# By-law... vehicle impounded

[Extracts of Letter to the editor]

A.E Scheepers Drilling Contractors' drilling machine was impounded because they were doing marketing next to the road.

Our company, A.E Scheepers Drilling Contractors, was promoting our services on the corner of Helen Joseph Drive and Nylrivier Avenue on Wednesday 17 August. We have been doing this for the past 42 years in and around Rustenburg. Our drilling machine was standing next to the road and some of our employees were handing out flyers to the public. Four law enforcement officers arrived and stopped next to the truck and instructed my employees to follow them to the Traffic Department and told them that they are impounding our truck. We were told that we we're not allowed to do marketing in Rustenburg without the permission of the municipality. We proceeded to Bergsig Academy where we pulled over asked the officers to provide us with the law where it stated we're not allowed to advertise without a permit and that it gave them the right to impound our truck. They showed us a section in the Municipal Street Trading Code, but it was not clear on how the specific code had any bearing to our truck being impounded. We did state that we had no knowledge of such a 'law' and that we have been doing marketing like this for the past 40 years and that no one ever had any issues with it. We also asked them to provide us with a impound letter stating their reasons for impounding our truck. They said that we will receive the impound letter at the Traffic Department. After three hours, we finally gave in and followed the officers. We were then issued with a Written Notice to appear in Court. No impound documentation was given but I was told verbally that the truck must stay with them and that after 24 hours, a storage fee will be charged. The only way I could get my truck back was to pay the R2,500 fine. The fine stated that our borehole drilling business was conducting sale (marketing) without the permission of the local authority. Now my question to the officers was why they

are not impounding any other companies' vehicles with advertising material on them and why is it that my truck was being impounded. They stated that it was because we were handing out flyers, not that the truck was standing on the spot. So, in other words the truck was not the issue... it was the flyers they had an issue with. So why then impound the truck and not arrest the people who was handing out the flyers? Daily everywhere in and around Rustenburg, people are standing at robots and intersections selling items, but they are not being arrested. Businesses are placing advertising boards on lamp post and next to their businesses and the list goes on. Maybe it is because we have a drilling machine and they think we can afford to pay the R2,500 fine? Any truck or business that is doing advertising in and around must then according to the officers have a permit to do so. We asked the officers numerous times why it is necessary to take the truck to the traffic department and why they don't just issue the fine on the spot. They told us that the necessary documents were at the office and that they can only write the fine when we are at the traffic department. So now, I have a Written Notice to appear in court with no impound letter and a fine of R2,500 that must be paid before I can have my truck released back to me. No warning in this matter – just straight up impounded and fined. We provide work for people which enables them to put food on the table, we pay license fees and our tax, but now we must pay to advertise or be fined? With the current economic climate in South Africa with so many businesses closing their doors, we are being prevented to do marketing for our businesses unless we pay for a permit to do so.

**Extracts of a legal opinion regarding the validity of the local authority's**

**actions by impounding a motor vehicle (drilling machine) because of unapproved outdoor advertising in the form of distributing handheld leaflets next to a public road.**

I have considered the municipality's Outdoor Advertising By-laws 1 of 2019. As per section 2, outdoor advertisement should be approved by the municipal manager.

**What is classified as an offence in terms of the By-laws?** In terms of section 25 (1), any person who displays or causes or permits to be displayed or distribute an advertisement, directional sign, election material or banner in a street or other public place without having permission thereto.

Does this mean that the municipality may remove or destroy the motor vehicle (drilling machine) in terms of the above because they were distributing offensive flyers (5.1). No, they may only remove or destroy the advertisement. In terms of section 1, an advertisement is defined as; *"a representation of a product, message, announcement in the form of a logo, picture, image, sign, art, figure, drawing, fliers, posters, lighting and any other designed graphic medium that is displayed on private property, municipal, regional, provincial or national roads and reserves within the jurisdiction of the city/council; and viewed in a public space, to inform readers or the public of a product, entertainment event, message, business, enterprise, facility, person, headline news, activities related to public benefit projects, religious, educational, social, health, safety, security and government meetings; that is subject to the provisions of all applicable regulations, By-Laws and other legislation;"*

It would be worthy to determine whether the impounded vehicle (drilling machine) had any form of advertising displayed on it (see definition of advertisement). If the vehicle itself is seen as an advertisement, then the municipality MAY argue that they impounded the vehicle as a result of it being an offensive advertisement and not because of the offensive handheld flyers. But, if the advertisement can be removed from the vehicle (it does not form part of its permanent structure), one could argue against it. Only the advertisement can be removed or destroyed in terms of this section. This however has nothing to do with the distribution of flyers, but rather using the motor vehicle as a form of advertisement. Thus, if the municipality specifically stated that they are impounding the vehicle as a result of the distribution of flyers, then this argument would not hold water.

Also, if this argument is followed and approved, it would, by implication, mean that any "permanently" branded vehicle driving

around in RLM could be removed or destroyed.

Section 25(3) states that any person who places or causes to be placed a circular, handbill, directional sign, or any other advertisement on or in a vehicle in a public street or place commits an offence. I would assume that this is only applicable to 3rd party vehicles and not your OWN vehicle, although it is badly drafted and unclear. Again, if this was interpreted to be your own vehicle, it would mean that simply branding your vehicle would constitute an offence and would make it the vehicle eligible for impounding.

However, does the drilling machine form part of the advertisement. Could it be argued that the drilling machine itself was an advertisement? Then yes, they could have impounded the vehicle under this section. If they did not see the drilling machine itself as the advertisement, then they were not permitted, in terms of these by-laws, to impound the drilling machine as a reaction to the handing out of offensive flyers. (offensive flyers being flyers not permitted by the local authority)

# Municipal swimming pools still closed

**Rustenburg** – Spring has sprung, but the public swimming pool at the corner of Marais and Kruger streets is not yet open to the public for the season.

The Rustenburg Local Municipality (RLM) has advised that all public swimming pools under its jurisdiction will only open after the ongoing maintenance and cleaning work had been completed.

The Marais Street municipal swimming pool is one of the most popular swimming pools in the platinum city. Four other swimming pools being operated by the RLM, near Ben Marais Hall, Karlienpark, Monakato and Zinniaville, are also closed at this time. Notices which have been placed at the entrance of the swimming pools, dated 1 September 2022, reads: ‘This notice serves to inform the public that the pools will not open on 1 September until further notice.’It’s not yet clear when the cleaning initiative will be completed.’.

The public swimming pool along Marais Street in Rustenburg is not yet open to the public.

# SPCA sleepover success

**Rustenburg** – More than 20 people spent a night in the kennels of the Rustenburg Society for the Prevention of Cruelty to Animal (SPCA) on Saturday 3 September. People and animals were equally enthusiastic about this fundraising sleepover where community members were sponsored to spend a whole night in a kennel, keeping the animals company. “We adopted a dog named Oliver from the SPCA a while back and he is an absolute delight, so we decided to support this initiative in honour of Oliver,” said Chane Steyn who spent the night with four dogs. Some participants decided to keep it simple, with only a warm blanket and a sleeping bag, while others went all out with blow up mattresses, night lights and even fairy lights! Members of the Rustenburg Community Policing Forum (CPF) volunteered to keep watch during the night, keeping all the participants safe. Rascal, one of Rustenburg SPCA's dogs, was assigned as the guard dog for the evening and spent the night patrolling the grounds. Rustenburg SPCA manager Marisa Kruger said: “You could clearly see the difference it made in the lives of the animals who got to spend the evening cuddling with a human. Their personalities really came through with all the attention and love they received.” Through this initiative, the Rustenburg SPCA managed to raise R29,130. It's a big leap towards the funds needed for a reliable bakkie. Kruger would like to give a special thank you to the Rustenburg SPCA committee for making all the arrangements for the sleepover: “We are blessed to have such an effective and caring committee on our side.” The Rustenburg SPCA would also like to thank all the sponsors and the community who supported the initiative.

Members of the CPF with Rascal (the dog) spent the night keeping participants safe.

# Attorney's fraud case postponed for mediation

**Rustenburg** – The case in which an attorney is facing charges of stealing about R700,000 from the Road Accident Fund (RAF) claimants has been postponed to 14 October 2022 for mediation proposals. During Betty Diale's appearance before the Rustenburg Regional Court on Monday 29 August, her defence attorney pointed out their intention to provide the state with mediation proposals to settle the matter. Said National Prosecuting Authority (NPA) spokesperson for the North West Henry Mamothame: “The state did not oppose the postponement and will study the proposals for consideration.” It is the state's case that Fidelity Funds, a body that oversees the conduct of attorneys, received several complaints from the RAF claimants, whose payments were deposited into Diale's trust account. Claimants alleged the money did not reach them after the pay out and proceeded to report the matter to the police. Diale was practising as an attorney during the alleged commission of the crimes from 2009 and 2011 and was subsequently charged with six counts of theft in June 2021. She cannot practice as an attorney after the Legal Practice Council struck her off the roll.

Doctors Tabane Moage, Maleho Maku and Dieter Marais also stepped in to assist parents who could not afford medical treatment and therapy. *Platinum Weekly* met up with learners Kelvin Stols and Lefa Molwantwa, who are looking forward to return to the rugby field. In an interview on Friday 2 September, Lindie Pieterse told us: “We attended to them once a week in June, July and August and the sessions had positive outcomes. Most of the kids are now well on the path to recovery.” Pieterse said that a holistic approach was followed to help the learners on their road to recovery. “We are also grateful to Linda Grobler, Jeanette Little, Carlette McClaren and Adel Coetzee for providing counselling services to the learners.” Lefa's father Thato Molwantwa said: “Thank you to everyone who was involved in assisting our children. They are on their way to a full recovery and I'm grateful beyond words”.

**Extracts of article (issue dated 27 May 2022)**  
**Rustenburg** – Several parents' worst fear came true on Tuesday 24 May, when they were notified that their kids were involved in an accident. Laerskool Dawid Brink's rugby teams travelled to Hartbeespoort to participate in a friendly match at Laerskool Generaal Hendrik Schoeman. They were on their way back, traveling along the N4 when the left rear tyre of their bus carrying 50 children aged 10 to 13, burst. The accident occurred around 8pm close to Kroondal. The driver made every attempt to avoid oncoming traffic and to keep control of the bus, but it capsized, spun around, and came to a standstill on its side, facing the opposite direction. The reports from Vaal Maseru, the company who owns the bus, indicated that the bus was not speeding and was traveling at 85km per hour in a 120km zone when the accident occurred. The lower speed definitely limited the severity of the accident.

ACCUSED MOTHER-MURDERER ON TRIAL

**Koster** – A man who allegedly stabbed his mother to death appeared before the Koster Magistrates' Court on Wednesday 7 September. Thabang Moswane (24), who stands accused of stabbing Kedisaletse Elizabeth Moswane (53) to death after an argument ensued between the two, has abandoned his bail. The matter was postponed to 18 October. Said National Prosecution Authority (NPA) regional spokesperson for the North West Henry Mamothame: "Police reports reveal that Boons police were called out to a horrific murder scene in Mathopestad on Monday afternoon 9 May 2022. Upon arrival at the scene, police found Kedisaletse's body with numerous stab wounds - in their shack."

Thabang Moswane stands accused of murdering his mother.

Illegal settlement on the R24

**Rustenburg** – Portion 173 of the farm Waterkloof 305, better known as the Sonderwater settlement on the R24, just outside Rustenburg, has become a looming headache to its surrounding neighbours over the past couple of years. This is not the settlement on the Dinie-Estates Road, which is close by. This settlement is situated on the R24, before the first circle from the mall when driving direction Johannesburg [on the left]. It's not visible from the R24 but its roots are settled firmly. The property belongs to Born Free Investments 552 (Pty) Ltd and has been earmarked for township establishment but due to illegal occupiers, the development could not proceed. With just a few structures erected in 2016 the 'new neighbours' apparently started becoming a problem in the area with crime and noise levels skyrocketing. Neighbouring property owners were informed by Born Free Investments' attorneys that they are aware of the situation and that the matter had been reported to the police on several occasions. Legal eviction processes commenced. But since this initial correspondence, the number of illegal occupants increased weekly. An eviction order was obtained by Born Free Investment in July 2017 and the illegal occupants were given 30 days to leave. In June 2019, the Rustenburg Sheriff of the High Court was given an instruction by Born Free Investment's attorneys to proceed with the eviction. The cost of the eviction at the time was estimated to be R130,000 and a deposit of R80,000 was required. The neighbouring property owners undertook to pay the deposit, but due to growing concerns about the effectiveness or the court order which was already obtained in 2017, it was decided to rather not pay over the deposit immediately. A wise choice seeing that the court order could not be carried out, it seems. Born Free Investments' attorneys reached out the Rustenburg Local Municipality in July 2020 informing them that there are between 180 and 200 structures on the property and that in accordance with the *Prevention of Illegal Eviction from and Unlawful Occupation of Land Act* ("the PIE Act"), the municipality had an obligation to engage in an exercise to determine the availability of alternative land for the settlement to be relocated to. The process has since come to a standstill and the surrounding property owners have become the victims of serious health risks due to sewerage leaking into their groundwater. The noise complaints and sewage concerns have been reported several times over the last few years – all while the settlement just keeps growing in numbers. *Platinum Weekly* reached out to Born Free Investments who confirmed that a court order was sought in order to evict the unlawful occupants from the property. It subsequently transpired however that the court order was unenforceable and despite attempts to invoke the assistance from the municipality, no such assistance was forthcoming, and that they have been forced to go back to the drawing board. "We are in the process of considering, together with our legal team, how best to deal with the matter and it is anticipated that appropriate legal steps will be taken in the not-too-distant future," director of Born Free Investments 552 Dominique Haese said.

Several illegal structures have been erected on the property owned by Born Free Investments 552 (Pty) Ltd.

# FIRST FLIGHT FOR 500 KIDS!

**Rustenburg/ Magaliesberg** – More than 500 less-fortunate kids got the opportunity to fly – for the very first time – on Friday 2 September at Orient Airfield in Magaliesberg. The 2022 Children’s Flight, an annual aviation community-supported project, was a massive success!

Rustenburg Lions club were requested to source participants in the Rustenburg area to take part in this annual event. The club identified six local institutions who were invited to join this exciting adventure. A total of 65 children from SOS Children’s Village Rustenburg, Lighthouse Children’s Home, Chrissies Home, Ikaneng Disability Centre, Rustenburg Child and Family Welfare and Rustenburg Skool vir Buitengewone Onderwys attended the event that hosted more than 500 children from all over South Africa.

Felix Gosher started the Children’s Flight [non-profit company] in 2016. It has grown from strength to strength. The event kicked off with a parachute jump, leaving the kids in awe. Mesmerized, the kids stared at the sky as the jumpers ‘slowly’ descended. When one of the jumpers opened a South African flag in mid-air, Nkosi sikelel’ Afrika, our national anthem was sung loud and proud.

Next up was a magnificent air show. Nine airplanes flew in perfect formation, colouring the sky with smoke patterns. Pointing at the skey, the starry-eyed kids got in line for a memorable opportunity - their very first flight. It was a mixture of [a dash of fear] and excitement. It was certainly a day the kids would never forget!

“I am so excited and proud to be part of this experience of taking the kids out on their first flight,” said grade three flight instructor Snethemba Ngwane.

A big thank you to the sponsors who made this day possible!

The youngsters stared in amazement.

A magnificent air show for the kids.

Rustenburg Skool vir Buitengewone Onderwys learner Anthony Pitzar having the best day ever!

PLEASE GIVE EVIE A CHANCE

**Rustenburg** – Evie is a female eight-month-old cross breed waiting in kennel M6 at the Rustenburg Society for the Prevention of Cruelty to Animals (SPCA). She is a little bundle of joy who is full of energy and just wants to share her love with everyone. After spending some time with Evie, the Rustenburg SPCA have come to realise that she was born deaf. But this does not deter her! Her other senses are working in overdrive, and she is very intelligent. With some love, she has so much potential. She gets along with other dogs, cats, and children. If you want to make Evie part of your family, contact Rustenburg SPCA on 014 592 3181.

Evie is waiting in kennel M6.

SAVF needs volunteers

**Rustenburg** – Although volunteering can be hard work and take some of your time, it does not result in payment. Volunteers choose to freely give their time and labour to assist non-profit organisations and charities in doing vital community service. Some volunteers are specialists in their field, and some like to help bake cookies for a bake-sale. Volunteers are also a physical presence during an event or visit. They could be an extra pair of arms to carry donations into a foster home, or a voice filled with a

purpose to call on businesses for donations. A volunteer in return gains life experience which can help combat loneliness, increase mindfulness, or give a CV that extra sentence that makes it stand out from the crowd of indifference. Rustenburg SAVF, located at 212A Kruger Street, urgently needs volunteers to help them. Now is the opportunity to step forward and to volunteer to assist social workers and a non-profit community organisation that has been working with the most vulnerable people in the community for more than a century. If you have some extra time, please volunteer! For more information: SAVF Rustenburg 212A Kruger Street, Rustenburg 014 592 8568 rustenburgadmin@savf.co.za

Have your say / Sê jou sê

Do you judge someone based on the social media content they share?

With so many people sharing content on social media platforms like TikTok, Instagram, Twitter, and Facebook... it's only natural that you get judged by what you post. It can even be used against you in job interviews. Or, do you not judge people by what they post?

No, you cannot judge someone by social media posts. Many people, like me, just use it to share jokes and for entertainment purposes.  
**Kgotlaetsile Modimola**

Yes, I would judge someone the same way online as I would in person. For example, if they share or post misinformation and statements they cannot back up, or publicly complain about very personal problems to seek affirmation.  
**Engela Otto**

No. I don't know what that person is going through when they post what they post. Life is stressful, so generally I don't judge people.

The Mortimer Smelter operation is located on the Farm Turfbult 404 KQ, Swartklip and falls within the North West province. The main objective of the Smelter is to process concentrate received from platinum concentrators, which is smelted to produce furnace matte for dispatch and further processing at the Anglo Converting Plant (ACP) situated in Rustenburg. The affected property will include portions of the following:

- Portion of Turfbult 404 KQ

The proposed variation is to make provision for the new SO<sub>2</sub> abatement plant. The abatement plant will be utilised to capture existing SO<sub>2</sub> emissions produced during the smelting process and convert it to sulphuric acid. This will enable Mortimer Smelter to reduce SO<sub>2</sub> emissions in order to meet the Minimum Emission Standards as established by the Department of Forestry, Fisheries and Environment.

The original environmental authorisation for the abatement plant was issued on 12 March 2018, which was also followed by a Section 31 amendment authorisation issued on 7 March 2022. AAP will now be applying to BDM to make provision for the new SO<sub>2</sub> abatement plant in the existing AEL.

All interested and affected parties (I&APs) are invited to provide comments, which should be received by 8 October 2022 and addressed to Tshami Nemurangoni as per contact details below.

## RCC's prodigies do it again

**Rustenburg** – Rustenburg Cycling Club (RCC) juniors have continued to dominate. Three of them proved they are among the best cyclists in the North West through their impressive performances during the North West XCO #3 held in Potchefstroom.

Tamlyn Luyt proved her brilliance in the youth girls' category when she clinched first position. This achievement also saw her being selected to be part of the North West team that will compete in the nationals in Tzaneen on Saturday 17 September.

Stuart Luyt (Tamlyn's brother) proved he is following closely in his sister's footsteps – when he finished fourth in the youth boys' category. Another RCC rising star, Anrich Barkhuizen, also put in a commendable effort and managed to achieve first position in the youth boys' category. Luan Vermuelen, who joined the junior ranks of the RCC recently, finished in second position. Like Tamlyn, Barkhuizen will also be part of the North West team that will compete in the nationals in Tzaneen.

Tamlyn Luyt clinched first position in the youth girls' category.

Stuart Luyt finished fourth in the youth boys' category.

## Impala go down fighting

**Rustenburg** – Impala Rugby Club's first team battled hard but lost their match to Pretoria Rugby Club by a 40-24 margin. Pretoria used their home advantage to good effect during the match, which was played on Saturday 3 September 2022.

Impala, who had beaten the hosts in the first round of the World Sports Betting Carlton League, had gone into the match eying nothing short of another victory. However, Pretoria Rugby Club absorbed the pressure and emerged as the better side on the day.

The match brought the curtain down on Impala's campaign in the very competitive league. Impala coach Joel Scherman is now eager to build on the positive aspects of games as well as address some of the team's shortcomings.

The competitive World Sports Betting Carlton League was a learning curve for Impala Rugby Club.

## RHS BERGFIETSRYERS TRAP NASIONAAL TOE

**Rustenburg** – Hoërskool Rustenburg (RHS) bergfietsryers Anrich Barkhuizen en Ruan Espach gaan Noord Wes tydens die nasionale byeenkoms in Tzaneen op Saterdag 17 September verteenwoordig.

Baie dankie aan Dana Vos van Vossies vir die High5 sport drankies wat hy aan die twee ryers geskenk het ter voorbereiding vir hul volgende wedren.

Dankie ook aan Wayne van Wonderfoods vir die Wonderade en water skenking vir die North West XCO Cup #3 te Potchefstroom wat op 3 September plaasgevind het.

Hiër het die Rustie-bergfietsryers ook puik presteer. Anrich het 'n eerste plek verower, Luan Vermeulen 'n tweede plek, en Tiaan Buys 'n 18de plek in die mans jeugafdeling. Ivan Pieterse het 'n negende plek in die junior mansafdeling verower en in die sub-junior seunsafdeling kom Ruan derde. Johan van Noordwyk behaal 'n 14de plek.

## Who will score more goals?

**SA** – The race to secure the top goal scorer award has always been a fascinating sideshow of the South African football league title chase. Few things in football bring more joy to supporters than goals.

The number of goals scored are often used by supporters to gauge whether the game was an exciting or uneventful one.

Siyabonga Nomvetho, Knowledge Musona, and Collins Mbesuma are some of the former players who have illuminated the PSL with some of the most captivating goals. The Lesley Manyathela Golden Boot Award – as the accolade for the top scorer is referred to – is one of the most prized individual achievements for PSL players.

Peter Shalulile has emerged as one of the early favourites to scoop the award. This Mamelodi Sundowns striker, who won the award for the 2021/2022 season, has continued to bang them in again in the current season.

As of Tuesday 6 August 2022, the striker had scored four goals from six matches. Five other players – Darwin Gonzalez, Khanyiso Mayo (both Cape Town City FC), Bradley Grobler (SuperSport United), Gabadhino Mhago (AmaZulu) and Andre de Jong (Royal AM) – all following closely with three goals to their names.

## 2022 Rugby Kampioenskappe

### Nieu-Seeland vs Argentinië

Op die FMG Stadion in Waikato was die All Blacks in 'n verwoestende bui ou grote. In gietende reën boelie die Kiwi's meesterlik die Pumas met 'n 53-3 telling. In die proses druk hulle sewe drieë en behaal 'n waardevolle bonuspunt. Die waarde van 'n bonuspunt kan die uitslag van die reeks bepaal met al die spanne wat twee keer gewen en verloor het. Die All Blacks is op tien punte met die ander drie op nege punte elk.

Die All Blacks kom op Donderdag 15 September

om 11:45 in Melbourne teen die Aussies te staan. Argentinië gaan op Saterdag 17 September om 21:10 teen die Bokke op die Estadio Jose Amalfitani Stadion in Buenos Aires uitdraf.

### Australië vs Suid-Afrika

Die Bokke klop die Aussies 24-8 en behaal ook 'n waardevolle bonuspunt vir die vier drieë wat hulle druk. Debutant op no. 14 jersey, Canan Moodie, maak 'n droom buiging en druk ook 'n skitterende drie na 'n puik hangskop van Jaden Hendrikse. Teen die einde van die game het die humeure behoorlik opgevlam toe Mapimpi vir Koroibete vir oulaas greep. Eben Etzebeth het soos 'n draak vuur gespoeg en die Aussie stut, Allan Alaalatoa, sal beslis nog nagmerries vir 'n paar weke kry na die amperse straatgeveg.

Die Bokke is nou in Argentinië en gaan volgende Saterdaggaand, 17 September, om 21:10 In Buenos Aires teen die Pumas uitdraf.

## World Cup Sevens

Vir die eerste keer sedert 1995, bied Suid-Afrika weer 'n Wêreldbeker toernooi aan. Vanjaar is dit in die vorm van die Sewes, en skop af op Vrydag 9 September op die Kaapstad Stadion.

Die toernooi word op 'n uitklop basis beslis en 24 lande sal meeding. In die eerste rondte speel 16 spanne teen mekaar, waarna die wenners dan teen die top agt spanne in vier kwarteindstryde uitspeel. Die vroue speel ook in die toernooi en sestien lande is in aksie.

Die Blitse kon nog nooit die titel verower nie. 'n Wen sal vir coach Neil Powell die grootste afskeid geskenk wees. Powell sluit aan by die Sharks as direkteur van Rugby na die afloop van die toernooi. Die Blitse was baie teleurstellend in die laaste

toernooi in LA vir die HSBC reeks en sal vergoed daarvoor in Kaapstad. Verskeie sterre wat beseer was, is weer fiks verklaar en beskikbaar vir die tawwe maar opwindende toernooi. Vir die Blitse is die superster Cecil Afrika fiks en gereed – tesame met Selwyn Davids, Ronald Brown, Christie Grobbelaar en Mfundo Ndhlovu.

### Vorige wenners in die finale:

- 1993 – Edinburgh | Engeland 21-17 Australië
- 1997 - Hong Kong | Fidji 24-21 Suid-Afrika
- 2001 - Mar del Plata | NZ 31-12 Australië
- 2005 - Hong Kong | Fidji 29-19 NZ
