going to print, the 18 [last] remaining victims that were in the care of the centre were being moved out. Newly appointed Grace Help Centre board chairman Wayne Meintjes told *Platinum Weekly* that the government, through the Department of Social Development (DSD), withdrew their funding after expressing their reservations about how the facility was being run. “It is sad that a centre that used to accommodate 80 victims at any given time, is now closed. This is particularly concerning when one looks at the high rate of women and child abuse in the Mooiooi area,” Meintjes says. Meintjes says his board, which took over in January 2022, found it very difficult to keep the centre running. “We need R4 million annually to run this

place properly and there is currently no money coming in from local businesses or the government. It has created major challenges. The electricity has been cut at the centre since February. The director of the DSD felt that the centre was not managed properly over the past two years. It is sad because the new board only came in to help recently and we know that we could have made a huge difference.” Meintjes says he is working behind the scenes with a number of potential sponsors with a view to establish a new gender-based violence centre in the near future. It is vital for a centre to have the financial and other support of its community. “We are grateful to every person and business who contributed in any way during the centre’s existence. You will surely be blessed.” DSD spokesperson for the North West Petrus Siko says the decision to close down the centre was taken in June this year during a meeting with the board. “It was resolved that the centre be closed and the children be placed at alternative centres, based on their circumstances and that the

board is to register a new NPO since it was mentioned that the reputation of Grace in the area is tarnished due to the mismanagement of funds by the previous management. The board is also to consider registering a new child and youth care centre (CYCC) next year and probably apply for funding for the following financial year provided it qualifies as per the departmental requirements,” Siko says. “Currently, there is no electricity at the facility. The standard of service has deteriorated. Care and protection of children are compromised. Their audited financial report for 2020 is not good,” he says.

Orkney earthquake felt in Rustenburg

Orkney – An earthquake measuring a magnitude of 4.8 was detected 12km ESE of Orkney at 11h19 on Sunday 17 July 2022. It occurred at a depth of about 10km under the surface, and could be felt at distances of more than 150 km. According to the definitions in Magnitude Scale, earthquakes with magnitudes of 2.5 to 5.4 are described as Minor, and are often felt, but cause only minor damages. About 30,000 Minor earthquakes occur per year globally. Even though not being close to the epicentre, several Rustenburg residents felt a slight shake of the ground underneath their feet on Sunday morning.

Have your say / Sê jou sê

Have you been experiencing more cell phone connectivity problems in the past week than usual?

Have you tried calling a number that you know you have dialled 1,000 times before just to hear that the number no longer exist? (even if it's a saved contact)... Have you made a call where you can't hear the person on the other side, or they can't hear you? Received a missed call but your phone never rang? Loadshedding, solar flares or the vandalism of cell phone towers can all contribute towards a bad connection, but over the past seven days it seems to have increased significantly. Were you affected?

Yes, loadshedding is definitely affecting my reception and connectivity. I've been struggling to communicate with people and some calls take very long to go through. The internet is also very slow and messages often take long to deliver.

Hennie van der Merwe

Yes, when I call, it often sounds like a robot on the other side, and I can't hear the person. With the slow internet, websites and social media can take forever to load.

PSALM 36

Man's Wickedness and God's Perfections To the Chief Musician. A Psalm of David the servant of the Lord.

36 An oracle within my heart concerning the transgression of the wicked: There is no fear of God before his eyes.

2 For he flatters himself in his own eyes, When he finds out his iniquity and when he hates.

3 The words of his mouth are wickedness and deceit; He has ceased to be wise and to do good.

4 He devises wickedness on his bed; He sets himself in a way that is not good; He does not abhor evil.

5 Your mercy, O Lord, is in the heavens; Your faithfulness reaches to the clouds.

6 Your righteousness is like the great mountains; Your judgments are a great deep;

7 O Lord, You preserve man and beast. How precious is Your lovingkindness, O God!

Therefore the children of men put their trust under the shadow of Your wings.

8 They are abundantly satisfied with the fullness of Your house, And You give them drink from the river of Your pleasures.

9 For with You is the fountain of life; In Your light we see light.

10 Oh, continue Your lovingkindness to those who know You, And Your righteousness to the upright in heart.

11 Let not the foot of pride come against me, And let not the hand of the wicked drive me away.

12 There the workers of iniquity have fallen; They have been cast down and are not able to rise.

Dinner Under the Stars

Rustenburg – Lighthouse Children’s Home is a safe place for abused, abandoned, orphaned and vulnerable children. Under the care of Elsa Doubell, the children have a place that they can call home where they receive love and care. There are currently 57 children living in the house and between them, they share nine rooms. The children attend 16 different local schools. On average, Lighthouse Children’s Home goes through 5,200 nappies a month and 15 tins of baby formula.

Waterfall Mall hosted a Dinner Under the Stars event on Friday 15 July in their aid. The décor, entertainment and fun activities for the kids ensured that it was a memorable event. They also presented a winter workshop where attendees could make their own terrariums.

The evening concluded with a charity auction, which brought the total value of funds raised from the event to R89,100. These much-needed funds will go towards local feeding schemes and expansion projects at children’s and old age homes in Rustenburg. With the assistance of Lighthouse Children’s Home and the funds raised, we can make a huge difference in our community.

One of the children currently living at Lighthouse shared a powerful message: “I am an orphan, but this does not define me. Although I would like to have my own room, sharing a room with other girls have helped me to overcome my fear of the dark. It would be nice to have things that I can call my own, but I have learned that when you share what you have, you can go through life a little lighter. I am grateful for a place that I can call home.” She also thanked the Waterfall Mall and everyone who bought a ticket for their support.

The lovely décor made the event feel magical.

ALWAYS BE ON THE SAFE SIDE WHEN BURNING

Rustenburg – Due to a favourable Fire Danger Index (FDI) forecast and because the unusually wet weather interfered with the ability to burn this season, the Greater Rustenburg Fire Protection Association (GRFPA) extends the deadline for the burning of firebreaks, block burns, and ash pits until Sunday 31 July.

- All risks and responsibility for burns and any consequences arising from such burn's rests solely with the landowner/ occupier of the land on which the burn is initiated.
- No burns may be conducted without notifying your cluster manager. Cluster managers are not legally entitled to give permission to burn but are legally entitled to object to a burn should they consider conditions to be unsafe.
- All laws of the National Veld and Forest Fire Act (NVFFA) must be / adhered to. Don't say you did not know the law.
- Observe the FDI. **NO BURNING** if the FDI is **ORANGE** or **RED**.
- Notify all neighbours of the proposed burn, when it starts and when it is completed.
- Your neighbour or responsible person should be present at the burn.
- Make sure you have sufficient equipment, manpower and personal protection equipment to burn safely.
- Ensure that the burn is fully extinguished and monitored for at least 24 hours to ensure that flare-ups do not occur.

Please refer to the GRFPA website for the full version of chapter 4 and 5 of the NVFFA which deals with landowners' obligations and responsibilities in terms of fire breaks and firefighting.

Please fix R104 road to Kroondal!

Letter to the editor

Rustenburg – Allow me to express my disappointment, through your widely read newspaper, at the bad state of a very busy road. Recently, I travelled from Rustenburg to Kroondal using the R104 – a trip that I did not enjoy at all! The potholes on this road are unbearable and they put me and all the other people using this road in serious danger. As I was coming back from Kroondal, I found it very difficult to navigate the road because of the deep potholes. The road is badly damaged, especially the area after the car sales and the three-way stop at the Samancor Mine. Something needs to be done immediately before people lose their lives and family members. May the people responsible for fixing this road do their job, please, so that it is safe for everyone to use?

Glencore’s winter drive to keep communities warm

Rustenburg – The winter season is here and Glencore Ferroalloys’ Boshhoek, Wonderkop and Rustenburg smelters are set on making sure communities near their operations are warm during the cold winter months. The company rolled out their blanket drive initiative by donating over 1,000 blankets and fleece beanies to community members near their operations. The majority of the donations were directed to the elderly community members including the Macharora community near Boshhoek Smelter, Wonderkop Smelter’s eight surrounding

communities as well as the Kutlwanong Special School for the Deaf which is adjacent to the Rustenburg Smelter operation. “Our first value as the Wonderkop Smelter is that of care. We see it pertinent that in order for us to succeed in our business, our duty of care has to extend far beyond the people within our operation, thus also to our valued key stakeholders in our respected communities,” said Glencore Wonderkop Smelter human resources manager Fatima Hayat.

Timbati Veld Market is growing

Rustenburg – The monthly Timbati Veld Market is a fun day out for the whole family. Since its inception in May, the market is attracting more and more visitors each month. The July market that took place on Saturday 2 July, was no exception! A new feature to the market was the first *potjiekos* competition and entrants made sure to cook up a storm. Hennie de Kock has a passion for cooking and since the market day was introduced, he has been treating the community with his delicious dishes. His lamb shank potjie with a secret sauce wowed the judges and it was no surprise when he was announced as the winner of the competition. Entrants were allowed to sell their potjie to attendees after the competition and De Kock graciously donated all the money he made towards a project dear to the market committees' hearts. "We are trying to make a difference in Rustenburg. We are from Rustenburg, so we do it for the people of Rustenburg," he said. The funds raised through the market is dedicated to assist the Kerk Street municipal housing residents with general upgrades and renovations of their housing units. Arrangements are also made so that they can attend the market giving them an opportunity to get out of the house and interact with others.

Hennie de Kock's lamb shank potjie landed him the winning title in the Potjiekos competition.

President Paul Kruger word herdenk

Rustenburg – AfriForum se Rustenburg-tak en verskeie ander organisasies het op Donderdag 14 Julie die dood van oud-president Paul Kruger herdenk.

Die Federasie van Afrikaanse Kultuurvereniginge, die Voortrekkers, Vryheidsfront Plus en ook AfriForum het die middag by president Kruger se standbeeld in Rustenburg bymekaargekom om kranse te lê en linte te plaas ter nagedagtenis aan hierdie eertydse staatsman. Onder leiding van dokter Mollie Moolman is daar ook geskiedenis gedeel.

’n Besondere groot eer was ook die teenwoordigheid van sommige van die President se direkte afstammelinge. Dit was ook aangenaam om te sien hoe ons jongmense die geleentheid saam kom vier het. In dokter Moolman se woorde: “As ons jeug grootword sonder om te leer van ons geskiedenis, word hulle wees groot.”

President Kruger is 118 jaar gelede in 1904 in Clarens, Switserland, oorlede na vier jaar in ballingskap.

Jacaranda FM's Warm Fest at Waterfall Mall 2022

Blanket donations streamed in for the Jacaranda FM Warm Fest in Rustenburg.

Rustenburg – Waterfall Mall hosted Jacaranda FM's Warm Fest on Saturday 16 July. Performances by Martin Bester's band, Demi-Lee Moore, Loufi, Ashton Wheeler and Droomsindroom, awed the crowd.

The Warm Fest included Waterfall Mall's Splendour Market with a wide selection of handpicked vendors and local businesses – and what a spectacular turnout!

Waterfall Mall's target for the Warm Fest blanket drive was to collect 5,000 blanket donations. Just days before the event, the donations began flooding in. A huge thank you to all contributing Waterfall Mall stores including PC Worx, Vodacom Shop and PEP, with the largest tenant donation coming from Waterfall Mall's Milaneza Pizzeria. The day concluded with 7,325 blankets from the community, followed by an additional 1,000 blankets from Growthpoint Properties, the owners and managers of Waterfall Mall.

With the assistance of Round Table, these blankets will be distributed within the Rustenburg community. Waterfall Mall would like to thank Jacaranda FM, the community, local businesses and each individual for their contribution and support last weekend. With your help we can make a difference, because we care about our community.

Rustenburg – Laerskool Silwerand Primary was op Saterdag 16 Julie by die Warm Fees by Waterfall Mall. Baie dankie aan elke Randjie en ouer wat 'n kombers gebring het vir dié goeie doel.

Tamlyn Luyt finished a commendable 12th in the SA Cup Championship.

Tamlyn's star shines at SA Cup

Rustenburg – Tamlyn Luyt did herself and the Rustenburg Cycling Club (RCC) proud during the prestigious SA Cup Championships. The championships were held on Saturday 2 July 2022 at Happy Valley in Bloemfontein. Competing against a very formidable group of cyclists, Luyt acquitted herself well by achieving a 12th place finish. However, what was a promising start to the competition for Luyt ended prematurely the following day when she fell and injured her collar bone while competing in the relay. Luyt will only be expected to be back in action in the middle of August 2022 and the RCC is hopeful of a speedy recovery to one of their stars.

Boxer's unique clean-up campaign

SA – Boxer's sustainability division recently launched a unique Clean-Up Programme across South Africa called 'Operation Shanela'. The goal is to uplift local communities, create renewed passion for town betterment and offer previously unemployed youth an opportunity to earn an income, all the while cleaning up the areas in which their fellow community members commute, work and trade. Boxer teams worked with local leaders and councillors to select over 100 unemployed youth to take part in intensive clean-up programmes across KwaZulu, the Eastern Cape, Western Cape, Gauteng, Limpopo, the North West and Northern Cape. Boxer provided cleaning equipment and PPE to the teams and guided them as they cleaned up streets and gutters within the towns. "We are proud that we were able to temporarily employ these great young men and women, and hope that it has added new ideas to the communities in which they live," said Boxer group executive for sustainability, Ntombi Dlodla.

Future looks bright for Bafana Bafana

SA – The future of South African football is looking very bright – if the performance of Bafana Bafana in this year's Council of Southern African Football Associations (COSAFA) Cup can be anything to go by. On Sunday 17 July, Bafana managed to win the plate title after beating Botswana 2-1 at the Sugar Ray Xulu Stadium. Goals from Antonio van Wyk and Selaelo Rasebotja helped South Africa to lay the ideal foundation for that victory while Botswana scored their consolation in injury time through Thato Kebue. Bafana found themselves competing in the plate final after they were knocked out by Mozambique in the quarterfinals of the main COSAFA Cup. They defeated Madagascar in the plate semi-final on 15 July to progress to the final against Botswana.

Although Bafana failed to win the COSAFA Cup, the team was not at full strength and that they were still able to win some silverware points towards a bright future for the young players. Unlike many of the teams taking part in the COSAFA Cup, South Africa deliberately fields young and less experienced players, with the view of developing their talent by exposing them to international football. Pitting them against more experienced players from the other competing teams from the Southern African region will also help them adapt to the high standards of international football. That is why their victory in the plate final is a very significant and positive step in the development of South African football.

Samurai making history

Rustenburg – FightZone SA Mixed Martial Arts (MMA) athlete Emrick Hermann will be competing at the official SA National Amateur MMA Championship for 18 years and above in Brakpan from Friday 22 July to Sunday 24 July. Emrick began his martial arts career at the age of six and has since won various titles making it clear why he has been

nicknamed 'Samurai'. "This will be the first time one of our Rustenburg fighters will be competing in the SA National Amateur MMA Championship for 18 years and above, so we wish him the best of luck. The gym is proud of you and behind you all the way," said FightZone SA gym coach Japie Hermann.

FightZone SA MMA athlete Emrick Hermann is heading to the SA National Amateur MMA Championship in Brakpan.

Women's Day Social Ride

Rustenburg – Kgaswane Mountain Reserve will be a hive activity on Tuesday 9 August 2022 during a Women's Day Social Ride to be hosted by the Rustenburg Cycling Club (RCC). Everybody is welcome to enjoy the ride and all women will be granted free entry as part of celebrations to mark Women's Day.

Impala loses to Centurion

Rustenburg – On Saturday 16 July, Impala Rugby Club's first team lost their match against Centurion 51-10. The absence of Robert Randal, Jacques Botha, Marius Breytenbach, Dewald Havenga, Tricus Blignaut and Peter Mohapi – who had other prior commitments – saw the side losing to a very strong Centurion outfit last weekend. Impala Rugby Club coach Joel Scherman, who is anticipating another tough match against the Pretoria Harlequins on 23 July, hopes for the best. "Harlequins are second on the log (to Naka Bulls) and they are a very difficult team to beat. It will be another tough match for us, that is for sure. Still, we will have to put our best foot forward," he said.

Powerlifting opens doors for Thabang

Thabang Motloutung

Rustenburg – Powerlifter Thabang Motloutung is determined to make the most of his career in the sport, which helped him find a new purpose in life when he was on the verge of giving up. Motloutung, who started professional powerlifting in 2022, said he was drawn to the sport at a time he was dealing with a lot of personal challenges.

"My journey as a professional athlete started when I lost my mother to cancer. My health had deteriorated so much that I joined the gym as a way of rehabilitating myself and getting myself out of a state of depression," Thabang said. "Little did I know that after two years of gym I would make it to both the provincial and national powerlifting championships."

Motloutung, who finished 7th in the national powerlifting championships in Fochville earlier this year, explained how the sport has also given him a new lease on life.

"It was also with great surprise and pleasure that I was given the opportunity to be part of the team at the International Powerlifting Federation's (IPF) World Classic Open Championships at Sun City from 6 to 11 June," Motloutung said. "Through that opportunity I got to meet the president of the IPF, Gaston Parage."

Apart from being a powerlifter, Motloutung is also a motivational speaker, entrepreneur and author.

SA vs Wallis

Die Springbokke daag op vir 'n verandering en klop die Rooi Drake oortuigend met 'n telling van 30-14 in die Kaapstad Stadion voor 53,000 fanatiese *rugga* ondersteuners. Sodoende wen die Bokke die reeks teen Wallis met 2-1.

Vir die groot Bok yster slot, Eben Etzebeth, was dit 'n groot mylpaal in sy loopbaan. Eben word die jongste Bok speler wat in sy 100ste *game* uitdra. Sy verloofde sing die Volkslied en het só 'n goeie uitwerking op hom dat hy 'n vurige vertoning te lewer en welverdiend as speler van die toets aangewys word.

Bongi Mbonambi draf in sy 50ste toets op as haker en word ook met 'n drie vir die Bokke beloon. Handré Pollard vind ook weer sy voete en teken twintig van die Bokke se punte aan, wat ook 'n puik drie sluit.

Daar is nog baie ruimte vir verbetering en Nienaber en klie sal hard moet werk vir die volgende drie weke, want die Bokke speel teen die All Blacks op 6 Augustus in die eerste toets van die Rugby Kampioenskapsreeks.

Ierland behaal ook 'n geskiedkundige oorwinning oor Nieu-Seeland. Engeland wen hulle reeks teen die Aussies. Die Argentynse slaag daarin om die reeks teen Skotland te wen.

Uitslae:

- Argentinië 34-31 Skotland
- Georgia 23-14 Portugal
- VSA 29-31 Chili
- Australië 17-21 Engeland
